Background:

In 2003, the Florida Legislature began designating funds to support Florida's certified rape crisis centers. Alachua County Board of County Commissioners Victim Services & Rape Crisis Center was one of the original rape crisis centers in the state to receive this funding. The 2017 Legislative Session resulted in a renewal of funding for certified rape crisis centers. The Alachua County Board of Commissioners Victim

Services & Rape Crisis Center will receive a total of \$118,877, effective July 1, 2017 - June 30, 2018. In order to receive the award, the County must amend the 16-TF-GR-17 Subcontract with the Florida Council Against Sexual Violence.

The funds received from the FY17/18 Florida Council Against Sexual Violence (FCASV) Amended Subcontract will support 2.4 FTE's (Victim Advocate Counselors), office space, communication costs, training, travel, stipends, advertising and contractual services. The FY17/18 Subcontract will allow continued funding to support services for victims of sexual assault and their families in Alachua, Bradford and Union Counties. If the amended Subcontract is not accepted, victims and their families will have significantly reduced access to confidential rape crisis services such as crisis intervention, counseling, advocacy and 24/7 emergency outreach response.
