

**Alachua County Board of County Commissioners  
Amendment 105**

This amendment (the "Amendment") is made and entered into by and between Lutheran Services Florida, Inc. d/b/a LSF Health Systems, LLC ("LSF") and Alachua County Board of County Commissioners ("Provider") to be effective December 1, 2018. Provider and LSF may be referred to herein individually as a "party" or collectively as "the parties."

**Whereas**, LSF wishes to amend the contract entered into between said parties on July 1, 2016, the purpose of this amendment is to increase funding and add Attachment V.

**NOW THEREFORE**, in consideration of the mutual covenants, and the mutual promises contained hereinafter, and in exchange for good and valuable consideration, the sufficiency of which is hereby acknowledged by the parties, as independent contractors, the parties agree as follows:

1. Capitalized terms herein shall be ascribed the meaning given by the Contract. In the event of conflict between this Amendment and the Contract, this Amendment shall control.
2. Standard Contract, Paragraph 3, 'Payment for Services' is amended to: "contract of an amount not to exceed \$1,431,035.00, or the rate schedule, subject to the availability of funds" and is otherwise unchanged.
3. Standard Contract, Paragraph 4, 'Contract Document' is amended to: "shall provide services in accordance with the terms and conditions specified in this contract including its attachments, Attachment I, Attachment II, Attachment III, Attachment IV, Attachment V, and any Exhibits referenced in said attachments, together with any documents incorporated by reference" and is otherwise unchanged.
4. Attachment I, Section C, Paragraph 1, 'Payment Clause' is amended to: "contract total dollar amount shall not exceed \$1,431,035.00, subject to the availability of funds from the Department" and is otherwise unchanged.
5. Attachment V is incorporated in its entirety into the contract and is provided herein. All prior references to same content are deleted.
6. Exhibit H, 'Funding Detail' is replaced in its entirety with the Exhibit H, 'Funding Detail' revised December 1, 2018 incorporated herein. All prior exhibits and attachments with reference to same content are deleted.

Except as amended herein, the terms and conditions of the Agreement remain the same in full effect and authority.

## ATTACHMENT V

This Attachment contains the terms and conditions governing the Mobile Response Team (MRT) which Alachua County Board of County Commissioners, hereinafter referred to as "Network Service Provider," will administer in Alachua. The terms of this Attachment shall be effective December 1, 2018 and shall continue through expiration of the Standard Contract to which this document is attached.

### Section 1. Definitions

- 1.1. **Mobile Response Team (MRT):** A multi-disciplinary team of behavioral health professionals and paraprofessionals with specialized crisis intervention and operations training. MRTs provide readily available crisis care in a community-based setting and increase opportunities to stabilize individuals in the least restrictive setting to avoid the need for jail or hospital/emergency department utilization.
- 1.2. **Core Principles**
  - 1.2.1 **Strength-based** – move the focus from the deficits of the individual and family to focusing on their strengths and resources related to the goal of recovery. This includes viewing the individual and family as resourceful and resilient.
  - 1.2.2 **Family-driven and youth-guided** – recognize that families have the primary decision-making role in the care of their children. The individual's and family's preferences should guide care.
  - 1.2.3 **Community based with an optimal service array** – provide services in the least restrictive setting possible, ideally in the community. Individuals should be able to obtain any behavioral health service they need in their home community. Peer support is an important component of services.
  - 1.2.4 **Trauma sensitive** – respond to the impact of trauma, emphasizing physical, psychological, and emotional safety for both service providers and individuals; and create opportunities for individuals to rebuild a sense of control and empowerment.
  - 1.2.5 **Culturally and linguistically competent** – be respectful of, and responsive to, the health, beliefs, practices, and cultural and linguistic needs of diverse individuals. "Culture" is a term that goes beyond race and ethnicity to include characteristics such as age, gender, sexual orientation, disability, religion, income level, education, geographical location. Cultural competence applies to organizations as well as individuals. Cultural Competence is a set of behaviors, attitudes, and policies that come together in a system to work effectively in multicultural situations. Linguistic competence is the ability to communicate effectively in a way that can be easily understood by diverse audiences.

- 1.2.6 **Coordinated** – provide care coordination for individuals with serious behavioral health conditions with an emphasis on individualized services across providers and systems. At the system level, leverage resources by analyzing funding gaps, assessing the use of existing resources from all funding streams, and identifying strategies to close the funding gaps, including the options of blending and braiding of funding sources.
- 1.2.7 **Outcome-focused** – ensure that programmatic outcome data is accessible to managers, stakeholders, and decision makers, and that the data is meaningful and useful to those individuals. Collect feedback from each individual and family regarding the service delivery to improve outcomes of care that inform, individualize, and improve provider service delivery.

## **Section 2. Financial Consideration**

### **2.1. Award Amount**

- 2.1.1 Alachua County Board of County Commissioners has been awarded an amount not to exceed \$165,000.00 per annum for costs associated with administration of the Mobile Response Team (MRT) at its agency in collaboration with Meridian Behavioral Healthcare, Inc. This award is subject to availability of funds from the Department of Children and Families.

### **2.2. Budget**

- 2.2.1 The Network Service Provider shall submit a detailed, line-item budget to LSF Health Systems identifying for each line the allowable items for the program, the projected or budgeted amount for each line item and narrative supporting the reasonableness and necessity of any unusual items.
- 2.2.2 All budgets and revisions thereto are subject to approval by LSF Health Systems.
- 2.2.3 The Network Service Provider may revise a budget by submitting same to the assigned Network Manager via electronic mail for approval.
- 2.2.4 Approved budgets shall be maintained in the official contract file.
- 2.2.5 Modifications to the approved budget may not be effective retroactively.

### **2.3. Payment**

- 2.3.1 This award shall be paid using a fixed rate methodology, subject to the availability of funds. The Network Service Provider shall comply with the terms of such methodology, including documentation and data reporting, as outlined in the body of the contract to which this document is attached.
- 2.3.2 The total monthly payment amount shall not exceed one-twelfth of the contract. The payment amount shall be included as a line item in the Network Service Provider's Exhibit I Invoice under the regular contract with the following documentation provided as support.

- 2.3.2.1 The Network Service Provider shall submit a quarterly Expenditure Reconciliation Report using the form designated by LSF Health Systems which will outline expenses incurred by the MRT Team program. This report shall be submitted on or before the 10th of the month following the end of each quarter.
- 2.3.2.2 All funds paid under the fixed rate methodology must be accounted for through this reconciliation process and any funding not accounted for is subject to repayment to LSF Health Systems.
- 2.3.2.3 LSF Health Systems reserves the right to request substantiating documentation to support the line items submitted by the Network Service Provider in the Expenditure Reconciliation Report.
- 2.3.2.4 LSF Health Systems will audit substantiating documentation outlined on the Expenditure Reconciliation Report as part of its monitoring and oversight process.
- 2.3.3 A service unit is a bundle of one month of available MRT services as defined in this Attachment, provided to eligible individuals.
- 2.3.4 Reimbursement shall be made for actual, allowable expenditures within the limits of the latest version of the approved budget at the time that the invoice is processed.
- 2.3.5 The Department of Children and Families CFOP 75-02 and Uniform Guidance govern fixed rate under this program. The provisions therein are incorporated herein by reference.
- 2.3.6 Mileage for travel will be reimbursed at a rate not to exceed \$0.445 per mile, the current rate established by the State of Florida.
- 2.3.7 Network Service Provider shall return to LSF Health Systems any unused MRT Team funds and unmatched grant funds, as documented in the final Expenditure Reconciliation Report, no later than 60 days following the ending date of the subcontract.

### **Section 3. Program Administration**

- 3.1. Program Objectives/Service Tasks
  - 3.1.1 The Network Service Provider shall provide on-demand crisis intervention services in any setting in which a behavioral health crisis is occurring, including homes, schools and emergency departments.
  - 3.1.2 The Network Service Provider shall be available 24/7 by a team of professionals and paraprofessionals, who are trained in crisis intervention skills to ensure timely access to supports and services.

- 3.1.3 The Network Service Provider shall respond within 60 minutes to new requests. MRT staff are expected to triage calls in order to determine the level of severity and prioritize calls that meet the clinical threshold required for an in-person response.
- 3.1.4 The Network Service Provider shall provide continued crisis stabilization and care coordination services as indicated for up to 72 hours. In addition to helping resolve the crisis, teams work with the individual and their families to identify and develop strategies for effectively dealing with potential future crises.
- 3.1.5 MRTs shall include access to a board-certified or board-eligible psychiatrist or psychiatric nurse practitioner. These professionals shall provide:
  - 3.1.5.1 Phone consultation to the team within 15 minutes or shortly after a request from an MRT, and
  - 3.1.5.2 Face-to-face or telehealth appointments with the individual within 48 hours of a request if the individual has no existing behavioral health services provider.
- 3.1.6 Services include evaluation and assessment, development of safety or crisis plans, providing or facilitating stabilization services, supportive crisis counseling, education, development of coping skills, linkage to appropriate resources and connecting those individuals who need more intensive mental health and substance abuse services. They facilitate "warm handoffs" to community services, and other supports.
- 3.1.7 MRT providers shall be responsible for working with stakeholders to develop a community plan for immediate response and de-escalation, but also crisis and safety planning.
  - 3.1.7.1 Stakeholder collaboration must include law enforcement and school superintendents, but may also include other areas within education, emergency responders, businesses, other health and human service related providers, family advocacy groups, peer organizations, and emergency dispatchers (i.e., 211 and 911 lines).
    - a. Memorandum of Understanding (MOU) with each county stakeholder must be executed no later than January 1, 2019.
- 3.1.8 The Network Service Provider shall provide the following services:
  - 3.1.8.1 Evaluation and assessment, development of safety or crisis plans, providing or facilitating stabilization services, supportive crisis counseling, education, development of coping skills, and linkage to appropriate resources and connecting those individuals who need

more intensive mental health and substance abuse services. They facilitate "warm handoffs" to community services, and other supports.

3.1.9 The Network Service Provider shall participate in coordinated system of care activities sponsored by the Managing Entity to support systemic referral coordination, needs assessment, planning, development, data collection, resource sharing and related activities of the Managing Entity.

3.1.10 The Network Service Provider may provide Incidental Expense services, as defined in Ch. 65E-14.021, F.A.C., to or on behalf of specific individuals receiving services under this contract, to the extent the primary need for such services demonstrably supports the individual's recovery or resiliency goals as documented in the individual's plan of care.

### 3.2. Program Goals

3.2.1 The primary goals of the MRT are to lessen trauma, divert from emergency departments or juvenile/criminal justice, and prevent unnecessary psychiatric hospitalizations.

3.2.2 MRTs must be accessible in the community at any time and are available to individuals 25 years of age and under, regardless of their ability to pay, and must be ready to respond to any mental health emergency.

#### 3.2.3 Mobile Response Teams Roles and Responsibilities:

3.2.3.1 Respond to new requests within 60 minutes

3.2.3.2 Provide behavioral health crisis-oriented services that are responsive to the individual and family needs

3.2.3.3 Respond to the crisis where the crisis is occurring (e.g., schools, homes, community locations, etc.)

3.2.3.4 Provide screening, standardized assessments, early identification and linkage to community services

## Talking Points

### Mobile Response Team / LSF Amendment 105

- The Alachua County Crisis Center has trained staff and volunteers that provide mobile response team services 24/7/365 called CARE Teams
- CARE TEAMS are requested by law enforcement, the schools, and various communities organizations when they encounter a person in crisis
- CARE Team staff and volunteers assess the safety of the situation upon arrival, travel in pairs, and check in first with the person requesting the response
- Under the LSF Amendment, volunteers will continue to respond to CARE Team calls, the new FTE will serve primary to coordinate the program and assure quality service
- Once the contract is initiated and staff hired we will begin work on formal written memorandums of understanding with the School Board of Alachua County and the various law enforcement agencies that identify roles and responsibilities
- Human Resources has received Job Assessment Tools for the two positions and is preparing a separate agenda item to classify the new positions and revise the pay plan

# Agenda

**ALACHUA COUNTY  
BOARD OF COUNTY COMMISSIONERS**

**Jack Durrance Auditorium  
Second Floor**

**12 SE 1st Street**

**January 8, 2019 BoCC Regular Meeting 9:00AM**

**Agenda Item #26.**

**Agenda Item Name:**

Amendment #105 to the Lutheran Services of Florida Agreement that provides \$165,000.00 in new funding for Mobile Response Teams

**Presenter:**

Claudia Tuck, 264-6706

**Item Description:**

Lutheran Services of Florida awarded Alachua County \$165,000.00 in state funding, a continuing appropriation, to provide and enhance mobile crisis response services for young people up to age 25. The awarded funding will support two new FTE in the Crisis Center, start up and operating expenses.

**Recommended Action:**

Accept the Lutheran Services of Florida award including the unanticipated revenues, authorize the Chair to sign Amendment 105, approve adding 2 FTE to the Community Support Services FY 19 budget, establish a new fund titled Mobile Response Team Fund, and establish a \$25,000.00 inter-fund loan.

**Prior Board Motions**

The Board of Commissioners approved Amendment 101 which replaced the standard contract and deleted prior contracts on 7/14/15. The Board also approved Amendment #102 on 9/8/15, Amendment #103 on 12/8/15, and Amendment #104 on 9/25/18, which among other items reflected new amounts of funding.

**Fiscal Consideration:**

**Background:**

In response to the Marjory Stoneman Douglas shooting and other incidents of violence, the State of Florida through its Department of Children and Families (DCF) created a new strategic framework to improve access to crisis mental health services for young people up to age 25, called Mobile Response Teams (MRT). Lutheran Services of Florida is the Managing Entity for Circuit 8 and released a request for proposals (RFP) to implement Mobile Response Team services throughout the Circuit including Alachua County. Alachua County Community Support Services staff discussed the RFP with Meridian Behavioral Healthcare, Inc which indicated they would be responding for all counties in Circuit 8.

As the Alachua County Crisis Center has been providing mobile response services for over 40 years, we

entered into a Memorandum of Agreement with Meridian to establish the primary roles of each organization. It was agreed the Crisis Center will be the lead MRT agency for Alachua County. Although the Crisis Center meets the core requirements of the DCF MRT Framework, we anticipate an increase in call volume. Additionally, the MRT Framework requires access to psychiatric services and a "warm handoff" process to ensure those in crisis receive ongoing supportive services. As a result, Meridian requested additional funding for 2 new Crisis Center FTE, startup and operating support totaling \$165,000.00.

After discussing issues related to contracting and indemnification, LSF offered to contract directly with Alachua County. As Alachua County receives LSF funding for its Metamorphosis program, LSF asked to amend the existing Metamorphosis agreement to include funding for the MRT program.
