Please list any civic and professional accomplishments/honors, training or experience related to this appointment:

Professionally, I am a land use planner. I spend my days thinking about how space is used and the long-term implications of land use decisions. My job has afforded me opportunity to become familiar with Alachua County's Unified Land Development Code and Comprehensive Plan, with special attention paid to the Future Land Use element and the Conservation and Open Space element. Personally, I am an avid cyclist and a budding runner. Alachua County's dedication to providing space for nature-based recreation allows me to pursue these activities to the fullest from right outside my front door. I feel my experience in this regard is related to this appointment, as it provides me perspective on the importance of recreation and open spaces.
