What contributions do you feel you could make if you were selected for this board?

I am a taxpayer and resident of Alachua County who is deeply grateful for our community's dedication to protecting our natural resources and wild places that make our county unique and special. If appointed to the board, I would apply this passion along with my experience working in public policy to help the county make wise decisions about conservation efforts and provide oversight over the stewardship of the lands that the county has chosen to acquire and protect.

Some of the boards and committees appointed by the County Commission are required to comply with Chapter 112, Florida Statutes, the Financial Disclosure Law. If applicable, would you be willing to file the required financial statement?

Yes

Appointees to advisory board/committees are required to attend scheduled meetings as specified in the "Guidelines for Citizen Advisory Boards and Committees".
