Tony, sorry it took me a min to get back to you on this, the storm has me a week behind. Because Traffic Supplies was the lowest for more than 7 items they qualify for award per the Scope. I rewrote the recommendation below. Does this work for you and we will award to all three vendors based on line item?

Thanks,

It is our recommendation that the bid be awarded to the lowest, responsive and responsible bidders for each line item; Vulcan Signs, Lightle Enterprise of Ohio, LLC and Traffic Supplies and Distribution as primary and as secondary vendors, based on price and availability.

Subject: Bids under Review Update

TJ,

I have received notices the last two days reminding me to approve the following:

1. Annual Purchase of Drainage Infrastructure
2. Annual Purchase of Plant Mix Asphalt

I will approve once comments have been resolved.

We are reviewing submittals for:

1. Annual Purchase and Delivery of Limerock
2. Annual Purchase of Sign Material
3. SW 20th Avenue Sidewalk

I have, "been invited to collaborate" on these evaluations through OpenGov. However, they do not show up in "My Evaluations" when I click on it. I have to search for it on the "All Projects" list. Can they be added to "My Evaluations?"

Am I missing anything? Please let me know. Thank you.
