The evaluation committee will evaluate the proposals as follows:

6.1 **Technical Qualifications**

The Technical Qualifications will assess each responding Consultant's ability based on experience and qualifications of key staff members, the Consultant's capability of meeting time and budget requirements, whether a Consultant is a certified Small Business Enterprise, volume of work to the County, and the Consultant's record with regard to this type of work, particularly in the County or in Florida.

The Evaluation Committee will not be impressed with excessive amounts of boilerplate, excessive numbers of resumes, excessive length of resumes, excessive numbers of photographs, work that distant offices have performed, or work not involving personnel to be assigned to the proposed project.

6.2 **Written Proposal**

The Evaluation Committee will assess how effectively the requirements of the scope of services have been addressed. The written proposal should identify a project manager and other key members of the project team and the proposed project schedule. It should relate the capabilities of the project team to the requirements of the scope of services.

The Evaluation Committee will not be impressed with excessive boilerplate, excessive participation by "business development" personnel, and the use of "professional" presenters who will not be involved in the project or future presentations.

6.3 **Oral Presentation (Optional)**

Oral presentation should address both the technical qualifications of the Consultant and their approach to the project.

Importance is given to the Consultant's understanding of the project, the placement of emphasis on various work tasks, and response to questions. The Evaluation Committee will assess the project manager's capability and understanding of the project and their ability to communicate ideas. The role of key members of the project team should be established based on the scope of services and the Consultant's approach to the project. The role of any subcontracted Consultant in the proposal should be clearly identified.

Unique experience and exceptional qualifications may be considered with emphasis on understanding of the project, particularly "why it is to be done" as well as "what is to be done."

6.4 **Other factors**

The Other Factors to be considered, but not limited to, are those items, such as Small Business Enterprise status, past performance, and previous amount of work for Alachua County. Fee proposals, when requested and deemed appropriate, are also to be considered in the evaluation process, where the request for such fees is in accordance with the County's Purchasing Code.

7.0 **PROFESSIONAL RESPONSIBILITY**

All services shall be provided with the skill and care which would be exercised by comparable qualified professionals performing similar services at the time and place such services are performed.

Individual or Consultant shall accept full responsibility for the work as described herein.

7.1 **Insurance Requirements**

The selected proposer/Consultant shall provide a Certificate of Insurance to the County with a Thirty (30) day notice of cancellation. **EXHIBIT I**

8.0 **GENERAL TERMS AND CONDITIONS**

The following are the general terms and conditions, supplemental to those stated elsewhere in the Request for Proposal, to which the selected Consultant must comply in order to be consistent with the requirements for this Request for Proposal. Any deviation from these or any other stated requirements should be listed as exceptions in a separate appendix of the proposal.

8.1 **Assignment of Personnel**

All personnel assigned to the project will be subject to the approval of the County and no changes shall be allowed unless prior written approval is obtained.

8.2 **Basis for Contract Negotiation**

The proposal will serve as the basis for negotiating the contract.

8.3 **Term of the Contract**

The contract shall be effective for the period to begin based on the date of the executed contract and continuing through September 30, **2021** with an option by the County to renew for **two (2)** additional **two (2)** year periods.

8.4 **Reuse of Existing Plans** - Not applicable.

8.5 **Governing Law**

This agreement shall be governed in accordance with the laws of the State of Florida. Venue shall be in Alachua County.

8.6 **Permits, Laws & Regulations**

The selected Consultant shall obtain and pay for all necessary permits, permit application fees, licenses or any fees required.

The selected Consultant shall comply with all laws, ordinances, regulations and building code requirements applicable to the work contemplated in the proposal. The selected Consultant is presumed to be familiar with all state and local laws, ordinances, code rules and regulations that may in any way affect the work. Ignorance on the part of the selected Consultant will in no way relieve it of responsibility.

The selected Consultant must agree to abide by and conduct its programs and provide its services in compliance with the provisions of the Civil Rights Act of 1866, Civil Rights Act of 1871, Equal Pay Act of 1963, Civil Rights Act of 1964, Age Discrimination and Employment Acts of 1967, Rehabilitation Act of 1973, 1990 Americans with Disabilities Act, 1991 Federal Civil Rights Act, 1992 Florida Civil Rights Act, and all other applicable ordinances, statutes, laws and amendments thereto.

8.7 **Award of Contract(s)**

The County reserves the right to award contracts to more than one (1) Consultant as determined to be in the best interest of the County.

8.8 **Assignment of Interest**

Any individual or Consultant shall not assign any interest in the contract and shall not transfer any interest in the same without prior written consent of the County.

8.9 **Indemnification**

To the maximum extent permitted by Florida law, the Professional shall defend, indemnify and hold harmless the County and its officers and employees from any and all liabilities, claims, damages, penalties, demands, judgments, actions, proceedings, losses or costs, including, but not limited to, reasonable attorneys' fees and paralegals' fees, whether resulting from any claimed breach of this Agreement by the Professional or from personal injury, property damage, direct or consequential damages, or economic loss, to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of the Professional or anyone employed or utilized by the Professional in the performance of this Agreement.

The duty to defend under this Article is independent and separate from the duty to indemnify, and the duty to defend exists regardless of any ultimate liability of the Professional, the County and any indemnified party. The duty to defend arises immediately upon presentation of a claim by any party and written notice of such claim being provided to the Professional. The Professional's obligation to indemnify and defend under this Article will survive the expiration or earlier termination of this Agreement until it is determined by final judgment that an action against the

County or an indemnified party for the matter indemnified hereunder is fully and finally barred by the applicable statute of limitations.

Nothing contained herein shall constitute a waiver by the County of sovereign immunity or the provisions of §768.28, Florida Statutes.

8.10 **Amendments**

This agreement may be amended by mutual written agreement of the parties and may be changed only by such written amendment.

8.11 **Default and Termination**

The failure of either party to comply with any provision of the contract shall place that party in default. Prior to terminating the contract, the non-defaulting party shall notify the defaulting party in writing. Notification shall make specific reference to the provision which gave rise to the default.

The defaulting party shall be given seven (7) days in which to cure the default. The Department Director is authorized to provide written notice of default on behalf of the County, and if the default situation is not corrected within the allotted time, the County Manager is authorized to provide final termination notice on behalf of the County to the selected Consultant.

The County may terminate the contract without cause by first providing at least 24 hours written notice to the selected Consultant prior to the termination date. The County's Department Director is authorized to provide written notice of termination on behalf of the County.

In the event funds to finance the contract become unavailable, the County may terminate the contract with no less than twenty-four hours' notice in writing to the selected Consultant. The County shall be the final authority as to the availability of funds.

8.12 **Successors and Assigns**

The County and selected Consultant each bind the other and their respective successors and assigns in all respects to all of the terms, conditions, covenants, and provisions of this agreement, and any assignment or transfer by the selected Consultant of its interest in the contract without the written consent of the County shall be void. Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of the County or the selected Consultant, nor shall it be construed as giving any right or benefit hereunder to anyone other than the County or the selected Consultant.

8.13 **Non Waiver**

The failure of either party to exercise any right shall not be considered a waiver of such right in the event of any further default or noncompliance.

8.14 **Independent Consultant**

In the performance of this agreement, the Consultant will be acting in the capacity of an independent Consultant and not as an agent, employee, partner, joint venturer, or associate of the County.
