Interests & Experiences

Are you currently serving or have you ever served on an Alachua County advisory board?

Yes No

If yes, please list board(s):

Please list any civic and professional accomplishments/honors, training or experience related to this appointment:

I have both educational training and professional training related to the ecology of north central Florida. Additionally my knowledge extends to local and state policies that impact decision making for land conservation, permitting, and water quality/quantity.

What Contributions do you feel you could make if you were selected to this board?

Due to my educational and professional experience I have a robust understanding of and experience with land conservation, water quality and quantity issues, multi-level agency collaboration on environmental issues, and community engagement. I feel my experience working with various local, state, and federal partners including but not limited to local springs protection groups, Water Management Districts, the Florida Department of Environmental Protection, and the Natural Conservation Service, allows me to grasp not only Alachua County environmental issues, but also keep firmly in mind the implications decisions hold on our region and state as a whole. Additionally, as a younger professional contributing to this board I feel I help diversify input that is can be gleaned from different perspectives.
