Background:

On December 8, 2020 the BoCC approved this item. The demolition/construction of these homes were previously awarded but the contractors withdrew their bid due to material cost increases

Alachua County has been awarded a \$750,000.00 CDBG (Community Development Block Grant) in the Housing Rehabilitation Category to repair or replace a minimum of Seven (7) Low to Moderate Income (LMI -below 80% of area median income) owner occupied homes located in Alachua County.

The CDBG Program requires that all code violations, health and safety items, and Section 8 Housing Standards be addressed on all homes where CDBG funds will be utilized. The County received an

extra 75 points in the CDBG Housing Application for requiring “green “elements be addressed on each home.

Alachua County has committed approximately \$276,000.000 of SHIP Funds as leverage in this project.

Due to the condition of the existing homes and CDBG HAP Guidelines, all seven (7) homes have been bid as replacements to include existing home demolition, asbestos abatement where applicable and construction of new concrete block on slab homes.

Alachua County has hired Fred Fox Enterprises, Inc. to assist in the Administration of the County’s CDBG Housing Grant.

GENERAL BID INFORMATION

The Alachua County CDBG Housing bid opportunity was advertised in the Gainesville Sun on May 12, 2021. A mass email to local and surrounding counties MBE/WBE (two hundred and eighty 208) firms notifying them of the bid opportunity was sent out May 12, 2021.

Six (6) Construction companies were represented at the Zoom mandatory pre-bid on May 19, 2021. Contractors that provided low bids have been verified to be licensed and are not on the excluded parties list for federally funded projects. Low bid amounts are within 15% of Fred Fox Enterprises, Inc. cost estimates.
