Expenditures utilizing these funds must be consistent with the Grantee/Subgrantee Agreement executed between the Board and the Department of Economic Opportunity (DEO) and in compliance with the Board's approved plan and all federal and state rules, regulations, policies and grant conditions applicable to the grant program described on page one. The indirect cost rate for this subaward, whether federal or non-federal, will be the federally recognized indirect cost rate negotiated between the Board and the federal government or, if no such rate exists, either a rate negotiated between DEO and the Board, or the de minimis rate, if optionally elected by the Board.

Federal grant funds provided under this award may not be used by the grantee or any sub-grantee to support lobbying activities to influence proposed or pending Federal or State legislation or appropriations. This prohibition is related to the use of Federal grant funds and is not intended to affect an individual’s right or that of any organization, to petition Congress, or any other level of Government, through the use of other resources. (See 45 CFR Part 93.)

Federal grant funds provided under this award may not be used to meet the matching or cost-sharing requirements of other Federal grant programs unless expressly authorized by Federal law.

Federal funds awarded under this grant may not be used for construction or the purchase of land.

In accordance with Public Law 103-333, the “Departments of Labor, Health and Human Services, and Education, and Related Agencies Appropriations Act of 1995,” the following provisions are applicable to this grant award:

Section 507: “Purchase of American-Made Equipment and Products - It is the sense of the Congress that, to the greatest extent practicable, all equipment and products purchased with funds made available in this Act should be American-made.”

The law does not apply to children’s services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions or facilities and used for inpatient drug and alcohol treatment.
