FOR BASE LEVEL AND ROUTE 75 TRANSIT SERVICES**

THIS AGREEMENT, made and entered into this ____ day of _____, 2019, by and between the City of Gainesville, Florida, a municipal corporation of the State of Florida, by and through its City Commission (CITY), and Alachua County, a charter county and political subdivision of the State of Florida, by and through its Board of County Commissioners (COUNTY), concerning the provision by the City of transit services:

WITNESSETH:

WHEREAS, the COUNTY wishes to provide Base Level and enhanced transit services for certain parts of the County; and,

WHEREAS, the COUNTY and the CITY support the use of the Regional Transit System in lieu of citizens operating single-occupant vehicles; and

WHEREAS, the CITY operates a transit system capable of providing the desired service.

NOW, THEREFORE, in consideration of the mutual covenants and promises hereinafter set forth, and other good and valuable consideration, the CITY and COUNTY do hereby agree:

ARTICLE II - COUNTY OBLIGATIONS

2. The COUNTY agrees to pay for Base Level transit services and Route 75 transit as detailed for the routes identified on the RTS system map attached hereto as Exhibit A, and the specifications attached hereto as Exhibit B.

3. Payments by the COUNTY to the CITY shall be made in equal quarterly amounts for the period beginning October 1, 2019, through September 30, 2020. Any disputed invoice must be brought to the attention of the City official named below within ten days of receipt of such invoice, as specified in Section 218.76, Florida Statutes. Failure to act within the statutory time frame will waive any extension of the statutory payment period.

5. If funds generated by taxes levied pursuant to Section 336.021(1)(a), Florida Statutes (ninth-cent fuel tax), are not available to finance this agreement, the COUNTY may terminate the

Agreement with no less than twenty-four hours notice in writing to the CITY. The COUNTY will be the final authority as to the availability of funds.

ARTICLE III - CITY OBLIGATIONS

6. The CITY agrees to provide bus service for Base Level transit services and Route 75 transit services in accordance with the map attached hereto as Exhibit A, and the specifications of this paragraph and the table attached hereto as Exhibit B.

7. The CITY shall invoice the County quarterly by the last day of October, January, April, and July for the quarters ending September, December, March, and June for the services identified in paragraph 5, above, and shall include with each invoice a "Passenger Productivity Report". The County shall have the right to examine the City's records pertaining to the Regional Transit System.

8. The CITY will allow Alachua County Commission's 959 employees (not other constitutional office employees) to have unlimited access to transit when they show the appropriate employee identification card with the Alachua County Board of County Commission employee designation, except that pre-paid, unlimited access is not valid on special service routes, including Gator Aider, sports event shuttles, and routes that do not have published timetables or schedules.
