EXHIBIT 1: SCOPE OF SERVICES

A. Program Description

Background

The Indigent Burial and Cremation Program, through a local contracted funeral home vendor provides services for indigent individuals that died in Alachua County, as designated by the County.

The services requested, herein, are for Annual Indigent Funeral Services. Services include the provision of direct burial or cremation of indigent persons who die within the confines of Alachua County in accordance with Chapter 470 of the Florida Statutes. This proposal should be for services to be provided from October 1, 2021 (or based on the date of the fully executed contract) and continuing through September 30, 2022 with an option by the County to renew for two (2) additional one (1) year periods.

Once the procurement process has concluded, one (1) vendor will be awarded the contract to provide direct burial or cremation services for all deceased indigent persons designated by the County without regard to: race, color, creed, sex, previous medical condition, religion, age, or any other designation which may constitute discrimination on the part of the successful vendor.

It is estimated that there will be one hundred and twenty indigent services in each twelve-month period with approximately sixty-five percent of those being cremations. The awarded vendor(s) is not guaranteed a specific number of services to be approved, as program is based on the actual need.

Duties of Funeral Home

The contracted funeral home vendor shall contact the Alachua County Division of Social Services prior to making any burial/cremation arrangements for indigent persons. The provider shall inquire and determine if there are any sources of funds, such as Social Security death benefits, insurance, nursing home personal accounts, family or other contributions and shall advise Social Services of such funds or resources. Any funds or donations collected from any source shall be applied first toward the cost of burial/cremation with the County paying the balance up to the amount of the contracted rate. If funds exceed the equivalent of the contracted rate for services, the County will not assist with funeral arrangements and will not supplement family or other private donations.

The contracted vendor agrees that if any portion of a cremation or burial service is funded by the County, any funds from other sources will only be used to offset the County contribution and not to upgrade services.

Transportation

As directed, the Professional provide all necessary transportation for the deceased within Alachua County; i.e., transport from the hospital or Medical Examiner's office to funeral home and/or crematorium; transport to cemetery. The only exception to this would be to provide all necessary transportation for the deceased to the nearest Florida National Cemetery, if eligible.

Documentation

The contracted vendor shall be responsible for filing, with the appropriate agencies, all required documentation pertaining to the service performed, including:

- a. Burial Transit Permit
- b. Death Certificate
- c. Cremation Authorization
- d. Social Security Form/Proof of Death

Copies of all applicable documentation shall be furnished to the Alachua County Division of Social Services for each service performed.

Timeframe

The entire burial or cremation process shall take no longer than thirty (30) days to complete. Alachua County is aware that extenuating circumstances may dictate that the overall process take more than 30 days to complete. Should these circumstances occur, it is the contracted vendor's responsibility to notify the Alachua County Division of Social Services to request approval for a time extension. Alachua County will not pay additional funds for this extension.

Burial or Cremation Services

The contracted vendor shall prepare the deceased for burial or cremation in accordance with all applicable state and local laws.

Burials

- a. A pressed wood casket shall be used for all deceased persons buried under this contract.
- b. An unsealed concrete liner is required for all indigent burials. (All "setting fees" shall be included in the quoted prices.)
- c. Once at the cemetery, the funeral home shall be responsible for unloading the casket and lowering it into the grave.
- d. The funeral home shall be responsible for furnishing a temporary marker for the grave site.
- e. There will be no viewing period or funeral service of any kind prior to the closure of the grave.

Cremations

- a. A temporary all-purpose urn, suitable for shipping, shall be used for all persons cremated under this Request for Proposal.
- b. Alachua County will not provide assistance with the burial of cremated remains.
- c. There will be no viewing period or funeral service of any kind.

Estimated Costs

The estimated budget for this service is \$91,270.00.

Cemetery Coordination

It shall be the responsibility of the contracted vendor to coordinate the necessary burial arrangements with the cemetery. If the deceased is to be buried at Evergreen Cemetery, the City of Gainesville will open and close the grave. Alachua County will directly reimburse the City for this service at a pre-negotiated rate. If the deceased is to be buried at a location other than Evergreen Cemetery, the County will not compensate for the cost of transportation, opening, and closing the grave. With the exception of Florida National Cemetery, all burials must take place in a cemetery that is located within Alachua County.

Veteran Services

The contracted vendor shall provide transportation and preparation to those indigents, who qualify for burial in the National Cemetery in Bushnell.

Anatomical Board

The contracted vendor shall provide transportation and preparation to those indigents, who have been accepted by the Anatomical Board.

Monitoring
