Agenda Item Summary

Agenda Date: 9/14/2021 Agenda Item No.: 33.

Agenda Item Name:
Award: Contract #12114 and BID 22-25 Annual Building, Lawn and Grounds Pest Control Services to Rentokil North America, Inc. DBA Florida Pest Control, not to exceed (NTE) $22,924.00 annually for the Facilities Management Department.

Presenter:
Charlie Jackson 352.374.5229, Larry Sapp 352.374-5202

Description:
Solicitation Award and Contract #12114 for BID 22-25 Annual Building, Lawn and Grounds Pest Control Services

Recommended Action:
Approve the solicitation award and contract #12114 for BID 22-25 Annual Building, Lawn and Grounds Pest Control Services to Rentokil North America, Inc. DBA Florida Pest Control in an amount not to exceed (NTE) $22,924.00 annually as the lowest responsible and responsive bidder meeting specifications, and authorize the Chair to execute same on behalf of the County

Prior Board Motions:
N/A

Fiscal Consideration:
Sufficient funds exist in the following accounts:

001.19.1912.519.34.00 $9,736.00
001.19.1912.712.34.00 $3,888.00
001.19.1912.529.34.00 $8,652.00
021.41.4126.572.34.00 $648

Background:
The Southeastern States, especially Florida, have the highest levels of pest infestation in the country. It's very common for commercial buildings to be troubled by unwanted pests year-round in Florida, due to our climate. The need for annual pest control services is a necessity in order to provide a safe and pest free environment in the County buildings for citizens and staff. This contract is to proactlvely treat County buildings, lawns and grounds to prevent potential pest infestations.

The Invitation to Bid was advertised on 5/19/2021. The bid opening date was 6/23/2021. The following 3 vendors responded: Cook's Pest Control, Inc, Rentokil North America, Inc DBA Florida Pest Control, Inc., and McCall Service NW, LLC.

DocuSign Envelope ID: FB662AF4-B256-40A0-B033-17D6CFF6453E

CONTRACTUAL SERVICES AGREEMENT NO. 12114 WITH RENTOKIL NORTH AMERICA, INC. DBA FLORIDA PEST CONTROL FOR ANNUAL BUILDING, LAWN AND GROUNDS PEST CONTROL SERVICES

This Agreement is entered into on _____, 2021, between Alachua County, Florida, a political subdivision and Charter County of the State of Florida, by and through its Board of County Commissioners, hereinafter referred to as "County" and Rentokil North America, Inc. DBA Florida Pest Control, a Foreign Corporation with a principle business address located at 1125 Berkshire Blvd., Suite 150, Wyomissing, PA, 19610, hereinafter referred to as "Contractor" (collectively hereinafter County and Contractor referred to as "Parties").

WITNESSETH

WHEREAS, the County issued Bid No. 22-25 seeking Contractors to furnish Annual Building, Lawn and Grounds Pest Control Services, in Alachua County, Florida; and

WHEREAS, after evaluating and considering all timely responses to Bid No. 22-25, the County identified the Contractor as the top ranked firm; and

WHEREAS, the County desires to contract with the Contractor to provide the Services described in Bid No. 22-25 and the Contractor desires to provide such Services to the County in accordance with the terms and conditions set forth herein; and

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is acknowledged by the Parties, the Parties hereby agree as follows:

1. **Term**.
   1.1. This Agreement is effective for one (1) year beginning October 1, 2021, and continuing through September 30, 2022, unless earlier terminated as provided herein. The County has the option of renewing this Agreement for two (2) additional two (2) year periods at the same terms and conditions outlined herein.
   1.2. The County's performance and obligation to pay under this Agreement is contingent upon

DocuSign Envelope ID: FB662AF4-B256-40A0-B033-17D6CFF6453E

a specific annual appropriation by the Alachua County Board of County Commissioners ("Board"). The Parties hereto understand that this Agreement is not a commitment of future appropriations. Therefore, the continuation of this Agreement beyond the end of any fiscal year shall be subject to both the appropriation and the availability of funds in accordance with Chapter 129, Florida Statutes, and that the failure of the Board to do so shall not constitute a breach or default of this Supplemental Agreement.

2. **Duties of the Contractor**. The Contractor shall have and perform the following duties, obligations, and responsibilities to the County as provided in **Exhibit 1.**

3. **Representations and Warranties.** By executing this Agreement, the Contractor makes the following express representations and warranties:
   3.1. The Contractor is a professional qualified to perform the Services described.
   3.2. The Contractor warrants all the Work performed by the Contractor will be adequate and sufficient to meet the requirements and accomplish the purposes of this Agreement.
   3.3. The Contractor acknowledges that the County's observation, inspection or review of the Work performed in no way diminishes the Contractor's warranty pertaining to the Work performed.
4. **Method of Payment**. For all Services actually, timely and faithfully performed, the Contractor will be paid as follows:
   4.1. The Contractor shall be paid a sum not to exceed Twenty-Two Thousand, Nine Hundred Twenty-Four Dollars and Zero Cents ($22,924.00), period commencing on the Effective Date and continuing through September 30, 2022. Payment shall be paid based on the fee schedule attached hereto as **Exhibit 2.**
   4.2. As a condition precedent for any payment, the Contractor shall submit monthly, an invoice to the County requesting payment for Services properly rendered and expenses due. The Contractor's invoice shall describe with reasonable particularity each service rendered, the date thereof, the time expended if such Services were rendered pursuant to a fee and the person(s) rendering such service. The Contractor's invoice shall be accompanied by such documentation or data in support of expenses for which payment is sought as the County may require. Each invoice shall constitute the Contractor's representation to the County that the Services indicated in the invoice have reached the level stated, have been properly

DocuSign Envelope ID: FB662AF4-B256-40A0-B033-17D6CFF6453E

and timely performed as required herein, that the expenses included in the invoice have been reasonably incurred in accordance with this Agreement, that all Services provided have served a public purpose, that all obligations of the Contractor covered by prior invoices have been paid in full, and that the amount requested is currently due and owing, there being no reason known to the Contractor that payment of any portion thereof should be withheld. Submission of the Contractor's invoice for final payment shall further constitute the Contractor's representation to the County that, upon receipt by the Contractor of the amount invoiced, all obligations of the Contractor to others, including its consultants, incurred in connection with the Project, will be paid in full. The Contractor shall submit invoices to the County at the following address:

Department Director
Alachua County Facilities Management Department
915 SE 5th Street
Gainesville, Florida, 32601
FacFiscal@alachuacounty.us

4.3. All applications for payment shall be processed and paid in accordance with the provisions of Chapter 218, Part VII Florida Statutes ("Local Government Prompt Payment Act"), and shall be remitted to:

Rentokil North America, Inc. DBA Florida Pest Control
116 NW 16th Avenue
Gainesville, Florida, 32601
b.bosko@flapest.com

4.4. Except as otherwise authorized in Section 4.1, the County shall not pay or reimburse the Contractor for any expenses incurred by the Contractor to perform the Work.

5. **Alachua County Government Minimum Wage**.

5.1. The Work performed through this Agreement is considered covered services under Chapter 22, Article XII, of the Alachua County Code of Ordinances ("Wage Ordinance"), which establishes a government minimum wage for certain contractors and subcontractors providing selected services to Alachua County government. "Covered Employees," as defined in Sec. 22.12-101(3) of the Wage Ordinance, are those employees directly

DocuSign Envelope ID: FB662AF4-B256-40A0-B033-17D6CFF6453E

involved in providing covered services pursuant to this Agreement.

5.2. The Contractor shall provide certification, the form of which is attached hereto as **Exhibit 4**, to the County that it pays each of its employees the Alachua County Government Minimum Wage, as may be amended by the County on or before October 1st of each year, as well as ensuring that it will require the same of its subcontractors throughout the duration of this Agreement.

5.3. The Contractor shall prominently display a copy of the Wage Ordinance where it is easily seen by covered employees and supply to covered employees upon request. Additionally, the Contractor is responsible to make any person submitting a bid for a subcontract for covered services aware of the requirements.

5.4. Failure to comply with the provisions of the Wage Ordinance will be deemed a breach of contract and authorize the County to withhold payment of funds in accordance with Chapter 218, Florida Statutes.

5.5. The Contractor will include the necessary provisions in subcontracts to ensure compliance. However, the County shall not be deemed a necessary, or indispensable, party in any litigation between the contractor and subcontractor.

6. **Notice**. Except as otherwise provided in this Agreement, all notices to be provided under this Agreement from either party to the other party must be by one of the following methods: (i) in writing and sent by certified mail, return receipt requested, (ii) by personal delivery with receipt, or (iii) via electronic mail. All notices shall be deemed two (2) business days after mailing, unless deliver is by personal deliver in which case delivery shall be deemed to occur upon actual receipt by the other party. For purposes of all notices, Contractor's and County's representatives are:

County:

Department Director

Attn: Contracts
Procurement@alachuacounty.us

7. **Default and Termination.**

7.1. The failure of the Contractor to comply with any provision of this Agreement will place the Contractor in default. Prior to terminating this Agreement, the County will notify the Contractor in writing. This notification will make specific reference to the provision which gave rise to the default. The County will give the Contractor seven (7) days to cure the default. The Facilities Management Director is authorized to provide written notice of default on behalf of the County, and if the default situation is not corrected within the allotted time the County Manager is authorized to provide final termination notice on behalf of the County to the Contractor.

7.2. The County may also terminate this Agreement without cause by providing written notice to the Contractor (hereinafter, "Termination for Convenience"). The County Manager is authorized to provide written notice of Termination for Convenience on behalf of the County. Upon such notice, Contractor will immediately discontinue all Work affected (unless the notice directs otherwise) and deliver to the County all data, drawings, specifications, reports, estimate, summaries, and such other information and materials as may have been accumulated by the Contractor in performing this Agreement, whether

DocuSign Envelope ID: FB662AF4-B256-40A0-B033-17D6CFF6453E

completed or in process. In the event of such Termination for Convenience, Contractor's recovery against County shall be limited to that portion of the Annual Contract Price earned through the date of termination, but Contractor shall not be entitled to any other or further recovery against County, including, but not limited to, damages, consequential or special damages, or any anticipated fees or profit on portions of the Work not performed.

7.3. If funds to finance this Agreement become unavailable, the County may terminate this Agreement with no less than twenty-four (24) hours' notice in writing to the Contractor. The County will be the final authority as to the availability of funds. The County will pay the Contractor for all Work completed prior to delivery of notice of termination. In the event of such Termination, Contractor's recovery against County shall be limited to that portion of the Annual Contract Price earned through the date of termination, but Contractor shall not be entitled to any other or further recovery against County, including, but not limited to, damages, consequential or special damages, or any anticipated fees or profit on portions of the Work not performed.

8. **PROJECT RECORDS**

8.1. **General Provisions:**

8.1.1. Any document submitted to the County may be a public record and is open for inspection or copying by any person or entity. "Public records" are defined as all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business by any agency per §119.011(12), Florida Statutes. Any document is subject to inspection and copying unless exempted under Chapter 119, Florida Statutes, or as otherwise provided by law.

8.1.2. In accordance with §119.0701, Florida Statutes, the Contractor, *when acting on behalf of the County*, as provided under 119.011(2), Florida Statutes, shall keep and maintain public records as required by law and retain them as provided by the General Record Schedule established by the Department of State. Upon request from the County's custodian of public records, provide the County with a copy of the requested

DocuSign Envelope ID: FB662AF4-B256-40A0-B033-17D6CFF6453E

records or allow the records to be inspected or copied within a reasonable time unless exempted under Chapter 119, Florida Statutes, or as otherwise provided by law. Additionally, the Contractor shall provide the public records at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

8.1.3. Contractor shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of this Agreement and following completion of this Agreement if the Contractor does not transfer the records to the County.

8.2. Confidential Information

8.2.1. During the term of this Agreement, the Contractor may claim that some or all of Contractor's information, including, but not limited to, software documentation, manuals, written methodologies and processes, pricing, discounts, or other considerations (hereafter collectively referred to as "Confidential Information"), is, or has been treated as confidential and proprietary by Contractor in accordance with §812.081, Florida Statutes, or other law, and is exempt from disclosure under the Public Record Act. Contractor shall clearly identify and mark Confidential Information as "Confidential Information" or "CI" and the County shall use reasonable efforts to maintain the confidentiality of the information properly identified by the Contractor as "Confidential Information" or "CI."

8.2.2. The County shall promptly notify the Contractor in writing of any request received by the County for disclosure of Contractor's Confidential Information and the Contractor may assert any exemption from disclosure available under applicable law by seeking a protective order against disclosure from a court of competent jurisdiction. Contractor shall protect, defend, indemnify, and hold the County, its officers, employees and agents free and harmless from and against any claims or judgments arising out of a request for disclosure of Confidential Information. Contractor shall investigate, handle, respond to, and defend, using counsel chosen by the County, at Contractor's sole cost and expense, any such claim, even if any such claim is groundless, false, or fraudulent. Contractor shall pay for all costs and expenses related to such claim, including, but not limited to, payment of attorney fees, court costs, and expert witness fees and expenses. Upon completion of this

DocuSign Envelope ID: FB662AF4-B256-40A0-B033-17D6CFF6453E

Agreement, the provisions of this paragraph shall continue to survive. Contractor releases County from claims or damages related to disclosure by County.

8.3. **Project Completion**: Upon completion of the Work, or in the event this Agreement is terminated, the Contractor, *when acting on behalf of the County* as provided under §119.011(2), Florida Statutes, shall transfer, at no cost, to the County all public records in possession of the Contractor or keep and maintain public records required by the County to perform the service. If the Contractor transfers all public records to the County upon completion or termination of the Agreement, it must destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon the completion or termination of the Agreement all applicable requirements for retaining public records shall be met. All records stored electronically shall be provided to the County, upon request from the Counties custodian of public records, in a format that is compatible with the information technology systems of the County.

8.4. **Compliance:** The Contractor may be subject to penalties under §119.10, Florida Statutes, if the Contractor fails to provide the public records to the County within a reasonable time.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE COUNTY REPRESENTATIVE AT E-MAIL: publicrecordsrequest@alachuacounty.us; PHONE: (352) 384-3132; ADDRESS: 12 SE 1ST STREET, GAINESVILLE, FL 32601

9. **Insurance**. The Contractor will procure and maintain insurance throughout the entire term of this Agreement of the types and in the minimum amounts detailed in **Exhibit 3.** A current Certificate of Insurance showing coverage of the types and in the amounts required is attached hereto as **Exhibit 3-A.**

10. **Permits**. The Contractor will obtain and pay for all necessary permits, permit application fees, licenses, or any fees required.

11. **Laws & Regulations**. The Contractor will comply with all laws, ordinances, regulations, and building code requirements applicable to the Work required by this Agreement. The

DocuSign Envelope ID: FB662AF4-B256-40A0-B033-17D6CFF6453E

Contractor is presumed to be familiar with all state and local laws, ordinances, code rules and regulations that may in any way affect the Work outlined in this Agreement. If the Contractor is not familiar with state and local laws, ordinances, code rules and regulations, the Contractor remains liable for any violation and all subsequent damages or fines.

12. **Indemnification**.

12.1. To the maximum extent permitted by Florida law, the Contractor shall indemnify and hold harmless the County and its officers and employees from any and all liabilities, damages, losses and costs, including, but not limited to, reasonable attorneys' fees, caused by the negligence, recklessness, or intentional wrongful misconduct of the Contractor or anyone employed or utilized by the Contractor in the performance of this Agreement. Contractor agrees that indemnification of the County shall extend to any and all Work performed by the Contractor, its subcontractors, employees, agents, servants or assigns.

12.2. The Contractor obligation to indemnify under this Article will survive the expiration or earlier termination of this Agreement until it is determined by final judgment that an action against the County or an indemnified party for the matter indemnified hereunder is fully and finally barred by the applicable statute of limitations.

12.3. This obligation shall in no way be limited in any nature whatsoever by any limitation on the amount or type of Contractor insurance coverage. This indemnification provision shall survive the termination of the Agreement between the County and the Contractor.

12.4. In any and all claims against the County or any of its agents or employees by any employee of the Contractor, any Subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the indemnification obligation under this Article shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor or any Subcontractor under workers' compensation acts, disability benefit acts or employee benefit acts.

12.5. Nothing contained herein shall constitute a waiver by the County of sovereign immunity or the provisions or limits of liability of §768.28, Florida Statutes.

13. **Assignment of Interest**. The Contractor and County recognize that in actual economic

DocuSign Envelope ID: FB662AF4-B256-40A0-B033-17D6CFF6453E

practice, overcharges resulting from antitrust violations are in fact usually borne by the County. Therefore, the Contractor hereby assigns to the County any and all claims for such overcharges as to goods, material or Services purchased in connection with this Agreement. However, for all other assignments, neither party will assign, convey, pledge, sublet, transfer or otherwise dispose any interest in this Agreement and shall not transfer any interest in same without prior written consent of the other party.

14. **Successors and Assigns**. The County and Contractor each bind the other and their respective successors and assigns in all respects to all of the terms, conditions, covenants, and provisions of this Agreement.

15. **Independent Contractor.** In the performance of this Agreement, the Contractor is acting in the capacity of an independent contractor and not as an agent, employee, partner, joint venturer, or associate of the County. The Contractor is solely responsible for the means, method, technique, sequence, and procedure utilized by the Contractor in the full performance of this Agreement.

16. **Collusion**. By signing this Agreement, the Contractor declares that this Agreement is made without any previous understanding, agreement, or connections with any persons, contractors, or corporations and that this Agreement is fair and made in good faith without any outside control, collusion, or fraud.

17. **Conflict of Interest**. The Contractor warrants that neither it nor any of its employees have any financial or personal interest that conflicts with the execution of this Agreement. The Contractor shall notify the County of any conflict of interest due to any other clients, contracts, or property interests.

18. **Third Party Beneficiaries**. This Agreement does not create any relationship with, or any rights in favor of, any third party.

19. **Severability and Ambiguity.** It is understood and agreed by the Parties to this Agreement that if any of the provisions of this Agreement shall contravene, or be invalid under the laws of the State of Florida, such contravention or invalidity shall not invalidate the entire

DocuSign Envelope ID: FB662AF4-B256-40A0-B033-17D6CFF6453E

Agreement, but it shall be construed as if not containing the particular provision or provisions held to be invalid, and the rights and obligations of the Parties shall be construed and enforced accordingly. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if jointly drafted by the Parties and no presumption, inference, or burden of proof shall arise favoring or disfavoring a Party by virtue or authorship of any or all of this Agreement's provisions. Each Party represents and agrees that it has had the opportunity to seek the advice of appropriate professions, including legal professionals, in the review and execution of this Agreement.

20. **Non Waiver.** The failure of any party to exercise any right in this Agreement shall not be considered a waiver of such right.

21. **Governing Law and Venue**. This Agreement is governed in accordance with the laws of the State of Florida. Sole and exclusive venue shall be in Alachua County, Florida.

22. **Attachments**. All exhibits attached to this Agreement are incorporated into and made part of this Agreement by reference.

23. **Amendments**. The Parties may amend this Agreement only by mutual written agreement of the Parties.

24. **Captions and Section Headings**. Captions and section headings used herein are for convenience only and shall not be used in construing this Agreement.

25. **Construction**. This Agreement shall not be construed more strictly against one party than against the other merely by virtue of the fact that it may have been prepared by one of the Parties. It is recognized that both Parties have substantially contributed to the preparation of this Agreement.

26. **Counterparts**. This Agreement may be executed in any number of and by the different Parties hereto on separate counterparts, each of which when so executed shall be deemed to be an original, and such counterparts shall together constitute but one and the same instrument. Receipt via fax or email with pdf attachment by a party or its designated legal counsel of an executed counterpart of this Amendment shall constitute valid and sufficient delivery in order

DocuSign Envelope ID: FB662AF4-B256-40A0-B033-17D6CFF6453E

to complete execution and delivery of this Amendment and bind the Parties to the terms hereof.

27. **Entire Agreement**. This Agreement constitutes the entire agreement and supersedes all prior written or oral agreements, understandings, or representations.

28. **Electronic Signatures**. The Parties agree that an electronic version of this Agreement shall have the same legal effect and enforceability as a paper version. The Parties further agree that this Agreement, regardless of whether in electronic or paper form, may be executed by use of electronic signatures. Electronic signatures shall have the same legal effect and enforceability as manually written signatures. The County shall determine the means and methods by which electronic signatures may be used to execute this Agreement and shall provide the Contractor with instructions on how to use said method. Delivery of this Agreement or any other document contemplated hereby bearing an manually written or electronic signature by facsimile transmission (whether directly from one facsimile device to another by means of a dial-up connection or whether mediated by the worldwide web), by electronic mail in "portable document format" (".pdf") form, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, will have the same effect as physical delivery of the paper document bearing an original or electronic signature.

29. **U.S. Department of Homeland Security E-Verify System.**

    29.1. The Contractor shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the Contractor during the term of this Agreement. The E-Verify system is located at https://www.uscis.gov/E-Verify.

    29.2. The Contractor shall expressly require any subcontractors performing Work or providing Services pursuant to the County's Agreement to utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the term of this Agreement. The E-Verify system is located at https://www.uscis.gov/E-Verify.

Exhibit 1: Scope of Services/Work

SCOPE OF SERVICES

1. PURPOSE

It is the intent of County to enter into an agreement for qualified, pesticide and exterminator (operator) businesses who are duly registered and licensed in the State of Florida to render quality pest control services to the County in order to provide a pest free environment for employees, clients and visitors to the offices, buildings and/or grounds of the various County locations stated in the Pest Control Building List.

2. GENERAL SCOPE OF SERVICES

2.1. Contractor shall provide all materials, chemicals, transportation, labor, equipment required to provide services to the County. Contractor shall provide inspections, exterminations and treatments of Buildings, Lawns and Grounds to prevent pest and disease infestation.

2.2. Contractor shall have at least two (2) years of experience with pest control and/or extermination services.

2.3. The Contractor is to use the proper equipment, chemicals and materials to render the services to ensure safety for all human life, livestock and the environment. It is to be clearly understood that the equipment, insecticides and pesticides used by the Contractor for this Agreement are to be within safe and legal guidelines use by federal, state and local regulatory agencies. Before an application is made, the Contractor shall notify the Facilities Management Department Director or designee of any precautionary actions, if any, that may need to be taken.

2.4. All field tickets must be signed by Facilities Management Grounds Supervisor or Designee and copies must be sent along with monthly invoices for payment.

2.4.1. Field tickets must include square footage for each building, lawn, or grounds services/treated.

2.5. All Contractor equipment, including materials and chemicals, must be in the possession and control of the contractor at all times.

2.6. The Contractor's must maintain and provide the treatment log and application record to the County upon request. The treatment log and application record must be maintained for all buildings listed in **Exhibit 2**.

2.6.1. The amount paid to the contractor may change as exact "serviceable/treatable" square footage (SF) per lawn/grounds/building covered in this Agreement is to be audited and verified by all parties.

DocuSign Envelope ID: FB662AF4-B256-40A0-B033-17D6CFF6453E

2.7. Service calls other than the scheduled service must be coordinated by the Facilities Management Department Director or designee.

3. COMMUNICATION

Contractor must be able to be contacted by phone or email at all times.

4. SAFETY DATA SHEETS (SDS)

4.1. SDSs must be provided to the County on all chemicals used and updated whenever there is a change in the chemicals used. These SDSs will be maintained in Facilities Management Department and a copy will be stored in a janitorial closet at location.

4.2. Contractor shall document the location an application date for each area treated. This information shall be submitted to the County upon completion of each treatment cycle.

4.3. The Contractor shall be responsible for removing and disposing of all excess and/or unneeded chemicals, materials or equipment after the application is completed.

5. NOTIFICATION SIGNAGE

The Contractor will post on the lawn treatment notification Signage on the lawns and grounds upon completion of the services. Depending on the facility and location of the treatments, signage may have to be posted in advance of a treatment, indicating that the area will be serviced and the chemicals that will be used. All these signage stipulations will apply unless due to emergency conditions immediate service is required by the County and work has been approved by the County Facilities Director for immediate service. All signage shall be provided by the Contractor.

6. RESPONSE TIMES

6.1. Contractor must be able to respond within 4 hours of call from the County for normal service call-outs.

6.2. The County may require the contractor to service a site immediately for infestations. In this case the contractor must respond within 2 hours to such service request deemed an emergency by the County.

6.3. Contractor must be able to be reached on a 24-hour basis by phone or email.

6.4. Any re-treatment work required between scheduled service visits must be handled within eight (8) business hours after notification and will be at no additional cost to the County.

7. BACKGROUND CHECKS & SECURITY CLEARANCES

7.1. Contractors will be required to successfully pass a background check prior to entering any County building. The Contractor will be responsible for the costs of background

DocuSign Envelope ID: FB662AF4-B256-40A0-B033-17D6CFF6453E

checks.

7.2. Contractor will have background checks completed, acceptable to the County, on all employees of the Contractor and any subcontractors, whether full or part time at least 72 hours prior to such employee(s) commencing work. The Contractor will ensure that no employee of the contractor or any sub-contractor who has not had a background check run will enter Buildings identified in this agreement as requiring such checks.

7.3. The County or the Administrating Official for Agencies occupying buildings for which the County provides maintenance, janitorial, construction or other services may refuse to allow any contractor or sub-contractor's employee's access to the buildings or offices occupied if deemed by the Agency Administrator to be in the best interest of the orderly functioning of the Agency.

7.4. Contractor vehicles and/or trailers must be clearly marked, at a minimum, with the company's name and contact information.

8. HOLIDAYS

8.1. The following days shall be holidays recognized by Alachua County:

8.1.1. New Year's Day
8.1.2. Martin Luther King's Birthday
8.1.3. Memorial Day
8.1.4. Juneteenth
8.1.5. Independence Day
8.1.6. Labor Day
8.1.7. Veteran's Day
8.1.8. Thanksgiving Day
8.1.9. Friday after Thanksgiving
8.1.10. Christmas Holiday
8.1.11. Christmas Day

8.2. If any recognized holiday shall fall on a Saturday, the preceding Friday shall be observed as a holiday and if any recognized holiday shall fall on a Sunday, the following Monday shall be observed as a holiday.

9. PESTICIDE LICENSES

Contractor must maintain valid licenses throughout the duration of this Agreement, the contractor must be responsible to satisfying those requirements.

10. ADDITIONAL LOCATIONS

The County reserves the right to add or delete locations. If adding sites, the County reserves the option to accept a price mutually agreed upon (as per hourly rate of this Agreement), or obtain said item via the County's regular procurement procedures.

DocuSign Envelope ID: FB662AF4-B256-40A0-B033-17D6CFF6453E

11. INSPECTION BADGES

Contractor's employees must wear pictured identification badges or company shirts at all times while on County properties.

12. REPORTS

The Contractor shall provide a written report to Facilities of any illegal trash dumping, broken water and irrigation lines, any fallen trees, insects that are dangerous to people including ants, bees, roaches, rodents, termites, etc.

13. ENVIRONMENTAL LAWS/ORDINANCES

13.1. Contractor shall not apply any pesticide product that has not been approved for the use by federal, state and local regulatory agencies. All pesticides used shall be non-flammable, secured when unattended and registered by the US Environmental Protection Agency and the State of Florida. Contractor shall not use any chemicals when open flames are present.

13.2. Contractor must comply with all local, state and Federal environmental laws and ordinances.

14. SAFETY PLANS

Contractor must provide County Facilities with the Contractor's safety plans, concept and or laws. Contractor will ensure that weapons are not brought into County buildings or on any County property. Contractor must show proof that all employees receive safety training on use of chemicals and equipment.

15. INCIDENT/ACCIDENT

Contractor must report any incident/accident that occurs on County properties to County Facilities Management and Risk Management.

16. DISEASE CONTROL

Contractor must notify Facilities Management of any site requiring disease control treatment and the level of the problem, **before** servicing for the problem. No charges will be applied for additional treatment to reported areas of infestation.

17. DAMAGES

Any damages to County properties and or Buildings/Grounds shall be repaired by the Contractor at no cost to the County.

18. COMPLAINT PROCEDURE AND PROPERTY DAMAGE

Complaints resulting from this work and received by the County shall be recorded by the

DocuSign Envelope ID: FB662AF4-B256-40A0-B033-17D6CFF6453E

County then forwarded to the Contractor for resolution. Within twenty-four (24) hours of receiving notice of the compliant, the Contractor shall contact the Facilities Management Department. The Contractor shall make every effort to settle the claim in an expeditious manner.

19. GENERAL SCHEDULE OF SERVICES

19.1. Normal work shall be done during regular business hours between 8:00AM to 5:00PM. The Facilities Management Grounds Supervisor or Designee will sign off on all scheduled work verifying that the work is performed according to the terms and conditions of this agreement. Invoices for work that cannot be verified will be placed on hold pending verification.

19.2. The contractor must schedule services in advance to not disrupt the normal operations of building occupants.

19.3. Treatment schedules will be submitted and approved by the County. The schedule for application is dependent on the weather conditions and on the growing season. The County reserves the right to alter or eliminate any of the scheduled treatment because of weather, growing conditions or separate construction or maintenance.

19.4. Should the scheduled services not be totally effective, or interrupt occupants' activities, the Contractor shall be required to provide necessary services at alternate times agreeable to The County, at no additional cost.

20. PEST CONTROL SERVICES FOR BUILDINGS

20.1. The pest control services shall be performed in all listed buildings, occupied or unoccupied, including, but not limited to, basements, crawl spaces, offices, storage areas/rooms, closets, baseboards, plumbing and heating pipes, shelves, elevators, walls/enclosures, kitchen, dining room, cafeteria, food preparation and storage areas, refuse containers and surrounding storage areas, lavatory and shower areas, hallways, lounge areas and exterior perimeter of the facility.

20.2. Building and structural pest control services shall be a defense against indoor pest and over-population/infestation of indoor pest.

20.3. Contractor shall provide an environment in all buildings, free from, but not limited to (while specifically excluding termites and bed bugs), the following pests:

20.3.1. Spiders,
20.3.2. Cockroaches,
20.3.3. Scorpions,
20.3.4. Beetles
20.3.5. Crickets and other Hoppers
20.3.6. Ants (all species)
20.3.7. Earwigs
20.3.8. Sow Bugs and other Crawling Insects

DocuSign Envelope ID: FB662AF4-B256-40A0-B033-17D6CFF6453E

20.3.9. Fleas and other Biting Insects
20.3.10. Wasp/Hornets and other stinging insects
20.3.11. Moths and other Flying Pests
20.3.12. Weevils and other Food Pests
20.3.13. Snakes
20.3.14. Mice/Rats and all other Rodents

20.4. The contractor shall provide treatment to buildings once a month. The service schedule for treatment shall be developed and agreed upon by Facilities Management Director or their designee and the Contractor.

20.5. All Contractor equipment, including materials and chemicals, must be in the possession and control of the Contractor at all times.

20.6. Contractor must provide a listing of any and all areas that remain inaccessible for pest control service such as lockers, rooms, closets, etc.

20.7. Exterior rodent bait stations are only required on an as needed basis. The number of locations shall be the contractor's discretion, with County's approval. At no time shall any bait or trap be used in which a rodent is allowed to escape in the facility and die.

21. PEST CONTROL FOR LAWNS AND GROUNDS

21.1. The Contractor shall be held responsible for identifying and using the proper chemical for treatment of all grass types.

21.2. All lawn, grounds, trees and shrubbery shall be a defense against outdoor pest and over-population/infestation. Contractor shall use integrated pest management practices as practical and shall minimize the use of pesticides. Contractor shall provide an environment for all lawns and grounds free from over-population/infestation, but not limited to, the following pests and disease control services:

21.2.1. Aphids
21.2.2. Whiteflies
21.2.3. Mealy-Bugs
21.2.4. Scales
21.2.5. Chinch Bugs
21.2.6. Fire Ants
21.2.7. Mites
21.2.8. Other Insect Species

20.3. Any pesticide applied, spilled, or deposited on any impervious surface shall be immediately and completely removed to the greatest extent practical. In no case shall pesticides be washed, swept, or blown off impervious surfaces into storm water drains, ditches, conveyances or water bodies, or applied directly to these valuable resources.

DocuSign Envelope ID: FB662AF4-B256-40A0-B033-17D6CFF6453E

20.4. All hardscapes which include sidewalks, walkways and parking lots shall not be treated.

20.5. All areas with Bahia grass shall not be treated.

20.6. Exterior rodent bait stations are only required on an as needed basis. The number of locations shall be the contractor's discretion, with County's approval. At no time shall any bait or trap be used in which a rodent is allowed to escape in the facility and die.

21. INSECT AND VEGETATION CONTROL

21.1. Contractor must notify Facilities Management of any site requiring insect control treatment and the level of the problem, **before** servicing for the problem.

21.2. In all cases where the kill is not totally effective, follow-up treatments will be made as required to achieve a total kill. No charges will be applied for additional treatment to reported areas of infestation.

21.3. The Contractor shall be responsible for any bodily injury, property damage, or any other loss that arises from this work. The Contractor will bare all expenses.

21.4. The Contractor shall be held responsible for identifying and using the proper chemical for treatment of all grass types.

Exhibit 3: Insurance Requirements

TYPE "C" -INSURANCE REQUIREMENTS
Pollution and Hazardous Waste

Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the contractor, his agents, representatives, employees or subcontractors.

I. **COMMERCIAL GENERAL LIABILITY**.

Coverage must be afforded under a per occurrence form policy for limits not less than $1,000,000 General Aggregate, $1,000,0000 Products / Completed Operations Aggregate, $1,000,000 Personal and Advertising Injury Liability, $1,000,000 each Occurrence, $50,000 Fire Damage Liability and $5,000 Medical Expense.

II. **AUTOMOBILE LIABILITY**.

Coverage must be afforded including coverage for all Owned vehicles, Hired and Non-Owned vehicles for Bodily Injury and Property Damage of not less than $1,000,000 combined single limit each accident.

III. **WORKERS COMPENSATION AND EMPLOYER'S LIABILITY**.

A Coverage to apply for all employees at STATUTORY Limits in compliance with applicable state and federal laws; if any operations are to be undertaken on or about navigable waters, coverage must be included for the USA Longshoremen & Harbor Workers Act.

B Employer's Liability limits for not less than $100,000 each accident; $500,000 disease policy limit and $100,000 disease each employee must be included.

IV. **POLLUTION LIABILITY**.

A Pollution Liability must be afforded for Bodily Injury and Property Damage of not less than $1,000,000 each claim.

B When this contract includes the pick-up, transportation or disposal of hazardous wastes as governed under title 40 or 49 of the Code of Federal Regulations, the transporter's Automobile Insurance shall be endorsed to include the ICC Form MSC90 (Motor Carrier Act of 1980) and the ISO Form CA 9948 (Pollution Liability-Broadened Coverage for Covered Autos-Business Autos and Truckers coverage Forms)

V. **OTHER INSURANCE PROVISIONS** The policies are to contain, or be endorsed to contain, the following provisions:

DocuSign Envelope ID: FB662AF4-B256-40A0-B033-17D6CFF6453E

A Commercial General Liability and Automobile Liability Coverages

1 The Alachua County Board of County Commissioners, its officials, employees and volunteers are to be covered as an Additional Insured as respects: Liability arising out of activities performed by or on behalf of the Contractor; products and completed operations of the Contractor; or automobiles owned, leased, hired or borrowed by the Contractor.

2 The Contractor's insurance coverage shall be considered primary insurance as respects the County, its officials, employees and volunteers. Any insurance or self-insurance maintained by the County, its officials, employees or volunteers shall be excess of Contractor's insurance and shall be non-contributory.

B All Coverages

1 The Contractor shall provide a Certificate of Insurance to the County with a Thirty (30) day notice of cancellation. The certificate shall indicate if cover is provided under a "claims made" or "per occurrence" form. If any cover is provided under a claim made form the certificate will show a retroactive date, which should be the same date of the contract (original if contact is renewed) or prior.

VI. **SUBCONTRACTORS**

Contractors shall include all subcontractors as insured under its policies. All subcontractors shall be subject to the requirements stated herein.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Alachua County (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a $0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

How to contact Alachua County:

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
To contact us by email send messages to: mguidry@alachuacounty.us

To advise Alachua County of your new email address

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to us at mguidry@alachuacounty.us and in the body of such request you must state: your previous email address, your new email address. We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from Alachua County

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to mguidry@alachuacounty.us and in the body of such request you must state your email address, full name, mailing address, and telephone number. We will bill you for any fees at that time, if any.

To withdraw your consent with Alachua County

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send us an email to mguidry@alachuacounty.us and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..

Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: https://support.docusign.com/guides/signer-guide-signing-system-requirements.

Acknowledging your access and consent to receive and sign documents electronically

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

By selecting the check-box next to 'I agree to use electronic records and signatures', you confirm that:

- You can access and read this Electronic Record and Signature Disclosure; and
- You can print on paper this Electronic Record and Signature Disclosure, or save or send this Electronic Record and Disclosure to a location where you can print it, for future reference and access; and
- Until or unless you notify Alachua County as described above, you consent to receive exclusively through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by Alachua County during the course of your relationship with Alachua County.

EXHIBIT B

Rentokil North America Inc DBA Florida Pest Control

(Insert Name of Corporation)

CORPORATE RESOLUTION

GRANTING SIGNING AUTHORITY AND AUTHORITY TO CONDUCT BUSINESS

The Board of Directors ("Directors") of Rentokil North America, Inc. DBA Flordia Pest Control, a (insert name of company) Pennsylvania corporation (the "Corporation"), at a duly and properly (insert state of incorporation) held meeting on the 22 day of June, 2021, did hereby consent to, adopt, ratify, confirm and approve the following recitals and resolutions:

WHEREAS, the Corporation is a duly formed, validly existing corporation in good standing under the laws of the State of Pennsylvania and is authorized to do business in the State of Florida; and

WHEREAS, the Corporation desires to grant certain persons the authority to execute and enter into contracts and conduct business on behalf of the Corporation.

NOW, THEREFORE, BE IT RESOLVED, that any of the following officers and employees of the Corporation listed below are hereby authorized and empowered, acting along, to sign, execute and deliver any and all contracts and documents on behalf of the Corporation, and to do and take such other actions, including but not limited to the approval and execution of contracts, purchase orders, amendments, change orders, invoices, and applications for payment, as in his or her judgment may be necessary, appropriate or desirable, in connection with or related to any bids, proposals, or contracts to, for or with to Alachua County, a charter county and political subdivision of the State of Florida:

NAME	TITLE
Alan Robison	Division Manager
Darren Swearingen	Division Manager
Bill Bosko	District manager

BE IT RESOLVED THAT, these resolutions shall continue in full force and effect, and may be relied upon by Alachua County, until express written notice of their rescission or modification has been received by the Procurement Manager of Alachua County. Any revocation, modification or replacement of these resolutions must be accompanied by documentation satisfactory to the Procurement Manager of Alachua County, establishing the authority for the changes.

IN WITNESS WHEREOF, I have executed my name as Secretary and have hereunto affixed the corporate seal of the above-named Corporation this 22 day of June, 2021, and do hereby certify that the foregoing is a true record of a resolution duly adopted at a meeting of the Board of Directors of the Corporation and that said meeting was held in accordance with state law and the Bylaws of the Corporation, and that the resolution is now in full force and effect without modification or rescission.

Approved Larry M. Sapp, CPM, CPPB Procurement Manager	Date	Disapproved Larry M. Sapp, CPM, CPPB Procurement Manager

MB/bf

1.1 **Vendor Complaints or Grievances; Right to Protest**

Unless otherwise governed by state or Federal law, this Part shall govern the protest and appeal of Procurement decisions by the County. The term "Bidder" includes any Person that responds to any type of Solicitation issued by the County (e.g., ITB, RFP, ITN), and is not limited solely to a Person that submits a bid in response to an Invitation to Bid (ITB).

1.1.1 **Notice of Solicitations and Awards**

The County Shall provide notice of all Solicitations and Awards by Electronic posting in accordance with the Procedures, unless a different method is required by the Florida Statutes, in which case the County Shall provide notice in accordance with the requirement of the Florida Statues.

1.1.2 **Solicitation Protest**

Any prospective Bidder may file a Solicitation Protest concerning a Solicitation.

1.1.2.1 Basis of the Solicitation Protest: The alleged basis for a Solicitation Protest shall be limited to the following:

1.1.2.1.1 The Solicitation is inconsistent with this Code or the requirements of applicable Florida Statutes;

1.1.2.1.2 The terms, conditions or Specifications of the Solicitation are in violation of, or are inconsistent with, applicable laws, Regulations, Procedures, policies or other legal authorities governing the Solicitation, including but not limited to the method of evaluating, ranking or awarding of the Solicitation, reserving rights of further negotiations, or modifying or amending any resulting Contract; and

1.1.2.1.3 The Solicitation instructions are unclear or contradictory.

1.1.3 **Timing and Content of the Solicitation Protest**

The Solicitation protest must be in writing and provide all content in accordance with the Alachua County Code, Chapter 22 "Procurement", Article 9 "Legal and Contractual Remedies" and must be received by the Procurement Manager by no later than 3:00 PM on the fourth business day after the solicitation was posted by the County. Failure to timely file a solicitation protest shall constitute a total and complete waiver of the bidder's right to protest or appeal any solicitation defects, and shall bar the bidder from subsequently raising such solicitation defects in any subsequent Award protest, if any, or any other administrative or legal proceeding.

1.1.4 **Award Protest**

Any Bidder who is not the intended awardee and who claims to be the rightful awardee may file an Award Protest. However, an Award Protest is not valid and shall be rejected for lack of standing if it does not demonstrate that the protesting party would be awarded the Solicitation if its protest is upheld.

1.1.5 **Basis of the Award Protest**

The alleged basis for an Award Protest shall be limited to the following:

1.1.5.1 The protesting party was incorrectly deemed non-responsive due to an incorrect assessment of fact or law;

1.1.5.2 The County failed to substantively follow the Procedures or requirements specified in the Solicitation documents, except for minor irregularities that were waived by the County in accordance with this Code, which resulted in a competitive disadvantage to the protesting party; and

1.1.5.3 The County made an identifiable mathematical or other errors in evaluating the responses to the Solicitation, resulting in an incorrect score and not protesting party not being selected for award.

1.1.6 **Timing and Content of the Award Protest**

The Award Protest must be in writing and provide all content in accordance with the Alachua County Code, Chapter 22 "Procurement", Article 9 "Legal and Contractual Remedies" and must be received by the Procurement Manager at lsapp@alachuacounty.us no later than 3:00 PM on the fourth Business day after this Proposed Award Decision was posted by the County. Failure to timely file an Award Protest shall constitute a total and complete waiver of the Bidder's right to protest or appeal the County's proposed Award decision in any administrative or legal proceeding.

1.1.7 **Burden of Proof**

Unless otherwise provided by Florida law, the burden of proof shall rest with the protesting party.

1.1.8 **Stay of Procurement during Protests**

In the event of a timely protest, the County shall not proceed further with the Solicitation or with the award of the Contract until the County Manager, after consultation with the head of the Using Agency, makes a written determination that the award of the Solicitation without delay is:

1.1.8.1 necessary to avoid an immediate and serious danger to the public health, safety, or welfare;
1.1.8.2 necessary to avoid or substantial reduce significant damage to County property;
1.1.8.3 necessary to avoid or substantially reduce interruption of essential County Services; or;
1.1.8.4 otherwise in the best interest of the public.

ALACHUA COUNTY BOARD OF COUNTY COMMISSIONERS

INVITATION TO BID

SPECIFICATION FOR: Firm Fixed Bid Prices for **Annual Building, Lawn and Grounds Pest Control Services** for the benefit of the **Facilities Management** Department on an as needed basis.

BID NUMBER: **22-25**

E-BID OPENING DATE: **2:00 pm, Wednesday, June 23, 2021**

PART A - INSTRUCTIONS TO BIDDERS

1.0 GENERAL PROVISIONS

1.1 Purpose

Alachua County Board of County Commissioners are calling for and requesting the submission of bids for Annual Building, Lawn and Grounds Pest Control Services.

The herein included Instructions to Bidders **(PART A)**, Terms and Conditions **(PART B)**, Technical Specifications **(PART C)**, Bidder's Check List **(PART D)**; together with all attached documents herein identified, constitute the entire Invitation to Bid package. Specifications and supplementary documents are essential parts of the contract and requirements occurring in one are as binding as though occurring in all.

1.2 Distribution of Information

The County posts and distributes information pertaining to its procurement solicitations on **DemandStar**.

The County has transitioned from accepting hard (paper) copy submittals to accepting electronic submittals through "E-Bidding" on **DemandStar**. In order to submit a bid response to this solicitation the bidder must be registered with **DemandStar**.

1.3 Submission of Bids

Costs for the preparation and submittal of bids in response to this Invitation to Bid are entirely the obligation of the bidder and shall not be chargeable in any manner to Alachua County.

The bid response, containing all required documents, with authorized signatures, must be received by 2:00 p.m. on the due date indicated on the Bid Cover Page for this project. The bidder's complete submittal in pdf format must be uploaded into **DemandStar** prior to the 2:00 p.m. deadline.

THIS PLATFORM WILL NOT ACCEPT LATE SUBMITTALS.

LATE SUBMITTALS WILL NOT BE ACCEPTED.

Upload bid response as a pdf formatted document only, unless the solicitation states otherwise.

The pdf document should be titled with bidder's name, bid number, and, if the response is submitted in parts, include "Part # of x".

Modifications to or withdrawal of a bidder's submittal can be made up to the deadline date. Modifications and withdrawals must be documented in **DemandStar** in order to be recognized by the County. Any bid not withdrawn will constitute an irrevocable offer, for a period of one hundred and twenty (120) days, to provide the County adequate time to award the Contract for the services specified in this solicitation.

Blank spaces must be filled in as noted, in ink or typed, with the amounts extended and totaled. Any corrections necessarily made on the bid form **EXHIBIT A** should be made by crossing out the item in error and inserting the corrected item immediately above. Such corrections shall be initialed and dated by the person signing the bid. No bid containing correction by erasure will be accepted.

The response must be signed by an officer of the business who is legally authorized to enter into a contractual relationship in the name of the bidder. **An authorized representative who is not an officer may sign the proposal, but must attach a corporate resolution EXHIBIT B granting authorization to the representative to execute on behalf of the business.**

The submittal of a proposal by a bidder will be considered by the County as constituting an offer by the bidder to perform the required services at the stated fees.

1.4 **Bid Opening-Zoom Meeting**

The scheduled bid opening will occur via Zoom; the information to join is provided below. Attendance (live viewing) of the bid opening is not required.

If you have a disability and need an accommodation in order to participate in a County program, service or public meeting, please contact the Equal Opportunity Office at 352-374-5275 at least 10 business days prior to the event. TDD users, please call 711 (Florida Relay Service).

1.5 **Electronic Signatures**

The Parties agree that an electronic version of the submitted bid shall have the same legal effect and enforceability as a paper version. The Parties further agree that the Electronic Submittal, regardless of whether in electronic or paper form, may be executed by use of electronic signatures. Electronic signatures shall have the same legal effect and enforceability as manually written signatures. The County shall determine the means and methods by which electronic signatures may be used to execute an Agreement with the awarded vendor and shall provide the awarded vendor with instructions on how to use said method. Delivery of this Agreement or any other document contemplated hereby bearing an manually written or electronic signature by facsimile transmission (whether directly from one facsimile device to another by means of a dial-up connection or whether mediated by the worldwide web), by electronic mail in "portable document format" (".pdf") form, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, will have the same effect as physical delivery of the paper document bearing an original or electronic signature.

1.6 **Proprietary Information**

Responses to this solicitation upon receipt by the County become public records subject to the provisions of Chapter 119 F.S., Florida's Public Records Law. If you believe that any portion or all of your response is confidential or proprietary, or otherwise exempt from disclosure as a Public Record, you should clearly assert such exemption and state the specific legal authority for the asserted exemption. All material that is designated as exempt from Chapter 119 **must be submitted in a separate electronic pdf file**, clearly identified as **"PUBLIC RECORDS EXEMPT"** with your name and the bid number marked on the outside. Furthermore, you must complete **EXHIBIT C, PUBLIC RECORD DECLARATION OR CLAIM OF EXEMPTION**.

Please be aware that the designation of an item as exempt from disclosure as a Public Record may be challenged in court by any person. By your designation of material in your proposal as "Public Records Exempt", you agree to defend and hold harmless the County from any claims, judgments, damages, costs, and attorney's fees and costs of the challenger and for costs and attorney's fees incurred by the County by reason of any legal action challenging your designation.

1.7 **Non-Warranty of Specifications**

Due care and diligence has been used in preparing these specifications. The County shall not be responsible for any error or omission in these specifications, nor for the failure on the part of the bidders to determine the full extent of the request. It is the sole responsibility of the bidders to ensure that they have all information necessary for the submittal of bids.

1.8 **Inquiries/Questions**

No interpretation of the meaning of the Specifications and/or Scope of Services or contract documents will be made to any interested bidder orally. Every request for such interpretation shall be made in writing, via email with reference to the appropriate **BID number and Bid Title** in the subject line of the email to **Markisha Boykin** at **mboykin@alachuacounty.us** no later than ten (10) days prior to the deadline set for receipt of bids. Any and all such interpretations and any supplemental instructions will be in the form of a written addendum; duly issued, and a copy of such addendum will be posted to **DemandStar**. Oral answers will not be authoritative. All addenda so issued shall become part of the bid documents.

1.9 **Acceptance/Rejection**

Alachua County reserves the right to reject any bid which may be considered irregular, show serious omission, unauthorized alteration of form, unauthorized alternate bids, incomplete or unbalanced bids or irregularities of any kind. Further, the County reserves the right to accept or reject any and all bids in whole or in part and to waive any technicalities or informalities in any bid.

Bid forms may be considered irregular and subject to rejection if they show serious omission, unauthorized alteration of form, unauthorized alternate bids, incomplete or unbalanced bids or irregularities of any kind.

1.10 **Withdrawal of Bids**

Modifications to or withdrawal of a bid can be made up to the deadline date. Modifications and withdrawals must be documented in DemandStar.com in order to be recognized by the County.

All prices bid shall remain firm for a period of one hundred and twenty (120) days after the bid opening.

1.11 **Small Business Enterprise (SBE) Program Participation**

1.11.1 SBE Vendor is a vendor that is certified by the Alachua County Equal Opportunity Division prior to the proposal opening.

1.11.2 The SBE Program Participation Form, **EXHIBIT D**, should be completed for your proposal to be considered responsive.

1.11.3 Alachua County has adopted a 15% participation goal, and policies which encourage participation of SBE in the provision of materials, supplies (i.e. office, auto, janitor, lawn, etc.) equipment, services and construction.

1.11.4 The County will award a preference in evaluation points to certified SBE or contractors that meet the SBE participation goal in its bid response.

1.11.5 The County will award a five-percent bid price preference, not to exceed $50,000 on a single bid, to any certified SBE that submits a bid.

1.11.6 The County will award a three-percent bid price preference, not to exceed $50,000 on any single bid, to any Contractor that agrees to use certified SBE for at least 15 percent of the dollar value of the bid.

1.11.7 SBE preference does not apply to contracts that are reserved in accordance with Section 22.11-205, Alachua County Procurement Code, in which the County reserved contracts for bidding only by SBEs. SBE bid preferences will not be combined.

1.11.8 **Proposed Subcontractors Requirements**

1.11.8.1 Contractors submitting proposals under this solicitation are to identify, on the SBE Program Participation Form, the intended SBE subcontractors and the estimated percentage of total dollar amount(s) as well as the total dollar amount(s) of the contract to be awarded to SBE firms, **EXHIBIT D, Option 3**.

1.11.8.2 If SBE subcontractors are not available for the bid/RFP you should complete a Good Faith Effort Form, **EXHIBIT D, Option 4**.

1.11.9 **Good Faith Effort Requirements**

1.11.9.1 Every competitive bid or proposal, if not submitted by a certified Small Business Enterprise (SBE), should demonstrate good faith efforts to utilize SBE as subcontractors. Unless your company will perform all the work and no subcontractors will be utilized. The Equal Opportunity Division maintains a directory of certified SBE's. The Alachua County Small Business Enterprise Directory is available at: http://smallbusdir.alachuacounty.us/

1.11.9.2 The Equal Opportunity Division shall determine what constitutes a "good faith effort" for purposes of contractor compliance with contractual requirements relating to the use of services or commodities of a certified SBE's. , The good faith efforts that may be considered by the County are listed under Section 22.11-207, of the Alachua County Procurement Code:

1.11.9.2.1 The Contractor will be expected to furnish documents substantiating compliance with good faith effort requirements, **EXHIBIT D.**

1.12 **Alachua County Government Minimum Wage (GMW)**

1.12.1 Services solicited through this Invitation to Bid are considered covered services under Chapter 22, Article 12, of the Alachua County Procurement Code of Ordinances ("Alachua County Government Minimum Wage") which establishes a government minimum wage for certain consultants and subcontractors providing selected services to Alachua County government. Proposers should consider the cost of compliance, if any, when submitting bids.

1.12.2 The consultant shall certify via **EXHIBIT E** it will pay each of its covered employees the GMW, and ensure that it will require that of its subcontractors. Upon execution of the awarded contract, the certification shall become an obligation to the vendor.

1.13 **U.S. Department of Homeland Security E-Verify System**

The Contractor/Professional shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the Contractor/Professional during the term of the Invitation to Bid (ITB). The E-Verify system is located at https://www.uscis.gov/E-Verify.

The Contractor/Professional shall expressly require any subcontractors performing work or providing services pursuant to the County's Invitation to Bid (ITB) to utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the term of the solicitation. The E-Verify system is located at https://www.uscis.gov/E-Verify.

1.14 **Public Entity Crimes**

A person or affiliate who has been placed on the convicted vendor list following a conviction of a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017 F.S., for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."

1.15 **Drug Free Workplace**

Florida Statute, Section 287.087 states that whenever two or more bids, proposals, or replies that are equal with respect to price, quality, and service are received by the state or by any political subdivision for the procurement of commodities or contractual services, a bid proposal, or reply received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. A vendor certifying a drug-free workplace shall complete **EXHIBIT F**.

1.16 **Proposed Subcontractors NON-SBE**

Bidder shall notify the County of the proposed use of subcontractors in the provision of services required herein by completing and returning the Proposed Subcontractors (Non-Small Business Enterprise) Form, **EXHIBIT G**. No subcontractor shall be employed by the Contractor for the provision of these services without the written approval of the County.

2.0 QUALIFICATION OF BIDDERS

2.1 **Consideration**

Bids will be considered only from firms normally engaged in providing and performing services specified herein. Bidder must have adequate organization, facilities, equipment and personnel to ensure prompt and efficient service to the County, and shall have all necessary licenses and permits required by law to do business with the County.

2.2 **Bidder's Questionnaire**

The County reserves the right before recommending any award to inspect the facilities and organization or to take any other action necessary to determine ability to perform in accordance with specifications, terms and conditions. Bidders are requested to complete and return along with their bid the Bidder's Questionnaire **EXHIBIT H**.

2.3 **Performance**

The County will determine whether the evidence of ability to perform is satisfactory and reserves the right to reject bids where evidence submitted, or investigation and evaluation indicates inability of the bidder to perform.

3.0 EXAMINATION OF PROPERTY

3.1 **Bidder's Responsibility**

3.1.1 Before submitting his bid, it shall be the bidder's responsibility to visit the premises of the proposed work and familiarize himself with the nature and extent of the work and any local conditions that may in any way affect the work to be done and the equipment, materials and labor required.

3.1.2 The bidder is also required to carefully examine the specifications and contract documents, to inform themselves regarding any and all conditions and requirements that may in any manner affect the work to be performed under the contract. Failure to do so will not relieve the bidder of complete performance under the contract.

4.0 QUALITY

All materials shall be new and in no case will used, reconditioned or obsolete parts be acceptable. All equipment specifications are to be considered minimum requirements.

5.0 LAWS, PERMITS AND REGULATIONS

Permit, Application, and License Fees

The contracted firm shall obtain and pay for all necessary permits, permit application fees, licenses or any fees required.

5.1 Compliance

The contractor shall comply with all laws, ordinances, regulations and building code requirements applicable to the work contemplated in the proposal. The contracted firm is presumed to be familiar with all state and local laws, ordinances, code rules and regulations that may in any way affect the work. Ignorance on the part of the contracted firm will in no way relieve it of responsibility.

The contractor must agree to abide by and conduct its programs and provide its services in compliance with the provisions of the Civil Rights Act of 1866, Civil Rights Act of 1871, Equal Pay Act of 1963, Civil Rights Act of 1964, Age Discrimination and Employment Acts of 1967, Rehabilitation Act of 1973, 1990 Americans with Disabilities Act, 1991 Federal Civil Rights Act, 1992 Florida Civil Rights Act, and all other applicable ordinances, statutes, laws and amendments thereto.

6.0 CONSIDERATION OF BIDS AND AWARD OF CONTRACT

The award of the contract, if it is awarded, will be to the lowest responsive and responsible bidder whose qualifications indicate the award will be in the best interest of the County, and whose bid complies with all prescribed requirements. No award will be made until the County has concluded such investigations as he deems necessary to establish the responsibility, qualifications and financial ability of the bidders to do the work in accordance with the contract documents to the satisfaction of the County within the time prescribed.

The County reserves the right to award the contract to more than one bidder, as determined to be in the best interest of the County.

If the contract is awarded, the County will accept the bid and award the contract to the successful bidder(s) within one hundred twenty days (120) days after the opening of the bids by written notice to the successful bidder(s). Additional days may be added upon mutual written agreement between the County and the successful bidder.

The County reserves the right to reject any or all bids and to waive informalities, or to accept any bid or combination of bids which, in the County's judgment, will best serve its interest.

7.0 **ACCEPTANCE OF BID**

The signed bid shall be considered an offer on the part of the bidder; such offer shall be deemed acceptable upon completion of all steps in the procurement process and issuance of a Purchase Order or execution of a Contract by the County.

8.0 **PERFORMANCE TIME**

All material and parts shall be bid F.O.B. destination, at the job site. The performance time may be a factor in the evaluation of the bid. It is to be emphasized that the meeting of specified performance schedules is a significant part of ability to perform and that failure to meet such schedule may result in termination of the contract and will surely be considered in the evaluation of future bids.

9.0 **COLLUSION**

The bidder, by affixing his signature to the bid form, declares that the bid is made without any previous understanding, agreement, or connections with any persons, firms or corporations making a bid on the same items and that it is in all respects, fair, and in good faith without any outside control, collusion, or fraud.

The bidder, by affixing his signature to the **bid form**, declares that no County Commissioner, other County officer, or County employee, directly or indirectly owns more than five (5) percent of the total assets or capital stock of the bidding entity, nor will directly or indirectly benefit by more than five (5) percent from the profits or emoluments of this contract.

10.0 **ADDENDA**

Addenda issued by the County prior to the bid opening shall be binding as if written into the original solicitation document. Bidders shall acknowledge receipt of the same as indicated on the bid form.

11.0 **VENDOR COMPLAINTS OR GRIEVANCES; RIGHT TO PROTEST**

Unless otherwise governed by state or Federal law, this Part shall govern the protest and appeal of Procurement decisions by the County. The term "Bidder" includes any Person that responds to any type of Solicitation issued by the County (e.g., ITB, RFP, ITN), and is not limited solely to a Person that submits a bid in response to an Invitation to Bid (ITB).

11.1 **Notice of Solicitations and Awards**

The County Shall provide notice of all Solicitations and Awards by Electronic posting in accordance with the Procedures, unless a different method is required by the Florida Statutes, in which case the County Shall provide notice in accordance with the requirement of the Florida Statues.

11.2 **Solicitation Protest**

Any prospective Bidder may file a Solicitation Protest concerning a Solicitation.

11.2.1 Basis of the Solicitation Protest: The alleged basis for a Solicitation Protest shall be limited to the following:

11.2.1.1 The Solicitation is inconsistent with this Code or the requirements of applicable Florida Statutes;

11.2.1.2 The terms, conditions or Specifications of the Solicitation are in violation of, or are inconsistent with, applicable laws, Regulations, Procedures, policies or other legal authorities governing the Solicitation, including but not limited to the method of evaluating, ranking or awarding of the Solicitation, reserving rights of further negotiations, or modifying or amending any resulting Contract; and

11.2.1.3 The Solicitation instructions are unclear or contradictory.

11.2.2 **Timing and Content of the Solicitation Protest**

The Solicitation protest must be in writing and provide all content in accordance with the Alachua County Code, Chapter 22 "Procurement", Article 9 "Legal and Contractual Remedies" and must be received by the Procurement Manager by no later than 3:00 PM on the fourth business day after the solicitation was posted by the County. Failure to timely file a solicitation protest shall constitute a total and complete waiver of the bidder's right to protest or appeal any solicitation defects, and shall bar the bidder from subsequently raising such solicitation defects in any subsequent Award protest, if any, or any other administrative or legal proceeding.

11.3 **Award Protest**

Any Bidder who is not the intended awardee and who claims to be the rightful awardee may file an Award Protest. However, an Award Protest is not valid and shall be rejected for lack of standing if it does not demonstrate that the protesting party would be awarded the Solicitation if its protest is upheld.

11.3.1 **Basis of the Award Protest**

The alleged basis for an Award Protest shall be limited to the following:

11.3.1.1 The protesting party was incorrectly deemed non-responsive due to an incorrect assessment of fact or law;

11.3.1.2 The County failed to substantively follow the Procedures or requirements specified in the Solicitation documents, except for minor irregularities that were waived by the County in accordance with this Code, which resulted in a competitive disadvantage to the protesting party; and

11.3.1.3 The County made an identifiable mathematical or other errors in evaluating the responses to the Solicitation, resulting in an incorrect score and not protesting party not being selected for award.

11.3.2 **Timing and Content of the Award Protest**

The Award Protest must be in writing and provide all content in accordance with the Alachua County Code, Chapter 22 "Procurement", Article 9 "Legal and Contractual Remedies" and must be received by the Procurement Manager at lsapp@alachuacounty.us no later than 3:00 PM on the fourth Business day after this Proposed Award Decision was posted by the County. Failure to timely file an Award Protest shall constitute a total and complete waiver of the Bidder's right to protest or appeal the County's proposed Award decision in any administrative or legal proceeding.

11.4 **Burden of Proof**

Unless otherwise provided by Florida law, the burden of proof shall rest with the protesting party.

11.5 **Stay of Procurement during Protests**

In the event of a timely protest, the County shall not proceed further with the Solicitation or with the award of the Contract until the County Manager, after consultation with the head of the Using Agency, makes a written determination that the award of the Solicitation without delay is:

11.5.1 necessary to avoid an immediate and serious danger to the public health, safety, or welfare;

11.5.2 necessary to avoid or substantial reduce significant damage to County property;

11.5.3 necessary to avoid or substantially reduce interruption of essential County Services; or;

11.5.4 otherwise in the best interest of the public.

PART B - TERMS AND CONDITIONS

1.0 DEFINITION OF TERMS

Where the following terms or their pronouns occur herein, the intent and meaning shall be as follows:

COUNTY/OWNER: Alachua County Board of County Commissioners, Alachua County, Florida or its authorized representative.

BID PRICE: The amount bid submitted on the prescribed forms by the bidder setting forth the prices for the work to be performed.

BIDDER: Any person, firm or corporation submitting a proposal/bid for the goods and/or services contemplated herein, or a duly authorized representative.

CONTRACT: The written agreement resulting from this solicitation, incorporating the bid submitted by the bidder and which is approved by the Board, or its designee, along with all documents identified in this Invitation to Bid document and any addenda, thereto, shall be the contract between the County and the bidder.

CONTRACT DOCUMENTS: The Agreement, Specifications, Drawings, Addenda whether issued prior to opening of bids or execution of the Contract and Modifications.

CONTRACTOR: Any person, firm, corporation, or governmental entity with whom the County has executed a contract for the performance of the work, or his duly authorized representative.

DIRECTOR: The duly authorized representative of the Board of County Commissioners during the contract period as identified herein.

RESPONSIBLE AGENT: The duly authorized representative of the Alachua County Board of County Commissioners during the contract period.

SPECIFICATIONS: The directions, provisions, and requirements contained herein, together with all written agreements made setting out or relating to the method and manner of performing the requested services, the quality of material and personnel to be furnished under this contract. All applicable laws of the State of Florida, the Federal Government and the Rules and Regulations of the County of Alachua are hereby adopted and made part hereof as specifications.

WORK: To provide all management, supervision, labor, materials, supplies and equipment. To plan, schedule, coordinate and assure effective performance of all services described herein.

2.0 CONTRACTOR'S INSURANCE

The contractor shall provide and maintain during the life of the contract, coverages and amounts stated in, **EXHIBIT J.** Failure to maintain such insurance may be deemed as a cause of termination of this agreement.

3.0 **BONDING REQUIREMENTS (If Applicable)**

A bid security in the form of a Bid Bond or certified check made payable to "Alachua County Board of County Commissioners" in an amount equal to five percent (5%) of the base bid will be required as a guarantee that the bidder will enter into a written contract with the County if his bid is accepted. A performance bond and payment bond in an amount equal to one hundred percent (100%) of the contract sum will be required of the successful bidder. No bidder may withdraw his bid for a period of one hundred twenty (120) days after the actual date of the opening thereof.

4.0 **MODIFICATIONS**

This agreement constitutes the entire agreement and understanding between the parties hereto, and it shall not be considered modified, altered, changed or amended in any respect unless in writing and signed by the parties hereto.

The County will not be bound under this agreement for similar or like services being provided by County agencies or for services entered into by the County under a separate agreement.

5.0 **SEVERABILITY**

If any provisions of this agreement shall be declared illegal, void or unenforceable, the other provisions shall not be affected but shall remain in full force and effect.

6.0 **INDEPENDENT CONTRACTOR**

In the performance of this agreement, the Contractor will be acting in the capacity of an independent Contractor and not as an agent, employee, partner, joint venturer, or associate of the County. The Contractor shall be solely responsible for the means, method, technique, sequences, and procedures utilized by the Contractor in the full performance of the agreement.

7.0 **TERM OF THE CONTRACT**

The agreement shall be effective for the period beginning on the date of the fully executed contract or issuance of a purchase order. Generally the term will begin on **October 1, 2021** and continue through **September 30, 2022** unless earlier terminated as provided herein. The county has the option of renewing this agreement for **two (2)** additional **two (2)** year-periods and the same terms and conditions outlined here in. The amendments to extend the contract will be issued once the county has exercised the option to renew.

It is the intent of the County to issue a purchase order or enter into a contract in substantially, the FORM attached, **EXHIBIT K**.

A contract as a result of the solicitation shall be deemed effective only to the extent of appropriations available to the County Agency at any time during the contract period.

8.0 **RESPONSIBLE AGENT**

The Contractor shall designate and submit a responsible agent and alternate as necessary, for all dealings, communications, or notices or contracts between the County and the contractor, **EXHIBIT I.**

The Department Director will be the responsible agent for the County. Any notice or communication to or from the responsible agent shall be deemed to be a communication to the contractor.

A letter when addressed and sent by certified list mail to either part, at its business herein, will constitute notice required in this bid or contract.

9.0 **ASSIGNMENT OF PERSONNEL**

All personnel assigned to the project will be subject to the approval of the County and no changes shall be allowed unless prior written approval is obtained.

10.0 **GOVERNING LAW**

This agreement shall be governed in accordance with the laws of the State of Florida. Venue shall be in Alachua County.

11.0 **AWARD OF CONTRACT(S)**

The County reserves the right to award contracts to more than one (1) firm as determined to be in the best interest of the County.

12.0 **ASSIGNMENT OF INTEREST**

The parties recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by the County. Therefore, the vendor hereby assigns to the County any and all claims for such overcharges as to goods, material or services purchased in connection with the Agreement. However, for all other assignments, neither party will assign, convey, pledge, sublet, transfer or otherwise dispose any interest in this Agreement and shall not transfer any interest in same without prior written consent of the other party.

13.0 **INDEMNIFICATION**

The Purchaser agrees to protect, defend, indemnify, and hold the County and director and their officers, employees and agents free and harmless from and against any and all losses, penalties, damages, settlements, costs, charges, professional fees or other expenses or liabilities of every kind and character arising out of or directly or indirectly relating to any and all claims, liens, demands, obligations, actions, proceedings or causes of action of every kind and character in connection with or arising directly or indirectly out of this Agreement and/or the performance hereof. Without limiting the generality of the foregoing, any and all such claims, etc., including but not limited to personal injury, death, damage to property (including destruction) defects in materials or workmanship, actual or alleged infringement of any patent, trademark, copyright (or application for any thereof) or of any other tangible or intangible personal or property right, or any actual or alleged violation of any applicable statute, ordinance, administrative order, rule, or regulation or decree of any court, shall be included in the indemnity hereunder. The Purchaser further agrees to investigate, handle, respond to, provide defense (including payment of attorney fees, court costs, and expert witness fees and expenses up to and including any appeal) for and defend any such claim at its sole cost and expense through counsel chosen by the County and agrees to bear all other costs and expenses related thereto, even if they (claims, etc.) are groundless, false, or fraudulent. Purchaser agrees that indemnification of the County shall extend to any and all work performed by the Purchaser, its subcontractors, employees, agents, servants or assigns. This obligation shall in no way be limited in any nature whatsoever by any limitation on the amount or type of Purchaser's insurance coverage. This indemnification provision shall survive the termination of the Contract between the County and the Purchaser.

Nothing contained herein shall constitute a waiver by the County of its sovereign immunity, the limits of liability or the provisions of §768.28, Florida Statutes.

14.0 **AMENDMENTS**

This agreement may be amended by mutual written agreement of the parties and may be changed only by such written amendment.

15.0 **DEFAULT AND TERMINATION**

The failure of either party to comply with any provision of this agreement shall place that party in default. Prior to terminating this agreement, the non-defaulting party shall notify the defaulting party in writing. Notification shall make specific reference to the provision which gave rise to the default.

The defaulting party shall be given seven (7) days in which to cure the default. Department Director is authorized to provide written notice of termination on behalf of the County, and if the default situation is not corrected within the allotted time, the Department is authorized to provide final termination notice on behalf of the County to the Contractor.

The County may terminate this agreement without cause by first providing at least thirty (30) days written notice to the Contractor prior to the termination date. The Department Director is authorized to provide written notice of termination on behalf of the County.

If the contractor is adjudged bankrupt, either voluntary or involuntary, the County may terminate the contract effective on the day and at the time the bankruptcy petition is filed and may proceed to provide service as previously outlined.

In the event funds to finance this contract become unavailable, the County may terminate the contract with no less than twenty-four hours' notice in writing to the Contractor. The County shall be the final authority as to the availability of funds.

16.0 **SUCCESSORS AND ASSIGNS**

The County and Contractor each bind the other and their respective successors and assigns in all respects to all of the terms, conditions, covenants, and provisions of this agreement, and any assignment or transfer by the Contractor of its interest in this agreement without the written consent of the County shall be void. Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of the County or Contractor, nor shall it be construed as giving any right or benefit hereunder to anyone other than the County or the Contractor.

17.0 **NON WAIVER**

The failure of either party to exercise any right shall not be considered a waiver of such right in the event of any further default or noncompliance.

18.0 **BOOKS AND RECORDS**

The county shall have the right to audit, review, examine and transcribe any pertinent records or documents relating to any contract resulting from this solicitation held by the Contractor. The Contractor will retain all documents applicable to the contracts for a period of not less than three years after final payment is made.

19.0 **ACCIDENT PREVENTION**

Precaution shall be exercised at all times for the protection of employees, other persons and property.

Contractor's employees shall report to their superintendent any hazardous conditions or items in need of repair noted during the performance of work. Said superintendent shall thereupon notify the responsible agent or his designee of such conditions.

20.0 **WORKPLACE VIOLENCE**

Employees of bidders (or responders for RFP's) are prohibited from committing any act of workplace violence. Violation may be grounds for termination. Workplace violence means the commission of any of the following acts by a bidder's employee.

Battery: intentional offensive touching or application of force or violence to another.

Stalking: willfully, maliciously and repeatedly following or harassing another person.

PART C- TECHNICAL SPECIFICATIONS

1.0 PURPOSE

It is the intent of County to solicit Bids for qualified, pesticide and exterminator (operator) businesses who are duly registered and licensed in the State of Florida to render quality pest control services to the County in order to provide a pest free environment for employees, clients and visitors to the offices, buildings and/or grounds of the various County locations stated in the Pest Control Building List, see Exhibit A Bid Form.

2.0 SCOPE OF SERVICE

2.1 The provisions contained in this section are intended to be cooperative with, to supplement, or to modify Instructions to Bidders and Terms and Conditions. In case of any conflict with such sections, the intent of any kind and all Technical Specifications shall govern.

2.2 Bidders are required to provide all requested license and certification documentation with their Bid submittal and acknowledge it on the Bid Form; Failure to do so may result in bid rejection.

2.3 Contractor shall provide all materials, chemicals, transportation, labor, equipment required to provide services to the County. Contractor shall provide inspections, exterminations and treatments of Buildings, Lawns and Grounds to prevent pest and disease infestation.

2.4 Contractor shall have at least two (2) years of experience with pest control and/or extermination services as provided in Exhibit F Bidder's Questionnaire.

2.5 The Contractor is to use the proper equipment, chemicals and materials to render the services to ensure safety for all human life, livestock and the environment. It is to be clearly understood that the equipment, insecticides and pesticides used by the Contractor for this contract are to be within safe and legal guidelines use by federal, state and local regulatory agencies. Before an application is made, the Contractor shall notify the Facilities Management Department Director or designee of any precautionary actions, if any, that may need to be taken.

2.6 All field tickets must be signed by Facilities Management Grounds Supervisor or Designee and copies must be sent along with monthly invoices for payment.

2.6.1 Field tickets must include square footage for each building, lawn, or grounds services/treated.

2.7 All Contractor equipment, including materials and chemicals, must be in the possession and control of the contractor at all times.

2.8 The Contractor's must maintain and provide the treatment log and application record to the County upon request. The treatment log and application record must be maintained for all buildings listed in Exhibit A.

2.8.1 The amount paid to the contractor may change as exact "serviceable/treatable" square footage (SF) per lawn/grounds/building covered in the contract is to be audited and verified by all parties.

2.9 Service calls other than the scheduled service must be coordinated by the Facilities Management Department Director or designee.

3.0 COMMUNICATION

3.1 Contractor must be able to be contacted by phone or email at all times.

4.0 SAFETY DATA SHEETS (SDS)

4.1 SDSs must be provided to the County on all chemicals used and updated whenever there is a change in the chemicals used. These SDSs will be maintained in Facilities Management Department and a copy will be stored in a janitorial closet at location.

4.2 Contractor shall document the location an application date for each area treated. This information shall be submitted to the County upon completion of each treatment cycle.

4.3 The Contractor shall be responsible for removing and disposing of all excess and/or unneeded chemicals, materials or equipment after the application is completed.

5.0 NOTIFICATION SIGNAGE

5.1 The Contractor will post on the lawn treatment notification Signage on the lawns and grounds upon completion of the services. Depending on the facility and location of the treatments, signage may have to be posted in advance of a treatment, indicating that the area will be serviced and the chemicals that will be used. All these signage stipulations will apply unless due to emergency conditions immediate service is required by the County and work has been approved by the County Facilities Director for immediate service. All signage shall be provided by the Contractor.

6.0 RESPONSE TIMES

6.1 Contractor must be able to respond within 4 hours of call from the County for normal service call-outs.

6.2 The County may require the contractor to service a site immediately for infestations. In this case the contractor must respond within 2 hours to such service request deemed an emergency by the County.

6.3 Contractor must be able to be reached on a 24-hour basis by phone or email.

6.4 Any re-treatment work required between scheduled service visits must be handled within eight (8) business hours after notification and will be at no additional cost to the County.

7.0 BACKGROUND CHECKS & SECURITY CLEARANCES

7.1 Contractors will be required to successfully pass a background check prior to entering any County building. The Contractor will be responsible for the costs of background checks.

7.2 Contractor will have background checks completed, acceptable to the County, on all employees of the Contractor and any subcontractors, whether full or part time at least 72 hours prior to such employee(s) commencing work. The Contractor will ensure that no employee of the contractor or any sub-contractor who has not had a background check run will enter Buildings identified in this agreement as requiring such checks.

7.3 The County or the Administrating Official for Agencies occupying buildings for which the County provides maintenance, janitorial, construction or other services may refuse to allow any contractor or sub-contractor's employee's access to the buildings or offices occupied if deemed by the Agency Administrator to be in the best interest of the orderly functioning of the Agency.

8.0 **HOLIDAYS**

8.1 The following days shall be holidays recognized by Alachua County:

8.1.1 New Year's Day

8.1.2 Martin Luther King's Birthday

8.1.3 Memorial Day

8.1.4 Juneteenth

8.1.5 Independence Day

8.1.6 Labor Day

8.1.7 Veteran's Day

8.1.8 Thanksgiving Day

8.1.9 Friday after Thanksgiving

8.1.10 Christmas Holiday

8.1.11 Christmas Day

8.2 If any recognized holiday shall fall on a Saturday, the preceding Friday shall be observed as a holiday and if any recognized holiday shall fall on a Sunday, the following Monday shall be observed as a holiday.

9.0 **PESTICIDE LICENSES**

9.1 Bidders must have a valid Florida Pesticide Applicator's License prior to contract award. Contractor must maintain valid licenses throughout the duration of the contract, the contractor must be responsible to satisfying those requirements. Bidders shall supply a copy of valid Commercial Applicator's License with bid packet.

10.0 **ADDITIONAL LOCATIONS**

10.1 The County reserves the right to add or delete locations. If adding sites, the County reserves the option to accept a price mutually agreed upon (as per hourly rate of this bid), or obtain said item via the County's regular procurement procedures.

11.0 **INSPECTION BADGES**

11.1 Contractor's employees must wear pictured identification badges or company shirts at all times while on County properties.

12.0 **REPORTS**

12.1 The Contractor shall provide a written report to Facilities of any illegal trash dumping, broken water and irrigation lines, any fallen trees, insects that are dangerous to people including ants, bees, roaches, rodents, termites, etc.

13.0 **ENVIRONMENTAL LAWS/ORDINANCES**

13.1 Contractor shall not apply any pesticide product that has not been approved for the use by federal, state and local regulatory agencies. All pesticides used shall be non-flammable, secured when unattended and registered by the US Environmental Protection Agency and the State of Florida. Contractor shall not use any chemicals when open flames are present.

13.2 Contractor must comply with all local, state and Federal environmental laws and ordinances.

14.0 **SAFETY PLANS**

14.1 Contractor must provide County Facilities with the Contractor's safety plans, concept and or laws. Contractor will ensure that weapons are not brought into County buildings or on any County property. Contractor must show proof that all employees receive safety training on use of chemicals and equipment.

15.0 **INCIDENT/ACCIDENT**

15.1 Contractor must report any incident/accident that occurs on County properties to County Facilities Management and Risk Management.

16.0 **DISEASE CONTROL**

16.1 Contractor must notify Facilities Management of any site requiring disease control treatment and the level of the problem, before servicing for the problem. No charges will be applied for additional treatment to reported areas of infestation.

17.0 **DAMAGES**

17.1 Any damages to County properties and or Buildings/Grounds shall be repaired by the Contractor at no cost to the County.

18.0 **COMPLAINT PROCEDURE AND PROPERTY DAMAGE**

18.1 Complaints resulting from this work and received by the County shall be recorded by the County then forwarded to the Contractor for resolution. Within twenty-four (24) hours of receiving notice of the compliant, the Contractor shall contact the Facilities Management Department. The Contractor shall make every effort to settle the claim in an expeditious manner.

19.0 **GENERAL SCHEDULE OF SERVICES**

19.1 Normal work shall be done during regular business hours between 8:00AM to 5:00PM. The Facilities Management Grounds Supervisor or Designee will sign off on all scheduled work verifying that the work is performed according to the terms and conditions of this agreement. Invoices for work that cannot be verified will be placed on hold pending verification.

19.2 The contractor must schedule services in advance to not disrupt the normal operations of building occupants.

19.3 Treatment schedules will be submitted and approved by the County. The schedule for application is dependent on the weather conditions and on the growing season. The County reserves the right to alter or eliminate any of the scheduled treatment because of weather, growing conditions or separate construction or maintenance.

19.4 Should the scheduled services not be totally effective, or interrupt occupants' activities, the Contractor shall be required to provide necessary services at alternate times agreeable to The County, at no additional cost.

20.0 **PEST CONTROL SERVICES FOR BUILDINGS**

20.1 The pest control services shall be performed in all listed buildings, occupied or unoccupied, including, but not limited to, basements, crawl spaces, offices, storage areas/rooms, closets, baseboards, plumbing and heating pipes, shelves, elevators, walls/enclosures, kitchen, dining room, cafeteria, food preparation and storage areas, refuse containers and surrounding storage areas, lavatory and shower areas, hallways, lounge areas and exterior perimeter of the facility.

20.2 Building and structural pest control services shall be a defense against indoor pest and over-population/infestation of indoor pest.

20.3 Contractor shall provide an environment in all buildings, free from, but not limited to (while specifically excluding termites and bed bugs), the following pests:

20.3.1 Spiders,
20.3.2 Cockroaches,
20.3.3 Scorpions,
20.3.4 Beetles
20.3.5 Crickets and other Hoppers
20.3.6 Ants (all species)
20.3.7 Earwigs
20.3.8 Sow Bugs and other Crawling Insects
20.3.9 Fleas and other Biting Insects
20.3.10 Wasp/Hornets and other stinging insects
20.3.11 Moths and other Flying Pests
20.3.12 Weevils and other Food Pests
20.3.13 Snakes
20.3.14 Mice/Rats and all other Rodents

20.4 The contractor shall provide treatment to buildings once a month. The service schedule for treatment shall be developed and agreed upon by Facilities Management Director or their designee and the Contractor.

20.5 All Contractor equipment, including materials and chemicals, must be in the possession and control of the Contractor at all times.

20.6 Contractor must provide a listing of any and all areas that remain inaccessible for pest control service such as lockers, rooms, closets, etc.

20.7 Exterior rodent bait stations are only required on an as needed basis. The number of locations shall be the contractor's discretion, with County's approval. At no time shall any bait or trap be used in which a rodent is allowed to escape in the facility and die.

21.0 PEST CONTROL FOR LAWNS AND GROUNDS

21.1 The Contractor shall be held responsible for identifying and using the proper chemical for treatment of all grass types.

21.2 All lawn, grounds, trees and shrubbery shall be a defense against outdoor pest and over-population/infestation. Contractor shall use integrated pest management practices as practical and shall minimize the use of pesticides. Contractor shall provide an environment for all lawns and grounds free from over-population/infestation, but not limited to, the following pests and disease control services:

21.2.1 Aphids
21.2.2 Whiteflies
21.2.3 Mealy-Bugs
21.2.4 Scales
21.2.5 Chinch Bugs
21.2.6 Fire Ants
21.2.7 Mites
21.2.8 Other Insect Species

21.3 Any pesticide applied, spilled, or deposited on any impervious surface shall be immediately and completely removed to the greatest extent practical. In no case shall pesticides be washed, swept, or blown off impervious surfaces into storm water drains, ditches, conveyances or water bodies, or applied directly to these valuable resources.

21.4 All hardscapes which include sidewalks, walkways and parking lots shall not be treated.

21.5 All areas with Bahia grass shall not be treated.

21.6 Exterior rodent bait stations are only required on an as needed basis. The number of locations shall be the contractor's discretion, with County's approval. At no time shall any bait or trap be used in which a rodent is allowed to escape in the facility and die.

22.0 INSECT AND VEGETATION CONTROL

22.1 Contractor must notify Facilities Management of any site requiring insect control treatment and the level of the problem, before servicing for the problem.

22.2 In all cases where the kill is not totally effective, follow-up treatments will be made as required to achieve a total kill. No charges will be applied for additional treatment to reported areas of infestation.

22.3 The Contractor shall be responsible for any bodily injury, property damage, or any other loss that arises from this work. The Contractor will bare all expenses.

22.4 The Contractor shall be held responsible for identifying and using the proper chemical for treatment of all grass types.

22.5 **Inspection and Service Schedule**

Month	Inspect and Report Findings	Inspect and Treatment for Insects and Disease	Spray Trees & Shrubs
JAN	X		
FEB			
MAR		X	X
APR		X	
MAY		X	X
JUN		X	
JUL		X	
AUG		X	
SEPT	X		X
OCT			
NOV	X		X
DEC			

NOTE: If treatment is required for the months of January, February, September, October, November and December, the Contractor **will submit in writing** to the County's Ground Supervisor a request to be approved for service. The request for approval to service the site must include: location, description of problem(s), description of work to fix problem(s), estimate cost (labor, materials, chemicals, etc.), the spraying of shrubs and trees will be on as **needed basis only.**.

PART D – BIDDERS CHECK LIST

Bidders may use the boxes to the left to check off items when completed.

The checklist is intended as a reminder for certain important items and is not necessarily a complete list of what must be included in your BID submission.

- ☐ Bid Form (Remember to fill this form out completely) THIS FORM MUST BE SIGNED.
- ☐ Acknowledge all Addendum(s) issued with this solicitation. A place to check off acknowledgement is on the bid form.
- ☐ Fill out all of the exhibits as required, especially Exhibit D, Small Business Enterprise (SBE) Program Participation Form and Exhibit E Alachua County Government Minimum Wage (GMW) Form.
- ☐ Include any insurance requirements.
- ☐ Include any bonds that may be applicable.
- ☐ Remember to post your Bid on DemandStar prior to the submittal deadline.

If you have questions concerning these items or other, sections of the bid solicitation please contact Procurement for clarification prior to submitting your bid.

CORPORATE RESOLUTION

GRANTING SIGNING AUTHORITY
AND AUTHORITY TO CONDUCT BUSINESS

The Board of Directors ("Directors") of _____, a
(insert name of company)
_____ corporation (the "Corporation"), at a duly and properly
(insert state of incorporation)
held meeting on the _____ day of _____, 20____, did hereby consent to, adopt, ratify, confirm and approve the following recitals and resolutions:

WHEREAS, the Corporation is a duly formed, validly existing corporation in good standing under the laws of the State of _____ and is authorized to do business in the State of Florida; and

WHEREAS, the Corporation desires to grant certain persons the authority to execute and enter into contracts and conduct business on behalf of the Corporation.

NOW, THEREFORE, BE IT RESOLVED, that any of the following officers and employees of the Corporation listed below are hereby authorized and empowered, acting along, to sign, execute and deliver any and all contracts and documents on behalf of the Corporation, and to do and take such other actions, including but not limited to the approval and execution of contracts, purchase orders, amendments, change orders, invoices, and applications for payment, as in his or her judgment may be necessary, appropriate or desirable, in connection with or related to any bids, proposals, or contracts to, for or with to Alachua County, a charter county and political subdivision of the State of Florida:

NAME	TITLE

BE IT RESOLVED THAT, these resolutions shall continue in full force and effect, and may be relied upon by Alachua County, until express written notice of their rescission or modification has been received by the Procurement Manager of Alachua County. Any revocation, modification or replacement of these resolutions must be accompanied by documentation satisfactory to the Procurement Manager of Alachua County, establishing the authority for the changes.

IN WITNESS WHEREOF, I have executed my name as Secretary and have hereunto affixed the corporate seal of the above-named Corporation this _____ day of _____, 20_____, and do hereby certify that the foregoing is a true record of a resolution duly adopted at a meeting of the Board of Directors of the Corporation and that said meeting was held in accordance with state law and the Bylaws of the Corporation, and that the resolution is now in full force and effect without modification or rescission.

PUBLIC RECORD DECLARATION OR CLAIM OF EXEMPTION

As a bidder or proposer, any document you submit to Alachua County may be a public record and be open for personal inspection or copying by any person. In Florida 'public records" are defined as all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business by any agency. Section 119.011, F.S. A document is subject to personal inspection and copying unless it falls under one of the public records exemptions created under Florida law. Please designate what portion of your bid or proposal, if any, qualifies to be exempt from inspection and copying:

(Execute either section I. or II, but not both; bidder may not modify language)

I. NO EXEMPTION FROM PUBLIC RECORDS LAW

No part of the bid or proposal submitted is exempt from disclosure under the Florida public records law, Ch. 119, F.S.

Bidder's Signature: _____ Date: _____

OPTION 3

SBE Participation. I certify that our Company has contacted the Alachua County's Certified SBEs listed below. I state that the following information regarding SBE Subcontractors is true and correct to the best of my knowledge and belief.

Alachua County has adopted a 15% SBE participation goal and policies which encourage participation of Small Business Enterprises (SBE) in the provision of labor, time, supplies, services or construction items of any kind materials.

SBEs are located in the Alachua County Small Business Enterprise Directory.

Subcontractor (any business entity holding a subcontract with the prime vendor) services are defined as, "a contract with another business entity that obtains labor, time, supplies, services or construction items of any kind."

Vendors submitting bids under this solicitation are to identify the intended SBE subcontractors. These SBEs have agreed to perform the work for the total dollar value and percentage of the bid set forth below.

If SBE subcontractors are not utilized and listed below or if option 1 or 2 was not chosen, you must proceed to Option 4 and document your Good Faith Effort.

EXHIBIT F

DRUG FREE WORKPLACE

Florida Statute, Section 287.087 states that whenever two or more bids, proposals, or replies that are equal with respect to price, quality, and service are received by the state or by any political subdivision for the procurement of commodities or contractual services, a bid proposal, or reply received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process.

The undersigned vendor in accordance with §287.087, Florida Statute hereby certifies that

_____

Name of Business

Does:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).

4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.

5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

CONTRACTUAL SERVICES AGREEMENT NO. (#) WITH (COMPANY NAME) FOR (CONTRACT TITLES/SERVICES)

This Agreement is entered into on _____, between Alachua County, Florida, a political subdivision and Charter County of the State of Florida, by and through its Board of County Commissioners, hereinafter referred to as "County" and (Company Name), a (State) (Business Type) with a principle business address located at (Address) hereinafter referred to as "Contractor" (collectively hereinafter County and Contractor referred to as "Parties").

WITNESSETH

WHEREAS, the County issued Bid or RFP No. (#) seeking Contractors to furnish (Description), in Alachua County, Florida; and

WHEREAS, after evaluating and considering all timely responses to Bid or RFP No (#), the County identified the Contractor as the top ranked firm; and

WHEREAS, the County desires to employ the Contractor to provide the services described in Bid or RFP No. (#) and the Contractor desires to provide such services to the County in accordance with the terms and conditions set forth herein; and

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is acknowledged by the Parties, the Parties hereby agree as follows:

1. **Term**.

1.1. This Agreement is effective for (#) year(s) beginning (Date) and continuing through (Date) unless earlier terminated as provided herein. The County has the option of renewing this Agreement for (#) additional (#) year periods at the same terms and conditions outlined herein.

1.2. The County's performance and obligation to pay under this Agreement is contingent upon a specific annual appropriation by the Alachua County Board of County Commissioners ("Board"). The Parties hereto understand that this Agreement is not a commitment of future appropriations. Therefore, the continuation of this Agreement beyond the end of any fiscal year shall be subject to both the appropriation

and the availability of funds in accordance with Chapter 129, Florida Statutes, and that the failure of the Board to do so shall not constitute a breach or default of this Agreement.

2. **Duties of the Contractor**. The Contractor shall have and perform the following duties, obligations, and responsibilities to the County as provided in **Exhibit 1.**

3. **Representations and Warranties.** By executing this Agreement, the Contractor makes the following express representations and warranties:

3.1. The Contractor is a professional qualified to perform the services described.

3.2. The Contractor warrants all the work performed by the Contractor is adequate and sufficient to meet the requirements and accomplish the purposes of this Agreement.

3.3. The Contractor acknowledges that the County's review of the work performed in no way diminishes the Contractor's warranty pertaining to the work performed.

4. **Method of Payment**. For all services actually, timely and faithfully performed, the Contractor will be paid as follows:

4.1. The Contractor shall be paid a sum Not to Exceed $_____, for the initial term of this Agreement, allocated in the following manner:

4.2. As a condition precedent for any payment, the Contractor shall submit monthly, an invoice to the County requesting payment for services properly rendered and expenses due. The Contractor's invoice shall describe with reasonable particularity each service rendered, the date thereof, the time expended if such services were rendered pursuant to a fee and the person(s) rendering such service. The Contractor's invoice shall be accompanied by such documentation or data in support of expenses for which payment is sought as the County may require. Each invoice shall constitute the Contractor's representation to the County that the services indicated in the invoice have reached the level stated, have been properly and timely performed as required herein, that the expenses included in the invoice have been reasonably incurred in accordance with this Agreement, that all services provided have served a public purpose, that all obligations of the Contractor covered by prior invoices have been paid in full, and that the amount requested is currently due and owing, there being no reason known to the Contractor that payment of any portion thereof should be withheld. Submission of the Contractor's invoice for final payment shall further constitute the Contractor's representation to the County that, upon receipt by the Contractor of the

amount invoiced, all obligations of the Contractor to others, including its consultants, incurred in connection with the Project, will be paid in full. The Contractor shall submit invoices to the County at the following address:

Department Director

Alachua County (Department Name)

(Address)

Gainesville, FL (Zip Code)

(Department Email Address)

4.3. All applications for payment shall be processed and paid in accordance with the provisions of Chapter 218, Part VII Florida Statutes ("Local Government Prompt Payment Act"), and shall be remitted to:

(Contractor Name)

(Address)

(City, State, Zip Code)

(Email Address)

4.4. Except as otherwise authorized in Section 4.1, the County shall not pay or reimburse the Contractor for any expenses incurred by the Contractor to perform the Work.

OR

4.4. Reimbursable expenses will be paid by the County to the Contractor for the following services or costs outlined below. The Contractor will invoice for reimbursable services or costs on a monthly basis. Amounts invoiced for reimbursement shall include back-up documentation. Any reimbursement for travel expenses will be in accordance with §112.061, Florida Statutes

4.4.1. Expenses for travel when traveling in connection with the Project, based on §112.061(7) and (8), Florida Statutes, or their successor and with the prior approval of the County.

4.4.2. Fees paid for securing approval of authorities having jurisdiction over the Project.

4.4.3. Actual expense of reproductions, postage and handling of drawings and specifications.

4.4.4. If authorized in writing in advance by the County, the cost of other expenditures made by the Contractor in the interest of the Project provided such expenditures are in accordance with the Scope of Services and Work Order as approved by the County.

IF SERVICES PROVIDED BY CONRACTOR ARE EXEMPT UNDER THE ALACHUA COUNTY MINIMUM WAGE ORDINANCE, DELETE PARAGRAPH 5 BELOW

5. **Alachua County Minimum Wage:**

5.1. The Work performed through this Agreement is considered covered services under Chapter 22, Article 12, of the Alachua County Code of Ordinances ("Wage Ordinance"), which establishes a government minimum wage for certain contractors and subcontractors providing selected services to Alachua County government. "Covered Employees," as defined in Sec. 22.45 of the Wage Ordinance, are those employees directly involved in providing covered services pursuant to this Agreement.

5.2. The Contractor must provide certification, **Exhibit 4**, to the County that it pays each of its employees the Alachua County Government Minimum Wage, as well as ensuring that it will require the same of its subcontractors throughout the duration of this Agreement.

5.3. The Contractor shall prominently display a copy of the Wage Ordinance where it is easily seen by covered employees and supply to covered employees upon request. Additionally, the Contractor is responsible to make any person submitting a bid for a subcontract for covered services aware of the requirements.

5.4. Failure to comply with the provisions of the Wage Ordinance will be deemed a breach of contract and authorize the County to withhold payment of funds in accordance with Chapter 218, Florida Statues.

5.5. The Contractor will include the necessary provisions in subcontracts to ensure compliance. However, the County shall not be deemed a necessary, or indispensable, party in any litigation between the contractor and subcontractor.

6. **Duties of the County**. The County shall have and perform the duties, obligations, and responsibilities to the Contractor as provided in **Exhibit 2.**

7. **Personnel**. (OPTIONAL)

7.1. The Contractor will assign only qualified personnel to perform any service concerning this Agreement. At the time of execution of this Agreement, the parties anticipate the following parties will perform those

functions indicated:

NAME	**FUNCTION**
(list)	*(list)*

7.2. So long as the individuals named above remain actively employed or able to be retained by the Contractor, they shall perform the functions indicated next to their names. The (Department Representative Title) may authorize changes to this list in writing.

8. **Notice**. Except as otherwise provided in this Agreement, all notices to be provided under this Agreement from either party to the other party must be by one of the following methods: (i) in writing and sent by certified mail, return receipt requested, (ii) by personal delivery with receipt, or (iii) via electronic mail. All notices shall be deemed two (2) business days after mailing, unless deliver is by personal deliver in which case delivery shall be deemed to occur upon actual receipt by the other party. For purposes of all notices, Contractor's and County's representatives are:

County:

Department Director

Alachua County (Department Name)

(Address)

Gainesville, FL (Zip Code)

(Department Email Address)

Contractor:

(Contractor Name)

(Address)

(City, State, Zip Code)

(Email Address)

A copy of any notice, request or approval to the County must also be sent to:

J.K. "Jess" Irby, Esq.

Clerk of the Court

9. **Default and Termination.**

9.1. The failure of the Contractor to comply with any provision of this Agreement will place the Contractor in default. Prior to terminating this Agreement, the County will notify the Contractor in writing. This notification will make specific reference to the provision which gave rise to the default. The County will give the Contractor seven (7) days to cure the default. The _____ is authorized to provide written notice of default on behalf of the County, and if the default situation is not corrected within the allotted time the _____ is authorized to provide final termination notice on behalf of the County to the Contractor.

9.2. The County may also terminate this Agreement without cause by providing written notice to the Contractor (hereinafter, "Termination for Convenience"). The County Manager is authorized to provide written notice of Termination for Convenience on behalf of the County. Upon such notice, Contractor will immediately discontinue all Work affected (unless the notice directs otherwise) and deliver to the County all data, drawings, specifications, reports, estimate, summaries, and such other information and materials as may have been accumulated by the Contractor in performing this Agreement, whether completed or in process. In the event of such Termination for Convenience, Contractor's recovery against County shall be limited to that portion of the Annual Contract Price earned through the date of

termination, but Contractor shall not be entitled to any other or further recovery against County, including, but not limited to, damages, consequential or special damages, or any anticipated fees or profit on portions of the Work not performed.

9.3. If funds to finance this Agreement become unavailable, the County may terminate this Agreement with no less than twenty-four (24) hours' notice in writing to the Contractor. The County will be the final authority as to the availability of funds. The County will pay the Contractor for all Work completed prior to delivery of notice of termination. In the event of such Termination, Contractor's recovery against County shall be limited to that portion of the Annual Contract Price earned through the date of termination, but Contractor shall not be entitled to any other or further recovery against County, including, but not limited to, damages, consequential or special damages, or any anticipated fees or profit on portions of the Work not performed.

10. **Project Records.**

10.1. **General Provisions:**

10.1.1. Any document submitted to the County may be a public record and is open for inspection or copying by any person or entity. "Public records" are defined as all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business by any agency per §119.011(12), Florida Statutes. Any document is subject to inspection and copying unless exempted under Chapter 119, Florida Statutes, or as otherwise provided by law.

10.1.2. In accordance with §119.0701, Florida Statutes, the Contractor (referred hereinafter in all of the "Project Records" section collectively as "Contractor"), *when acting on behalf of the County*, as provided under §119.011(2), Florida Statues, shall keep and maintain public records as required by law and retain them as provided by the General Record Schedule established by the Department of State. Upon request from the County's custodian of public records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time unless exempted under Chapter 119, Florida Statutes, or as otherwise provided by law. Additionally, the Contractor shall provide the public records at a cost that does not exceed the cost provided in this chapter or as otherwise provided by law.

10.1.3. Contractor shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of this Agreement and following completion of this Agreement if the Contractor does not transfer the records to the County.

10.2. **Confidential Information:**

10.2.1. During the term of this Agreement or license, the Contractor may claim that some or all of Contractor's information, including, but not limited to, software documentation, manuals, written methodologies and processes, pricing, discounts, or other considerations (hereafter collectively referred to as "Confidential Information"), is, or has been treated as confidential and proprietary by Contractor in accordance with §812.081, Florida Statutes, or other law, and is exempt from disclosure under the Public Record Act. Contractor shall clearly identify and mark Confidential Information as "Confidential Information" or "CI" and the County shall use reasonable efforts to maintain the confidentiality of the information properly identified by the Contractor as "Confidential Information" or "CI."

10.2.2. The County shall promptly notify the Contractor in writing of any request received by the County for disclosure of Contractor's Confidential Information and the Contractor may assert any exemption from disclosure available under applicable law or seek a protective order against disclosure from a court of competent jurisdiction. Contractor shall protect, defend, indemnify, and hold the County, its officers, employees and agents free and harmless from and against any claims or judgments arising out of a request for disclosure of Confidential Information. Contractor shall investigate, handle, respond to, and defend, using counsel chosen by the County, at Contractor's sole cost and expense, any such claim, even if any such claim is groundless, false, or fraudulent. Contractor shall pay for all costs and expenses related to such claim, including, but not limited to, payment of attorney fees, court costs, and expert witness fees and expenses. Upon completion of this Agreement or license, the provisions of this paragraph shall continue to survive. Contractor releases County from claims or damages related to disclosure by County.

10.3. **Project Completion:** Upon completion of, or in the event this Agreement is terminated, the Contractor, *when acting on behalf of the County* as provided under §119.011(2), Florida Statues, shall transfer, at no cost, to the County all public records in possession of the Contractor or keep and maintain public records required by the County to perform the service. If the Contractor transfers all public records to the County upon completion or termination of this Agreement, it must destroy any duplicate public

records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon the completion or termination of this Agreement all applicable requirements for retaining public records shall be met. All records stored electronically shall be provided to the County, upon request from the Counties custodian of public records, in a format that is compatible with the information technology systems of the County.

10.4. **Compliance:** A Contractor who fails to provide the public records to the County within a reasonable time may be subject to penalties under §119.10, Florida Statues.

IF THE CONTRACTOR HAS QUESTIONS REGUARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE COUNTY REPRESENTATIVE AT E-MAIL: publicrecordsrequest@alachuacounty.us**; PHONE: (352) 384-3132; ADDRESS: 12 SE 1ST STREET, GAINESVILLE, FL 32601**

11. **Insurance**. The Contractor will procure and maintain insurance throughout the entire term of this Agreement of the types and in the minimum amounts detailed in **Exhibit 3.** A current Certificate of Insurance showing coverage of the types and in the amounts required is attached hereto as **Exhibit 3-A.**

12. **Permits**. The Contractor will obtain and pay for all necessary permits, permit application fees, licenses, or any fees required.

13. **Laws & Regulations**. The Contractor will comply with all laws, ordinances, regulations, and building code requirements applicable to the work required by this Agreement. The Contractor is presumed to be familiar with all state and local laws, ordinances, code rules and regulations that may in any way affect the work outlined in this Agreement. If the Contractor is not familiar with state and local laws, ordinances, code rules and regulations, the Contractor remains liable for any violation and all subsequent damages or fines.

14. **Indemnification**.

14.1. To the maximum extent permitted by Florida law, the Contractor shall indemnify and hold harmless the County and its officers and employees from any and all liabilities, damages, losses and costs, including, but not limited to, reasonable attorneys' fees, caused by the negligence, recklessness, or intentional wrongful misconduct of the Contractor or anyone employed or utilized by the Contractor in the performance of this Agreement. Contractor agrees that indemnification of the County shall extend to any and all Work performed by the Contractor, its subcontractors, employees, agents, servants or assigns.

14.2. The Contractor's obligation to indemnify under this Article will survive the expiration or earlier termination of this Agreement until it is determined by final judgment that an action against the County or an indemnified party for the matter indemnified hereunder is fully and finally barred by the applicable statute of limitations.

14.3. This obligation shall in no way be limited in any nature whatsoever by any limitation on the amount or type of Contractor insurance coverage. This indemnification provision shall survive the termination of this Agreement between the County and the Contractor.

14.4. In any and all claims against the County or any of its agents or employees by any employee of the Contractor, any Subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the indemnification obligation under this Article shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor or any Subcontractor under workers' compensation acts, disability benefit acts or employee benefit acts.

14.5. Nothing contained herein shall constitute a waiver by the County of sovereign immunity or the provisions or limits of liability of §768.28, Florida Statutes.

15. **Assignment of Interest**. The Contractor and County recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by the County. Therefore, the Contractor hereby assigns to the County any and all claims for such overcharges as to goods, material or services purchased in connection with this Agreement. However, for all other assignments, neither party will assign, convey, pledge, sublet, transfer or otherwise dispose any interest in this Agreement and shall not transfer any interest in same without prior written consent of the other party.

16. **Successors and Assigns**. The County and Contractor each bind the other and their respective successors and assigns in all respects to all of the terms, conditions, covenants, and provisions of this Agreement.

17. **Independent Contractor.** In the performance of this Agreement, the Contractor is acting in the capacity of an independent contractor and not as an agent, employee, partner, joint venturer, or associate of the County. The Contractor is solely responsible for the means, method, technique, sequence, and procedure utilized by the Contractor in the full performance of this Agreement.

ALTERNATE: IF CONTRACTOR IS NOT COVERED BY WORKERS COMPENSATION

In the performance of this Agreement, Contractor will be acting in the capacity of an independent contractor and not as an agent, employee, partner, joint venturer, or associate of the County. Contractor is solely responsible for the means, method, techniques, sequence, and procedure utilized by Contractor in the full performance of this Agreement. Neither Contractor nor any of its employees, officers, agents or any other individual directed to act on behalf of Contractor for any act related to this Agreement shall represent, act, or purport to act, or be deemed to be the agent, representative, employee or servant of the County. For Independent Contractors outside the construction industry with fewer than four employees choosing not to secure worker's compensation coverage under the Florida Worker's Compensation Act, the Independent Contractor outside the construction industry verifies that it has posted clear written notice in a conspicuous location accessible to all employees, telling employees and others of their lack of entitlement to worker's compensation benefits. Policies and decisions of Contractor, which may be represented by Contractor in performance of this Agreement, shall not be construed to be the policies or decision of the County.

18. **Collusion**. By signing this Agreement, the Contractor declares that this Agreement is made without any previous understanding, agreement, or connections with any persons, contractors, or corporations and that this Agreement is fair and made in good faith without any outside control, collusion, or fraud.

19. **Conflict of Interest**. The Contractor warrants that neither it nor any of its employees have any financial or personal interest that conflicts with the execution of this Agreement. The Contractor shall notify the County of any conflict of interest due to any other clients, contracts, or property interests.

20. **Third Party Beneficiaries**. This Agreement does not create any relationship with, or any rights in favor of, any third party.

21. **Severability and Ambiguity.** It is understood and agreed by the Parties to this Agreement that if any of the provisions of this Agreement shall contravene, or be invalid under the laws of the State of Florida, such contravention or invalidity shall not invalidate the entire Agreement, but it shall be construed as if not containing the particular provision or provisions held to be invalid, and the rights and obligations of the Parties shall be construed and enforced accordingly. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if jointly drafted by the Parties and no presumption, inference, or burden of proof shall arise favoring or disfavoring a Party by virtue or authorship of any or all of this Agreement's provisions. Each Party represents and agrees that it has had the opportunity to seek the advice of appropriate professions, including legal professionals, in the review and execution of this Agreement.

22. **Non Waiver.** The failure of any party to exercise any right in this Agreement shall not be considered a waiver

of such right.

23. **Governing Law and Venue**. This Agreement is governed in accordance with the laws of the State of Florida. Venue shall be in Alachua County.

24. **Attachments**. All exhibits attached to this Agreement are incorporated into and made part of this Agreement by reference.

25. **Amendments**. The parties may amend this Agreement only by mutual written agreement of the parties.

26. **Captions and Section Headings**. Captions and section headings used herein are for convenience only and shall not be used in construing this Agreement.

27. **Construction**. This Agreement shall not be construed more strictly against one party than against the other merely by virtue of the fact that it may have been prepared by one of the parties. It is recognized that both parties have substantially contributed to the preparation of this Agreement.

28. **Counterparts**. This Agreement may be executed in any number of and by the different parties hereto on separate counterparts, each of which when so executed shall be deemed to be an original, and such counterparts shall together constitute but one and the same instrument. Receipt via fax or email with pdf attachment by a party or its designated legal counsel of an executed counterpart of this Amendment shall constitute valid and sufficient delivery in order to complete execution and delivery of this Amendment and bind the parties to the terms hereof.

29. **Entire Agreement**. This Agreement constitutes the entire agreement and supersedes all prior written or oral agreements, understandings, or representations.

30. **Electronic Signatures**. The Parties agree that an electronic version of this Agreement shall have the same legal effect and enforceability as a paper version. The Parties further agree that this Agreement, regardless of whether in electronic or paper form, may be executed by use of electronic signatures. Electronic signatures shall have the same legal effect and enforceability as manually written signatures. The County shall determine the means and methods by which electronic signatures may be used to execute this Agreement and shall provide the Contractor with instructions on how to use said method. Delivery of this Agreement or any other document contemplated hereby bearing an manually written or electronic signature by facsimile transmission (whether directly from one facsimile device to another by means of a dial-up connection or whether mediated by the worldwide web), by electronic mail in "portable document format" (".pdf") form, or by any other

electronic means intended to preserve the original graphic and pictorial appearance of a document, will have the same effect as physical delivery of the paper document bearing an original or electronic signature.

31. **U.S. Department of Homeland Security E-Verify System.**

31.1. The Contractor shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the Contractor during the term of this Agreement. The E-Verify system is located at https://www.uscis.gov/E-Verify.

31.2. The Contractor shall expressly require any subcontractors performing work or providing services pursuant to the County's Agreement to utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the term of this Agreement. The E-Verify system is located at https://www.uscis.gov/E-Verify.

REMAINDER OF THE PAGE LEFT INTENTIONALLY BLANK

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed for the uses and purposes therein expressed on the day and year first above-written.

RE: Addendum #1
BID 22-25 Annual Building, Lawn and Grounds Pest Control Services

Dear Sir/Madam:

Please be aware of the following clarifications regarding the above referenced Bid:

QUESTIONS & ANSWERS

Q1. Can we get the previous bid tabulation/current pricing for this contract?
A1. Please see the attached Bid Tab16-25 Annual Building, Lawn and Grounds Pest Control Services BT. The current contract price is $28,250.72

Q2. Does the scope include fertilization and selective weed control in turf areas?
A2. Fertilization is not requested, weed control will be conducted by landscaping and lawn maintenance contractor.

Q3. Does the vegetation management scope include selective or non-selective weed control in ornamental plant beds?
A3. Weed control in mulch beds will be conducted by landscaping and lawn maintenance contractor.

Q4. Does the ornamental treatments include fertilization and disease control?
A4. Fertilizer is not requested; disease control inspection and treatment should be in accordance with 22.5 Inspection and Service Schedule on page 21.

NOTE: You should acknowledge receipt of this addendum on your Bid Form.

(Insert Name of Corporation)

CORPORATE RESOLUTION

GRANTING SIGNING AUTHORITY AND AUTHORITY TO CONDUCT BUSINESS

The Board of Directors ("Directors") of Rentokil North America, Inc. DBA Flordia Pest Control, a

(insert name of company)

Pennsylvania corporation (the "Corporation"), at a duly and properly

(insert state of incorporation)

held meeting on the 22 day of June, 2021, did hereby consent to, adopt, ratify, confirm and approve the following recitals and resolutions:

WHEREAS, the Corporation is a duly formed, validly existing corporation in good standing under the laws of the State of Pennsylvania and is authorized to do business in the State of Florida; and

WHEREAS, the Corporation desires to grant certain persons the authority to execute and enter into contracts and conduct business on behalf of the Corporation.

NOW, THEREFORE, BE IT RESOLVED, that any of the following officers and employees of the Corporation listed below are hereby authorized and empowered, acting along, to sign, execute and deliver any and all contracts and documents on behalf of the Corporation, and to do and take such other actions, including but not limited to the approval and execution of contracts, purchase orders, amendments, change orders, invoices, and applications for payment, as in his or her judgment may be necessary, appropriate or desirable, in connection with or related to any bids, proposals, or contracts to, for or with to Alachua County, a charter county and political subdivision of the State of Florida:

NAME	TITLE
Alan Robison	Division Manager
Darren Swearingen	Division Manager
Bill Bosko	District manager

BE IT RESOLVED THAT, these resolutions shall continue in full force and effect, and may be relied upon by Alachua County, until express written notice of their rescission or modification has been received by the Procurement Manager of Alachua County. Any revocation, modification or replacement of these resolutions must be accompanied by documentation satisfactory to the Procurement Manager of Alachua County, establishing the authority for the changes.

IN WITNESS WHEREOF, I have executed my name as Secretary and have hereunto affixed the corporate seal of the above-named Corporation this 22 day of June, 2021, and do hereby certify that the foregoing is a true record of a resolution duly adopted at a meeting of the Board of Directors of the Corporation and that said meeting was held in accordance with state law and the Bylaws of the Corporation, and that the resolution is now in full force and effect without modification or rescission.

EXHIBIT C

PUBLIC RECORD DECLARATION OR CLAIM OF EXEMPTION

As a bidder or proposer, any document you submit to Alachua County may be a public record and be open for personal inspection or copying by any person. In Florida 'public records" are defined as all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business by any agency. Section 119.011, F.S. A document is subject to personal inspection and copying unless it falls under one of the public records exemptions created under Florida law. Please designate what portion of your bid or proposal, if any, qualifies to be exempt from inspection and copying:

(Execute either section I. or II, but not both; bidder may not modify language)

I. NO EXEMPTION FROM PUBLIC RECORDS LAW

No part of the bid or proposal submitted is exempt from disclosure under the Florida public records law, Ch. 119, F.S.

Bidder's Signature: WAB Date: 6/21/2021

- - - OR - - -

II. EXEMPTION FROM PUBLIC RECORDS LAW AND AGREEMENT TO INDEMNIFY AND DEFEND ALACHUA COUNTY

The following parts of the bid or proposal submitted are exempt from disclosure under the Florida public records law because: (list exempt parts and legal justification. i.e. trade secret):

_____

_____

By claiming that all or part of the bid or proposal is exempt from the public records law, the undersigned bidder or proposer agrees to protect, defend, indemnify and hold the County, its officers, employees and agents free and harmless from and against any and all claims arising out of a request to inspector copy the bid or proposal. The undersigned bidder or proposer agrees to investigate, handle, respond to, provide defense (including payment of attorney fees, court costs, and expert witness fees and expenses up to and including any appeal) for and defend any such claim at its sole cost and expense through counsel chosen by the County and agrees to bear all other costs and expenses related thereto, even if they (claims, etc.) are groundless, false, or fraudulent.

Bidder's Signature: _____ Date: _____

Small Business Enterprise (SBE) Program Participation Form

BID NUMBER: 22-25 Annual Building, Lawn and Grounds Pest Control Services

OPTION 1

I certify that our Company is an Alachua County Certified Small Business Enterprise (SBE) registered prior to the Bid opening.

Circle One:

Yes (If yes, complete and sign the last page of this Exhibit)

No (If No, proceed to Option 2).

OPTION 2

I certify that our Company will perform ALL work and that no subcontractors will be utilized for this bid.

Circle One:

Yes (If yes, complete and sign the last page of this Exhibit)

No (If No, proceed to Option 3.)

EXHIBIT D

BID NUMBER: 22-25 Annual Building, Lawn and Grounds Pest Control Services NOT Applicable

OPTION 3

SBE Participation. I certify that our Company has contacted the Alachua County's Certified SBEs listed below. I state that the following information regarding SBE Subcontractors is true and correct to the best of my knowledge and belief.

Alachua County has adopted a 15% SBE participation goal and policies which encourage participation of Small Business Enterprises (SBE) in the provision of labor, time, supplies, services or construction items of any kind materials.

SBEs are located in the Alachua County Small Business Enterprise Directory.

Subcontractor (any business entity holding a subcontract with the prime vendor) services are defined as, "a contract with another business entity that obtains labor, time, supplies, services or construction items of any kind."

Vendors submitting bids under this solicitation are to identify the intended SBE subcontractors. These SBEs have agreed to perform the work for the total dollar value and percentage of the bid set forth below.

If SBE subcontractors are not utilized and listed below or if option 1 or 2 was not chosen, you must proceed to Option 4 and document your Good Faith Effort.

EXHIBIT F

DRUG FREE WORKPLACE

Florida Statute, Section 287.087 states that whenever two or more bids, proposals, or replies that are equal with respect to price, quality, and service are received by the state or by any political subdivision for the procurement of commodities or contractual services, a bid proposal, or reply received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process.

The undersigned vendor in accordance with §287.087, Florida Statute hereby certifies that

Rentokil North America
DBA Florida Pest Control

Name of Business

Does:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).

4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.

5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

EXHIBIT J

TYPE "C" -INSURANCE REQUIREMENTS

Pollution and Hazardous Waste

Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the contractor, his agents, representatives, employees or subcontractors.

I. **COMMERCIAL GENERAL LIABILITY.**

Coverage must be afforded under a per occurrence form policy for limits not less than $1,000,000 General Aggregate, $1,000,0000 Products / Completed Operations Aggregate, $1,000,000 Personal and Advertising Injury Liability, $1,000,000 each Occurrence, $50,000 Fire Damage Liability and $5,000 Medical Expense.

II. **AUTOMOBILE LIABILITY.**

Coverage must be afforded including coverage for all Owned vehicles, Hired and Non-Owned vehicles for Bodily Injury and Property Damage of not less than $1,000,000 combined single limit each accident.

III. **WORKERS COMPENSATION AND EMPLOYER'S LIABILITY.**

A Coverage to apply for all employees at STATUTORY Limits in compliance with applicable state and federal laws; if any operations are to be undertaken on or about navigable waters, coverage must be included for the USA Longshoremen & Harbor Workers Act.

B Employer's Liability limits for not less then $100,000 each accident; $500,000 disease policy limit and $100,000 disease each employee must be included.

IV. **POLLUTION LIABILITY.**

A Pollution Liability must be afforded for Bodily Injury and Property Damage of not less than $1,000,000 each claim.

B When this contract includes the pick-up, transportation or disposal of hazardous wastes as governed under title 40 or 49 of the Code of Federal Regulations, the transporter's Automobile Insurance shall be endorsed to included the ICC Form MSC90 (Motor Carrier Act of 1980) and the ISO Form CA 9948 (Pollution Liability-Broadened Coverage for Covered Autos-Business Autos and Truckers coverage Forms)

V. **OTHER INSURANCE PROVISIONS** The policies are to contain, or be endorsed to contain, the following provisions:

A Commercial General Liability and Automobile Liability Coverages

1 The Alachua County Board of County Commissioners, its officials, employees and volunteers are to be covered as an Additional Insured as respects: Liability arising out of activities performed by or on behalf of the Contractor; products and completed operations of the Contractor; or automobiles owned, leased, hired or borrowed by the Contractor.

2 The Contractor's insurance coverage shall be considered primary insurance as respects the County, its officials, employees and volunteers. Any insurance or self-insurance maintained by the County, its officials, employees or volunteers shall be excess of Contractor's insurance and shall be non-contributory.

B All Coverages

1 The Contractor shall provide a Certificate of Insurance to the County with a Thirty (30) day notice of cancellation. The certificate shall indicate if cover is provided under a "claims made" or "per occurrence" form. If any cover is provided under a claims made form the certificate will show a retroactive date, which should be the same date of the contract (original if contact is renewed) or prior.

VI. SUBCONTRACTORS

Contractors shall include all subcontractors as insured under its policies. All subcontractors shall be subject to the requirements stated herein.

Form **W-9**
(Rev. October 2018)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

▶ Go to *www.irs.gov/FormW9* for instructions and the latest information.

Give Form to the requester. Do not send to the IRS.

Print or type. See Specific Instructions on page 3.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.
Rentokil North America, Inc.

2 Business name/disregarded entity name, if different from above
Florida Pest Control

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only one of the following seven boxes.

☐ Individual/sole proprietor or single-member LLC ☑ C Corporation ☐ S Corporation ☐ Partnership ☐ Trust/estate

☐ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ▶ _____

Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is not disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

☐ Other (see instructions) ▶

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) _____

Exemption from FATCA reporting code (if any) _____

(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.
116 NW 16th Avenue

Requester's name and address (optional)

6 City, state, and ZIP code
Gainesville, FL 32601

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN, later.*

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number
[ ][ ][ ] – [ ][ ] – [ ][ ][ ][ ]

or

Employer identification number
2 3 – 1 5 6 8 3 5 0

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here Signature of U.S. person ▶ Kelly Carey Date ▶ 4/28/2021

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9.*

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

Acknowledge Receipt of Addendum(s) (if applicable circle):

Cook's Pest Control, Inc.

CORPORATE RESOLUTION

GRANTING SIGNING AUTHORITY AND AUTHORITY TO CONDUCT BUSINESS

The Board of Directors ("Directors") of Cook's Pest Control, Inc., an Alabama corporation (the "Corporation"), at a duly and properly Cook's Pest Control, Inc., held meeting on the 22nd day of June, 2021, did hereby consent to, adopt, ratify, confirm and approve the following recitals and resolutions:

WHEREAS, the Corporation is a duly formed, validly existing corporation in good standing under the laws of the State of Alabama and is authorized to do business in the State of Florida; and

WHEREAS, the Corporation desires to grant certain persons the authority to execute and enter into contracts and conduct business on behalf of the Corporation.

NOW, THEREFORE, BE IT RESOLVED, that any of the following officers and employees of the Corporation listed below are hereby authorized and empowered, acting along, to sign, execute and deliver any and all contracts and documents on behalf of the Corporation, and to do and take such other actions, including but not limited to the approval and execution of contracts, purchase orders, amendments, change orders, invoices, and applications for payment, as in his or her judgment may be necessary, appropriate or desirable, in connection with or related to any bids, proposals, or contracts to, for or with to Alachua County, a charter county and political subdivision of the State of Florida:

NAME	TITLE
Joey Harris	Executive Vice President

BE IT RESOLVED THAT, these resolutions shall continue in full force and effect, and may be relied upon by Alachua County, until express written notice of their rescission or modification has been received by the Procurement Manager of Alachua County. Any revocation, modification or replacement of these resolutions must be accompanied by documentation satisfactory to the Procurement Manager of Alachua County, establishing the authority for the changes.

IN WITNESS WHEREOF, I have executed my name as Secretary and have hereunto affixed the corporate seal of the above-named Corporation this 22nd day of June, 2021, and do hereby certify that the foregoing is a true record of a resolution duly adopted at a meeting of the Board of Directors of the Corporation and that said meeting was held in accordance with state law and the Bylaws of the Corporation, and that the resolution is now in full force and effect without modification or rescission.

(Corporate Seal) Secretary of the Corporation

Lyn Cook

EXHIBIT C

PUBLIC RECORD DECLARATION OR CLAIM OF EXEMPTION

As a bidder or proposer, any document you submit to Alachua County may be a public record and be open for personal inspection or copying by any person. In Florida 'public records" are defined as all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business by any agency. Section 119.011, F.S. A document is subject to personal inspection and copying unless it falls under one of the public records exemptions created under Florida law. Please designate what portion of your bid or proposal, if any, qualifies to be exempt from inspection and copying:

(Execute either section I. or II, but not both; bidder may not modify language)

I. NO EXEMPTION FROM PUBLIC RECORDS LAW

No part of the bid or proposal submitted is exempt from disclosure under the Florida public records law, Ch. 119, F.S.

Bidder's Signature: _____ Date: June 21, 2021

- - - OR - - -

II. EXEMPTION FROM PUBLIC RECORDS LAW AND AGREEMENT TO INDEMNIFY AND DEFEND ALACHUA COUNTY

The following parts of the bid or proposal submitted are exempt from disclosure under the Florida public records law because: (list exempt parts and legal justification. i.e. trade secret):

_____

_____

By claiming that all or part of the bid or proposal is exempt from the public records law, the undersigned bidder or proposer agrees to protect, defend, indemnify and hold the County, its officers, employees and agents free and harmless from and against any and all claims arising out of a request to inspector copy the bid or proposal. The undersigned bidder or proposer agrees to investigate, handle, respond to, provide defense (including payment of attorney fees, court costs, and expert witness fees and expenses up to and including any appeal) for and defend any such claim at its sole cost and expense through counsel chosen by the County and agrees to bear all other costs and expenses related thereto, even if they (claims, etc.) are groundless, false, or fraudulent.

Bidder's Signature: _____ Date: June 21, 2021

EXHIBIT D

Small Business Enterprise (SBE) Program Participation Form

BID NUMBER: 22-25 Annual Building, Lawn and Grounds Pest Control Services

OPTION 1

I certify that our Company is an Alachua County Certified Small Business Enterprise (SBE) registered prior to the Bid opening.

Circle One:

Yes (If yes, complete and sign the last page of this Exhibit)

No (If No, proceed to Option 2).

OPTION 2

I certify that our Company will perform ALL work and that no subcontractors will be utilized for this bid.

Circle One:

Yes (If yes, complete and sign the last page of this Exhibit)

No (If No, proceed to Option 3.)

EXHIBIT D

BID NUMBER: 22-25 Annual Building, Lawn and Grounds Pest Control Services

OPTION 3

SBE Participation. I certify that our Company has contacted the Alachua County's Certified SBEs listed below. I state that the following information regarding SBE Subcontractors is true and correct to the best of my knowledge and belief.

Alachua County has adopted a 15% SBE participation goal and policies which encourage participation of Small Business Enterprises (SBE) in the provision of labor, time, supplies, services or construction items of any kind materials.

SBEs are located in the Alachua County Small Business Enterprise Directory.

Subcontractor (any business entity holding a subcontract with the prime vendor) services are defined as, "a contract with another business entity that obtains labor, time, supplies, services or construction items of any kind."

Vendors submitting bids under this solicitation are to identify the intended SBE subcontractors. These SBEs have agreed to perform the work for the total dollar value and percentage of the bid set forth below.

If SBE subcontractors are not utilized and listed below or if option 1 or 2 was not chosen, you must proceed to Option 4 and document your Good Faith Effort.

EXHIBIT F

DRUG FREE WORKPLACE

Florida Statute, Section 287.087 states that whenever two or more bids, proposals, or replies that are equal with respect to price, quality, and service are received by the state or by any political subdivision for the procurement of commodities or contractual services, a bid proposal, or reply received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process.

The undersigned vendor in accordance with §287.087, Florida Statute hereby certifies that

Cook's Pest Control, Inc.

Name of Business

Does:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.

2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.

3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).

4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.

5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.

6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

Gainesville, FL 32601

RE: Bid # 22-25 - Pest Control Services
Due: 6/23/21 by 2:00 P.M.

Dear Ms. Boykin:

You have many options in pest control and we're grateful for the opportunity to present Cook's. Our 93-year-old company is built on trust and customer satisfaction. Though we are located regionally in the Southeast, our commitment to customer service makes us the 7th largest pest control company in North America, a testimony that people are confident in our service.

We look forward to presenting the specifics that make Cook's stand out among pest control companies.

We hope we may have the opportunity to service Alachua County in the near future. We look forward to hearing from you.

Sincerely,

Jerry Baker
Vice President of Sales
Cook's Pest Control, Inc.

INTRODUCTION TO COOK'S

COOK'S PEST CONTROL

Cook's Pest Control – a family-owned company founded in 1928. As the 7th largest pest control company in the United States, Cook's services more than 340,000 customers from 38 local district offices in Alabama, Tennessee, Florida, Georgia and Mississippi. Our S Corporation's headquarters is located at 1741 5th Ave SE, Decatur, Alabama 35601.

Our Valdosta district, located at 823 Gil Harbin Industrial Blvd, Valdosta, GA 31601, will be Alachua County's local branch office. The Valdosta branch will service all locations listed in the bid and will handle all call-backs related to the account. Alachua County's point of contact for pricing is Antwan Davis and for service, Matt McCrary. Both individuals can be reached at 229-244-4687.

Cook's sales and service personnel undergo drug screening, motor vehicle, and personal background checks. Each completes Cook's extensive training program which includes specialized instruction for all facets of pest control including computer and personalized classroom and hands-on instruction at our Corporate training center.

Our 110% money-back satisfaction guarantee ensures both residential and commercial customers receive the highest quality service. Cook's Customer Care Center monitors service performance to ensure proper care for each customer.

Cook's is recognized nationwide for its honesty and dependability. In fact, the company is a recipient of the Better Business Bureaus' National Torch Award for Marketplace Ethics. Cook's attributes its success to quality service, genuine concern for all people, and ethical performance in all phases of business.

EXECUTIVE

SUMMARY

Alachua County wants to focus on greater productivity - not pests! That's our job. These are the areas that we perceive are areas of concern for you and how we can help.

COOK'S PEST CONTROL

THE ISSUES YOU FACE AND SOLUTIONS YOU EXPECT

COOK'S PEST CONTROL

COMPETENCE

ISSUE:

You need a pest management provider capable of handling not only common pest problems but also those beyond the expertise of most other companies.

SOLUTION:

Having partnered with thousands of businesses since 1928, Cook's Pest Control has the experience to address your pest problems. Technicians receive thorough training in the classroom and on the job. Quality control is managed by the Corporate Office. Corporate entomologists are available to provide direction and assistance.

COMMUNICATION & DOCUMENTATION

ISSUE:

Poor communication and documentation can result in sub-standard service, poor ratings in regulatory inspections, bad publicity, and possible litigation. In addition, you are unable to determine the value of your service.

SOLUTION:

Good communication from your pest control company to management is critical. We document services performed and materials used to provide information about current pest concerns, sanitation issues, and structural deficiencies. This gives you the ability to manage your program at your convenience and relay any concerns to us. In addition, proper documentation may be requested upon regulatory inspections.

IMAGE

ISSUE:

Unsightly spider webbing, conspicuous insect traps, and unwanted pests and rodents can discourage repeat business and create an adverse work setting.

SOLUTION:

According to the Scope of Service found in the following pages, Cook's provides a customized pest program, resulting in a positive image that fosters a pleasant environment for all.

SECURITY

ISSUE:

Uncontrolled access may jeopardize the safety of your customers and employees. You need to be able to identify and trust the technicians who arrive to service your facility.

SOLUTION:

Cook's services are performed by screened and tested professionals, who are easily identified through marked vehicles, uniforms, and picture IDs.

BILLING

ISSUE:

Individual billing on multiple locations leads to frustration, confusion, and possible overpayment. It also increases payroll costs associated with organizing multiple invoices.

SOLUTION:

Cook's provides customized billing to meet a wide range of customer needs.

TRAINING

ISSUE:

An untrained pest control technician is a liability to your business. Your company wants the assurance that the service technician has received specialized technical training pertaining to your specific needs.

SOLUTION:

Cook's provides comprehensive and ongoing training. Our technicians focus solely on commercial pest control, to ensure service quality. They have completed specialized commercial training courses to uniquely qualify them for providing the service you need. In addition, Cook's technicians are licensed and/or certified in the area in which they serve.

AFTER-HOURS ACCESSIBILITY

ISSUE:

A pest management company that is not available when needed leaves you vulnerable to health and safety issues. You must be able to reach someone in case of an emergency. As concerns occur, they must be communicated, responded to immediately, and rectified promptly.

SOLUTION:

Cook's Customer Care Center allows you the ability to contact us with a toll-free number after hours and on Saturdays. In addition, you may reach us at wecare@cookspest.com.

ADDITIONAL SERVICE REQUESTS

ISSUE:

When special needs arise, you need a prompt response from your pest control company. This assures that the problem does not spread into other areas of the facility.

SOLUTION:

Cook's responds promptly should a special need arise.

WHAT COOK'S

OFFERS

Cook’s specializes in Integrated Pest Management (IPM), which is the science of using multiple control techniques to effectively manage pest problems. These techniques in the commercial setting include sanitation, mechanical control, and prescription treatment applications.

COOK’S PEST CONTROL

PRODUCTS & SERVICES

SANITATION

Cook's advises on sanitation practices to remove food and water sources required for pest survival.

- In some situations, sanitation alone may be an effective control strategy.
- In other instances, sanitation may have very little effect on reducing pest numbers.

Sanitation does, however, enhance other control strategies in a noticeable way.

MECHANICAL CONTROL

A significant part of an overall pest control program is preventing pest entry into structures and destroying pest harborage areas. Mechanical control methods may involve:

- Sealing pest entry points.
- Using insect monitoring traps or insect attracting light traps.
- Mechanical control procedures are used to supplement other control strategies.

PRESCRIPTION TREATMENT

Precision application yields the most effective pest control results. Cook's uses specially formulated products, which are designed to be applied for the most effective control of structural pests.

- Materials are applied directly into insect and pest harborage areas where pests spend the majority of their time.
- We inject small doses of concentrated products into structural cracks, crevices and other voids, taking advantage of the weak links in the pest's life cycle.
- The selection of products is based on the area of treatment and the target pest. This technique, part of an integrated system of pest management, results in superior service and results.

QUALITY ASSURANCE PROGRAM

- Cook's has a Quality Assurance system in place that we can customize to meet the needs of your business.
- This may include on-site visits by local management and in some instances Corporate Quality Assurance staff.

This monitoring program is another way to ensure that your pest problems are being handled effectively.

SCOPE OF SERVICE

Cook's Pest Control, Inc. will honor
Part C - Technical Specifications within Alachua County's
Bid # 22-25 with the following exclusions.

1. 20.3/20.3.6 Fire ant service further than 10 feet from the perimeter of the building is excluded.
2. 20.3/20.3.1 Brown recluse spider service is excluded.
3. 20.3/20.3.13 Snakes (Cook's does not provide wildlife removal)

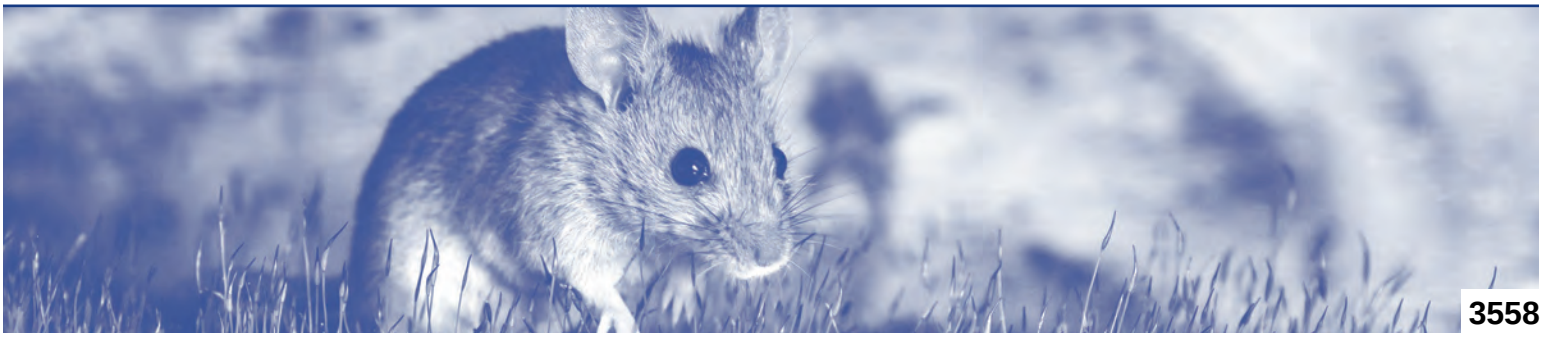
RODENT CONTROL

Rodents carry diseases and also can damage the structure and its contents. Preventing rodent entry is the best means of control.

TREATMENT

- Rodent management programs will consist of maintaining traps in the interior areas and maintaining Tier 1 tamper-resistant bait stations on the outside, with emphasis on inspecting potential rodent entry points and/ or possible harborage areas.
- Rodents indoors can indicate exclusion issues. While Alachua County will be responsible for sealing any openings which could allow rodent entry, Cook's Pest Control is responsible for making Alachua County aware of any situations that could allow entry.
- Indoor – If rodents enter an inside area, technicians will discreetly place traps in the area. Technicians will monitor and maintain traps no less than monthly.
- Bait stations will be strategically placed by the back door and/ or the dumpster. Tier 1 tamper-resistant stations will be used and are designed to prevent non-target animals from accessing bait.
- Exterior – Technicians will empty, clean and replace bait and maintain Tier 1 tamper-resistant rodent bait stations every month.
- Comments and recommendations concerning exclusion, sanitation issues, and conditions conducive to pest infestations beyond the technician's control will be recorded on the service report. The conditions recorded will be communicated with the Assistant Manager or the Manager.

NOTE: Rodent snap traps and rodent glue boards are included with monthly service, however, multi-catch rodent traps are an additional cost as are exterior rodent bait stations.



ANT CONTROL (excludes Fire ant)

TREATMENT

Customized treatments can include bait or treating specific mounds and treatment of facility landscape.

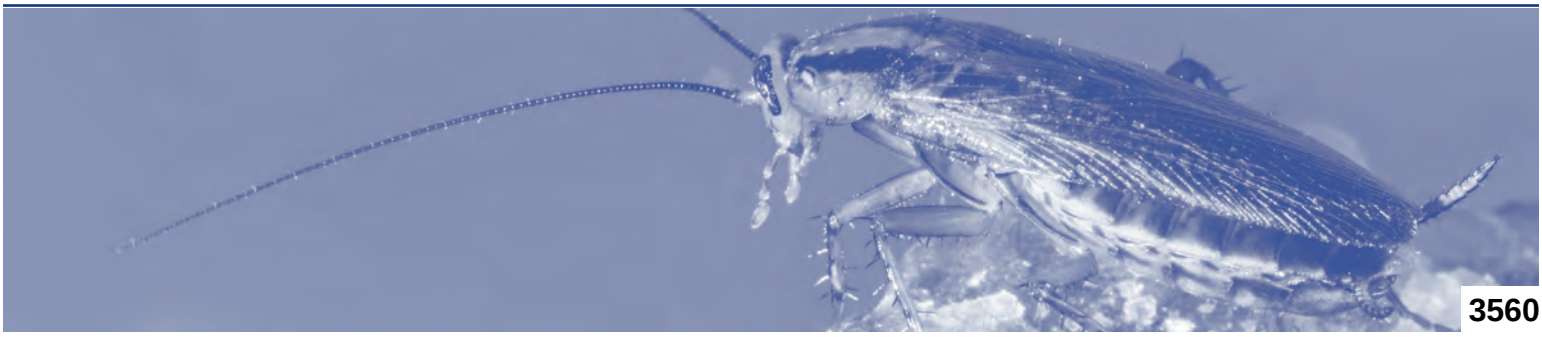
- Ants generally live outdoors and forage indoors.
- A specific treatment for ants will be made outdoors based on species.
- Trails indoors may be treated with baits or removed with alternative treatments.
- Ant trails may also be removed with cleaning wipes or portable vacuums for more immediate results.
- Technicians will attempt to find and eliminate the indoor food source that is attracting the ants.
- Improvements should be seen within five (5) to seven (7) days after treatment and after exclusion work has been performed.

NOTE: Fire ant service that extends further than 10 feet from the perimeter of the building is excluded. Fire ant control pricing can be provided upon request.

ROACH CONTROL

TREATMENT

- Large roaches that enter from outdoors will be controlled using baits indoors and outdoors.
- Large roaches that occasionally enter from outdoors will be controlled by an exterior liquid perimeter treatment.
- Small roaches that live indoors will be controlled using baits in areas where they live, which is generally around a source of warmth and/or water. These baits will be rotated on a consistent basis to prevent bait resistance.
- An insect growth regulator will be used to prevent roach reproduction.
- A minimum of 15 zone monitors will be discreetly placed to monitor results.
- Improvement should be seen within ten (10) to fourteen (14) days after treatment.



SPIDER CONTROL (excludes Brown recluse)

TREATMENT

- Spider control will include the removal of spider webs around doors and windows. This service is provided on a monthly basis.
- Monitoring devices and additional trapping will be used in areas where permitted.
- Strategic placement of insect management material to wall voids, and/or crack and crevices, and application of insect management materials such as of liquid residual material will be used where label permits to maintain control.

NOTE: Brown recluse control pricing can be provided upon request.

FLEA CONTROL

TREATMENT:

- An inspection will be performed to determine if fleas are present and if a host animal exists such as squirrels, feral cats, raccoons, etc. **If a host is present, a wildlife removal company will be subcontracted by Cook's Pest Control for an additional charge, subject to approval of such Subcontractor in accordance with the terms of the Agreement.**
- Fleas are not always the culprit. Sometimes, static electricity or other environmental factors can cause employees to believe they are being bitten. Pesticide will not be applied unless it has been determined that fleas actually exist on site.
    - If no fleas are detected, the technician will consult with Cook's Management and the Administrator to resolve the situation.
- If fleas are present, all carpeting needs to be vacuumed before any treatment can be performed. Auburn's Administrator will be responsible for coordinating this activity.
    - Flea treatments must be performed after the area has closed for the day. If any area has been self-treating, the pest control technician will need access to those products to see if any conflicts exist.
- Treatments consists of a premixed aerosol, containing an adulticide and growth regulator used to stop reproduction. The product is applied to the flooring, covering the total interior of the area.
    - A non-residual pyrethrin aerosol may be used to speed up the elimination process. This may require smoke detectors to be deactivated for at least two hours.
    - A residual liquid spray, may also be applied outdoors if necessary.
- No one should enter the area until the floor is dry (cleaning crew and facility management etc.). This process should take approximately four (4) hours.
    - Any carpeting should be vacuumed again the following day.
- Results should be immediate and one treatment is all that is usually necessary. However, if a host animal was present before treatment, pupa (which cannot be eliminated) may hatch after treatment and cause bites. With no host animal, humans are the only thing left to feed upon.
    - Monitoring and additional trapping can be done with light traps and/or zone monitors.

MONITORING & TRENDING

COMPUTERIZED MONITORING AND TRENDING SERVICE

Cook's Computerized Monitoring and Trending Service Protects Your Business

Your pest activity is monitored with a hand-held computer.

FAST

- Each scan is stamped with date and time to account for every monitoring station.
- Data is stored so information can be easily accessed.

ACCURATE

- Bar codes accurately pinpoint the location and nature of problems so they can be addressed quickly.
- Works with rodent bait station, rodent traps, insect light traps, insect pheromone traps and a variety of custom applications.

ADDITIONAL

SERVICES

The services on the following pages are additional services Cook's Pest Control offers. Depending on your situation, you may choose to include one or more of them in your service plan.

COOK'S PEST CONTROL

TERMITE CONTROL

COOK'S SENTRICON TERMITE COLONY ELIMINATION SYSTEM®™

The Sentricon System provides proven protection from subterranean termites. A professional technician monitors regularly to detect any colony that might invade the property.

BENEFITS:

- Odor-free
- Proven termite colony elimination
- Less intrusive than standard liquid applications
- Environmentally sensitive
- Adds value to your property
- Trusted to protect national landmarks such as the White House, Statue of Liberty and Independence Hall

FLY CONTROL

TREATMENT:

Interior: Drain Cleaning, Installation of Fly Control Lights (ILTs), Fly Traps, Attract and Kill Zones, and Fly Sticks.
Exterior: Fly Bait Stations, Attract and Kill Zones, Perimeter Spot Treatments, and Dumpster Treatments.

EXCLUSION METHODS:

- Door Management
- Trash Receptacle Management
- Lighting Management
- Strips and Air Curtains, Screens

PEST TYPES

Large Species
- House Fly
- Blow Fly
- Flesh Fly

Small Species
- Phorid Fly
- Fruit Fly
- Fungus Gnat

NOTE: ILTs pricing can be provided upon request.

BIRD CONTROL

TREATMENT:

Install netting to prevent bird roosting and nesting around structures. Bird coil, spikes, and bird slide can be used to prevent roosting and nesting of problem birds.

EXCLUSION METHODS:

- Exclusion for Void Nesting Birds
- Sealing Nest Voids
- Bird Spikes
- Bird Slide

TYPES OF PROBLEM BIRDS

- Pigeons
- English Sparrows
- Starlings

MOSQUITO CONTROL

COOK'S 4-STEP PROGRAM:

1. Conducts a thorough inspection of your structure's exterior and landscape to locate conditions that are conducive for mosquitoes.
2. Develops a customized mosquito treatment plan.
3. Treats harborage areas where mosquitoes breed.
4. Reduces mosquito population for 30 days.

RESULTS:

Studies show a rapid reduction of mosquitoes by 80-90%!

BED BUG CONTROL

Bedbug coloration ranges from a mahogany brown to a rusty brown. However, bedbugs will turn bright red following a blood meal.

CHARACTERISTICS:

- 1/5 inch long and 1/8 inch wide.
- Bed Bugs avoid light so they hide during the day.
- They like close places.
- They can travel long distances.

TREATMENT:

- Heat Treatment
- Liquid Spot Treatment
- Crack and Crevice Dust Applications
- Physical Removal with a vaccum

For the most current labels and SDS, please log on to:
www.cookspest.com/sds

1. Click on “Click here to see the list of available forms and labels.”

2. To Search:
   By Product: Press the Ctrl plus F key. Then type in the desired product name. Internet Explorer users will need to click on “Next.”
   - or -
   By Manufacturer: Scroll to the manufacturer of the product. Click on the **BLUE** “Label/SDS? link next to the manufacturer’s name.

3. Click on the appropriate product label or SDS.

   NOTE: The manufacturer’s websites are the most updated sites available for the SDS/Labels.

Form **W-9**
(Rev. October 2018)
Department of the Treasury
Internal Revenue Service

Request for Taxpayer Identification Number and Certification

► **Go to *www.irs.gov/FormW9* for instructions and the latest information.**

Give Form to the requester. Do not send to the IRS.

Print or type. See **Specific Instructions** on page 3.

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.

Cook's Pest Control, Inc.

2 Business name/disregarded entity name, if different from above

3 Check appropriate box for federal tax classification of the person whose name is entered on line 1. Check only **one** of the following seven boxes.

☐ Individual/sole proprietor or single-member LLC ☐ C Corporation ☑ S Corporation ☐ Partnership ☐ Trust/estate

☐ Limited liability company. Enter the tax classification (C=C corporation, S=S corporation, P=Partnership) ► _____

Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is **not** disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

☐ Other (see instructions) ►

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):

Exempt payee code (if any) 5

Exemption from FATCA reporting code (if any) _____

(Applies to accounts maintained outside the U.S.)

5 Address (number, street, and apt. or suite no.) See instructions.

1741 5th Avenue SE

6 City, state, and ZIP code

Decatur, AL 35601

Requester's name and address (optional)

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN,* later.

Note: If the account is in more than one name, see the instructions for line 1. Also see *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Social security number

			–		–				

or

Employer identification number

6	3	–	0	4	7	6	7	1	6

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.

Sign Here **Signature of U.S. person** ►  **Date** ► 6/14/21

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about developments related to Form W-9 and its instructions, such as legislation enacted after they were published, go to *www.irs.gov/FormW9.*

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding, *later.*

CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY): 5/28/2021

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must have ADDITIONAL INSURED provisions or be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).

Corporate Resolution Granting Signing Authority

EXHIBIT B

McCall Services NW, LLC

(Insert Name of Corporation)

CORPORATE RESOLUTION
GRANTING SIGNING AUTHORITY
AND AUTHORITY TO CONDUCT BUSINESS

The Board of Directors ("Directors") of McCall Services NW, LLC, a
(insert name of company)
LLC corporation (the "Corporation"), at a duly and properly
(insert state of incorporation)
held meeting on the 18th day of June, 2021, did hereby consent to, adopt, ratify, confirm and approve the following recitals and resolutions:

WHEREAS, the Corporation is a duly formed, validly existing corporation in good standing under the laws of the State of Delaware and is authorized to do business in the State of Florida; and

WHEREAS, the Corporation desires to grant certain persons the authority to execute and enter into contracts and conduct business on behalf of the Corporation.

NOW, THEREFORE, BE IT RESOLVED, that any of the following officers and employees of the Corporation listed below are hereby authorized and empowered, acting along, to sign, execute and deliver any and all contracts and documents on behalf of the Corporation, and to do and take such other actions, including but not limited to the approval and execution of contracts, purchase orders, amendments, change orders, invoices, and applications for payment, as in his or her judgment may be necessary, appropriate or desirable, in connection with or related to any bids, proposals, or contracts to, for or with to Alachua County, a charter county and political subdivision of the State of Florida:

NAME	TITLE
Jerry Hall	Government Contracting

BE IT RESOLVED THAT, these resolutions shall continue in full force and effect, and may be relied upon by Alachua County, until express written notice of their rescission or modification has been received by the Procurement Manager of Alachua County. Any revocation, modification or replacement of these resolutions must be accompanied by documentation satisfactory to the Procurement Manager of Alachua County, establishing the authority for the changes.

IN WITNESS WHEREOF, I have executed my name as Secretary and have hereunto affixed the corporate seal of the above-named Corporation this 18th day of June, 20 21, and do hereby certify that the foregoing is a true record of a resolution duly adopted at a meeting of the Board of Directors of the Corporation and that said meeting was held in accordance with state law and the Bylaws of the Corporation, and that the resolution is now in full force and effect without modification or rescission.

(Corporate Seal) Secretary of the Corporation

Exhibit C

Public Record Declaration or Claim of Exemption

EXHIBIT C

PUBLIC RECORD DECLARATION OR CLAIM OF EXEMPTION

As a bidder or proposer, any document you submit to Alachua County may be a public record and be open for personal inspection or copying by any person. In Florida 'public records" are defined as all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business by any agency. Section 119.011, F.S. A document is subject to personal inspection and copying unless it falls under one of the public records exemptions created under Florida law. Please designate what portion of your bid or proposal, if any, qualifies to be exempt from inspection and copying:

(Execute either section I. or II, but not both; bidder may not modify language)

I. NO EXEMPTION FROM PUBLIC RECORDS LAW

No part of the bid or proposal submitted is exempt from disclosure under the Florida public records law, Ch. 119, F.S.

Bidder's Signature: _____ Date: 6/17/2021

- - - OR - - -

II. EXEMPTION FROM PUBLIC RECORDS LAW AND AGREEMENT TO INDEMNIFY AND DEFEND ALACHUA COUNTY

The following parts of the bid or proposal submitted are exempt from disclosure under the Florida public records law because: (list exempt parts and legal justification. i.e. trade secret):

_____

_____

By claiming that all or part of the bid or proposal is exempt from the public records law, the undersigned bidder or proposer agrees to protect, defend, indemnify and hold the County, its officers, employees and agents free and harmless from and against any and all claims arising out of a request to inspector copy the bid or proposal. The undersigned bidder or proposer agrees to investigate, handle, respond to, provide defense (including payment of attorney fees, court costs, and expert witness fees and expenses up to and including any appeal) for and defend any such claim at its sole cost and expense through counsel chosen by the County and agrees to bear all other costs and expenses related thereto, even if they (claims, etc.) are groundless, false, or fraudulent.

Exhibit F

Drug Free Workplace

EXHIBIT F

DRUG FREE WORKPLACE

Florida Statute, Section 287.087 states that whenever two or more bids, proposals, or replies that are equal with respect to price, quality, and service are received by the state or by any political subdivision for the procurement of commodities or contractual services, a bid proposal, or reply received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process.

The undersigned vendor in accordance with §287.087, Florida Statute hereby certifies that

McCall Service NW, LLC

Name of Business

Does:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against employees for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug-free workplace, any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under bid a copy of the statement specified in subsection (1).
4. In the statement specified in subsection (1), notify the employees that, as a condition of working on the commodities or contractual services that are under bid, the employee will abide by the terms of the statement and will notify the employer of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the workplace no later than five (5) days after such conviction.
5. Impose a sanction on, or require the satisfactory participation in a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.

- **SDS and Product Labels** can be found on the McCall Service wedsite by clicking on "**Labels & SDS**" in the upper left hand corner on the home page or they can be found here by clicking on this link: https://labelsds.com/chemical-label-list?company_code=5c4784df320b9

Product Rotation

- Pest can become resistant to products which has become a huge factor in pest management. McCall utilizes a product rotation schedule that rotates products with different active ingredients and modes of action quarterly to ensure resistance doesn't become a problem. Our 2021 product rotation guide is here for your review:

Pest Control ONLY

2021	QUARTELY	Interior	EOM	Interior	MONTHLY	Interior	CR Gel Bait	Granulars (Ext. Only)

Proposed Methods for Monitoring and Detection | Integrated Pest Management

McCall Service practices Integrated Pest Management (IPM). Our approach will be to perform an initial inspection, evaluate any needs and report findings to the appropriate point of contact at each property. During our initial and ongoing monthly inspections we will be looking for any conducive conditions, structural exclusion issues and identifying specific pest issues. Conducive conditions can include sanitation, excessive moisture, exclusion issues, human activity, Etc. Our routine pest control service will include inspection, flushing, monitoring, baiting and trapping. Product applications are used as a last resort and applied by the label for specific identified pest issues. Routine monthly service will include inspection, strong communication, preventative baiting, monitoring and treatment as needed on the interior and exterior of each property. Traps and Pest monitors will be placed within the interior and checked each service to identify pest activity.

Outside of Routine service McCall will be ready to respond to any emergency service needs within (2-4) hours after receipt of the request per section 6.0 in the ITB Documents.

Reporting

McCall Service uses the latest technology in electronic data collection and reporting.

- ✓ **Our Pestpac software** allows for real time updated information on services that were provided and ensures all structures along with areas of the property are serviced.
- ✓ **Service Reports** are emailed to the designated point of contact upon service completion.
- ✓ **Printed Report** - All McCall technician vehicles have a mobile printer so that the technician can leave a hard copy of the service report in the pest log book at each property upon service completion.
- ✓ **Trending Reports** show us what pest pressures we are experiencing around the property and where
- ✓ **Bar coding technology** – Our technology allows us to bar code individual properties as a whole and/or equipment so that the technician is required to scan in, enter his or her notes and close out allowing for more accurate reporting and greater accountability.

Technical Capability

- McCall Service has over 109 licenses and certifications throughout Florida
- We use the latest technology in electronic data collection, documentation and reporting. We have barcoding technology for equipment and structure's.
- We are a Quality Pro certified and **accredited company** - Quality Pro sets the standards of excellence for professional pest management companies and their employees through education, training and certification.

Employee Training Program:

All new employees go through a back ground screening, drug screening and rigorous training program. McCall Service has a training center located in Gainesville Florida managed by our Technical Director Cory Goeltzenleuchter | UF Graduate Entomologist | 15-years exp. Here is the schedule for our education process that all new employees must go through. We follow up with a 30, 60, 90 day review and then annual from there.

Agenda Item Summary

Agenda Date: 9/14/2021 Agenda Item No.: 34.

Agenda Item Name:
Purchase, Change Order #1, Order 21-1693, to Wex Bank, in the amount of $17,200.00, for additional fuel purchases, for the Fire Rescue Department.

Presenter:
Harold Theus, Chief 384-3130/Larry Sapp, 374.5020

Description:
Wex Bank, Purchase, Change Order #1 to Purchase Order 21-1693

Recommended Action:
Purchase, Change Order #1, Order 21-1693, to Wex Bank, in the amount of $17,200.00, for additional fuel purchases, for Fire Rescue. The revised Purchase Order Total is $59,600.00. Prices, terms and conditions are per Florida Department of Management Services, FL-ACS No. 78181701-21-NASPO-ACS.

Prior Board Motions:
N/A

Fiscal Consideration:
Funds are available within the Fire Rescue adopted operating budget to cover the additional fuel expenditures. This change order increases the fuel expenditures to WEX by $17,200.00 ($7,000.00 in 001.54.5450.526.52.23 and $10,200.00 in 011.54.5480.522.52.23).

Background:
The Department of Fire Rescue utilizes WEX Bank for fuel purchases for units not located near Fleet or the locations that Fleet contracts for fuel. During FY21, the department has utilized WEX fuel more than anticipated. An increase of $17,200.00 to the purchase order is necessary to cover the remaining estimated expenditures. This increases the purchase order balance from $42,400.00 to $59,600.00. There are sufficient funds in the fuel expenditure line items to cover the increase.

Original Purchase Order:	$42,400.00
Purchase Order 1:	$17,200.00
Revised Purchase Order Total:	**$59,600.00**

This purchase is exempt from the County's competitive bidding requirements pursuant to Section 22.3-302(12) of the Alachua County Procurement Code, Procurement of Supplies or Services under Contract with federal, state, or municipal governments or any other governmental agency or political subdivision provided the vendor extends the same terms and conditions of the Contract to the

County. However, since the dollar amount of the purchase exceeds the purchasing authority of the Procurement Manager, this Purchase Order is being submitted for Board consideration and approval.

WEX FLEET CARD

PROGRAM OVERVIEW

NASPO/ WASHINGTON DEPARTMENT OF ENTERPRISE SERVICES

July 22, 2019

EXHIBIT B2 – FLEET CARD SERVICE REQUIREMENTS

INTRODUCTION

This exhibit details the system requirements, service expectations pertaining to Category 2 – Fleet Card Services.

These requirements have been established by the NASPO Sourcing Team and will not be tailored to meet a Bidder's response but rather Bidders shall respond with how they meet the requirements as defined in this exhibit of the solicitation.

Fleet Card Types include

- Fleet Card – Physical specialized Commercial Card used to capture fleet-related expenses (e.g., fuel, vehicle maintenance, repair and service).
- Cardless Account – Virtual card (no plastic) account used for maintenance services

RESPONSES

All of the system and Contractor requirements service levels, and terms and conditions are expected to be satisfied by the Bidders. Bidders must indicate their willingness and ability to satisfy these requirements.

Each of these requirements have been designated as Mandatory (M), Mandatory Scored (MS), Non-Mandatory (NM), or Non-Mandatory Scored (NMS). Mandatory and Mandatory Scored requirements are non-negotiable.

Mandatory (M) Requirements. By checking the box next to a Mandatory Requirement, Bidder agrees to meet the Mandatory Requirement as listed for the entirety of the contract term.

Mandatory Scored (MS) Requirements. By checking the box next to a Mandatory Scored (MS) Requirement, Bidder agrees to meet the Mandatory Scored (MS) Requirements as listed for the entirety of the contract term.
For each Mandatory Scored (MS) requirement within a bid category, bidder must provide a thorough narrative response, no longer than three (3) pages, unless otherwise indicated, describing the ability to meet the mandatory scored requirement. Failing to provide a narrative for any MS requirement may result in disqualification.
Failure to agree to any Mandatory or Mandatory Scored requirement may be grounds for disqualification.

Non-Mandatory (NM) Requirements. By checking the box next to a Non-Mandatory Requirement, Bidder agrees to meet the Non-Mandatory Requirement as listed for the entirety of the contract term.

Non-Mandatory Scored (NMS) Requirements. By checking the box next to a Non-Mandatory Scored (NMS) Requirement, Bidder agrees to meet the Non-Mandatory Scored (NMS) Requirements as listed for the entirety of the contract term.
For each Mandatory Scored (NMS) requirement within a bid category, bidder must provide a thorough narrative response, no longer than three (3) pages, unless otherwise indicated, describing the ability to meet the Non-Mandatory Scored requirement.

The Contractor shall provide a web-based Fleet card data management and reporting system. The system must be able to perform the following functions during the term of the Master Agreement.

1. CARD TYPES -

Mandatory Requirements – None.

Mandatory Scored Requirements

☒1.1 (MS) Contractor must, at a minimum offer the card products detailed in the introduction of this Exhibit.

Narrative Required Bidder must list and define all card products offered within the category of Fleet Cards. Be sure to include the types of liability and billing options (individual or central) available for each card product.

WEX Response: WEX is able to meet all of the requirements set forth and detailed in the introduction of this exhibit. WEX is offering the Universal WEX Fleet Card, a corporate liability card that offers acceptance in all 50 states, at more than 95% of U.S. retail fueling locations, all of which provide Level III data. The card is accepted by all major oil companies and fuel retailers as well as independent merchants, in urban, rural, and remote locations.

The WEX Fleet Card is also accepted at more than 4,000 locations in Canada.

WEX customers can be billed using centralized or decentralized invoicing across agencies and departments as desired. The program supports nine levels of hierarchy, offering robust reporting and billing flexibility.

The WEX Fleet Card program offers best-in-class card functionality, reporting and customer service. Our technology and services include:

- Level III data capture on 99.8% of transactions, including remote sites that may only transmit Level I or II using MasterCard, for greater insight and fraud protection
- Nine levels of hierarchy for more flexible reporting and billing options
- Advanced card-to-PIN functions; ability to tie one card to one PIN, etc.
- More flexible prompting options at point of sale
- Acceptance at more than 95% of all retail fuel sites in the U.S., plus expanded acceptance through virtual MasterCard technologies
- Comprehensive Federal and State tax exemption, reporting and recovery program
- Robust online reporting tools through WEXOnline®, including ability to schedule and share custom reports
- Ability to customize data fields and add GL codes for accounts, drivers, vehicles or cards for greater financial control and visibility
- Control user access to the online system, with advanced administrative functions

Along with the flagship Fleet card, WEX is offering **WEXPay™**, a tool that enables out-of-network purchases at an additional 398,000 merchants in the MasterCard® network by utilizing a virtual card interface. Typically used for independent or geographically

remote fuel and service sites, WEXPay™ provides the control of a fleet card with the convenience of a credit card.

This out-of-network tool reduces the number of out-of-network sites where drivers would have to use an alternative form of payment.

Using WEXPay™ in conjunction with a Custom Control fleet card lets you set the rules for your drivers. Custom Control cards allow you to set merchant, transaction, and even product type limits. We apply those limits to both WEX Fleet Card and WEXPay™ MasterCard transactions. Expanded coverage combined with integrated reporting and invoicing will further streamline your fleet purchasing and operations.

How WEXPay Works: As a MasterCard issuing bank, WEX uses Single-Use Account Number technology to authorize a one-time payment to a merchant. The account number provided to the merchant by phone is fast and secure — good only for that one purchase.

When the merchant calls for authorization, we apply your purchase controls and collect the same level of purchase detail, including Prompt ID and odometer. We integrate the purchase details into your WEX Fleet Card invoice and reports. One card, one invoice, one report with the same controls and service our customers expect from WEX.

** Purchases are subject to the MasterCard transaction processing rules and terms of use, including tax exemption rules.*

WEX also offers acceptance for service and maintenance needs through the **WEX Service Network**. WEX Custom Control cards can be used to purchase tires, transmissions, brakes, mufflers, oil changes, glass replacement, car washes, and other routine vehicle maintenance products and services at national brand and local service stations, including Goodyear, Sears, Jiffy Lube, Valvoline, and Bridgestone/Firestone. The WEX card is currently accepted at more than 32,000 locations that provide service.

Certain WEX-accepting merchants supply ethanol, natural gas (CNG, LNG), propane (LPG), hydrogen, biodiesel, methanol, and other alternative fuels. So WEX has created an **Alternative Fuel Directory** using transaction information passed to us by accepting merchants, and from external sources such as the Department of Energy. This directory contains more than 6,000 WEX-accepting sites that carry at least one alternative fuel type. This directory is available through a download from WEX*Online®*, or can be provided in hard copy for use in vehicles. WEX uniquely reports ethanol, methanol, CNG, LNG, and biodiesel.

The WEX Fleet card also helps government fleets in their sustainability and greening initiatives. If you're facing mandates to cut emissions, **WEX EV FleetCharge**, our partnership with ChargePoint, allows you to use your WEX Fleet card to pay for charges

at more than 66,000 Electric Vehicle charging sites. You also get reporting on EV charges that integrates with your traditional liquid fueling activity for a total fleet view of your fuel usage.

As a WEX customer, you can manage your aircraft fueling, maintenance, and activity as easily as you manage your ground fleet with the **AVCARD program**. AVCARD — a complete purchasing solution for fuel and related aviation services — is a credit card and contract fuel program used by corporate and private flight departments at both domestic and international airport locations. In addition to your WEX Fleet Card account, we can set you up with an AVCARD account, which is integrated with your WEX account.
AVCARD cards function as both a credit card and a contract fuel card. You'll only need one card program for purchasing fuel and services from all AVCARD acceptors and/or contract fuel suppliers.

AVCARD is the most widely accepted aviation credit card, providing fuel access at 7,500 locations in more than 190 countries. With an AVCARD account, you automatically participate in their Contract Fuel Program, which allows you to receive significant savings on jet fuel virtually everywhere in the world. AVCARD's 24/7 Fuel Dispatch team is available to find, prearrange and quote, Contract Fuel prices worldwide for all your trips.
Look up acceptor locations by individual IATA/ICAO codes or geographically by country, state and city at WFSCORP.com. You can also:

- View and download contact information and a detailed listing of specific services provided (catering, rental cars, hangar, etc)
- Prearrange your fuel and services
- Log in to obtain contract fuel pricing
- Request a firm Price Quote by email
- Report a lost or stolen card online or use the toll-free number during business hours

WEX customers can sign up and use the convenient features of the AVCARD program at no additional charge.

Fleets can purchase gasoline and diesel fuel at **marine fueling locations** through a combination of direct acceptance of the WEX Fleet Card at marinas with branded oil locations through electronic point of sale systems, and at any of the more than 9,500 marina locations that accept MasterCard worldwide. The WEX Fleet Card and WEX*Pay™* would be used at these accepting locations just like any other fueling location to purchase fuel and related services. Additional terms and conditions apply.

Do your public safety and public works vehicles need 100 percent uptime, guaranteed? **WEX Emergency Fuel** provides peace of mind to public fleet administrators who cannot be caught without fuel in an emergency. Sign up for WEX Emergency Fuel and when

weather or a disaster disrupts your fuel supply, WEX will connect you with one of our approved partners to get your fleet back on the road with the fuel you need. Guaranteed. Because we partner with the leading providers of emergency fueling services, we have the necessary supply sources and logistical network to guarantee you 100% uptime, including fuel dispensing equipment, mobile fueling trailers, military-grade rapid deployment equipment, high-water fueling vehicles, mini-mobile fueling stations, diesel and gasoline generators and more.

WEX Emergency Fuel offers a contract that requires negotiated monthly payments from a customer, regardless of whether any fuel is delivered. The monthly payments ensure delivery of a pre-set amount of fuel during a supply disruption. Organizations that benefit include emergency medical assets such as hospitals, clinics, ambulances and search-and-rescue organizations; public safety agencies such as police and fire departments and the military; electric utilities; insurance companies; and public institutions such as schools and emergency management agencies.

WEX is always **increasing its acceptance coverage** for fuel, marina and service locations. Because we currently have acceptance at more than 95% of all U.S. fuel sites, our merchant acquisition strategy is driven by the needs of our fleet customers requiring service in remote areas or acceptance outside of domestic coverage. If a fleet customer identifies specific fueling needs, WEX will work toward signing any needed location If the customer has merchants that they would like to be part of the WEX accepting network who do not already have direct acceptance or cannot utilize the WEX*Pay™* tool, we will request the following information from the fleet:

- Merchant name
- Merchant address
- Merchant contact person
- Phone and fax numbers
- Expected utilization/volume from your fleet
- Name and phone number of fleet employee requesting WEX card acceptance

WEX will work with all interested parties toward gaining acceptance at the location. This includes either direct agreements or acceptance through our partnerships with network sales organizations and acquirers.

Non-Mandatory Requirements – None.

Non-Mandatory Scored Requirements – None.

2. **ADMINISTRATION OF ACCOUNTS** –Participating State must have the ability to administer the system approval process and user's access and privileges online.

Mandatory Requirements

☒ 2.1 (M) - System must allow for Program Administrator to setup new accounts online – including ordering and registering cards, establishing User ID and password.

☒ 2.2 (M) - System must allow for Program Administrator to add, edit, or remove single or multiple Product Codes (PC) or Merchant Category Codes (MCC) from multiple card accounts at once.

☒ 2.3 (M) - System must allow for Program Administrator to initiate one-time overrides per transaction.

☒ 2.4 (M) - System must allow for Program Administrator to establish roles, access, and authority levels for all user types (i.e. managers, approvers, cardholders) within the Purchasing Entity.

☒ 2.5 (M) - System must allow for Program Administrator to unlock system access, reset User ID and reset password for any User within the Purchasing Entity.

☒ 2.6 (M) - System must allow for Program Administrator to see changes made to a card profile and who made those changes.

☒ 2.7 (M) - System must allow for system to allow Program Administrator to view cancelled, deactivated and suspended cards within the Entity.

☒ 2.8 (M) - System must allow for Program Administrator to order and issue replacement cards (singular or multiple simultaneously) online.

☒ 2.9 (M) - System must allow for Program Administrators ~~and Cardholders~~ to access statements online.

☒ 2.10 (M) - System must allow for Program Administrators ~~and Cardholders~~ to mark accounts for paper or paperless statement delivery.

☒ 2.11 (M) - System must notify Program Administrators ~~and Cardholders~~ of statement availability.

☒ 2.12 (M) - System must allow for Program Administrator ~~and Cardholders~~ to check status of cards and view account information including but not limited to:

- balances
- limits
- charges
- declined transactions
- spend history
- default accounting codes
- demographics

☒ 2.13 (M) - System must allow for the Program Administrator to choose the billing cycle close date for the Purchasing Entity. The billing cycle date will be established at account implementation and will be set for the Purchasing Entities' agreement period.

☒ 2.14 (M) - System must have the ability to roll-up billing to managing account level or bill at department level as determined by the Purchasing Entity.

☒ 2.15 (M) - System must display all transactions in US Dollars.

☒ 2.16 (M) – System must be able to restrict fuel type at the card and/or vehicle level by not allowing the wrong fuel type to be purchased and by being able to report exceptions for wrong fuel type.

☒ 2.17 (M) - System must be able to apply hard limits on quantity (gallons) of fuel dispensed.

☒ 2.18 (M) - System must be able to restrict maintenance purchases.

☒ 2.19 (M) - System must allow for Program Administrator to reset Driver PIN online and in real time.

☒ 2.20 (M) - System must have the ability for Program Administrator to set/change PIN for each driver and/or vehicle.

☒ 2.21 (M) - System must be able to provide federal fuel tax exemption prior to invoicing.

Mandatory Scored Requirements

☒ 2.22 (MS) - *Narrative Required: Explain, in detail, the process (paper and/or electronic) for generating a new account and adding cards to an existing account. Preference will be given for electronic application processing. State Agencies should not be subjected to credit checks I this process.*

WEX Response:

New Account & Card Set-up: State Agency Accounts

In the initial implementation phase, a universal credit line will be established for a State based on the State's needs and spend requirements. WEX has the ability to place protection against credit lines to ensure a State does not experience any service interruptions due to sudden increased spending that can be caused by seasonal, emergency or other unexpected occurrences. This universal credit line then applies to all applicable accounts under the State's hierarchy, allowing agencies to set up accounts without needing to seek a new credit line for each new card set-up.

For new accounts under a State's hierarchy, an electronic template is completed and tax exemption information is collected, either through a blanket tax exemption for the entire state, or individually by agency depending on how the State is set up with tax identification numbers.

The information required for a new account set-up typically includes account name, DBA account name, account level within the existing State's hierarchy, shipping address, and if there are any other further requirements specific requirements a given state may have, like ERP integration, etc. Once the information is captured and processed by WEX, an account number is generated and provided to an agency to complete the proper tax exemption paperwork for enrollment in the WEX Tax Program, assuming it is a financially liable account.

Fleet Card Enrollment Process: Existing State Agency Accounts

Program administrators can add cards and drivers via the Fleet Manager module of WEXOnline®, WEX's web-based account management and reporting tool, or through WEX customer service or the State's Premium Fleet Services Account Manager. The Premium Fleet Services Account Manager is a one-to-one point of contact assigned to the State for day-to-day operational support and account needs. The Fleet Manager module allows the fleet manager to add, edit, suspend, reactivate, and terminate cards and drivers, to add and manage card controls, and to view and download invoice details.

You can also:

- Assign card to driver, vehicle or location
- Transfer cards from one account to another
- Group cards into authorization profiles to enforce your purchasing policies
- Create organizational units or departments to better organize cards, vehicles and drivers for reporting and management purposes (initially added during the implementation phase)
- Edit account information

Card orders: WEX will process requests for replacement cards for lost, damaged, or stolen cards within one business day. If notification is received by 3:30 p.m. Eastern Time, you can have cards sent that day. You can use your own shipping account number or be charged a fee to cover the shipping costs. The WEX overnight fee, is included in the pricing evaluation for the RFP. If a WEX card is lost or stolen, it should be reported immediately to our Customer Service Department by calling the toll-free number**.** The Customer Service Department is available 24 hours a day, 365 days a year. The fleet can also notify WEX of the loss, theft, or unauthorized use of any card or account electronically through WEXOnline®.

New Account and Card Set-up: Political Subdivision Accounts

New accounts piggybacking a master agreement and individual State's participation addendum (i.e. cities, counties, schools, etc.) will need to complete a participation addendum to the master agreement/State's participation addendum and have their credit adjudicated independent of the State's line of credit. WEX will collect both the participation addendum and tax exemption form, both of which can be completed electronically or manually, from the interested entities prior to their account set-up.

*See sample participation addendum (PA), attached in **ADDENDA**, for a political subdivision participation to the contract.

Note: This PA will be customized and can be discussed with each state after award at the time of contract. The PA will be made for each participating state to account for the master agreement and that state's individual participation addendum to the master agreement.

☒ 2.23 (MS) - System must allow for Program Administrator to edit User ID, role and authority level online.

Narrative Required: Describe the different types of system users available and their capabilities within the system.

WEX Response: WEXOnline® allows the Program Administrator, or other individuals with appropriate permission levels, to add/edit new online users, manage existing users, and manage online enrollment requests. The module also allows for a prospective user to self-enroll online and have their request route to a Program Administrator to be approved and have the appropriate level of access assigned to them by the Administrator. A prospective user is not granted any level of access until after their request has been approved by a Program Administrator and their level of access is assigned.

The administrator retains ultimate control over access and assignment of roles, authority level and privileges allowed online. The module contains prepopulated templates for roles with varying levels of permissions available online to control the access an individual may have for their given job duty. The module also allows for users to create custom roles for levels of access specific to an individual or job duty. This creates appropriate account and system access, based on user responsibilities; ultimate control over who has access to the module, what level of access, and to what accounts; and the ability to track user logins.

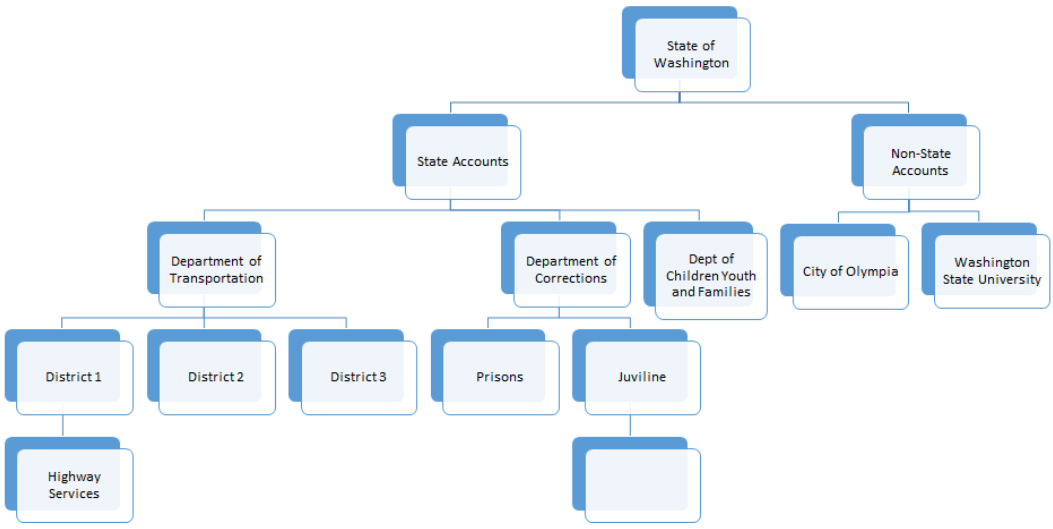
Additionally, WEXOnline® allows users to reset their passwords on their own should they need to do so. This allows for a greater level of control at the user level and helps minimize the need to reach out for assistance with a reset.

☒ 2.24 (MS) - System must have a minimum of seven (7) program hierarchies.

Narrative Required: Describe the number of hierarchies available in your system and describe how each level of hierarchy is used in (1) identifying accounts, (2) reporting rebate earnings, and (3) reporting transaction data.

WEX Response: WEX's system allows for robust account structures and reporting functionality. WEXOnline® supports nine (9) levels of hierarchy, providing a high level of detail and flexibility. The levels of hierarchy are customizable to the set-up of an individual entity participating in the contract to meet their specific needs.

For example, the State of Washington could be set up as a level 1 (L1) account with multiple L2 accounts hanging off of the overall contractual relationship. The accounts under the L2 would then have the ability to structure the departmental breakdown unique to that agency or entity.



- Identifying accounts:
  - Accounts can be identified in multiple ways in WEXOnline®. WEX offers custom reporting, account search functionality, and visual hierarchy layouts that are collapsible for finding and identifying accounts. Reporting can also offer account details about the account with the

hierarchy regarding addresses (shipping, billing, primary and physical) total drivers and/or vehicles, total cards, default authorization profile, and primary shipping method and carrier.

- Reporting rebate earnings:
  - WEX does offer rebate reporting that provides a full breakdown of rebate for a given time period. WEX will work with states at implementation to get the appropriate rebate reporting set-up to cover their needs.
- Reporting transaction data:
  - All WEX transaction data is available within WEXOnline® to view and is reportable through the system. Additionally, WEX offers custom files and file interfaces to provide transactional data to customers. Below are several templated examples of how transactional data as well as authorization data can be accessed in WEXOnline®.
    - Custom Report/ Authorization Activity – This template helps users build a custom report with a direct view of authorization activity, including declines transactions.
    - Custom Report/ Transaction Management – This template permits users to generate a transactional-level report, whereby a user may analyze usage at certain merchants, or within certain timeframes, or exceeding specified dollar amounts and more.

☒ 2.25 (MS) - System must allow for a Statewide Program Administrator account with access to view and pull reports for all transactions made by Purchasing Entities within the Participating State under this Master Agreement.

Narrative Required: Explain how your system would allow for this Statewide Program Administrator Role.

WEX Response: WEXOnline® allows for a Statewide Program Administrator with access to view and pull reports for all transactions made by Purchasing Entities within the Participating State under this Master Agreement. This would be accomplished by providing the administrator with an access role rooted at the top of the hierarchy. This can be accomplished through either the templated roles available within the module or creating a custom role should it be required.

☒ 2.26 (MS) - System must allow for Program Administrator to simultaneously activate, deactivate, suspend, and terminate cards online.

Narrative Required: Describe how the system handles simultaneous multi-card activations.

WEX Response: WEXOnline® allows the Program Administrator to update cardholder and vehicle information online, including simultaneously activating, deactivating suspending or terminating cards. This is accomplished by providing the administrator with edit access to vehicle/cards and driver information. The administrator can select multiple cards and then choose to activate, deactivate, suspend or terminate these cards simultaneously. Additionally, through the account support provided by WEX, an agency can also send large amounts of data to the WEX Premium Fleet Services Account Manager to handle for them on their behalf. For example, if a

State's motor pool had a large amount of new vehicles incoming or old vehicles being sold, the agency's fleet manager could send a spreadsheet of the information to WEX to activate, deactivate, suspend or terminate cards on the State's behalf. This often helps save time, energy and resources in a given agency.

☒ 2.27 (MS) - System must allow for Program Administrator to update all cardholder information online, unless barred by Federal Regulation.

Narrative Required: Describe system capabilities and what access/abilities Program Administrators have to update cardholder and vehicle information. Include what specific Federal Regulations limit access/abilities to making changes online.

WEX Response: WEXOnline® allows the Program Administrator to update all cardholder and vehicle information online. This is accomplished by providing the administrator with edit access to cardholder/driver information. Additionally, through the account support provided by WEX, an agency can also send large amounts of data to the WEX Premium Fleets Services (PFS) Account Manager to handle for them on their behalf. For example, if a State agency had a large amount of seasonal workers coming on again to work, the agency's fleet manager could send a spreadsheet of the information to WEX to activate, deactivate, suspend or terminate drivers/card holders on the State's behalf. This often can help save time, energy and resources in a given agency. WEX Fuel cards are not individual liability cards, so WEX is not aware of any Federal Regulations preventing the editing of cardholder information online.

☒ 2.28 (MS) - Throughout the life of the Master Agreement and associated Participating Addendums, Purchasing Entities may have reason(s) to cancel a card (or a group of cards).

Narrative Required: Explain, in detail, the process to cancel sing/multiple cards and timeline when transactions can no longer be processed against a cancelled/closed card.

WEX Response: Cards or groups of cards can easily be canceled within the WEXOnline® module. Cards can be found under the Fleet Manager tab, administrator can search to find the card or group of cards an authorized user may want to cancel. Once a card has been reported lost, stolen, canceled, suspended or otherwise inactive, it is immediately invalidated in the WEX system. As stated above, this can be accomplished in WEXOnline® or by contacting the fleets Premium Fleet Services Account Manager or by calling WEX's 24/7 customer service. After cancellation, all electronic authorizations associated with the card are declined at the time a purchase is attempted. Additionally, once WEX receives proper notification, the fleet is relieved from liability for any subsequent charges.

☒ 2.29 (MS) - When a card (or group of cards) is closed, a credit may be due to the card based on an overpayment, transaction credit, or something similar.

Narrative Required: Explain, in detail, the process and timeline for a credit to post to a card and for that Purchasing Entity to receive the funds.

WEX Response: WEX's receivables department reviews all credits on termed accounts and cards 90 days after termination. If the credit qualifies for a refund, WEX will process

that transaction and send a check for closed accounts or post a credit to an account, if it is a cancelled card within an active account.

The timeline for a credit to post to an account can vary. This is due to the nature of the credit. For example, in some cases a WEX representative may be able to confirm immediately that a credit is owed. In other cases WEX may need to do additional research or contact a merchant to verify additional information. WEX always works to resolve any owed credits as quickly as possible. Once the credit is confirmed to be owed to the customer, it is posted to the account and it will be reflected as a credit on the next invoice in the billing cycle. Should the customer require payment for the credit, WEX will process the credit for payment which typically takes 3-5 business days.

☒ 2.30 (MS) - *Narrative Required: If charging a Foreign Transaction Fee, how is that fee tracked against the transaction since that fee does not usually show up on the purchase receipt? i.e. a separate line item on the statement? How is the fee reported in the system? Note: Do not include fee amount in narrative response to this requirement.*

WEX Response: For US-based WEX card programs, the WEX system recognizes an assigned originating site ID and/or country code, provided to WEX by the merchant, for the corresponding country of origin of a transaction.

For example, if an agency transacted in Canada, WEX would receive the transactional data that would include a site ID, country code or similar identifying code, provided to WEX by the merchant, for the site. The WEX system would then compare that transaction's location against the merchant location's country of origin, in this case being Canada.

The check in the WEX system is also tied to the currency. For US-based WEX card programs, the currency is based in US Dollars. If a transaction comes through in Canadian Dollars, the WEX system would flag that transaction and assess the associated Foreign Transaction Fee.

Foreign Transaction Fees are denoted in WEX reporting to reflect the appropriate amount invoiced to a customer, versus what may show on a customer's point of sale receipt from a merchant.

☒ 2.31 (MS) - System must be able to route transactions through approval/workflow path as established by the Program Administrator.

Narrative Required: Describe how approval/workflow paths are established, if multiple approver levels are available, and if/how 'substitution' roles can be indicated (i.e. Approver A is out for 10 days so Approver B can complete tasks).

WEX Response: WEXOnline® provides the ability to route transactions through an approval workflow path. The user roles required for this functionality and the process flow is outlined below.

An eligible approver is a User within a hierarchy who

- has the Approve Transactions permission

- has opted in to receive approval emails
- is an active online user
- a Fleet Manager/Program Administrator. A Fleet Manager will have all of the Manage Transactions features and functionality including the Approve Transactions permission
- or, have a Custom Role that includes the Approve Transactions permission only.

For those responsible for *reviewing* transactions:

- These users will have Manage Transactions without the Approve Transactions permission. They:
    - can filter transactions
    - can view transactions
    - can change transaction status as follows:
        - None → Follow Up
        - None → Reviewed
        - Follow Up → None
        - Follow Up→ Reviewed
        - Reviewed → None
        - Reviewed → Follow Up
    - will have all other existing manage transaction functionality (including upload receipt, reallocate, notes, view history)
    - If there is an eligible approver at and/or above the reviewing user in the hierarchy, the user can see the "Email Approval Request" button and send an email to those Approvers.
    - **For those responsible for *approving* transactions:**
- These users will have a Custom Role with the Approve Transactions permission that allows them to:
        - filter transactions
        - view transactions
        - change transaction status as follows:
            - reviewed → approved
            - reviewed → follow up
            - approved → reviewed
        - receive and read approval emails sent from a User at and/or below their level in the hierarchy as long as long as the user has opted in to receive Approval Emails
- Or, they can be assigned a Fleet Manager/Program Administrator role so they:
    - can do everything available in the Manage Transactions
    - Fleet Manager/Program Administrators also have the ability to change permissioning or access to allow for substitution scenarios when the approver role maybe out on vacation or leave allowing another user who is either new or

would have a lesser role normal to step in an approve transactions in the Fleet Manager/Program Administrators absence.

☒ 2.32 (MS) - System must allow for Program Administrator to add, edit, or remove security features (temporarily or permanently) in real time at the card account level including, but not limited to:

- dollar per transaction limit
- maximum daily/weekly/monthly spend
- transactions per day/week/month limit
- pay at pump only
- tank capacity limit
- type of fuel, by individual vehicle
- authorized State or Province
- Product Code (PC) blocks

Narrative Required: Describe the customizable security features offered by the system. Indicate if the security features can be applied simultaneously to multiple cards.

WEX Response: The WEX system and the Fleet Manager module of WEXOnline® allows the fleet manager to add, edit, suspend, reactivate, and terminate cards and drivers, to add and manage card controls, and to view and download invoice details, card by card or simultaneously among a grouping of cards. The Program Administrator has all the capabilities requested above, the ability to do so in real-time and simultaneously to multiple cards. Pay-at-pump ONLY functionality is systematically supported by WEX but cannot be done online. This is supported by the WEX Customer Service team on request or during account set-up at the time of implementation. Product code blocks are achieved by our product-type controls in the authorization profile card is assigned. These can be changed, created and applied in real-time and simultaneously to multiple cards.

Users can also:

- Assign card to driver, vehicle or location
- Transfer cards from one account to another
- Group cards into authorization profiles to enforce purchasing policies
- Create organizational units or departments to better organize cards, vehicles and drivers for reporting and management purposes (initially added during implementation phase)
- Edit account information

WEXOnline® is structured to provide the ultimate flexibility to meet unique account program needs. The Administration module of WEXOnline® allows the fleet manager to create custom roles that can be assigned to online users to limit or broaden access into the system. The fleet manager can create custom roles which provide users with access to different sections – like the driver section. This setup allows them to focus on their defined tasks without giving broader permissions that could be abused.

Authorization profiles are the purchasing control parameters, or limits, that fleet managers assign to cards. This allows for easy management of the program to ensure purchasing policies are enforced each time a card is used.

WEX offers the flexibility for the fleet manager to name the authorization profiles via numeric or alphabetic naming scheme. For example, one group of profiles could be named “sedan,” and the profile could be applied to that group of vehicles. Or, the profile could be called “delivery driver,” and be set up for that type of employee. The fleet manager can assign as few or as many profiles as necessary

Fleet managers can add new profiles, view existing profiles, view cards assigned to each profile, clone, edit or modify the values, change the status of the profile, set account defaults, and reassign cards to other profiles.

Authorization control profiles allow the fleet manager to edit a profile and have that change impact all cards associated with that profile. There is no limit to the number of cards that can be assigned to a certain profile and this functionality eliminates the need to manually edit each driver or vehicle record when a policy changes.
Benefits include centralized account management; efficient administration of cards, driver, vehicles and authorization controls; and quick link navigation to all management features and functions.

☒ 2.33 (MS) – System must allow for Program Administrator to assign card (with an identifying PIN or VIN number) to a driver, vehicle, department, etc. as determined by the Program Administrator.

Narrative Required: Describe the system's flexibility to allow a uniquely identifiable number to be assigned to a specific card - i.e. how does your system allow for Program Administrators to assign the uniquely identifying number to an account.

WEX Response: A WEX card can be assigned to a vehicle/asset, driver, or organizational unit (or cost center) in the fleet, enabling the card to capture and track all purchase activity. This flexibility allows a Fleet Manager/Program Administrator to assign a card (with an identifying PIN (Driver/Vehicle ID) or VIN number) to a driver, vehicle, department or any other entity, asset or individual needing a card as determined by the Program administrator. When the card is swiped at the point-of-sale device, the driver is prompted to enter a Driver ID (DID), or PIN as referenced in the requirement, and the odometer reading of the vehicle in order to receive authorization for the ensuing transaction.

Each DID can be assigned to one, many, or all cards on the WEX account and can be generated by WEX at random, or assigned by the fleet customer. This 4- or 6-digit DID can be assigned to a driver, vehicle/asset, or organizational unit on the WEX account (based on the type of card you prefer to use). For example, if you decide to assign the card to the driver, the driver would typically enter a DID associated with the vehicle. If you prefer to assign the card to a vehicle, typically the DID is associated with the driver.

The DID, combined with the card and account validation rules, is queried against the WEX database for verification and transaction authorization. If valid, the transaction is authorized. The WEX card cannot be electronically activated without entering a valid DID, making the card useless to someone who has found or stolen it and does not know the DID. The authorization process acts as a security measure, and provides a layer of protection against fraudulent activity.

Non-Mandatory Requirements

☒ 2.34 (NM) - System must allow for Program Administrator to create an approval path of setting specific card limits higher than Entity established limits.

☒ 2.35 (NM) - System must allow for Program Administrator and/or Cardholder to mark transactions sent to accounting for payment.

☒ 2.36 (NM) - System must be able to send notifications of pending approval(s) based on established approval path.

☒ 2.37 (NM) - System must allow for Program Administrator to lock transaction accounting code data from editing.

Non-Mandatory Scored Requirements

☒ 2.38 (NMS) – If capable, system must allow for Program Administrator to create templates for card/account set up (i.e. same billing address, TIN, workflow, etc.).

Narrative Required: If applicable, describe how the card/account set up template is established and edited.

WEX Response: The WEX system allows for templates with different functions within the site as well as the ability to utilize "clone" functionality, which acts in the same manner as a template. Cloning functionality exists for card and authorization profile information to leverage like information (address, cost center, TIN, org/department, user defined fields, etc.) associated between card or driver types.

- Templated default limits for authorization profile & set-up
- Clone function

The WEX team lead by an assigned Strategic Relationship Manager and Premium Fleet Services Account Manager will work to set-up and establish these with customer during the initial implementation. For needs that arose after implementation the Premium Fleet Services Account Manager will be able to assist in setting up these functions.

☒ 2.39 (NMS) – If capable, system must allow for Users, with multiple roles within a program, (i.e., Cardholder & Program Administrator) to opt to have one login to be able to access all aspects of their accounts (dual role). If yes, provide details on how that functionality works/is implemented.

Narrative Required: Does your system allow for single sign-on for a user with multiple roles?

WEX Response: Yes. The flexibility of the WEXOnline® module allows for each user's User ID to have one assigned role. However, this requirement can be met by creating a Custom Role with all necessary levels of permissions to support scenarios where a user maybe both a cardholder and Program Administrator or have other roles and responsibilities with a given agency. Another example is when the user is a cardholder who also carries financial responsibilities and also need to access the system for pulling invoices and reporting, and making payments. The module allows for this user's access to be customized to the specifications specific to their job function.

3. DATA COLLECTION AND MANAGEMENT – Participating States and Purchasing Entities must have the ability to capture and display transaction data as made available from the merchant; as well as overall fleet card program information. Below are the transaction data and card acceptance requirements.

Mandatory Requirements

☒ 3.1 (M) - System must capture and display transaction data at the following minimum levels:
- Cardholder
- Approving official
- Entity office or unit
- Account/billing (available at different levels)
- Entity Program Administrator or alternates (available at different levels)
- Participating State (all state entity transactional data, statewide administrative level and compliance review group)

☒ 3.2 (M) - System must have the ability to view transaction authorization/declines in real time.

☒ 3.3 (M) - System must post transactions within twenty-four (24) to forty-eight (48) hours of receipt from merchant.

☒ 3.4 (M) - System must have the ability to capture and display Level 1, Level 2, and Level 3 transaction data as made available from the merchant.

☒ 3.5 (M) - System must allow for Users to add notes, comments, and additional descriptions to a transaction in a separate field. This field must:
- Allow for alpha, numeric, and special characters.
- Be searchable
- Be reportable
- Be accessible to all hierarchies within the system

☒ 3.6 (M) - System must be able to capture and display merchant Tax Identification Number (TIN) or similar unique identifier.

☒ 3.7 (M) - System must allow for user to input a minimum of 150 character of Entity defined accounting code structure/segments at the transaction level.

☒ 3.8 (M) - System must allow for the Purchasing Entity to set requirements for accounting code segments (i.e. mandatory, non-mandatory, etc.)

☒ 3.9 (M) - System must allow for Purchasing Entity to define, edit, maintain, and upload valid value tables for each accounting code segment.

☒ 3.10 (M) - System must actively validate accounting segment data against valid value table data as determined by the Purchasing Entity.

☒ 3.11 (M) - System must allow for Program Administrator to assign, edit, and delete "default" accounting codes for all program hierarchies within the Purchasing Entity.

☒ 3.12 (M) - System must allow for User to save and edit frequently used accounting codes.

☒ 3.13 (M) - System must allow for a minimum of 99 accounting code splits per transaction.

☒ 3.14 (M) - System must allow for User to manually enter tax detail at the transaction level.

☒ 3.15 (M) - System must allow Program Administrator to download the entire Fleet Card number for use in other systems.

Mandatory Scored Requirements

☒ 3.16 (MS) - Participating States and Purchasing Entities have a need to access past transaction detail data in real time for a minimum of thirty-six (36) months throughout the life of the Master Agreement and Participating Addendum.

Narrative Required: How far back does the system retain transaction data without requiring special report requests (i.e. as a system user, how far back can I see transaction detail information)?

WEX Response: WEX's system maintains past transactional data for a period of seven years (84 months). In the WEXOnline® module, files are retained for a period of 24 months. Your Premium Fleet Services Account manager can fulfill requests from NASPO participating entities for transaction details going back to 84 months.

In addition, WEX Fleet ClearView™ data analytics module has no cap on accessible data, so users of WEX Fleet ClearView™ Essentials and Snap modules, offered as part of WEX's core product offering at no extra cost, are able to access past transaction data for a minimum of 36 months throughout the life of the Master Agreement, as required.

☒ 3.17 (MS) - *Narrative Required: How are templates/defaults set at any Purchasing Entity level for accounting information?*

WEX Response: At the time of account set-up and during implementation, WEX can establish user-defined fields with a State or Agency. User-defined fields can be used for any information or data the State or Agency may wish to capture. For example, as it relates to accounting information, a user defined field can be created for a particular GL Codes or set of GL codes and made a mandatory field as part of the card set-up template a user will have to complete in order to place a card order. This ensures the data will be assigned to it can be reported against. These fields can also be added, removed or edited after the account set-up as well given the user has the appropriate permissions to do so.

☒ 3.18 (MS) - System must allow for user to upload and attach supporting documentation to the transaction in the following formats (at a minimum): pdf, jpg, png.

Narrative Required: What file types does your system allow to be uploaded or attached to the transaction?

WEX Response: WEX can meet this requirement. WEXOnline® Receipt Upload feature supports the uploading of supporting documentation to a transaction in the following file formats: .png, .jpg, .gif, and .pdf. Additionally, WEX has the ability to add support for more file types for upload should an agency require it. WEX will work with agencies should there be a file format they may need.

☒ 3.19 (MS) - Contractor will be required to work directly with Participating State to develop effective strategies to address product code errors with merchants.

Narrative Required: Provide examples(s) of how Contractor works with merchants in correcting errors to ensure accurate fuel usage reporting and tax collection.

WEX Response: WEX routinely works with merchants, the processing networks, and point-of-sale providers to ensure product code accuracy and address issues. Once WEX becomes aware that there is an issue with a merchant(s), we work with all parties involved to identify the root cause and remediate it. For customers whose tax exemptions may be negatively impacted by a product code error, if WEX is able to definitively validate the product that was actually purchased, WEX will perform a transaction correction to ensure that either the exemption or reported taxes are accurate.

WEX also employs other tools, like WEX Fleet ClearView™, to assist both our Merchant Services Team, this team is responsible for working with merchants, networks and point of sales providers to remediate issues like product coding errors, and our customers to actively catch errors in merchant data, like bad product codes.

WEX Fleet ClearView™ is a dynamic a suite of powerful, cloud-based analytics solutions that automatically organizes, interprets, and intuitively displays fleet-related information. Critical data is presented in an intentional layout of simple and informative visualizations, helping fleet managers monitor operations, uncover card misuse and potential driver theft, understand trends, benchmark performance, investigate anomalies, and recognize cost-saving opportunities.

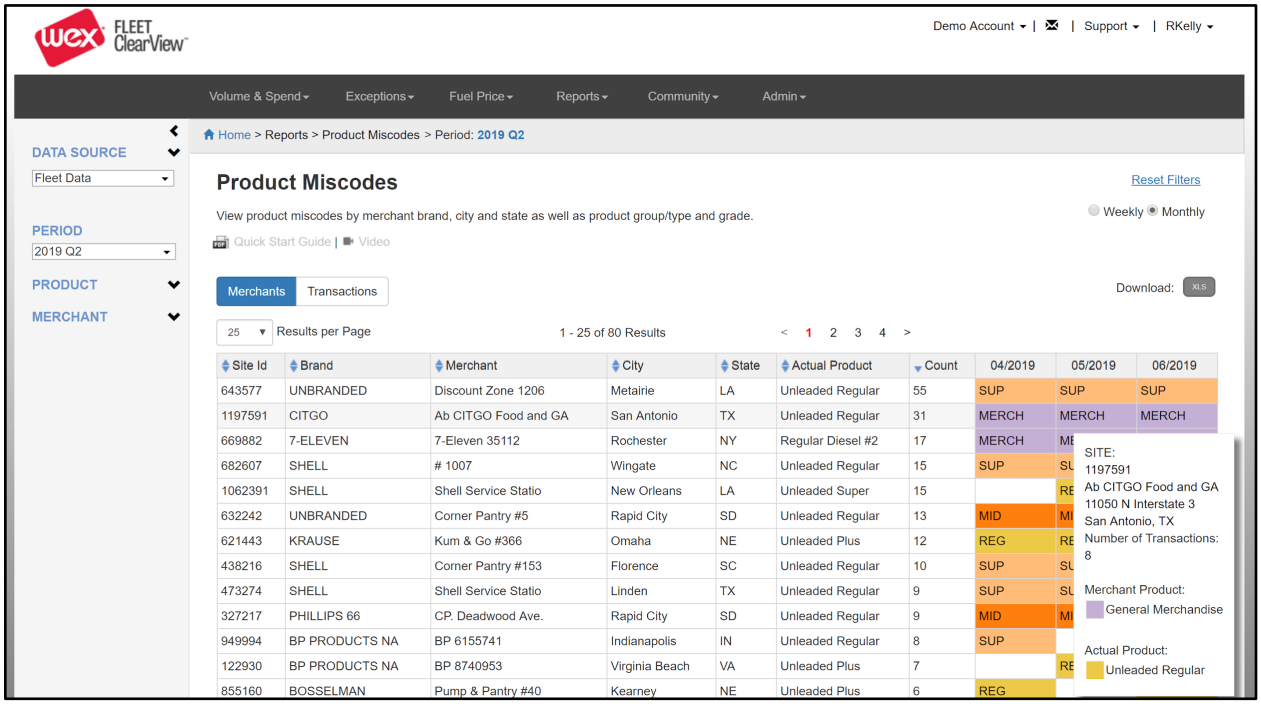
WEX offers the ClearView™ Essentials and ClearView™ Snap modules as part of our core product offering with extra no charge. Included in the ClearView™ Essentials module is a live product code cleansing algorithm fleets can utilize to proactively catch and see corrected product types.

Product Code Cleansing: The data scientists on the ClearView™ Team solved a long-standing, industry-wide issue by designing and developing a proprietary machine learning algorithm, which automatically detects and corrects inaccurate product codes transmitted by fuel merchants. The algorithm can make the following determinations with a 0.3% error rate:

- Categorize transactions by Product Group: fuel and non-fuel
- Categorize fuel transactions by Product Type: gasoline and diesel
- Categorize gasoline transactions by Product Grade: regular, mid-grade, premium

Corrected values are used in ClearView™ analysis, calculations, and exceptions reporting. You can trust your product-related data displayed in ClearView™ and use it to make informed and confident decisions. This corrected information is aggregated in the **Reports Module** and displayed in ClearView™ transaction tables. ClearView™ displays both the type, grade and product level information provided by

the merchant and the corrected values enabled by the algorithm. This information can be downloaded into Excel.



For information about how WEX handles disputed transactions, see our answer in 16.1.

☒ 3.20 (MS) - *Narrative Required: How does the system allow for controls around non-vehicle spending (i.e. food, drink, etc.) vs/ non-fuel vehicle purchases (i.e. parking, oil change, wipers)?*

WEX Response: The WEX Fleet card was developed to provide control and transparency. The card allows for fuel spending, non-vehicle spending at accepting locations within WEX's closed-loop network, and non-fuel vehicle spending -- along with the ability to discern between those various types of purchases -- to allow ONLY purchases that comply with an agency's policy or those that have been approved by a reviewer with permission to grant that level of approval.

One of the most significant advantages the WEX proprietary closed-loop card offers over an open-loop solution is our custom-built network that operates on product codes and not Merchant Category Codes (sometimes referred to as MCC codes). The WEX Fleet card can only be used at fuel and maintenance locations that accept the WEX card. This is the first line of defense against unauthorized or fraudulent spending, either of which could more easily occur with an open-loop credit card that can be used at any type of retailer.

WEX can ensure that all vendors accepting our cards comply with the same requirements and that data capture is tailored specifically to meet fleet customer needs.

WEX Fleet Cards and open-loop credit cards both offer fleet managers the ability to track and set controls on fuel spend. However, the WEX closed-loop solution provides more in-depth transaction data, greater flexibility and security, and tighter controls than open-loop credit cards.

Greater Access to Level III Data: All WEX-accepting merchants are required to be capable of transmitting Level III data, and that level of data is transmitted on 99.8% of transactions. When a driver swipes the card, the point-of-sale device prompts him or her to enter the Authorization Prompt ID and odometer reading. Level III line-item detail allows fleet managers to better track expenditures and facilitates cost analyses, vehicle life-cycle analyses, and overall fleet management.

For example, entering the correct odometer reading helps provide valuable vehicle information such as cost per mile, miles per gallon, vehicle operating costs, and intelligence for preventive maintenance schedules and vehicle replacements. It can also help streamline administrative operations, reducing the time and resources devoted to accounting.

Additionally, the WEX proprietary closed-loop network removes the need for fleets to have to perform site lockouts for merchants that do not transmit Level III Data on open-loop networks. Site lockouts can significantly reduce the number of accepting locations of an open-loop network card. This can be highly problematic for drivers utilizing open-loop solutions as they may pull up to a station that will decline their card due to merchant not being able to transmit Level III Data on an open loop solutions. This is not an issue for WEX's proprietary closed-loop network.

The WEX closed-loop proprietary network has an added advantage for government fleets eligible fuel tax exemptions. The IRS requires Level III Data to be included in that transaction data in order for a Credit Card Issuer to invoice a fleet net of the eligible taxes. These are typically Federal Excise Taxes for unleaded and diesel fuel and can have a significant impact to the bottom line for a fleet if they are not exempted up front by the fuel card provider. Transactions on an open-loop network where Level III Data is not present are not eligible for tax exemptions by the fuel card issuer.

Greater Security: The cardholder is required to enter an Authorization Prompt ID for each transaction. This helps prevent the card's use in case of loss or theft. Authorization Prompt IDs make fleet cards more secure and help limit internal and external fraud.

The Authorization Prompt ID can be linked to a specific purchase profile in WEXOnline®, providing further security by limiting expenditures to certain types of purchases, at specific dollar levels, and during specific timeframes.

Contrast this to a typical credit card, which usually requires no additional verification.

Card Types

WEX customer have the ability to choose between Fuel Only cards and Custom Control cards.

Fuel Only cards permit the purchase of fuel -- such as gasoline, diesel, or alternative fuels -- based on the coding in the card's magnetic strip. Non-fuel purchases are not permitted when non-fuel items are identified at the time of authorization. It does not prevent items such as car washes paid for at the pump as merchant devices do not send this authorization request to us.

Custom Control cards permit all allowed types of purchases, based on the coding in the magnetic strip, at WEX accepting locations. This includes fuel, maintenance, and other items, such as general merchandise. Fleet managers have the option to apply Product Type Controls, allowing certain product categories to be allowed or blocked. For example, "General Merchandise" could be deselected, allowing only Fuel and Parts/Service-related purchases. Custom Control Cards and Product Type Controls provide control over *what* your drivers buy, not just *where* they buy it.

WEX accounts may be comprised of all Fuel Only cards, all Custom Control cards, or a mix of the two. This enables fleet managers to issue the appropriate card type based on a variety of purchasing needs.

Purchasing Controls: WEX developed its own closed-loop acceptance network among merchants and can control transactions at the merchant-type level. The WEX card is accepted at approximately 135,000 fuel and maintenance locations across the US.

Most generic credit cards can control the type of merchant. However, WEX goes a level deeper and is able to control the product type being purchased.

Product Type Controls: Product Type Controls are groupings of like products separated by type such as services, fuels, oil and fluids, food, etc. These controls enable or disable access to specific product categories, within WEX's closed-loop network of fuel and service merchants. WEX uses Level III data to allow customized card controls that allow use only at certain times and/or on specific product types.

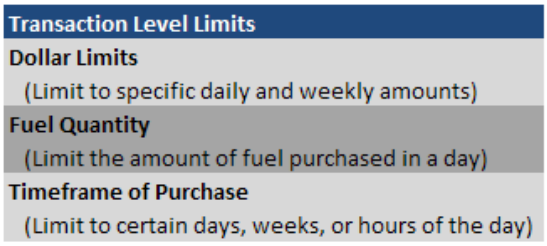
Product Type Controls
Fuel (always on)
Parts & Service
Quick Lube
Oil & Fluids
Roadside Assistance
General Merchandise

Fleet managers can then set spending limits at the transaction level: dollar limits, fuel quantity limits, and timeframe of purchase.

Product Type Controls enable the fleet manager to limit transactions within WEX's pre-determined network of fuel and service vendors. For example, the fleet can allow drivers to purchase fluids, like washer fluid or oil, and disallow general merchandise, like snacks and soft drinks. A typical credit card would be open to all gas stations, and any merchandise that is available in this retail

channel. For example, a driver could purchase electronics or snack food. This opens up the business to unauthorized expenses and program abuse.

Purchase Controls: WEX Purchase Controls allow fleet managers to control the amount and frequency of purchases at the card level. Defining limits helps a fleet manager detect and prevent unauthorized transactions, potentially saving your business money by limiting unauthorized purchases. Fleet managers can use these tools to establish daily, weekly, twice monthly, or monthly limits for fuel and service expenditures. If a transaction is outside of the set limit, it is logged and recorded at the point of sale or, in the case of hard controls, declined at the point of sale.



Purchase Control Tools *	Level
Per transaction dollar limit	Card
Per period dollar limits (daily, weekly, twice monthly, monthly)	Card
Per period # of transactions (daily, weekly, twice monthly, monthly)	Card
Total Fuel per period (daily, weekly, twice monthly, monthly)	Card
Total Non-Fuel per period (daily, weekly, twice monthly, monthly)	Card
Total Gallons per period (daily, weekly, twice monthly, monthly)	Card
Time of day (subject to server location's time zone)	Card
Day of week (subject to server location's time zone)	Card

**Enforcement of some limits depends upon adoption of specification and merchant participation.*

☒ 3.21 (MS) - *Narrative Required: How does your system track and account for maintenance services? What controls are available? How is the system accessed?*

WEX Response: As noted in our response to 3.20, the WEX system works off product codes that discern between what is being purchased. This includes maintenance services. If the WEX Product Type controls allow for maintenance services to be purchased in the card's assigned profile, then the corresponding product/service being purchased will be reported as any other transaction would. The controls in place are stated in 3.20 and maintenance services can be opted out of entirely as well should

those types of purchase be not allowed. All of these controls can be accessed through the WEXOnline® module.

Additionally, WEX also offers a tool we call WEXPay™ to provide drivers a mechanism that enables out-of-network purchases at an additional 398,000 merchants in the MasterCard® network. Typically used for independent or geographically remote fuel and service sites, WEXPay™ utilizes a virtual card interface to provide the control of a fleet card with the convenience of a credit card. This out-of-network tool reduces the number of out-of-network sites where drivers would have to use an alternative form of payment.

Using WEX*Pay™* in conjunction with a Custom Control fleet card lets you set the rules for your drivers. Custom Control cards allow you to set merchant, transaction, and even product type limits. We apply those limits to both WEX Fleet Card and WEX*Pay*™ MasterCard transactions. Expanded coverage combined with integrated reporting and invoicing will further streamline your fleet purchasing and operations.

How It Works

As a MasterCard issuing bank, WEX uses Single-Use Account Number technology to authorize a one-time payment to a merchant. The account number provided to the merchant by phone is fast and secure — good only for that one purchase.

When the merchant calls for authorization, we apply your purchase controls and collect the same level of purchase detail, including Prompt ID and odometer. We integrate the purchase details into your WEX Fleet Card invoice and reports. One card, one invoice, one report with the same controls and service our customers expect from WEX.

As an additional option for fleets that operate a call center type operation for maintenance approvals, WEX offers Purchase Log to facilitate payments to merchants that accept MasterCard®.

Lastly, WEX does offer an ancillary product that is separate from our fuel card offering that and completely optional for use that we call Purchase Log. Purchase Log is a web-based interface that allows fleet-designated staff to securely log in to WEX's MasterCard® settlement website and enter pertinent Level III data associated with a transaction (or invoice). This can include up to six entry fields for the fleet-specific data such as billing codes. Once the transaction information and payment amount is entered, a virtual card/single use ghost account with expiration dates and CVC2 values is presented. The fleet provides this to the merchant for payment. The Purchase Log product typically works well for fleets that operate a call center or central garage locations where an authorized fleet or service manager is working directly with service merchant locations who is servicing an asset of theirs. Purchase Log helps facilitate safe, secure, quick and easy payment. Additionally, it allows for maximum data capture to feed fleet management systems and removes the need for having to invoice on account, issue checks or other forms of payment.

Using the MasterCard® payment network, you see all requests and approve all transactions before they take place. You can give your managers different levels of approval, while maintaining control over larger purchases.

Purchase Log uses Single Use Virtual Accounts to make secure payments to vendors. It is a safe and secure method of paying your vendors that lowers the possibility of misuse or fraud, and significantly reduces your paperwork.

Purchase Log transactions appear on their own invoice and report since the program is separate from your WEX Fleet Card account. Reports can often be formatted to be imported into most customer accounting programs.

** Purchase Log purchases are subject to the MasterCard transaction processing rules and terms of use, including tax exemption rules and would be a separate account set-up.*

☒ 3.22 (MS) - *Narrative Required: In order to capture the available Level 3 data and as a protection against fraud, some Fleet Cards require user and/or vehicle verification when the card is 'swiped'. What flexibility does your system allow for Participating Entities to determine what verifications would be required at the 'card swipe'? What is required by your system?*

WEX Response: When a driver swipes the card, the point-of-sale device prompts him or her to enter the Authorization Prompt ID (required) and odometer reading. Level III data line-item detail allows fleet managers to better track expenditures and facilitates cost analyses, vehicle life-cycle analyses, and overall fleet management. The Authorization Prompt ID is flexible to allow for the input of driver ID information for cards assigned to vehicles or department or the input of asset/vehicle ID information for cards assigned to a person or department, yet this Prompt ID is required for authorization.

For example, entering the correct odometer reading helps provide valuable vehicle information such as cost per mile, miles per gallon, vehicle operating costs, and intelligence for preventive maintenance schedules and vehicle replacements. It can also help streamline administrative operations, reducing the time and resources devoted to accounting.

Requiring the cardholder to enter an Authorization Prompt ID, typically referred to as a Driver/Asset ID or PIN, for each transaction helps prevent the card's use in case of loss or theft. Authorization Prompt IDs make fleet cards more secure and help limit internal and external fraud.

The Authorization Prompt ID can be linked to a specific purchase profile in WEXOnline®, providing further security by limiting expenditures to certain types of purchases, at specific dollar levels, and during specific timeframes.

Contrast this to a typical credit card, which usually requires no additional verification. Additionally, if a merchant is not set-up to pass Level III Data on an open-loop network most times this additional prompting is non-existent.

WEX also offers flexible prompting at merchants who have adopted and coded to our most recent point of sale specification. This flexible or 3rd prompting allows fleets the option to ask for an additional field of data that is prompted at the pump. For example, this could be

for a job number, cost center, department code or any other piece of data a fleet may want to capture. This is an optional feature that can be opted in or out of.

Non-Mandatory Requirements – None.

☒ 3.23 (NM) – If capable, System will provide accurate Merchant latitude and longitude.

Non-Mandatory Scored Requirements

☒ 3.24 (NMS) - Participating States and Purchasing Entities have the need to capture their state's specific merchant diversity information (i.e. small business, minority owned, etc.) including Federal Diversity information.

Narrative Required: Does the system have the capability to add individual state diversity data to Merchant information as determined in the Participating Addendum? If so, explain in detail how that additional data would be added.

WEX Response: WEX has all of the source data behind our merchant diversity information and standard reporting. Should a Participating State or Purchasing Entity have a need to capture information specific to their state, WEX can provide this information on a state-by-state basis by building and delivering a custom report based on the individual state's specifications.

☒ 3.25 (NMS) - Ability for Contractor to initiate/create one-time overrides after hours with follow-up notification to Program Administrator.

Narrative Required: What is your systems capability to ensure drivers are not stranded, especially after hours, when attempting to purchase fuel or other necessary vehicle purchases?

WEX Response: The WEX Customer Service Department is open 24 hours a day, 365 days a year (366 days in leap years), the WEX Customer Service Department are WEX Employees hired by WEX, US based, fleet-trained in-house through a WEX training program, located in several call centers across multiple states and time zones and are always available to handle the needs of the fleet by calling the toll-free number 800-492-0669.

WEX has a No Driver Stranded (NDS) policy and will work with States and Agencies to tailor that policy at the time of account set-up to ensure it complies with that given fleets needs and own policies. This policy will be put into the WEX account notes available to our customer service representatives for account so that representative can follow the stated policy to assist a driver in need, help safeguard against possible misuse and appropriately notify a fleet when an occurrence may happen. NDS policy can include scenarios such as:

- Emergency and/or Extenuating Situations
- Out of Network
- Specific Agencies: State Police/Patrol, DOT, etc.
- Exceeding Authorization Controls
- Lost/Stolen Card
- Terminated Card

- Card Suspended for Fraud
- Card Suspended
- Driver is unsure of Vehicle ID but it is active
- Driver is unsure of Vehicle ID and it is not active
- Vehicle ID is terminated

In addition to the WEX NDS policy, WEX also offers a virtual card option to facilitate out of network payments called WEXPay™. WEXPay™ can also be used to facilitate a No Driver Stranded program. WEX*Pay*™ is a tool that enables out-of-network purchases at an additional 398,000 merchants in the MasterCard® network by utilizing a virtual card interface. Typically used for independent or geographically remote fuel and service sites, WEX*Pay*™ provides the control of a fleet card with the convenience of a credit card. This out-of-network tool reduces the number of out-of-network sites where drivers would have to use an alternative form of payment.

Using WEX*Pay™* in conjunction with a Custom Control fleet card lets you set the rules for your drivers. Custom Control cards allow you to set merchant, transaction, and even product type limits. We apply those limits to both WEX Fleet Card and WEX*Pay*™ MasterCard transactions. Expanded coverage combined with integrated reporting and invoicing will further streamline your fleet purchasing and operations.

The merchant would call the number on the back of the WEX Fleet Card, and the merchant will be routed MasterCard for a virtual payment. Use of WEX*Pay*™ is subject to MasterCard terms & conditions and enrollment at the time of account set-up.

Also, see our response to 3.26 for a description of WEX Emergency Roadside.

☒ 3.26 (NMS) - *Narrative Required: Does your solution offer roadside assistance? If so, describe the services provided, service level agreement (response time), and any additional benefits provided by the roadside assistance partner.*

WEX Response: Yes, WEX Emergency Roadside is an existing WEX service delivered through partnership with National Automobile Club (NAC), one of the premier service motor clubs in the United States. Their mission since they were founded in 1924 has been to render Emergency Road Service promptly, courteously, safely and efficiently. WEX Emergency Roadside is available to all WEX Fleet Card users, and it's free until you use it. Users must "opt in" using settings in their online profile. Service is available for any class of vehicle, including Class 7 and 8 vehicles.

Services include winching, fluid delivery, lockout services, towing, tire change, jumpstart and more. Benefits include no out-of-pocket expense for drivers, 24/7/365 service with toll-free call or by placing a digital service request, preferred rates and ease of pay through the WEX Fleet Card, coverage across the United States, Canada and Puerto Rico, with service right from the driver's seat using available mobile app access. Drivers can also call WEX

customer service to connected to NAC or call NAC directly. All they will need is their WEX card.

NAC will advise the driver of the quoted response time and an estimated amount for the needed service from the vendor they identify who is able to assist with their breakdown need. These times can vary, depending on the type of service needs and other circumstances like weather or emergency events.

☒ 3.27 (NMS) - Many states require Fleet Card services in rural areas and marinas where separate/proprietary network are not always available.

Narrative Required: How does your Fleet Card program address purchases in rural areas where the merchant may not be set up to accept a proprietary based Fleet Card?

WEX Response: WEX offers tool called WEX*Pay*™ to address out-of-network instances where a driver maybe in a rural area and the merchant is not set-up to accept our proprietary WEX Fleet card. WEX*Pay*™ is a tool that enables out-of-network purchases at an additional 398,000 merchants in the MasterCard® network by utilizing a virtual card interface. Typically used for independent or geographically remote fuel and service sites, WEX*Pay*™ provides the control of a fleet card with the convenience of a credit card. This out-of-network tool reduces the number of out-of-network sites where drivers would have to use an alternative form of payment.

Using WEX*Pay™* in conjunction with a Custom Control fleet card lets you set the rules for your drivers. Custom Control cards allow you to set merchant, transaction, and even product type limits. We apply those limits to both WEX Fleet Card and WEX*Pay*™ MasterCard transactions. Expanded coverage combined with integrated reporting and invoicing will further streamline your fleet purchasing and operations.

How It Works

As a MasterCard issuing bank, WEX uses Single-Use Account Number technology to authorize a one-time payment to a merchant. The account number provided to the merchant by phone is fast and secure — good only for that one purchase.

When the merchant calls for authorization, we apply your purchase controls and collect the same level of purchase detail, including Prompt ID and odometer. We integrate the purchase details into your WEX Fleet Card invoice and reports. One card, one invoice, one report with the same controls and service our customers expect from WEX.

WEX is always increasing its acceptance coverage for fuel, marina and service locations. Because we currently have acceptance at more than 95% of all U.S. fuel sites, our merchant acquisition strategy is driven by the needs of our fleet customers that require service in remote areas or acceptance outside of domestic coverage.

If a customer needs specific merchants added to the WEX accepting network, we will request the following information from the fleet:

- Merchant name
- Merchant address
- Merchant contact person

- Phone and fax numbers
- Expected utilization/volume from your fleet
- Name and phone number of fleet employee requesting WEX card acceptance

WEX will work with all interested parties in an attempt to gain acceptance at the location. This includes either direct agreements or acceptance through our partnerships with network sales organizations and acquirers.

** Purchases are subject to the MasterCard transaction processing rules and terms of use, including tax*

☒ 3.28 (NMS) - *Narrative Required: Is the Fleet Card able to run on a secondary (non-proprietary) network when the primary (proprietary) network is not available? If capable, explain in detail, how transaction data would be captured on the non-proprietary network.*

WEX Response: Yes, using WEX*Pay*™, as described in 3.27. When the merchant calls for authorization, we apply your purchase controls and collect the same level of purchase detail and Level III Data including Prompt ID and odometer. We integrate the purchase details into your WEX Fleet Card invoice and reports alongside all other purchases made with your WEX Fleet Card. WEX*Pay*™ transactions are denoted in reporting with MC to show they were processed using a MasterCard.

☒ 3.29 (NMS) - *Narrative Required: What transaction information is provided when purchases are run on the secondary (non-proprietary) network when the primary (proprietary) network is not available?*

WEX Response: See response in 3.28.

☒ 3.30 (NMS) - 2.20 Ability for a purchase to be executed via the standard (non-proprietary) network with Driver ID/PIN prompting.

Narrative Required: Explain in detail how a driver would be able to prompt the system to allow for a purchase to be completed on the standard (non-proprietary) network.

WEX Response: When a driver is utilizing WEX*Pay*™, the merchant will call into WEX customer service to receive a one-time use virtual card account number. When the merchant calls for authorization, we apply your purchase controls and collect the same level of purchase detail, including Prompt ID and odometer from the driver that is verified by the WEX Customer Service Representative while the merchant is on the phone with them. WEX then integrates the purchase details into your WEX Fleet Card invoice and reports. One card, one invoice, one report with the same controls and service our customers expect from WEX.

☒ 3.31 (NMS) - *Narrative Required: Can your Fleet Card solution be used to pay for electric vehicle charging stations? If yes, describe in detail how the card protections (limits, PIN, etc.) would be verified at the charging station.*

WEX Response: Yes, WEX has partnered with ChargePoint to provide Drivers and Fleet Managers/Program Administrators utilizing the WEX EV FleetCharge solution the ability to tie their WEX Fleet Card to an RFID tag or Mobile application. This integration allows fleets to obtain an EV charge at more than 66,000 ChargePoint locations.
The customer logs into the ChargePoint portal to connect the WEX card to the RFID card/fob provided by ChargePoint. The data needed to link a WEX account in the

ChargePoint online system will be the WEX account number found on the card (13 digits), the WEX card number found on the card (5 digits) and the expiration date found on the card (MM/YY). WEX will facilitate all needed payments to ChargePoint and integrate the available data with all other available transaction data through WEX. All verification comes through ChargePoint and the associated data with transaction is reported through WEX as we receive it from ChargePoint.
WEX is also varying stages of talks with other charging providers to bring on additional acceptance. Future integrations will include mobile and other applications to allow for additional prompting and authorizations. Should there be particular vendors/charging providers States or Agency identify as wanting to have card acceptance with, WEX will work with those various providers to establish acceptance wherever possible.

☒ 3.32 (NMS) - *Narrative Required: For proprietary systems (i.e. electric charging stations or other systems) describe the integration process with each vendor and how transactions are processed and reports available within your solution.*

WEX Response: Today, ChargePoint controls authorization for its charging stations. They send WEX a daily sales file containing all transactions made on a WEX Fleet Card and transactional data they have available for reporting. Transactions typically post to the customer's account within 48 hours. Customers will not see these transactions in the authorization details in WEXOnline for ChargePoint transactions, but all the details of the transaction available in the transaction detail (Excel/CSV) once the transaction has posted. The transaction will also show within the standard report set (PDF reports) WEX provides to fleet customers. Typical transactional data along with kilowatt hours and other available information is included in WEX reporting.

☐ 3.33 (NMS) - *Narrative Required: Can your Fleet Card solution be used to pay for parking stations? If yes, describe in detail how the card protections (limits, PIN, etc.) would be verified at the parking station.*

WEX Response: Almost all parking station point of sale (POS) devices are not currently capable of passing along Level III data as part of a transaction. To solve for this POS hurdle, WEX is currently in the process of applying our mobile payment capabilities, via the WEX Fleet DriverDash mobile application. Using mobile technology is a way to overcome POS limitations and facilitate payments that also include the requisite data. Currently, WEX mobile payments are accepted at 25,000 US fueling locations, and WEX is in the process of talking to several national parking providers. WEX's plan is to bring acceptance for parking, with Level III data, to customers in the near future.

4. SYSTEM UPGRADES –

Mandatory Requirements

☒ 4.1 (M) - Participating States/Purchasing Entities understand that as technology and regulations change, system changes will have to occur. Participating States/Purchasing Entities also assume that as a good partner, Contractor will actively and continuously improve the systems capabilities, functionality and usability including platform transition. Changes/upgrades will be made at no additional cost to the Participating States/Purchasing Entities.

When changes are made Contractor must, at a minimum, notify the Master Agreement Administrator (Lead State) and Statewide Program Administrator (Participating States), prior to changes being put in

place. Master Agreement Administrator and Statewide Program Administrator must provide approval of any notification communication prior to distribution to Users.

Mandatory Scored Requirements

☒ 4.2 (MS) - *Narrative Required: Detail how Participating States/Purchasing Entities are engaged in determining how to improve the online transaction management system.*

WEX Response: WEX engages with our customers in both the public and private sector on a regular basis to collaboratively create and improve WEX products and solutions. WEX product managers seek fleet input directly from customers through WEX's relationship management team for online input and improvements among many other WEX products and system. Products like WEX Fleet ClearView™ have grown directly from customer feedback and input.

WEX holds an annual Lead User Group conference. The Fleet Lead User Group is a broad group of fleet administrators and managers representing more than 50 organizations and government agencies nationwide. This group includes WEX's largest and most demanding fleets, and is focused on providing WEX direction on near-term products and services (typically 1-3 years out). In some cases, these fleets serve as WEX "beta testers" for new initiatives, and help identify important needs that might be unmet. The group conferences annually at WEX headquarters in Maine, and teleconferences regularly. Additionally, the group responds to "rapid-fire surveys" several times per year, answering questions regarding satisfaction with WEX products and services. This forum enables WEX to stay close to its largest fleet customers and maintain a clear understanding of the requirements necessary to keep products current and competitive.

As part of our Lead User Group, WEX also employs a Fleet Advisory Board. This is a targeted group made up of a cross-section of WEX's largest fleets. Its role is to represent the fleet industry with WEX senior leadership, and to provide key input, ideas and direction to advance WEX's leadership position in the marketplace. This group meets once or twice a year, and corresponds regularly via conference calls and email. Its focus is on strategic initiatives, looking out 3-5 years or more, to support WEX's continued growth efforts.

WEX will also employ frequent surveys to our largest customers. States' fleet and purchasing managers interact with our Strategic Relationship Managers (SRM) on a regular basis. Through these interactions and account review with SRMs, they will seek feedback or currently or desired products and online enhancement to bring back to WEX's product managers.

For users of WEX Fleet ClearView™, the Community Module allows you to network, collaborate, participate in discussion groups on fleet-related topics (i.e. positively impacting driver behavior or reducing fraudulent spend), pose questions, and share best practice information with your fellow analytics peers.

This module features Discussion Forums on a variety of fleet-related topics where users can collaborate and share information, a news feed of recent Community activity, the

ClearView University and an Events calendar, and a Resources section where content can be downloaded.
The Summary Dashboard (default or home view) contains important announcements, a news feed of recent posts from WEX Fleet ClearView™ users, and a schedule of upcoming training and events.
The Discussion Forums view contains a list of available forums. Navigate to this view by using the top navigation menu.
The Calendar view contains a list of free events and training that is open to all WEX Fleet ClearView™ users. Navigate to this view by using the top navigation menu. There are four different ways to view the events: Month, Week, Day, and Event Stream.
The Resources view contains informational assets, such as, Quick Start Guides, white papers, articles, images, and release notes. Navigate to this view by using the top navigation menu.

☒ 4.3 (MS) - *Narrative Required: Detail how standard (non-process changing) system upgrades/changes are communicated. What is the approach of the communication (timing, type, etc.) and what details are communicated?*

WEX Response: WEX conducts routine, frequent and multichannel messaging to customers, from posting news in the WEXOnline® module's landing page, to sending emails, invoice inserts, mailers, and regular communications from the WEX Relationship Management Team in order to communicate system changes. Any major changes, either systematic or policy related, are communicated well in advance of any change being implemented and WEX typically seeks feedback from fleets to measure what, if any impacts they experience.

Online Outage Notification: Display on Home Screen

English example

Due to scheduled maintenance, online access will not be available from 11:00 pm ET Friday, November 16 to approximately 8:00 am ET, Sunday, November 18.

French example

En raison de l'entretien prévu du site Web, l'accès en ligne ne sera pas disponible à partir du vendredi 16
Novembre, de 23 h (heure de l'Est) et du dimanche 18 Novembre à 8 h (de l'Est)

☒ 4.4 (MS) - *Narrative Required: Detail how Participating States/Purchasing Entities are informed of top-down directed changes to the online transaction management system. Explain how Contractor includes customer/user outreach and input prior to making system and program changes. What is the approach of the communication (timing, type, etc.) and what details are communicated?*

WEX Response: WEX does not engage in forced system changes without prior notice to the customer and collecting customer feedback as part of our assessment. WEX is proud of our long history of developing solutions and policies in close consultation and collaboration with our customers. We employ our Lead User Group, the advice of our Fleet Advisory Board and WEX Relationship Management Team to create and facilitate

conversation and feedback around any potential changes with customers to make sure they are engaged and have a voice in any decisions that may occur. As an example, WEX was able to avoid implementing extreme policies that could have proved detrimental to our Fleet Customers with the large increase in White Plastic Fraud (card skimming) the industry has seen over the past several years. Through this collaborative process WEX was able to manage implementing manageable safeguards with our customers where possible and at the same time WEX implemented new technologies to more effectively identify and catch fraud early on after a card had been compromised.

☒ 4.5 (MS) - *Narrative Required: Detail how system changes are communicated, specifically when those changes would impact the way in which data is accessed, reported, formatted, viewed, etc. What is the approach of the communication (timing, type, etc.) and what details are communicated?*

WEX Response: Similar to our responses in requirements 4.3 and 4.4, WEX employs advanced notification for system changes. These notifications are posted in the WEXOnline® module prior to going into effect. Additionally, participating states in this agreement would each have the services of a Premium Fleet Services Account Manager and Strategic Relationship Manager assigned to their account. As such, outreach of this kind would occur at least one week prior, via phone call and/or email to the primary contact at each participating entity from this team to ensure proper notification is received and there is time for questions.

☒ 4.6 (MS) - *Narrative Required: What training is available to system users when system changes are made?*

WEX Response: WEX provides multiple options and formats for training when system changes are made. Training can be customized as well to make sure they are relevant to at State or Agency's specific needs. The WEX Relationship Management Team will work with States and Agencies to ensure a training model is put in place that works to cover their needs. Examples of what is available include but are not limited to:

- advice from the Premium Fleet Account Manager and/or the Strategic Relationship Manager;
- in-Person or video conference calls;
- recorded training sessions that can be saved and shared on State or Agencies local libraries or intranet sites;
- online self-help videos
- contextual Help within the WEXOnline® and ClearView™ modules;
- "What's New" indicators/information embedded where relevant in WEXOnline® with each release; and
- contextual help tutorials and walk-throughs to support right in line with what managers are attempting to do online in WEXOnline® and ClearView™.

☒ 4.7 (MS) – Participating States will not accept forced/pushed 'top-down' process changes unless required by federal law. An example of a forced/pushed 'top-down' process change would be automatic shut off of cards on weekends, block purchases on specific days of the week.

Narrative Required: Detail how Participating States/Purchasing Entities are informed of top-down directed changes to the card accounts. Explain how Contractor includes customer/user outreach and input

prior to making process changes. What is the approach of the communication (timing, type, etc.) and what details are communicated?

WEX Response: WEX does not engage in forced system changes without prior notice to the customer and collecting customer feedback as part of our assessment. WEX is proud of our long history of developing solutions and policies in close consultation and collaboration with our customers. Although we can't foresee every scenario out there, WEX does not engage in forced process changes like the automatic shutoff of cards on the weekends, blocking of purchases on specific days or other drastic measures of this kind. We employ our Lead User Group, the advise of our Fleet Advisory Board and WEX Realtionship Management Team to create and facilitate conversation and feedback around any potential changes with customers to make sure they are engaged and have a voice in any decisions that may occur. As an example, WEX was able to avoid implementing any policies that proved extremely detrimental to our Fleet Customers with the large increase in White Plastic Fraud (card skimming) the industry has seen over the past several years. Through this collaborative process WEX was able to manage this process with our customer while WEX implemented new technologies to more effectively identify and catch fraud early on after a card had been compromised.

Non-Mandatory Requirements None.

Non-Mandatory Scored Requirements – None.

5. **REPORTING** – Participating States and Purchasing Entities must have the ability to generate reports including detailed transaction data. A system with robust reporting capabilities is required.

Mandatory Requirements

☒ 5.1 (M) - System must time-stamp authorizations and reports according to the time zone of the authorization location or report request.

☒ 5.2 (M) - System must allow Program Administrator or Cardholder to run a transaction detail report which includes all User-inputted data.

☒ 5.3 (M) - System must allow for reports to be accessible as defined by roles and access levels.

☒ 5.4 (M) - System must have the ability for reports to be available in multiple formats (e.g. PDF, text, Excel, HTML, browser).

☒ 5.5 (M) - System must have the ability to provide program and transaction data reports at various frequencies to meet each Participating State/Purchasing Entity's requirements including but not limited to:

- Daily
- Weekly
- Monthly (billing cycle and calendar)
- Quarterly
- Annually (fiscal and calendar)

☒ 5.6 (M) - System must have the ability to extract/download data at any given time so that a report can be generated. The data can be downloaded by the following areas:

- Purchasing Entity Name
- Department/program Name
- Cardholder name (if applicable)
- Last 4 -6 digits of Credit Card number
- Merchant Name
- Merchant Spend
- Merchant transaction number
- Product Code
- Date transaction occurred
- Date transaction processed
- Charge Amount
- Transaction reference number
- City in which the transaction occurred
- State in which the transaction occurred
- Accounting string (Fund, Organization, Account, Program, Activity, etc.)

☒ 5.7 (M) - System must have the ability to provide "exception reports" including, but not limited to:

- Merchant Overrides
- Bank Overrides
- Program Administrator Overrides
- Back-to-back transactions
- Fuel type
- Over tank capacity
- Maintenance transactions
- Odometer input
- Decline report
- Miscellaneous transactions
- Split Transactions
- Duplicate Transactions

☒ 5.8 (M) - Contractor must provide quarterly rebate report no later than sixty (60) days after the end of the quarter to the Statewide Program Administrator or other representative designated by the Participating State. This report, at a minimum must include:

- Participating State
- Purchasing Entity legal name
- Purchasing Entity Type (Agency, City, etc. as defined by the Participating State)
- Gross spend for the rebate period
- Any credits for the rebate period
- Any write-offs for the rebate period
- Net spend for the rebate period
- Net spend for each rebate type
- Incentive Share/Rebate Rate per rebate type
- Rebate amount by rebate type
- Total rebate paid to the Purchasing Entity and/or Participating State.

☒ 5.9 (M) - Contractor must be able to provide a rebate report that reflects the type of rebate applied to each transaction no later than sixty (60) days after the end of the quarter. This report, at a minimum, must include:

- Purchasing Entity legal name,

- Entity Type (Agency, City, etc. as defined by the Participating State)
- Transaction date
- Merchant name
- Merchant TIN
- Transaction amount
- Applicable rebate type
- Applicable rebate BPS
- Rebate amount earned

☒ 5.10 (M) - Participating States and Purchasing Entities may have additional transaction data and rebate reporting requirements, detailed in each Participating Addendum.

☒ 5.11 (M) - Contractor must provide an annual report to the Lead State reflecting total spend and National Annual Volume Rebate earned by Participating States for the calendar year.

Mandatory Scored Requirements

☒ 5.12 (MS) - System must have the ability to schedule on-demand and Ad Hoc reports.

Narrative Required: Describe in detail the process for ordering custom reports. If ordering reports can be done via the system, that action will need to be part of the demo.

WEX Response: The WEXOnline® module offers a suite of reports, both standard and Ad Hoc, to help slash the administrative time involved with managing fleet expenses and operations. These reports can be scheduled for timely delivery to users or to a Fleet Manager/Program Administrator, they can be scheduled to run daily, weekly or monthly. The suite of standard and Ad Hoc reports allows users the flexibility to access system generated reports quickly, or build a report to the specifications important to them, their job responsibilities and/or reporting requirements. Additionally, through WEX's relationship management team we can work with you to build customized reporting for many different kinds of specialized or specific reporting needs a State or Agency may have. WEX requires all accepting merchants to be Level III capable, a level of transaction data capture that provides the foundation for our superior reporting tools.

The major report categories we offer are:

- Management Reports
- Profile Reports
- Transaction Reports
- Exception Reports
- Benchmark Reports
- Billing Cycle Reports
- Ad Hoc Reports
- Authorization Detail Reports
- Standard Reports
- Customizable Reports

In addition to these reports, contact your Premium Fleet Services Account Manager, who has advanced query tools that satisfy complex reporting needs not covered by our standard reports, to order custom reports. WEX will be able to demonstrate this functionality in a Demo setting should the evaluation like to see what our WEXOnline® module is capable of.

☒ 5.13 (MS) - *Narrative Required: When data is not available in the system, what is the average turnaround time for requested reports?*

WEX Response: Average turnaround times can vary depending on the type of data/report being requested and when the request is made of WEX. However, typical requests and responses usually take less than 24 business hours and are answered the same business day. The WEX Relationship Management team will work with you on the initial request to ensure we are aware of any timelines, restraints or deadlines that the requesting State or Agency faces. Furthermore, whenever possible we communicate how long we anticipate a specific request to take. Some requests may require WEX to, for example, reach back out to a merchant for clarification or more information. This can add time, but is something WEX will work to communicate upfront with the requesting entity.

☒ 5.14 (MS) - *Narrative Required: Provide a complete list and description of all standard or 'canned' reports available and who has authority to view them. Include description of search capabilities criteria and methods available.*

WEX Response: The standard reports available in the WEXOnline® Reporting module are provided and described below. The authority to view various reports depends on the permissions assigned to a user within WEXOnline®. Search criteria and methods can vary based on the types of reports but they are typically searchable over a various levels in the hierarchy. Users can be limited to show only the levels of access they have within the hierarchy. Search criteria can include date ranges, report types, filter options, billing cycle, transaction date, posting date various other measures to populate the necessary data from the module.

Management Reports provide a view into the entire portfolio, illuminating trends and areas for possible savings. Available reports include:

Report Name	Description/Benefit	Mode of Delivery	Frequency
Major Fleet Activity Report	This report provides current and previous monthly summary information by account, by brand, outlining total spend, fueling spend, gallons, and average PPG. The report helps fleets identify which merchants they are using and whether they could save by switching to brands with a lower PPG.	WEXOnline	Monthly
Account Review	This report is a rolling 13-month review of data consisting of the following reports: portfolio summary, spend report, gallon report, fuel type usage snapshot, premium fuel gasoline spend, non-fuel spend snapshot, average price per gallon (gas and diesel), transaction report, activation report, brand report (gasoline, diesel and maintenance). This report allows fleets to identify areas of opportunity (such as excessive premium fuel use).	WEXOnline	Monthly
Opportunity Report	This report outlines savings opportunities by account, driver and/or vehicle by benchmarking purchases at a zip code level against the entire WEX portfolio. This report provides insight into where your drivers are fueling, identifying ways to save by fueling at lower cost stations near their routes.	WEXOnline	Monthly

Profile Reports provide fleet managers and administrators with a snapshot of the information available in our system at the time the report is run, making it easy to manage the inventory of accounts, cards, drivers, and vehicles and helping ensure that the information and status of each item is up-to-date. Available reports include:

Report Name	Description/Benefit	Mode of Delivery	Frequency
Account Profile	This report itemizes the accounts within your hierarchy and provides details including contact name, shipping information, total cards, total driver prompts, card type, accounts, org units, and total vehicle prompts. This report helps fleet managers ensure their accounts are set up as desired.	WEXOnline	On Demand or Scheduled
Card Profile	This report provides a broad view of cards across multiple accounts or focused on a single account. This allows fleets to monitor and review card data based on a comprehensive view of card attributes or just a few specific card details.	WEXOnline	On Demand or Scheduled
Vehicle Profile	This report provides a broad view of vehicles and assets across multiple accounts or focused on a single account. This allows fleets to monitor and review vehicle data based on comprehensive information, including account assignment, name, status, and date of last transaction.	WEXOnline	On Demand or Scheduled
Driver Profile	This report provides a broad view of drivers across multiple accounts or focused on a single account. This allows fleets to monitor and review driver data based on comprehensive information, including account assignment, name, status, and date of last transaction.	WEXOnline	On Demand or Scheduled

Transaction Reports provide fleet managers and administrators with a full range of authorization and posted transaction data to perform audits, trend analysis and data mining. This allows for simple ad hoc queries and more in-depth, customizable reporting to help you drill down to the data you need. Available reports include:

Report Name	Description/Benefit	Mode of Delivery	Frequency
Ad Hoc Transaction Details	This report is a simple, on-demand, ad hoc reporting tool that provides posted transaction details for a period of time you specify (up to 24 months). This tool is especially useful in viewing transactions associated with a particular billing cycle, or a quick way to look up something you are investigating. It has both filtering and sorting capabilities.	WEXOnline	On Demand
Ad Hoc Transaction Summary	This report is a simple, on-demand, ad hoc reporting tool that provides posted transaction details at a summary level for a period of time you specify (up to 24 months). This tool is especially useful in viewing a summary of information by account, card, or brand, with an ability to then drill down into transaction details to get more information.	WEXOnline	On Demand
Transaction Management	This report is a comprehensive, highly customizable, transaction-level report that allows you to analyze usage at certain merchants or within specified dollar amounts or within selected accounts. It allows for a broad set of filters, and the ability to select and sort the fields you care about.	WEXOnline	On Demand or Scheduled
Authorization Activity	This report provides a direct view of authorization activity, which is posted in real-time in our system. This detailed authorization data helps you make informed decisions and perform analysis to help manage and enforce driver purchasing policies. It is also an excellent tool for assisting drivers on the road who may have encountered a “decline” at the fuel pump, but are unsure why.	WEXOnline	On Demand or Scheduled

Managing by exception is an excellent way to save time while ensuring your policies are being followed in the field. **Exception Reports**, when paired with card controls, help you manage your program by identifying potential fraud or abuse. Available reports include:

Report Name	Description/Benefit	Mode of Delivery	Frequency
Ad Hoc Exceptions	This report is a simple, on-demand, ad hoc exception reporting tool that provides the ability to view posted transaction details for a variety of exceptions. Some of the options include: high octane fuel, weekend purchases, and number of gallons or number of transactions per period. The tool has both filtering and sorting capabilities.	WEXOnline	On Demand
Flexible Exceptions	This report provides a comprehensive set of exception parameters for posted transactions upon which you can be alerted. Any transactions that meet the threshold you have set will be captured on a report for your review. Additionally, you can choose to receive an email once a day notifying you that an exception has occurred. This tool is effective in identifying possible fraud or abuse of cards.	Email and WEXOnline	Daily capture of transaction details; on demand report viewing
Real Time Alerts	This tool allows you to set parameters within your Authorization Profiles so you can be immediately alerted when a transaction falls outside of that parameter. An email will be deployed to notify you of what has occurred, in near real-time, and it will also be available for review in an online report. This tool is very effective in identifying possible fraud or abuse as the transaction is occurring.	Email and WEXOnline	Emailed as threshold is exceeded; on demand report viewing

Benchmarking Reports provide a way for fleets to understand how their purchasing behavior compares to others, with insight into the types of merchants being used.

Report Name	Description/Benefit	Mode of Delivery	Frequency
Minority and Women-Owned Business Report	This report provides monthly roll-up of transactions, gallons, and dollars spent at minority- and women-owned fueling and service sites. This report is useful for those fleets that are tracking their minority spend and have a program to increase spending at minority- and women-owned businesses.	WEXOnline	Monthly
WEXIndex™	WEXIndex™ is an index and report published by WEX for the price per gallon of certain fuel types in a given month. Our customers use this report to understand pricing trends in the industry. Within the Account Review (see above under Management Reports), it is used to benchmark your fleet's pricing behavior vs. the national average for the specific fuel type. This tool is an excellent way to help your drivers make good choices on where they fuel and where fueling costs can be reduced.	WEXOnline	On Demand

Billing Cycle Reports accompany an invoice to assist fleets in reconciliation before making payment. They are available in a variety of formats, giving the fleet the ability to choose the format that is most beneficial. Available reports include:

Report Name	Description/Benefit	Mode of Delivery	Frequency
Purchase Activity Report	This is our standard billing cycle report that accompanies each invoice, with a roll-up by card or department. It can be retrieved online and is in a PDF format. It consists of several key elements:	WEXOnline	With invoice, at cycle close

	• Purchase Activity: by card transaction details for that cycle • Financial Summary: financial roll-up of spend by account, fuel and non-fuel • Site Summary: roll-up of purchase behavior by brand, with totals • Tax Exempt Summary (tax exempt fleets only): roll-up of exempted and reported transactions by jurisdiction and fuel type		
View Details	This is our standard transaction detail report that is available online and accompanies each invoice. The report can be downloaded into Excel or CSV as needed and provides an easy way for fleets to reconcile their transactions with their invoice. Also provides the ability to download for additional filtering or archiving.	WEXOnline	With invoice, at cycle close
WEXLink	WEXLink is a comprehensive data file available to fleets that wish to import transaction details into their systems. It can serve as simply a report, or as a billing and reporting file. (See description below in requirement 6.6)	WEXOnline, FTP, or Email	With invoice, at cycle close

☒ 5.15 (MS) – System must capture and report sales by Product Code (PC).

Narrative Required: If PC Type reporting is available, please explain how this reporting would be conducted and what information would be provided.

WEX Response: WEX does capture and report sales by Product Code (PC). PC type reporting is available through WEX, is accessible in multiple places and formats. WEX's reporting tools in WEXOnline®, ClearView™ and in WEXLink™ files all contain Transaction Data that is inclusive of the product codes as reported to WEX by the merchant. WEX utilizes product coding standards set by the National Association of Convenience Stores (NACS).

WEXOnline® contains multiple reports that are available either via standard reporting or custom reporting that includes PC information. WEXOnline® Exception Reporting can also be set-up to trigger against unwanted or closely watch product grouping to alert a Fleet Manager/Program Administrator when an unwanted purchase may have occurred.

WEX Fleet ClearView™ Essentials module allows user with access and the appropriate permissioning to search and reports on Product Codes easily and quickly with in the dynamic analytics platform. PCs can be easily searched by Product Group, Product Type, Product Grade and Product Name.

Most of our larger fleets choose to receive billing and transaction data in the form of WEXLink™ file. This is an electronic file that provides customers with transaction data on a daily, weekly, or monthly basis via the internet (i.e. SFTP). The data is provided in a flat file and includes extensive detail for both fueling and service transactions, enabling fleets to analyze vehicle, driver and purchase information, and to reconcile monthly invoices. WEXLink™ files are designed specifically for fleet customers who want to perform detailed analysis and reporting on their fleet accounts within their own systems.. This file can be merged with your existing information management system, making it easy to track costs. Product Code information is available as Transaction Data report.

See table in Answer 6.6 for a summary of available reports, including Product Code reporting.

☒ 5.16 (MS) - Contractor must be able to provide comparative rebate reporting comparing the previous quarterly and annual rebates to the then current quarter/year.

Narrative Required: If comparison reporting is available, please explain how this reporting would be conducted.

WEX Response: WEX's system allows for robust account structures and reporting functionality, including the reporting of rebate earnings that provides a full breakdown of a rebate for a given time period. These reports can be structured to compare the previous quarterly and annual rebates to the current quarter/year. Your WEX Premium Fleet Services Account Manager along with your dedicated Strategic Relationship manager will work with you at the time of implementation, or at any point during the life of the contract, to set up or modify reporting to ensure it satisfies the needs on an individual State or Agency.

Non-Mandatory Requirements – None.

Non-Mandatory Scored Requirements

☒ 5.17 (NMS) - If capable, system must provide sales by merchant type (i.e. small business, minority owned, etc.) including Federal Diversity information.

Narrative Required: If Merchant Type reporting is available, please explain how this reporting would be conducted and what information would be provided.

WEX Response: WEX's Minority and Women-Owned Business Report provides monthly roll-up of transactions, gallons, and dollars spent at minority- and women-owned fueling and service sites. This report is useful for those fleets that are tracking their minority spend and have a program to increase spending at minority- and women-owned businesses. This report is delivered via WEXOnline®.

In addition to WEX's Minority and Women-Owned Business Report Purchase Activity Report, delivered via WEXOnline® at the close of every billing cycle, is our standard billing cycle report that accompanies each invoice, with a roll-up by card or department. It can be retrieved online and is in PDF format. It consists of several key elements:

- Purchase Activity: by card transaction details for that cycle
- Financial Summary: financial roll-up of spend by account, fuel and non-fuel
- Site Summary: roll-up of purchase behavior by brand, with totals
- Tax Exempt Summary (tax exempt fleets only): roll-up of exempted and reported transactions by jurisdiction and fuel type

6. DATA TRANSFER/INTEROPERABILITY

Mandatory Requirements

☒ 6.1 (M) - System must be accessible in accordance with Section 508 (Section 508 of the Rehabilitation Act (29 U.S.C. 794d), as amended by the Workforce Investment Act of 1998 (P.L. 105-220), August 7, 1998) - accessibility.

☒ 6.2 (M) - System must be supported (at a minimum) by Internet Explorer, Edge, Firefox, Safari, Chrome.

☒ 6.3 (M) - System must allow for downloads, data transmissions, and integration in support of non-standard/standalone financial management systems, including legacy systems.

☒ 6.4 (M) – System must have the ability to interface with legacy fleet management systems at no charge to customers including, but not limited to:

- Asset Works (Maximus, M4 and M5)
- Faster
- VMTS
- SAP

Mandatory Scored Requirements

☒ 6.5 (MS) - System must be able to provide Fleet Card information and transaction detail in a format compatible with all Enterprise Resource Planning (ERP) or e-procurement systems utilized by any Participating State/Purchasing Entity that is part of this Master Agreement. Those systems include, but are not limited to any SAP, Banner, Oracle, Periscope, or PeopleSoft systems.

Narrative Required: Describe the interoperability and flexibility of the system that will allow for interoperability with the systems listed and how the system will be able to be interoperable with other future ERP type systems not listed here.

WEX Response: WEX can deliver data in a flat file format, or WEX*Link*™ file, as well as downloadable formats out of our WEXOnline® module in CSV and XLS formats. These file types make it easy to import data into any back-office system -- including, but not limited to, SAP, Banner, Oracle, Periscope and PeopleSoft -- for thorough reporting and analysis. Additionally, WEX can perform custom file work to help meet a State or Agency need.

☒ 6.6 (MS) - Contractor shall be able to provide, at no cost, the entire ~~banking information flat file~~ transaction data collected by the merchant at the frequency requested by the Participating State or Purchasing Entity in accordance with standard File Transfer Protocol (FTP). At a minimum, file outputs must include CSV (comma delimited) format and XLS.

Narrative Required: What file types does your system ~~flat file~~ support for transaction data transfer?

WEX Response: Most of our larger fleets choose to receive billing data in the form of WEX*Link*™, an electronic file that provides customers with transaction data on a daily, weekly, or monthly basis via the internet (i.e. FTP). The data is provided in a flat file and includes all available information made available by the merchant with extensive detail for both fueling and service transactions, enabling fleets to analyze vehicle, driver and purchase information, and to reconcile monthly invoices. WEX*Link*™ files are designed specifically for fleet customers who want to perform detailed analysis and reporting on their fleet accounts. This file can be merged with your existing information management system, making it easy to track costs. File outputs include CSV (comma delimited) format and XLS. The file can be set-up for delivery on a frequency suitable for the participating State and/or Agency.

Some of the detailed transaction information included in the WEX*Link*™ billing file is:

WEX*Link* File Data Summary			
Transaction Data	***Site Data***	***Vehicle Data***	***Driver Data***
Product code	Site name	Vehicle number/ID	Driver ID
Product name	Brand name	Vehicle plate number	First name
Transaction date	Site address	License plate state	Last name
Transaction time	Site city	Odometer	
Transaction number	Site state		
Fuel type	Site zip code		
Unit of measure	Private site quantity		
Unit cost	Private site transaction		
Quantity purchased			
Gross dollars			
Exempted tax			
Reported tax			
Invoice number			
Billing period			
Account number			
Code tracking*			
Non-fuel purchases			

☒ 6.7 (MS) - System must have the ability to create custom extract files/mappers at no charge to the customer for automatic feed into their financial systems (i.e. SAP, Oracle, SMFA, SQL, PeopleSoft, Excel, etc.). This custom file will be created in such a manner that it can be imported into the Purchasing Entity's financial system with no interaction, special programming, or manual entry of transaction data.

Narrative Required: Describe, in detail, the process for setting up custom file delivery/acceptance as described in the requirements above. At a minimum include:

- *Request process*
- *Roles & Responsibilities of the Purchasing Entity*
- *Roles & Responsibilities of the Contractor*

WEX Response: WEX, at no charge to the customer, is able to create custom files that are capable of being imported into financial systems. The WEX IT Team can build custom files that are delivered via SFTP, email or mailed to a customer. The file types we can build and support are fixed length, CSV, Excel and PDF files. The files will be built to specs provided by the customer to match what they need the file to look like to minimize coding on their side to load the files. The files can be delivered on a variety of frequencies from daily, weekly, monthly (on any day of the month) and billing cycle. This work does have to go through a slotting and prioritization process. Customers should make requests through the Relationship Management Team. The Purchasing Entity/Customer will need to clearly detail what it is they are looking for and how they need to receive the customize file. The Contractor will build the file and work through a

testing process with the Purchasing Entity to ensure the file work prior to them being put into production. Changes to a file would follow a similar process.
The WEXOnline®system also offers customization of data for reporting and export. The specification would be based on the standard data fields provided by WEX. These reports can be scheduled for export to CSV or Excel format and can be emailed to individuals or multiple people. Depending upon account set-up, they can also be sent to a WEX SFTP for retrieval.

Non-Mandatory Requirements – None.

Non-Mandatory Scored Requirements – None.

7. SECURITY & CONFIDENTIALITY

Mandatory Requirements

☒ 7.1 (M) - System must be PCI DSS compliant throughout the term of the Master Agreement.

☒ 7.2 (M) - System Electronic Data Interchange (EDI) standards must be compliant with ANSI ASC.

☒ 7.3 (M) - Contractor must keep Participating State, Purchasing Entity, and Cardholder information confidential and may not share, use, or sell data acquired through the execution of this Master Agreement or affiliated Participating Addendum.

Mandatory Scored Requirements

☒ 7.4 (MS) - *Narrative Required: Describe what cyber security protocols are in place to protect the system from hacking, information release, etc.*

WEX Response: WEX's Information Security Organization is responsible for safeguarding the confidentiality, integrity and availability of physical and electronic information assets. The overall objectives for information security at WEX include:

- Ensuring the confidentiality, integrity and availability of WEX's information assets.
- Managing controls to safeguard WEX's information assets against unauthorized use, access or disclosure.
- Maintaining business resiliency in the event of a disaster or security incident.
- Managing a control environment consistent with commonly accepted industry standards and frameworks including ISO 27001, PCI-DSS, SOX/404, and NIST.
- Managing risks related to the use of external service providers and related third parties.

WEX's Information Security organization has adopted the ISO 27001/27002 framework for protecting information assets. The framework and related control activities have been established using a risk based approach aligned to enable the business and support strategic priorities.

As such, the Information Security framework includes the following:

ISO 27001 Domain	Representative WEX IS Capabilities
Information security policies	Corporate IS Policy, Acceptable Use, and extensive IS standards and procedures
Organization of information security	VP CISO reporting to the audit committee with functional groups including access management, threat management, risk management, business resiliency and architecture and engineering.
Human resource security	Background checks, training, management oversight
Asset management	Asset inventories maintained, data classification, and media handling controls
Access control	Provisioning and recertification controls limit access based on need to know and enforce stringent password and segregation of duties requirements
Cryptography	Encryption of relevant data in transit and at rest based on data classification
Physical and environmental security	Physical access and environmental controls
Operations security	Procedures, anti-virus, backups, change management, capacity management, logging, vulnerability management
Communications security	Network controls, network segmentation
System acquisition, development and maintenance	System development methodologies, secure coding training, security engagement into the project management lifecycle
Supplier relationships	Review of key third party service organizations to include right to audit and review of SSAE16, PCI and related reports
Information security incident management	Incident management, security investigations, and eDiscovery capabilities
Information security aspects of business continuity management	Formal business continuity and disaster recovery programs including periodic testing and business resiliency controls
Compliance; with internal requirements - policies, and with external requirements - laws	PCI-DSS, SSAE16, SOX/404, NIST, Data Protection Laws, data loss prevention controls

In terms of administration and governance, WEX has established a Global Chief Information Security Officer who reports to the Board of Directors Technology Committee and administratively through the Chief Technology Officer. WEX's security function includes Governance, Risk and Compliance, Identity and Access Management, Security Architecture, Security Engineering, and Business Continuity/Disaster Recovery functions. The Security

framework is reviewed regularly and updated at least annually to respond to the rapidly evolving threat landscape.

WEX has also contracted with a Managed Security Service provider to perform 24x7 real time threat intelligence, security monitoring, and incident response capabilities.

☒ 7.5 (MS) - *Narrative Required: If data is breached, how are the Participating States and Purchasing Entities notified?*

WEX Response: The WEX Crisis Management Team ensures notification requirements are assessed by the legal and compliance teams and facilitates all required notifications via the appropriate channels to those who may have been impacted by any data breach.

☒ 7.6 (MS) - *Narrative Required: If data is breached, what protocols are in place to protect the Participating State's and Purchasing Entity's information?*

WEX Response: In the event of a data breach the WEX Crisis Management Team engages immediately to implement the WEX Business Continuity Plan (BCP) to triage the level a potential breach and immediately safeguard all customer, State and/or Purchasing Entity's information. WEX has a BCP for each line of business across our organization, and this plan is customized to meet the unique needs of WEX customers across our organization in a given line of business. The WEX Business Continuity Plan ensures that WEX employees, and the physical and information assets entrusted to us by our clients are protected by viable response and recovery plans. The Corporate BCP takes an all hazards approach to the assessment of risk posed to critical business functions and develops comprehensive plans that provide for effective recovery from a disruption of critical business functions. The plans are tested before implementation and exercised regularly thereafter to ensure their viability and continued improvement.

In instances of fraud or card skimming, WEX works in a similar manner to ensure accounts and customer information is shut off and safeguarded. See discussion of WEX's fraud detection system, SaferPayments, in our response to Question 15.4.

☒ 7.7 (MS) - Contractor must provide and maintain an appropriate information security program to prevent the unauthorized disclosure, misuse, alteration, or destruction of confidential information.

Narrative Required: Describe in detail the information security program including, but not limited to the protection of:

- *cards*
- *account numbers*
- *passwords*
- *personal identification numbers*
- *transactions*

WEX Response: As part of the WEX BCP, WEX has in place an information security program that exists to safeguard both WEX and WEX customers from the unauthorized disclosure of information, especially sensitive information. This includes unauthorized disclosure, misuse, alteration or destruction of confidential information. The WEX Information Security Program outlined below covers the protection of cards, account numbers, passwords, PINs, transaction data, among many other sensitive systems and information.

The WEX production data center is a secure facility, accessed by badge readers and monitored by CCTV. The facility is staffed 24x7x365. The WEX data center has a Tier III rating as specified by the uptime institute. WEX visitors and maintenance personnel are only allowed access to data center facilities with an authorized escort and approved business need.

WEX has an ISO 27001/27002 based Information Security Program that includes robust access controls, security monitoring controls, governance, risk and compliance, backup and recovery capabilities, regular penetration testing and vulnerability scanning, strong physical and environmental controls, policies and procedures, and security awareness training. Policies and standards are reviewed and updated annually. Procedures are owned by the individual teams and are required to meet the standards and also be approved by their management.

WEX also obtains a SSAE16 SOC1, PCI-DSS certification over our WEXOnline® platform, and is subjected to regular reviews and oversight by Internal Audit, External Audit, FDIC Examiners, and various third parties.

The SSAE16 SOC1, PCI-DSS certification governs WEX security protocols for how we handle customer information like cards, account numbers, passwords, personal identification numbers and transaction data.

Vendor Access

WEX has a Vendor program that establishes the following review and oversight areas: Information Security service provider review, Procurement review, and Legal Department review that must be performed prior to a third party being approved. Logical access is then requested by the WEX manager that owns the relationship with the third party and provisioned by a systems access group.

System Patches

System patches, including service packs and security fixes are reviewed and approved following standard change management processes. Relevant patches are applied as soon as practical given maintenance windows, risks, etc. Not all updates are relevant in every environment, so each is evaluated for relevance and risk before implementation.

Protection From Attacks

The OWASP standards are built into development processes and manual testing is performed in addition to peer review as required by our SDLC. WEX uses an automated dynamic application security testing (DAST) solution that scans web applications to find vulnerabilities and provide guidance on remediation.

WEX receives vulnerability announcements, for relevant systems, from vendors, third parties, NIST, FDIC, FBI, and other threat feeds and has a dedicated security operations team managing and maintaining the vulnerability management program. The Vulnerability management

procedure requires a ticket to be generated and assigned to Information Technology operations teams for patching.

Logging and Log Monitoring

Logs are aggregated and correlated using an on premise, commercially available, SIEM platform. Logs are kept for one year. Additionally, WEX has managed services contracts with a well known global service to assist in monitoring and responding to log events.

Remote Access

Remote access to WEX networks from a non-trusted network requires an authorized device, the use of VPN and two-factor authentication.

Network based intrusion detection is used at critical points of the network infrastructure. Network access control has been implemented to ensure only authorized devices that have the correct security posture are admitted onto the network.

Media Destruction

WEX utilizes a third-party vendor for media destruction. WEX also has onsite degauss capability that meets Department Of Defense requirements for media sanitization.

Access

Access is granted through the provisioning of a unique user ID, with least privilege rights granted. Requests are approved by a user's manager, and provisioned by a systems access group. Initial logon requires a password change, and access is disabled upon termination. Key password parameters: Min. Length of 8 characters must choose 3 out of the 4 of the following: capital letter, lower case letter, number, special character.

Lock out is three unsuccessful attempts and expiration is 90 days. User authentication can be performed, depending on the application, by: Active Directory, LDAPS, or Oracle access manager.

Encryption Policies and Standards

WEX encryption policies and standards govern encryption for data in transit and/or at rest. Standard algorithms are AES 256 and 3DES. WEX SAN data is encrypted at rest using AES256 and mobile devices utilize whole disk encryption. For web applications, SSL is used between web servers and the browser. Console access is SSH.

Incident Response

WEX has an incident response policy, standard, and procedure that is reviewed, approved, and tested yearly. Procedures contain: incident handling, incident detection and analysis, incident categorization,

incident analysis, incident documentation, incident prioritization, incident notification, containment, eradication, and recovery, evidence gathering and handling, identifying the attackers, eradication and recovery, and post-incident activity using collected incident data

Subcontractors

The WEX Legal Department, in conjunction with Procurement, performs contract review for service providers and has standard legal language in all contracts that address our security requirements and expectations of subcontractors.

☒ 7.8 (MS) - *Narrative Required: Describe, in detail, how Contractor secures and prevents unauthorized disclosure, misuse, alteration, or destruction of confidential information.*

WEX Response: WEX employees multiple levels of security with our contractors depending on the level of access they require. WEX prevents unauthorized disclosure, misuse, alteration or destruction of confidential information by utilizing the security protocols and proprietary technological advantages described above for both WEX and our Contractors. See responses in 7.1, 7.5, 7.6, 7.7 and 15.4 for more detail.

☒ 7.9 (MS) - *Narrative Required: Describe, in detail, disaster recovery plan (i.e. data breaches, system errors and resolution plans, timeframe for data restoration, backup in case of power failure, etc.).*

WEX Response: WEX's Organizational Resilience Program Overview was created to provide clients with information identifying and defining the resiliency roles and responsibilities of WEX and our clients in the event operations are impacted due to disruption or disaster. WEX employs multiple call center locations across the country to ensure a given event in one area or region will not render another in operable. The same goes for WEX's authorizer that validates and approves transactions. Both are on separate power grids and housed in multiple locations across the country. In addition to some of these basic precautions, see our business continuity plan:

Overview

The WEX Business Continuity Plan includes well–defined and documented procedures, designed to respond to unforeseen events. WEX utilizes a step-by-step, standardized incident management process that ensures all requirements relating to proper response, escalation, notification and resolution of a disruption of any type are met. The WEX BCP utilizes the ISO 22301 framework and is integrated with WEX physical and information security, and risk management systems. The WEX BCP adopts a process approach for establishing, implementing, operating, monitoring, reviewing, maintaining, and improving the organization's organizational resilience management system.

Review Policy

Oversight of business continuity planning is assigned to the Director, Organizational Resilience who ensures that plan updates are completed and that the plan is tested and remains current and relevant.

Objective

The objective of the WEX BCP is to provide a comprehensive and systematic process of prevention, mitigation, preparedness, response, continuity, and recovery that provides an on-going, dynamic, and interactive process that serves to assure the continuation of the organization's critical business functions before, during, and after a disruptive event.

The BCP allows WEX to: effectively manage disruptions; provide efficient notification to personnel, clients, business partners, service providers and vendors; ensure organizational stability; provide well-defined and documented incident management procedures to minimize decision making during a disaster; ensure regulatory and legal compliance; and ensure regular testing of response/recovery plans.

Recovery

Summary

The WEX BCP provides well defined and documented procedures which provide the incident management team with the ability to effectively and efficiently manage the recovery process during and after a disruption of service to our clients. By implementing the pre-planned procedures, our incident management team can work together in an expedient and effective manner to resolve any unforeseen incident and ensure that the impact to our clients is minimized.

Alternate Processing Sites

WEX utilizes a combination of cloud and physical infrastructure to ensure resilience and recoverability of production systems across the globe. Each primary production system is designed to be highly available and resilient by utilizing HA architecture within each data center or by duplicating systems across multiple cloud availability zones as well as a corresponding disaster recovery solution to ensure recoverability of production systems.

The WEX call center will staff the alternate processing sites with operational support staff, technical, telecommunications, and administrative support personnel. WEX will maintain a fully functional Emergency Command Center at each location to provide redundancy for incident command.

Plan Organization

Overview

The WEX BCP consists of multiple plans that outline physical security, emergency response, and recovery responsibilities, tasks, and procedures to be used throughout recovery efforts for our business locations and data centers.

WEX utilizes multiple industry recognized automated resiliency tools and services to ensure global situational awareness, effective preparation, communication and collaboration across the enterprise related to resiliency planning, testing and incident management.

Business Unit Plans
The business unit plans contain the recovery tasks and the action items required to recover the functions of each critical business unit.

Technology Plans
The technology plans identify the responsibilities, recovery tasks, detailed logistics and action items vital to recovering the critical applications and network infrastructure that supports our business units.

Emergency Response Plans
The emergency response plans identify the responsibilities and action items required for initial response to incidents and focus on preservation of life and safety of WEX employees and clients, as well as, the safeguarding of physical and information assets.

Corporate Incident Management System (IMS)
By allocating resources and providing a standardized incident management structure for all affected locations, the IMS identifies the Emergency Operations Center (EOC) responsibilities and activities that will assist the crisis management and recovery teams throughout the recovery effort. The responsibilities and tasks contained in the IMS are performed at the designated EOC.

Crisis Communications Plan (CCP)
The crisis communications plan provides procedures for the management and coordination of communications within WEX and externally to WEX clients and external stakeholders.

Pandemic Plan
The WEX Pandemic Plan lays out the strategic approach and preparations for influenza or other infectious disease pandemic. The plan is designed to minimize the risk to the health and safety of WEX employees and customers and ensure the continuity of business operations.

The plan includes recommendations from the Centers for Disease Control (CDC) and includes tactics for addressing workforce and facility impairment, notification of employees, and clients in the event of plan activation.

Support Plans
The support plans identify the responsibilities and recovery tasks required to provide emergency travel, financial, human resource, damage assessment, and salvage activities.

Evaluation and Testing

Summary

WEX will evaluate organizational resilience plans, procedures and capabilities through periodic assessments, testing, After Action Reports (AAR), performance evaluations and exercises.

Monitoring and Measurement

WEX will establish, implement and maintain performance metrics and procedures to monitor and measure, on a regular basis, characteristics of its operations that have a material impact on its performance, including partnership and supply chain relationships. The procedure shall include documenting of information to monitor performance, applicable operational controls, and conformity with the organization's organizational resilience objectives.

Evaluation of Compliance

Consistent with its commitment to compliance, WEX is continuously evaluating compliance with applicable legal and regulatory requirements. WEX will evaluate compliance with other requirements to which it subscribes including industry best practices.

Exercises

WEX will validate its Business Continuity Plans using testing and exercises that:

- Are consistent with the scope of the BCP and the objectives of the organization
- Are based on scenarios that are well planned with clearly defined objectives
- Minimize the risk of disruption to operations and assets
- Produce a formalized post exercise report that contains outcomes, recommendations, and plans to implement improvements in a timely fashion
- Are reviewed within the context of promoting continual improvement and are conducted at planned intervals, from time to time on a non-periodic basis, and when significant changes occur within the organization and the environment it operates in.

☒ 7.10 (MS) - *Narrative Required: Describe the roles and responsibilities of the team responsible for monitoring and managing system and product risks. Include how known risks and mitigation plans would be communicated to Participating States, Purchasing Entities, and Cardholders.*

WEX Response: Consistent with its commitment to compliance, WEX is continuously evaluating compliance with applicable legal and regulatory requirements. WEX employs an Organizational Resilience Team to manage, monitor, and evaluate WEX's systems. The team works to assess risk across the entire WEX organization and employ policy and planse to ensure all risk is mitigated to the lowest level possible as well have to have communication and response plans in place should something happen. WEX evaluates compliance with

other requirements to which it subscribes, including industry best practices. WEX has established performance metrics and procedures to monitor and measure, on a regular basis, those characteristics of its operations that have a material impact on its performance, including partnership and supply chain relationships. The procedure shall include documenting of information to monitor performance, applicable operational controls, and conformity with the organization's organizational resilience objectives.

Non-Mandatory Requirements – None.

Non-Mandatory Scored Requirements – None.

8. CUSTOMER SERVICE - Customer service and support are key to the successful operation of any card program.

Mandatory Requirements

☒ 8.1 (M) - Contractor must provide at least one (1) designated Relationship Manager assigned to each Participating State. Relationship Manager may provide service to multiple states as long as service level meets each of the Participating State's requirements.

☒ 8.2 (M) - Relationship Manager must be familiar with all aspects of Category 2 – Fleet Card Services of the Commercial Card Solutions Master Agreement and applicable Participating Addendum.

☒ 8.3 (M) - Relationship Manager must be available to Program Administrators and Master Agreement Administrator Monday through Friday during the Participating State's regular business hours.

☒ 8.4 (M) - Relationship Manager will provide managing account support to Program Administrators and contract support to Master Agreement Administrator in each state.

☒ 8.5 (M) - Contractor must provide at least one (1) designated Account Coordinator assigned to each Participating State to support all Purchasing Entities within that state. Account Coordinator may provide service to multiple states as long as services level meets each Participating State's needs.

☒ 8.6 (M) - Account Coordinator must be familiar with all aspects of Category 2 – Fleet Card Services of the Commercial Card Solutions Master Agreement and applicable Participating Addendum.

☒ 8.7 (M) - Account Coordinator must be available to Program Administrators Monday through Friday during the Participating State's/Entity's regular business hours.

☒ 8.8 (M) - Account Coordinator will provide day-to-day account management support to Program Administrators and Cardholders.

☒ 8.9 (M) - Contractor must provide a domestic and international toll-free numbers available to cardholders 24/7/365.

Mandatory Scored Requirements

☒ 8.10 (MS) - *Narrative Required: Describe in detail the roles and responsibilities filled by proposed Relationship Manager(s). At a minimum, include how they will meet the requirements described above.*

WEX Response: WEX assigns a Relationship Management Team lead by a Strategic Relationship Manager to each State relationship. The Strategic Relationship Manager is in charge of the overall relationship under the contract for a given State and is able to provide for and oversee all of the requirements listed above.

The role of the Strategic Relationship Manager is to ensure States and Agencies maximize the value of our program. This includes an in-depth understanding of your business and your goals so that they can provide you with the best solutions and best practices for optimal savings and usage of the program. The Strategic Relationship Manager will engage with you during the implementation of your program, and ongoing, through regular business reviews which includes a review of key performance indicators, sharing best practices, introducing new products, as well as tracking against your established policies, goals and objectives. The Strategic Relationship Manager is also available to assist with problem resolution and escalation whenever necessary.

Working with the Strategic Relationship Manager will be a Premium Fleet Service Account Manager whose responsibilities are to assist the Strategic Relationship Manager with the overall relationship as well as provide day to day operations support to the State and it's participating entities. The Premium Fleet Services Account Manager is also able to provide for and oversee all of the requirements listed above.

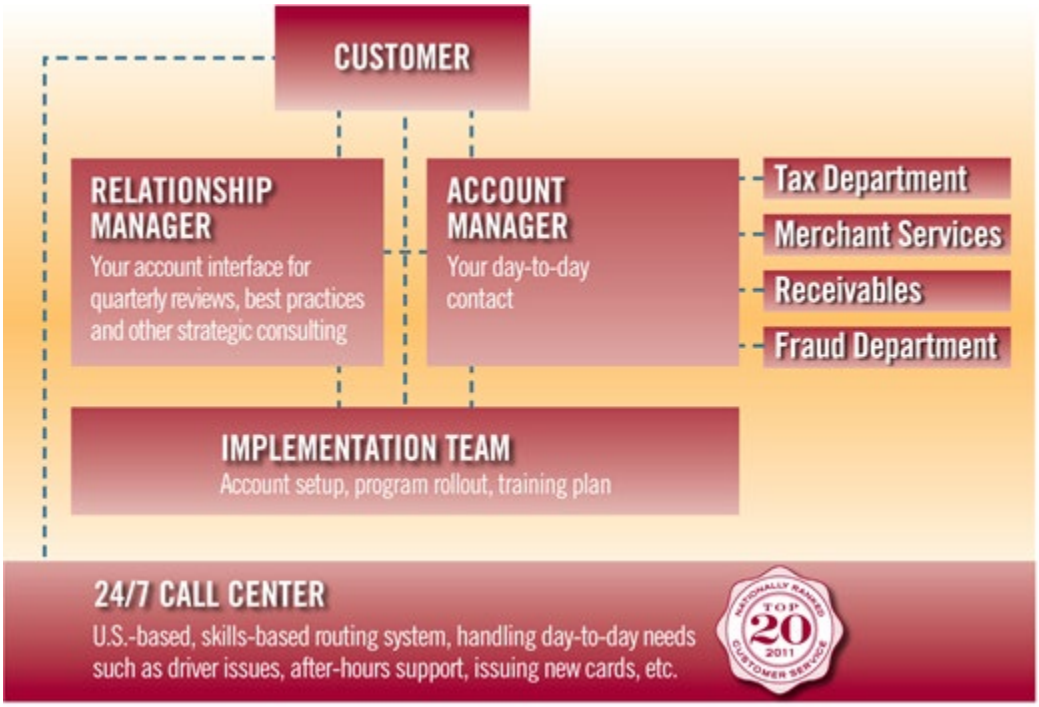
☒8.11 (MS) - *Narrative Required: Describe in detail the roles and responsibilities filled by proposed Account Coordinators. At a minimum, include how they will meet the requirements described above.*

WEX Response: At WEX, our management and staff are tasked with improving and enhancing the effectiveness and efficiency of all aspects of our service offering. Our charge is to maximize resources while creating and maintaining a balance between work expectations and personal lives. Keeping first line customer representatives invigorated and available to handle the next call requires support from an extended team of specialists to provide assistance with complex issues and ensure optimal staffing during peak call hours.

Your Premium Fleet Services (PFS) Account Manager is the primary day-to-day contact for your fleet managers/program administrators. PFS generally ensures that the program is working smoothly and also expedites all problems to their quickest resolution so that the fleet experiences minimal disruption. PFS will also serve as the liaison to any technical needs the State or Participating Entity may require. PFS will help create reporting that may not be easily accessible to the Fleet Managers. It is the goal of PFS to ensure that the Fleet Managers have the necessary data to manage their fleets. PFS Account Managers, at a minimum, return phone calls within two business hours and return emails within 24 business hours. WEX Premium Fleet Services Account Managers are dedicated to a balanced portfolio of strategic clients. Capacity is closely managed to ensure a superior customer experience for each client.

Your PFS and Strategic relationship manager will assist facilitating requests and needs that come up throughout the life of the contract. In addition to these two roles, WEX has host of support department the Relationship Management Team will lean on to

support your State through the life of the contract. Below is an outline of that support structure:



☒ 8.12 (MS) - Contractor must provide a designated customer service team familiar with all aspects of Category 2 of the Commercial Cards Solutions Master Agreement and the Participating State's Participating Addendum in order to provide consistent, relevant, and effective front-line customer service via phone or on-line, 24/7/365. The designated customer service team may provide service to multiple states as long as customer service level meets each Participating States' requirements.

Narrative Required: Describe in detail how customer services shall be provided for multiple states. Include how Contractor's internal staff will be trained on the Master Agreement and Participating Addendum and be kept up to date when changes to those agreements occur.

Indicate what cardholder support would be available, including but not limited to:

- *reporting lost or stolen cards*
- *cardholder transaction information*
- *cardholder general account information*
- *reporting fraud*

WEX Response: In addition to the Relationship Management team described in 8.10 and 8.11, WEX also provides an award winning, 24/7/365, toll-free customer service department to assist with after-hours needs, reporting lost or stolen cards, assistance in processing transactions, cardholder assistance, general accounts information, reporting fraud, invoice questions, authorization questions or help, out-of-network transaction authorizations and many more specific needs or questions a customer may have.

Roles within WEX Customer Service Call Center include:

Customer Service Help Desk is available to support service representatives with calls that require, immediate help, additional research or specialized knowledge to fleet manager, system users, drivers and merchants. The goal is to resolve issues in one call and provide an immediate response to the customer.

Customer Service Trainer is accountable for providing initial, remedial, and new program training for all CSRs. The Relationship Management Team will work with the Customer Service Trainer in support of the States and participating entities to this contract to ensure the Call center is trained appropriately and they will also develop account notes that are visible to all customer service representatives to make sure that beyond initial training on the Master Contract and Participation Addendums, they will have the information handy to them on a go forward basis as well.

Technical and Resource Planning Team is responsible for the daily management of the queues to ensure service levels are achieved. The team also provides daily, monthly, and ad hoc reporting for the call center. They forecast the resources required and manage the scheduling of associates to optimize the customer experience.

WEX employs a state-of-the-art call handling system featuring skill-based call routing. Our skill-based call routing ensures that our CSRs do not receive certain types of calls until they are fully trained to support them. We conduct a rigorous training and examination phase for all newly hired CSRs, and provide continuous refresher training to experienced staff. Only upon successful completion of the training program, are CSRs allowed to field calls from the customers, ensuring that they are able to provide the best in class service that our customers have come to expect from WEX. Experienced CSRs and team leaders monitor new staff responses to assure quality and program performance.

☒ 8.13 (MS) - *Narrative Required: Explain how after-hour/holiday/weekend customer service will be provided (internally or 3rd party). If provided by a 3rd party, explain how this team is trained and* ***what access they will have to the system and data.***

WEX Response: The WEX Customer Service Department is available 24 hours a day, 365 days a year (366 days in leap years) and fully staffed by WEX employees who are fleet-trained in-house. The WEX Customer Service Department is always available to handle the needs of the fleet by calling the toll-free number 800-492-0669. Realizing that customer service is paramount in our relationships, WEX has kept its support within the company and aggressively invests in training, technology, equipment and industry best practices. WEX does not outsource its call center service to a third party.

☒ 8.14 (MS) - *Narrative Required: How are known system issues (bugs) communicated (acknowledgement, status of fix, resolution, etc.) to system users?*

WEX Response: As the Premium Fleet Services Account Manager is made aware of a system issue they will communicate via email and/or via phone to the customer acknowledging the issue, providing insight around any known impacts and timing of fix. The Premium Fleet Services Account Manager will provide consistent communication

and progress updates through to issue resolution. If a production defect is present, an IT ticket is opened and addressed by the product support team. If an enhancement is requested, it will be added to workflow or, if multiple teams are required to actualize, the new product ticketing system "Aha."

☒ 8.15 (MS) - Participating States and Purchasing Entities will need the support of a secure and knowledgeable team at all hierarchical levels of the Program.

Narrative Required: Please describe your ability to meet this requirement.

WEX Response: WEX offers Participating States and Purchasing Entities our Relationship Management Team, including our Premium Fleet Services Account Manager, who are all tenured employees of WEX and have fleet specific knowledge. This team supports all hierarchical levels of the program. This team ONLY manages fleet-related accounts, ensuring they are well versed in the needs of state governments and fleet in general.

☒ 8.16 (MS) - Contractor must benchmark customer service.

Narrative Required: Please describe your internal customer service responsiveness benchmarks, how are they defined, monitored, and adjusted to meet customer need?

WEX Response: We use two benchmarks as success measures: service level (the percentage of calls answered within a certain time frame) and customer satisfaction (driven by post-servicing customer survey results). Both are monthly targets. Service level is measured daily and adjustments are made on a weekly basis as required. Customer satisfaction surveys are sent to a percentage of customers post call, and our internal QA system is designed to support customer satisfaction drivers. Agent receive weekly coaching designed to improve customer satisfaction.

☒ 8.17 (MS) - Contractor must have an established escalation process.

Narrative Required: Describe how issues from Cardholders, Program Administrators, and Master Agreement Administrator are escalated for resolution within your organization.
Preference will be given for online escalation process.

WEX Response: Your Premium Fleet Services Account Manager is the primary day-to-day contact for your fleet managers. He or she generally ensures that the program is working smoothly and also expedites all problems to their quickest resolution so that the fleet experiences minimal disruption. Premium Fleet Services Account Managers work hand in hand with the Strategic Relationship Manager assigned to the account as well. Should any issues, problem or concern in need of escalation, the PFS Account Manager will immediately engage the Relationship Manager. Customers can always reach out to the Strategic Relationship Manager as well directly. The Strategic Relationship Manager will work with all parties involved to ensure plan is put in place to address and resolve any issue that is at hand in the quickest and most effective way possible.

☒ 8.18 (MS) - *Narrative Required: Describe any additional customer support services you provide. At a minimum, include who has access to the service, how the services would be accessed, and the service's value add.*

WEX Response: Our fleet customers — including public sector clients — cite their customer service experience as the single finest aspect of their relationship with WEX. Our service philosophy is based on matching customer service personnel with the skills and expertise to meet large and small fleet needs at various organizational levels.

WEX will assign experienced Account Managers to large fleet Program Coordinators as the single point of contact for their programs. Program participants will also have 24/7 access to trained call center representatives (CSRs) available whenever needed. This tiered approach enables us to provide high levels of customer service at all times, as well as strategic oversight to work closely with agency contacts to improve their fleet card programs. Below are additional tools and support staff WEX employees who support the ongoing relationships:

eServices
In coordination with Premium Fleet Services and Strategic Support, eServices provides fleet support for WEX's online tool. The eServices team strives for one-call resolution and, where applicable, customer education on use of our online products.

Fraud Specialists
WEX's experienced fraud prevention professionals work with fleets, partners, merchants, and, when necessary, local and federal authorities in order to minimize fraud, misuse, and abuse of our fleet card programs. We take a three-pronged approach to mitigating inappropriate use of cards and card programs —prevention, detection, and management. The Fraud Team an extensive network of industry contacts and association memberships to ensure they are on top of new trends and developments.

Merchant Services
The Merchant Services group works closely with both our Merchant Acquisition team and our Tax Department to achieve maximum acceptance with the greatest level of tax participation possible. This work includes the recruitment of new merchant acceptance when requested by a fleet.

Strategic Receivables Services (SRS)
WEX takes a proactive and service oriented approach to reducing payment delinquency. Our team of receivables specialists (Strategic Receivables Services) works with large customers to ensure accurate and on-time billing and payment. Each customer is assigned a specific receivables specialist who will be the primary point of contact and will work closely with the account manager. Your SRS specialist will work with you to ensure that your billing structure and payment methods work well for your business and help you get the most value from your card program.
SRS specialists monitor payments on a daily basis and make contact with customers that have remitted a payment amount that does not match the amount due. In this way, past due balances are cleared up quickly, reducing the need for costly and time consuming historical reconciliation and analysis.

The WEX Customer Service Department is available 24 hours a day, 365 days a year, and is staffed by highly proficient service representatives and supervisors. The Customer Service Department is always available to answer questions, handle lost or stolen card reports, order replacement cards and authorize transactions for cardholders and Program Administrators. Customer Service Representatives are also trained to handle questions regarding account billing and reporting. Station attendants can utilize an interactive voice response system (IVR) to obtain quick purchase authorization. Program administrators can use the IVR to check balances, available credit limits, or make a payment by phone.

Customer satisfaction is the bottom line for any service organization and WEX has developed high standards for how we deal with our customers. For example, our current minimum performance goal is to have ***70% of calls answered by a person within 30 seconds.**** We set our standards for customer service by benchmarking against other card-based call centers. We then strive to exceed these standards with each call. Measured metrics include:

- Average speed to answer
- Time to abandon
- Abandonment rate
- Talk Time
- After-Call Work
- Handle Time

WEX surveys its customers to gain insight into their Customer Service experience. Our customers consistently give us high marks for the service we provide. Additionally, we record all of our calls and evaluate trends using speech analytic technology. This provides us with rich, real time voice of the customer information that is valuable for enhancing our training programs and informing our product development activities.

**Subject to change based on seasonality and call volumes.*

Customer Service Management

At WEX, our management and our staff are tasked with improving and enhancing the effectiveness and efficiency of all aspects of our service offering. Our charge is to maximize resources while creating and maintaining a balance between work expectations and personal lives. Keeping first line customer representatives invigorated and available to handle the next call requires support from an extended team of specialists to provide assistance with complex issues and ensure optimal staffing during peak call hours.

Skill-Based Call Routing System

WEX employs a state-of-the-art call handling system featuring skill-based call routing. Our skill-based call routing ensures that our CSRs do not receive certain types of calls until they are fully trained to support them. We conduct a rigorous training and examination phase for all newly hired CSRs, and provide continuous refresher training to experienced staff. Only upon successful completion of the training program, are CSRs allowed to field calls from the customers, ensuring that they are able to provide the best in class service that our customers have come to expect from WEX. Experienced CSRs and team leaders monitor new staff to assure quality and program performance.

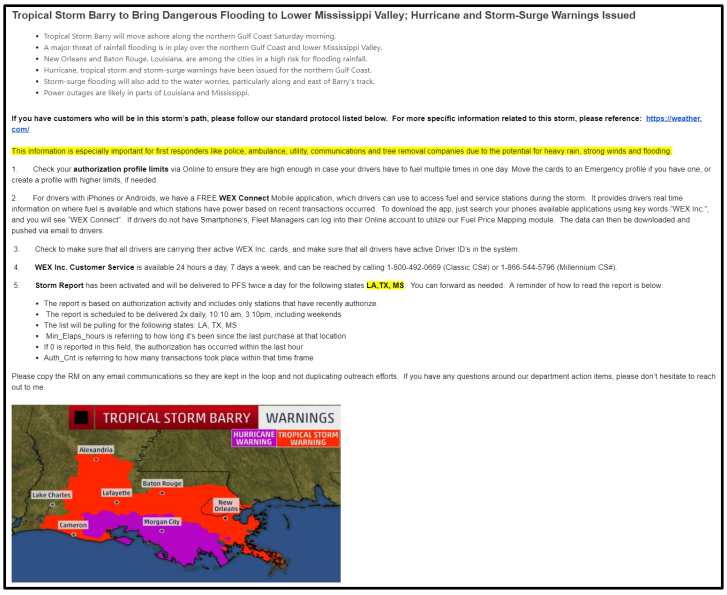
Emergency Response (Premium Fleet Services)

WEX is prepared to support the needs of our Premium Fleet Service fleets in the case of natural disasters (e.g., hurricanes, earthquakes), threats to national security, and military mobilization.

At WEX, we recognize the critical importance of keeping fuel supplies available so that public sector vehicles can operate and respond during natural disasters and other emergencies. We're proud that the fleets we serve have found our work to be instrumental in their ability to maintain continuous operations during their most crucial times of need. Some services that can be provided upon request include:

- Emergency plan development: we work with each customer to prepare a plan of response should an emergency occur
- Set up of online emergency card profiles, so you can easily remove or change your card control limits to support your emergency needs
- Regular updates outlining which networks and fuel stations are open and active in disaster areas

At right is a recent communication WEX sent to our PFS customers in preparation for the Tropical Storm/Hurricane Barry that hit the Gulf Coast in July. These reminders are provided when there is an expected event, like weather, that may affect a certain area. WEX also provides this type of notification on an ongoing basis after a major event. This type of communication would include list of fuel merchants where WEX is seeing purchasing activity so we can inform our customers of places to find fuel in the event of power or fuel shortages.



Tropical Storm Barry to Bring Dangerous Flooding to Lower Mississippi Valley; Hurricane and Storm-Surge Warnings Issued

- Tropical Storm Barry will move ashore along the northern Gulf Coast Saturday morning.
- A major threat of rainfall flooding is in play over the northern Gulf Coast and lower Mississippi Valley.
- New Orleans and Baton Rouge, Louisiana, are among the cities in a high risk for flooding rainfall.
- Hurricane, tropical storm and storm-surge warnings have been issued for the northern Gulf Coast.
- Storm-surge flooding will also add to the water worries, particularly along and east of Barry's track.
- Power outages are likely in parts of Louisiana and Mississippi.

If you have customers who will be in this storm's path, please follow our standard protocol listed below. For more specific information related to this storm, please reference: https://weather.com/

This information is especially important for first responders like police, ambulance, utility, communications and tree removal companies due to the potential for heavy rain, strong winds and flooding.

1. Check your **authorization profile limits** via Online to ensure they are high enough in case your drivers have to fuel multiple times in one day. Move the cards to an Emergency profile if you have one, or create a profile with higher limits, if needed.
2. For drivers with iPhones or Androids, we have a FREE **WEX Connect** Mobile application, which drivers can use to access fuel and service stations during the storm. It provides drivers real time information on where fuel is available and which stations have power based on recent transactions occurred. To download the app, just search your phones available applications using key words "WEX Inc.", and you will see "WEX Connect". If drivers do not have Smartphone's, Fleet Managers can log into their Online account to utilize our Fuel Price Mapping module. The data can then be downloaded and pushed via email to drivers.
3. Check to make sure that all drivers are carrying their active WEX Inc. cards, and make sure that all drivers have active Driver ID's in the system.
4. **WEX Inc. Customer Service** is available 24 hours a day, 7 days a week, and can be reached by calling 1-800-492-0669 (Classic CS#) or 1-866-544-5796 (Millennium CS#).
5. **Storm Report** has been activated and will be delivered to PFS twice a day for the following states **LA, TX, MS**. You can forward as needed. A reminder of how to read the report is below:

- The report is based on authorization activity and includes only stations that have recently authorize.
- The report is scheduled to be delivered 2x daily, 10:10 am, 3:10pm, including weekends
- The list will be pulling for the following states: LA, TX, MS
- Min_Elaps_hours is referring to how long it's been since the last purchase at that location
- If 0 is reported in this field, the authorization has occurred within the last hour
- Auth_Cnt is referring to how many transactions took place within that time frame

Please copy the RM on any email communications so they are kept in the loop and not duplicating outreach efforts. If you have any questions around our department action items, please don't hesitate to reach out to me.

ClearView communities
For users of WEX Fleet ClearView™, **the Community Module** allows you to network, collaborate, participate in discussion groups on fleet-related topics (i.e. positively impacting driver behavior or reducing fraudulent spend), pose questions, and share best practice information with your fellow analytics peers.

This module features **Discussion Forums** on a variety of fleet-related topics where users can collaborate and share information, a news feed of recent Community activity, the **ClearView University** and Events calendar, and a Resources section where content can be downloaded.

The **Resources** view contains informational assets, such as, Quick Start Guides, white papers, articles, images, and release notes. Navigate to this view by using the top navigational menu.

Non-Mandatory Requirements – None.

Non-Mandatory Scored Requirements

☒ 8.19 (NMS) - Contractor must provide an issue tracking system.

Narrative Required: When system issues are reported to the Contractor's customer service team, the issues are sometimes not resolved during the call/report and require additional work on the Contractor's/system's side. When those issues are communicated to the customer service team and additional work is needed, how are those issues tracked and communicated with the customer reporting the issue and the customer community at large?
Preference will be given for online tracking systems.

WEX Response: When a service interruption or problem is reported by a customer, the contact center agent enters the information into a CRM system for case lifecycle tracking management. This would include any issues that may require additional research, off-phone work where the resolution would be provided back to the customer based upon their preferred channel phone or email. When an enterprise outage occurrence, for example, online application, there is a standard notification provided within the online application to notify customers.

☒ 8.20 (NMS) - *Narrative Required: If a customer has to call back or another customer calls about the same issue, how is the customer service team notified that the issue has already been explained and should be (at a minimum) in the issue resolution que?*

WEX Response: When a service interruption or problem is reported by a customer, the contact center agent enters the information into a CRM system for case lifecycle tracking management. This would include any issues that may require additional research, off-phone work where the resolution would be provided back to the customer based upon their preferred channel phone or email. When an enterprise outage occurrence, for example, online application, there is a standard notification provided within the online application to notify customers. The lifecycle tracking also allows customer service agents to see if the same or like issue has already been addressed and be able to communicate that to a

customer. Is some cases siliarmar issues may still need to be addressed with the individual calling and the customer service representative will work with the caller to ensure their issues are taken care of.

As the Premium Fleet Services Account Manager is made aware of a system issue, they will communicate via email and/or via phone to the customer acknowledging the issue, providing insight around any known impacts and timing of fix. The Account Manager will provide consistent communication and progress updates through to issue resolution. If a production defect is present, an IT ticket is opened and addressed by the product support team. If an enhancement is requested, it will be added to workflow or, if multiple teams are required to actualize, the new product ticketing system "Aha."

9. IMPLEMENTATION/TRANSITION – The timeline and assigned resources of the multi-state implementation/transition to a new program are critical. The awarded Contractor will be responsible to fully cooperate with the current Contractor and any State executing a Participating Addendum under the new Master Agreement during all phases of the implementation/transition.

Mandatory Requirements

☒ 9.1 (M) - Implementation/Transition activities will occur at no cost to the Participating States or Purchasing Entities.

Mandatory Scored Requirements

☒ 9.2 (MS) - Upon award of the Master Agreement and each Participating State's Participating Addendum, but prior to the effective date, many entities will transition from the current NASPO ValuePoint contract and other individual state contracts to the new agreement*. Contractor must have a pre-established account set-up process that may be customized based on the needs of each Participating State.
Note: Each state's implementation shall not exceed nine (9) months.

Narrative Required: Explain in detail, the process of transitioning/implementing a Purchasing Entity (of any size) into the new agreement.

Be sure to include any documentation or forms that would be required to be completed by the organization or cardholder prior to participating in the Fleet Card program as detailed in the Master Agreement and clarified in each State's Participating Addendum. At a minimum include:

- *Tasks to be completed*
- *Step by step instructions*
- *Required forms for each step (not included in the three (3) page limit)*
- *Timeline for each step*
- *Ability to import data from the current system*
- *Roles & Responsibilities of the Participating State*
- *Roles & Responsibilities of the Purchasing Entity*
- *Roles & Responsibilities of the Contractor*

*If the new agreement is awarded to the currently awarded Contractor, current Participating States may choose to 'reset' (i.e. re-organize under one statewide hierarchy/short name) their State's program requiring new account set ups/transition for all current Purchasing Entities.

Contractor will be required to work with Participating State to meet implementation requirements.

WEX Response: After contract award and execution of the Master Agreement and Participation Addendums, WEX will begin the implementation phase at the availability of State and/or participating Entity. The WEX Relationship Management Team will enlist the help of a WEX Strategic Implementation Manager to take the lead on the implementation process. WEX is well versed in implemented large complex accounts onto our platform. In recent years WEX has successfully lead the implementation of numerous large State, Private Sector and Federal Agency accounts as well as entire card portfolios for large Fleet Management Companies as well as several Major Oil Card Programs for branded merchants.

Strategic Implementation Managers work exclusively with WEX's large fleet customers, rolling out new programs and implementing significant changes to existing large client programs. Your Strategic Implementation Manager will work with the State to create and coordinate project plans and design, lead and execute communication to ensure milestones are met. The Strategic Implementation Manager will also develop and execute training plans to ensure card holders and fleet managers are well prepared to use the program.

During the implementation, they will also prepare and distribute regular project updates, facilitate and document issues and action items and document the State's requirements for customized reporting.

Depending on the project plan that is mutually agreed to WEX will work to meet all requirements in the allotted time. A typical implementation takes around 90 days, but that can vary based on the specific requirements a fleet may have.

Please refer to the following sample Implementation Plan for a step-by-step list of implementation activities and the responsible party. This plan will be expanded and modified to meet your specific needs, including custom plastic.

Task Name	Duration	Who's Responsible
TRANSITION/PRE-IMPLEMENTATION	**20-30 days**	
Initial formal contact between WEX and fleet		Relationship Manager / Fleet
Establish contacts, addresses and areas of responsibilities between all parties		Relationship Manager / Fleet
Relationship Managers		Relationship Manager / Fleet
Fleet Manager (day to day contact(s))		Fleet
Premium Fleet Services (PFS) Account Manager		WEX
Fleet billing		Fleet
Fleet maintenance		Fleet
Fleet technical		Fleet
Determine fleet expectations		Fleet / Relationship Manager / PFS
Determine whether roll out is at once or staggered		Fleet
Finalize implementation schedule		Fleet / PFS

Establish account profiles and hierarchy requirements		Fleet / PFS
Determine needed credit line		Fleet / WEX
Determine fleet's electronic capabilities		Fleet / PFS
Determine billing requirements		Fleet / PFS
Determine reporting requirements		Fleet / PFS
Determine account maintenance (WEX*Online*) requirements		Fleet/PFS
Determine fleet training needs and create training plan		Fleet/PFS
Provide format for auto upload of fleet data into WEX system		PFS
Account information verified (prior to loading)		Fleet/PFS

IMPLEMENTATION	Timeline depends upon size and complexity, but typically 60 days	
4 or 6 digit personal prompt identification number?		Fleet
Prompt IDs provided by fleet or randomly generated by WEX System?		Fleet
Determine card design and embossing requirements		Fleet
Determine card types and restrictions		Fleet
Verify card information		PFS
Establish billing process and where invoices Are sent for reconciliation and payment		Fleet /PFS
Establish payment terms		Fleet/WEX
Establish rebate process		Fleet/WEX
WEX*Online* – fleet user enrollment		Fleet/PFS
Test applicable billing files and reports		Fleet/PFS
Execute training plan		Fleet/PFS
Create Training materials and Driver guides		PFS
Establish dispute process		PFS
Establish problem resolution process		PFS
Issue and distribute new fleet cards (confirming receipt)		PFS
POST-IMPLEMENTATION	**30 days**	
Review first set of reports		PFS
Are reports received on time and meeting fleet's needs?		PFS
Review first set of invoices		PFS
Are invoices received on time and meeting fleet needs?		PFS
Are payments being received on time?		PFS
Survey fleet to obtain feedback on implementation		PFS

☒ 9.3 (MS) - Contractor must provide an Implementation/Transition Communication Plan.

Narrative Required: Describe in detail your implementation/transition communication plan including, but not limited to:

- *Staff resources*
- *Method(s) of communication*
- *Timing of communication(s)*

WEX Response: As addressed in requirement 9.2, the WEX Strategic Implementation Manager will create a communication plan as part of the overall project plan that WEX will put in place with the customer at the very beginning of the implementation. The communication plan will be mutually agreed to and provide for how communication will happen as well as resources and training for all users who are coming on board. This plan

will call out any needed staff resources, how communication should take place as well as timing of any necessary communications and training.

WEX has been in the fleet fueling business since 1983, and has a long history of efficiently and effectively implementing fleet fueling programs for many of the largest commercial and government fleets in the United States. We believe customers who have worked with WEX, such as the references included in this response, will agree that our implementation process is unsurpassed when compared to our fleet card competitors. See sample implementation plan above for reference.

☒ 9.4 (MS) - Contractor must provide qualified personnel during the implementation/transition process.

Narrative Required: Describe in detail the Implementation/Training team's roles, responsibilities, and level of expertise as part of this contract.

WEX Response: WEX would replicate the proven implementation process detailed above in 9.2 and 9.3 and engage the proper contacts at each of the participating entities, optimizing the sequence of implementation by the project plan that is put in place following the first meeting. Additionally, WEX will work to schedule group online training session, recorded training session and additional trainings in person as needed or required.

☒ 9.5 (MS) - Contractor must provide Implementation Training Plan for all Purchasing Entities.

Narrative Required: Describe in detail how Implementation Training would be conducted for all Purchasing Entities. At a minimum include:

- *Roles & Responsibilities of the Participating State*
- *Roles & Responsibilities of the Purchasing Entities*
- *Training Provided*
- *Timeline*

WEX Response: WEX would replicate the proven implementation process detailed above in 9.2-9.4 and engage the proper contacts at each of the participating entities to put in place project plans to ensure the above requirement and all other needs are met.

☐ 9.6 (MS) - Contractor must provide access to online test-environment for Participating State and Purchasing Entity testing during all phases of the account setup process. The system must look, act, and demonstrate all aspects of the "live" system.

Narrative Required: Describe ability to meet the requirement for a test-environment system access during the account setup process.

WEX Response: Although WEX does not have a customer-facing testing environment, we typically provide account access at the time of account creation to users who desire early access. This is done so customers can familiarize themselves with the site as the WEX Strategic Implementation Managers are standing up all of the specific aspects of the account for the end-users. This process allows fleets to see how their actual account's specific details will look and feel. In terms of online or in-person training, WEX also provides access to the actual system interface and can walk users through typical set-ups in live webinars or other in-person training.

☒ 9.7 (MS) - Contractor must agree that at the end of any applicable Master Agreement or Participating Addendum, should any Participating State conduct another procurement and award a new contract, the Contractor will work with Participating State to ensure that an efficient and effective transition takes place within nine (9) months.

Narrative Required: Describe in detail your "End of Agreement/Addendum" transition plan including, but not limited to:

- *Contractor staffing for termination*
- *Lines of Communication*
- *Timeline for termination and maximum time allowed*
- *Card deactivation and closure process (no card shall be deactivated without each Purchasing Entity's permission)*
- *Purchasing Entity total account reconciliation process and final payment*

WEX Response: WEX agrees to this requirement and that we would make every attempt to ensure that contract close-out and transition to a new contractor is successful, and would assign a close out and transition team to carry this out. This team will be assigned by WEX no later than one hundred twenty (120) calendar days prior to expiration of the Contract.

WEX understands that the State may have a need for WEX to continue providing any part or all of the services required under the Contract for a period not to exceed one hundred twenty (120) calendar days after expiration or termination of the Contract. If this need exists, upon written notification by the State, WEX will provide services for that period or until the State notifies WEX in writing to cease providing services, whichever is sooner.

Coordinating the card, driver and account terminations in our system to coincide with the timing of their transition has been our primary focus and action. WEX will continue to provide reporting as needed, communicate with the customer about how long they will need online access, and either only suspend the accounts accordingly until online access is not needed and then terminate the accounts and associated online logon(s). We will work with the customer to establish a reasonable date or phase out of WEX card usage, so that there is no interruption in service, and keep credit on the account accordingly if there are no credit issues. If there are credit issues we will communicate with the customer and the bank to work out a plan to switch to the new provider when needed. The goal of the plan and the continuous communication to the fleet is to provide uninterrupted fueling and reporting. All of these activities are performed by an account manager per an authorized fleet contact request.

Non-Mandatory Requirements – None.

Non-Mandatory Scored Requirements – None.

10. PROGRAM GROWTH - Throughout the life of the Master Agreement/Participating Addendum and through the growth of each Participating State's programs, it can be anticipated that new Purchasing Entities and new cards within exiting Purchasing Entities will need to be added.

Mandatory Requirements

☒ 10.1 (M) – As the marketplace changes and technology advances, card products and service may also expand. If the awarded Contractor proposes an additional product or service, that request must be submitted to the Lead State for review and approval. Request must include:

- Full description of product/service;
- Full implementation plan, including level of effort and timeline;
- Full communication plan; and
- Full training plan.

New card products and services must not impact the rebate/incentive share or have any additional cost to the Participating States or Purchasing Entities. Addition of any card product or service to the Master Agreement is at the sole discretion of the Lead State. Participating States will have the option to allow or exclude new card products or services in the Participating Addendum.

Mandatory Scored Requirements

☒ 10.2 (MS) While the goal is for a majority of Purchasing Entities to enroll in the program prior to the program effective date, it is understood that some Purchasing Entities will need to be integrated after the program effective date and additional Purchasing Entities will join throughout the program term.

Narrative Required: If the process for on-boarding a new Purchasing Entity after the initial on-boarding differs, describe that process, specifically highlighting its differences from the initial on-boarding efforts.

WEX Response: WEX would encourage full participation at the outset to maximize training resources and transmit standardized information to all participating entities. However, WEX has no issues in meeting this requirement and providing whatever levels of support for the on-boarding of the new participating entities individually as they join.

☒ 10.3 (MS) *Narrative Required: Explain, in detail, the process of adding cards to an active Purchasing Entity account. Include copies of all required documentation (i.e. card user agreements – not included in the 3 page limit) required to open new cards within a current Purchasing Entity.*

WEX Response: An active purchasing entity account requires no extra paperwork or agreement to add cards to that account. As long as an authorized contact is making the request. As answered in 2.22:

Fleet Card Enrollment Process: Existing State Agency Accounts

Program administrators can add cards and drivers via the Fleet Manager WEX's online module named, WEXOnline®, through WEX customer service or the State's Premium Fleet Services Account Manager. The Premium Fleet Services Account Manager is a one to one point of contact assigned to the State to day to day operation support and

account needs. The Fleet Manager module allows the fleet manager to add, edit, suspend, reactivate, and terminate cards and drivers, to add and manage card controls, and to view and download invoice details. You can also:

- Assign card to driver, vehicle or location
- Transfer cards from one account to another
- Group cards into authorization profiles to enforce your purchasing policies
- Create organizational units or departments to better organize cards, vehicles and drivers for reporting and management purposes (initially added during the implementation phase)
- Edit account information

Card orders: WEX will process requests for replacement cards for lost, damaged, or stolen cards within one business day. If notification is received by 3:30 p.m. Eastern Time, you can have cards sent that day. You can use your own shipping account number or be charged a fee to cover the shipping costs. The WEX overnight fee, is included in the pricing evaluation for the RFP. If a WEX card is lost or stolen, it should be reported immediately to our Customer Service Department by calling the toll-free number**.** The Customer Service Department is available 24 hours a day, 365 days a year. The fleet can also notify WEX of the loss, theft, or unauthorized use of any card or account electronically through WEXOnline®.

☒ 10.4 (MS) If awarded, Contractor will be expected to promote the card program.

Narrative Required: Describe in detail the approach to promoting the card program.

WEX Response: WEX currently provides fleet fuel cards for 24 states, and has governmental and tax-exempt customers in all 50 states. Our State customers represent more than 375,000 cards. Additionally, WEX provides fleet card services as a subcontractor to Citibank under the Federal Government's GSA SmartPay 3 Charge Card Program for the GSA Fleet, as well as to the Departments of Homeland Security, Energy, Treasury, and Agriculture. These federal government customers have more than 320,000 cards. In total, WEX services more than 1 million tax-exempt cards.

WEX offers and actively markets its card programs to municipal and other public entities within member states so as to extend the benefits of the program throughout member states. See **ADDENDA** for examples of how WEX markets its government card programs to political subdivisions within a participating entity.

WEX employs an outside sales team as well as two inside sales representative who are dedicated to Government Contract Support for promoting and onboarding eligible entities to support contract growth. In addition to these resources, WEX actively participates in government-specific trade shows and associations to actively promote and sell our products and services to grow our contracts. Some of these events include the NASPO Exchange, NCSFA, NIGP, NAFA, GFX, state-specific shows showcasing their contracts, and many others.

Over the years, WEX has seen tremendous growth and high retention rates for all our state-held contracts, cooperative contracts, and political subdivision participation within those contracts.

Non-Mandatory Requirements – None.

Non-Mandatory Scored Requirements – None.

11. CARD DESIGN/EMBOSSING, DELIVERY & ACTIVATION

Mandatory Requirements

☒ 11.1 (M) - Contractor shall be responsible for the embossing and printing of the cards to each Participating State's specifications. Each Participating State will be responsible for furnishing the necessary artwork (digital file) to the Contractor.

☒ 11.2 (M) - Each Participating State reserves the right to change the card design during this contract, and if doing so, will provide the artwork needed to make changes.

☒ 11.3 (M) - Contractor must be able to deliver cards overnight when requested by the Purchasing Entity.

Mandatory Scored Requirements

☒ 11.4 (MS) - Customization options to the front side of the card will include verbiage and/or logo or graphic and embossing including but not limited to:

- Participating State
- Purchasing Entity
- Program/Department Name
- Cardholder Name
- Picture/Logo
- Phrase (i.e. "FOR OFFICIAL USE ONLY")
- Embossing Line, ALPH OR NUMERIC VERBIAGE
- Contractor supplied options

Narrative Required: Describe in detail the card embossing, production, and distribution process.

WEX Response: WEX is able to meet the above requirements as stated. Our embossing capabilities and card design enable customers to customize the information that is imprinted and printed on the cards. There are two lines for embossing. The first line is usually designated for the account name, while the second line can be used to identify the associated equipment or driver. Each line will accommodate up to 24 characters. The account number, card number, product restriction (such as "Fuel Only"), and expiration dates are printed on the front of the card. Embedded in the card's magnetic strip are the card number, expiration date, prompt, and restrictions, if any.

The WEX Fleet Card is a standard-size plastic charge card with an encoded magnetic strip on the back. The strip is encoded with the account and card information which, when read at the point of sale, is married in our systems with Level III data obtained during the transaction.

Although we use the highest grade plastic that is rated for longer periods of use, our standard term for card expiration is three years. WEX uses a three-year active period for our cards due to the wear and tear on the magnetic strip that requires a card to be replaced for optimum performance. WEX ships new cards 45 days prior to expiration to ensure that your drivers will never be without an active card. On request WEX can renew cards earlier than the standard 45 day prior to expiration to allow the fleet more time to swap out cards. Some competitors offer longer card terms on equally rated card stock prior to replacement. We prefer to replace cards before they become problematic for your drivers and detrimental to the efficiency of your fleet operations.

WEX will process requests for replacement cards for lost, damaged, or stolen cards within one business day. If notification is received by 3:30 p.m. Eastern Time, you can have cards sent that day. You can use your own shipping account number or be charged a fee to cover the shipping costs.

If a WEX card is lost or stolen, it should be reported immediately to our Customer Service Department by calling the toll-free number**.** The Customer Service Department is available 24 hours a day, 365 days a year. The fleet can also notify WEX of the loss, theft, or unauthorized use of any card or account through WEXOnline®. Subject to any limitations imposed by applicable law, the fleet will be liable to WEX for all unauthorized use of a card until you notify us of such use.

Once a card has been reported as lost or stolen, it is immediately invalidated in the WEX system. After cancellation, all electronic authorizations associated with the card are declined at the time a purchase is attempted. Once WEX receives proper notification, the fleet will be relieved from liability for any subsequent charges to the card.

Here are sample custom card graphics for potential NASPO participating entities. WEX will work with each participating entity to customize plastics types.

☒ 11.5 (MS) - Physical cards will be delivered to the Purchasing Entity or Cardholder at the address specified by the Purchasing Entity.

Narrative Required: Detail the standard and expedited physical card delivery timelines. Include any applicable fees.

WEX Response: WEX cards can be shipped directly to the address specified by the user making the card order. Standard card orders are set to go out via Standard US Mail at no charge. WEX does offer expedited shipping options of overnight and two-day shipping. WEX cards can also be delivered using the carrier specified by the fleet (e.g., the U.S. Postal Service, FedEx and UPS). There is a fee for expedited orders if you choose not to use your own shipping account. For all card orders of five or more cards, WEX ships via USPS Parcel to provide a tracking number for the order. This is done at no extra cost and helps provide visibility into card orders that would not be trackable through regular mail.

☒ 11.6 (MS) - Purchasing Entities must be able to decide if cards are delivered active or inactive.

Narrative Required: For cards delivered in an 'inactive' status, what is the process for activating a card? Include security precautions taken to ensure that card activation is done by an authorized party.

WEX Response: WEX typically ships cards in active status. WEX can accommodate cards being shipped inactive; we only need to be notified of that request at the time of card order. We will change the cards to suspended status once the file is sent to our card production. Card status can be changed to active when the customer is ready to begin using the cards. WEX cards can also be suspended on arrival by authorized users and WEX can assist with any mass card activations on our end.

☒ 11.7 (MS) - Purchasing Entities need to have the ability to have cards delivered in batches (i.e. Division A, Program 1) as determined by the Purchasing Entity.

Narrative Required – Explain how you would work with the Participating Entities to ensure delivery of cards is completed as requested.

WEX Response: The customer can order cards in batches using the WEXOnline® module or the Premium Fleets Services Account Manager can work with the customer to order new cards or reissue cards in batches using a Data Collection Document (DCD) for orders exceeding 100. The PFS Account Manager has access to and can provide to the customer delivery tracking information for USPS card orders totaling five or greater and tracking on expedited card orders at no additional cost.

☒ 11.8 (MS) - *Narrative Required: Some Purchasing Entities manage thousands of cards and need as much planning time as possible to complete that volume of card re-issuance. Explain, in detail, the process and timeline for card re-issuance upon card expiration including the timeline of prior notification.*

WEX Response: Accounts can be set up with different expiration dates, and account expiration dates can be changed by the account manager to renew early. Both measures are precautions to avoid a mass-reissuance of cards.

In the normal course of business, files of reissuance cards are sent to the vendor on the 1st and 15th of the month prior to the month in which cards expire. Cards expiring on August 31 are sent to the vendor on July 1 and 15. Cards are completed and mailed to the customer within seven business days of receipt of the file and shipped via regular mail.

For Purchasing Entities requiring more time, WEX can perform an early card renewal given the entity the time needed to complete their re-issuance. This is available on request from the entity to the Premium Fleet Services Account Manager.

☒11.9 (MS) - *Narrative Required: What precautions, if any, does Contractor take to avoid a mass re-issuance of cards for a Purchasing Entity?*

WEX Response: Accounts can be set up with different expiration dates, and account expiration dates can be changed by the account manager to renew early. Both measures are precautions to avoid mass-reissuance of cards.

WEX is flexible in that we are always looking to work to meet the needs of our customers. If there are specific re-issuance scenarios a fleet may be concerned about, WEX will work with that entity to mitigate and put in place precautions to avoid a mass re-issuance scenario.

Non-Mandatory Requirements – None.

Non-Mandatory Scored Requirements – None.

12. TRAINING – Initial and ongoing training are critical to each Participating State's ability to manage their program. Each Participating State may have additional training requirements and will be negotiated in the Participating Addendum. At a minimum, training will include:

Mandatory Requirements

☒ 12.1 (M) - Contractor must provide System User Guides online and accessible through the web-based card management system.

Mandatory Scored Requirements

☒ 12.2 (MS) - Contractor must provide ongoing training for the life of the contract.

Narrative Required: Please describe in detail what resources will be provided for the ongoing training options including, but not limited to:

- *type*
- *frequency*
- *resources*
- *communication/advertisement of available training*

WEX Response: WEX will provide initial training at agreed upon sites, ongoing as-needed training, and re-training as required via the following delivery methods: in-person training, webinars, phone conference or a combination of those.

Upon the initial implementation, your WEX Strategic Implementation Manager will train the fleet management team in how to perform the following functions. Online or in person system training typically takes 60 to 90 minutes, depending on questions:

WEXOnline® Account Maintenance

- User ID/Password Creation and Site Overview
- View Hierarchy/Account Search
- Card Maintenance
- Vehicle Maintenance
- Driver Maintenance
- Invoices
- Authorization Controls
- Address/Contact Management

WEXOnline® Account Financials

- Accounting Fields/Codes
- Accounting Profiles
- Transaction Management

WEXOnline® Reports

- Ad hoc Reports
- Exception Reports
- Custom Report
- Standard Reports

WEXOnline® Resource Tools

- Accepting Locations
- Fuel Price Mapping
- Alternative/Diesel Fuel Directory
- WEX Index Top Metro Report

WEXOnline® Administration

- View /Add Online Users
- View Pending Requests
- Add/View Roles and permissions

Training can be divided into specific segments depending on the administrator's duties. WEX will work with the State to organize tailored online training per users' assigned roles.

WEX will provide recorded training sessions that can be posted to the State's intranet site as an additional tool. Multiple trainings can be recorded based on the audience's role e.g., full access or read only.

☒ 12.3 (MS) - Contractor must provide web-based training.

Narrative Required: Describe in detail your online web-based training options including, but not limited to:

- *Transaction Management:*
  1) entering account coding
  2) entering comments
  3) disputes
  4) reviewing and approving transactions
  5) initiating payment process
- *Reporting:*
  1) how to generate standard reports
  2) how to customize and create reports within the system
- *System Administration:*
  1) customer/user id set-up
  2) card limit changes
  3) hierarchy set -up
  4) changing cardholder demographic information
  5) add, edit, or lift card restrictions
  6) de-activate, suspend, terminate cards
  7) dispute transactions
  8) save/edit frequently used accounting codes
  9) ordering replacement card

WEX Response: WEX is able to provide training for all of the above requirements and will hold ongoing WebEX and in-person training sessions at a frequency determined by the State of Washington/NASPO and any other Participating Entity. For instance, WEX could host monthly WebEX/online trainings for new employees and those who need refresher training. Items included in the training are customizable depending on the need, but typically consist of all of the needs mentioned in Question 12.3 plus:

- Program policies as dictated by the member states
- Card usage at retail locations
- System access
- Customer Service Support
- Updated technology
- Best practices
- Industry trends

☒ 12.4 (MS) - Contractor must provide onsite/classroom training for Program Administrators.

Narrative Required: Describe in detail your onsite/classroom training options including, but not limited to:

- *type of training offered*
- *recommended frequency of onsite trainings*

WEX Response: WEX agrees to and will hold onsite, in-person training sessions for Program Administrators at a frequency determined by the State of Washington/NASPO and any other Participating Entity.

☒ 12.5 (MS) - Contractor must provide onsite User group forums.

Narrative Required: Please describe in detail your onsite User group forum plan including, but not limited to:

- *optional training, what type of training will you provide*
- *frequency*
- *subject matter expert presentations*
- *opportunity for customers to discuss issues and concerns*

WEX Response: WEX will hold ongoing in-person training and user forum sessions at a frequency determined by the State of Washington/NASPO and any other Participating Entity for whatever subject matter, best practice sharing, account reviews, raising concerns or any other need the customer may have. Many times these user forums are a great time for Participating Entities to share new or reinforce existing polices as well for their users. Items included in the forums are customizable and can meet all of the above requirements.

☒ 12.6 (MS) - Contractor must provide written User reference guides, both extensive and quick guides.

Narrative Required: Describe in detail the written user reference guides you provide.

WEX Response: WEX will provide reference guides that are detailed and provide quick summaries as part of the implementation project plan. Other reference guides exist throughout WEX's various systems. For example, The WEXOnline® module has PDF help guides that provide step-by-step instructions to navigate the different modules available.

The following PDF help guides are available:

- **Homepage.** View news and events, pending online user requests, flexible exception report notifications, and search and select both accounts and organizational units.
- **Fleet Manager.** Managing cards, drivers, vehicles, authorization profiles, accounts, org units (or departments), contacts, and addresses.
- **Financials.** Provides access to accounting fields and definitions, and allows you to assign financial profiles throughout your hierarchy.
- **Reports**- Guides the user through the various reporting tools to meet your analysis needs.
- **Resource Tools**. offers various, commonly-requested reporting tools to help locate sites where your fleet card can be used, to assist you in finding diesel and alternative fuel sites, and to direct you to locations with the lowest price per gallon.
- **Administration.** Manage online users, view the roles and permissions to which these users are assigned; create custom roles to meet your security needs.

The Implementation Manager will also work with the Agency to create a WEXOnline® Summary Guide that outlines how agency nuances and requirements will be captured and reported through the system as well as quick-step guides for the online system.

☒ 12.7 (MS) - Contractor must provide updates to the user guides will be proactively communicated.

Narrative Required: Describe in detail how User guide changes will be communicated with the Participating State and Program Administrators.

WEX Response: Improving our end-user assistance, WEX is shifting away from static PDF user guides in favor of an online contextual and embedded help management system that's always available and is updated dynamically. PDF user guides will remain available on the site as we continue to add embedded content to the contextual and embedded help management system.

- New contextual and embedded help management system content is prioritized based on information communicated from the call center, account reps, and direct user feedback. When new information is added, on-screen alerts appear.
- Adding new contextual and embedded help management system content is ongoing, and new walk-throughs are added as quickly as resources and capacity allow.
- Our site is coded such that video content can be generic or, if state-specific tutorials are available and supplied to WEX, branded by state.

See attachment in **APPENDIX** titled "Walk Me Demo."

☒ 12.8 (MS) - *Narrative Required: Describe how User-communicated needs will be used to build additional training. At a minimum include:*

- *how customer input is received*
- *how new training is prioritized*
- *how training is built*
- *how training is presented (in person, online, scheduled, on-demand)*
- *how new training is advertised/communicated.*

WEX Response: During the implementation phase WEX will source feedback from user to craft training to ensure customer input is received, needs are prioritized, training is tailored, the venue it needs to be presented in and how it is communicated. At the conclusion of the implementation, the Implementation Manager will create a final document outlining the program as implemented for a given Participating Entity and capturing the nuances of the different Agencies along with any customized servicing or reporting that has been designed for your team. This is a collaborative process between the customer and WEX and will be maintained throughout the life of the contract for support on an ongoing basis.

See the response in 12.7 regarding how our system also provides dynamic training updates with pertinent on-screen alerts that notify of new training topics and learnings supplied by our call center, account reps, and direct user feedback.

WEX will also provide training on an ongoing basis as technical releases are completed to ensure the Agencies are taking full advantage of all the WEX offerings. Your Strategic

Relationship Manager along with your Premium Fleet Services Account Managers will work with the Participating Entities to schedule additional training sessions as required or requested after the initial implementation is completed.

☒ 12.9 (MS) - *Narrative Required: Provide any additional training services/options offered.*

WEX Response: See 12.2, 12.3, 14.5 and 12.5 for a full overview of WEX training programs. WEX training is customizable so we can prepare to meet any training need a Participating Entity may need.

Non-Mandatory Requirements – None.

Non-Mandatory Scored Requirements – None.

13. PAYMENT TERMS

Mandatory Requirements

☒ 13.1 (M) - The full amount of each Purchasing Entity's monthly balance or billing cycle balance, except for disputed or reported fraud items, will be due within forty-five (45) days from the billing cycle date of the monthly account statement.

☒ 13.2 (M) - Contractor shall provide a monthly statement to each Cardholder and/or Entity Program Administrator as designated by the Purchasing Entity.

☒ 13.3 (M) - Each statement shall be identified by the associated Participating Addendum Number for each Participating State.

☒ 13.4 (M) - Statements for payment will accurately reflect all credits, where applicable, due the Purchasing Entity.

☐ 13.5 (M) - If the statement is not postmarked or available electronically (for accounts with electronic statement delivery) within three (3) days of the billing cycle, the payment term can be extended the equal number of days between the third day after the billing cycle and the actual latest postmark date or electronic posting date of the Statement.

☒ 13.6 (M) - Payments must be posted to the system within two (2) business days to ensure the prompt payment/speed of pay incentive is fully realized and real credit limits are available.

☒ 13.7 (M) - Payment may be made to the Contractor via check, cash, warrant, bank wire, automatic clearing house (ACH), or electronic funds transfer (EFT), at the Purchasing Entity's option. Although the National Automated Clearing House Association (NACHA) is a standard method for funds transfer, Contractors must be able to accommodate standard and non-standard formats at no extra charge to accommodate different State's EFT processes and systems.

☒ 13.8 (M) - A ten (10) day grace period for payments pulled from automated clearing house (ACH) process is required to avoid penalty or negative hit on rebate.

Mandatory Scored Requirements – None.

Non-Mandatory Requirements – None.

Non-Mandatory Scored Requirements

☒ 13.9 (NMS) - Payment sent via mail is considered paid on check or electronic issue date as long as it is postmarked by the third day after check issue date.

Narrative Required: Explain how payments, made near the billing due date, are handled and how payments processed by the Purchasing Entity prior to the bill due date but received by the Contractor after the bill due date are posted.

WEX Response: Each payment is assigned an accounting date and a posting date. Payments are credited on the accounting date, which is the date the payment was received. (If a wire or paper check is not received prior to 3:00 pm EST on a business day, it is assigned the next business day as an accounting date). If it contains accurate remittance in the proper field, the payment is posted the same day it is received and will share the same posting date as accounting date. If the payment does not contain remittance, its posting date will be the date that remit is obtained and it is posted to the designated account.

As long as payment has an accounting date of the due date or prior, and is posted before the cycle closes, no late fees are assessed and there is no rebate disqualification. If the Purchasing Entity processes a payment prior to the due date, but it is not received until after the due date, the payment is late. There is no way to alter that in the system.

There are multiple types of payments. WEX advises seven to 10 business days for a paper check to be received via mail, a minimum of two business days for ACHs, depending on when they are initiated, and wires are the same day with a 3:00 pm EST cutoff.

Your WEX Premium Fleet Services Account Manager will always work with fleets who proactively make WEX aware of an issue with a potential late payment, and, with such advanced notification and consultation, will work with our receivables department to void late fees where warranted.

14. LIABILITY

Mandatory Requirements

☒ 14.1 (M) - Purchasing Entities shall have no liability for lost or stolen cards upon notification to the Contractor or fraudulent use of any card products.

Mandatory Scored Requirements – None.

Non-Mandatory Requirements – None.

Non-Mandatory Scored Requirements – None.

15. FRAUD PROTECTION - This section details the expected fraud protection services provided by the Contractor.

Mandatory Requirements

☒ 15.1 (M) - Contractor shall report fraud transactions, and the resulting credit issuance(s) to the Cardholder and the Purchasing Entity Program Administrator through real time notifications.

☒ 15.2 (M) – Contractor or system must be capable of providing a daily (at a minimum) fraud and declined transaction report as requested by the Purchasing Entity.

Mandatory Scored Requirements

☒ 15.3 (MS) Contractor must provide external fraud protection coverage for the following types of occurrences including, but not limited to:

- lost/stolen cards
- counterfeit cards
- skimmed cards
- unauthorized internet transactions
- fraud patterns
- account takeovers

Narrative Required: Please describe in detail the fraud protection coverage plan.

WEX Response: The WEX Fraud team looks for and provides protection coverage for the types of occurrence listed above. In our experience, efforts by WEX's Fraud Department, in tandem with a customer's use of a fleet management policy; controls; and alerts, along with careful review of all reports, including exception reports, helps substantially reduce exposure to abuse and fraud, and any associated losses.

WEX has instituted business practices designed to help you detect and reduce fraud and/or misuse of the WEX card. WEX's Fraud Department performs three primary functions in an effort to identify and mitigate fraud on our fleet customers' accounts:

Primary Functions
● Review Transaction activity
● Identify potentially abusive or fraudulent behavior
● Notify customers when such behavior occurs

Our Fraud Department makes every effort to detect unusual or excessive purchase activity using constantly evolving techniques and reporting. If such activity is detected, an analyst will contact the fleet manager to bring it to their attention, noting details such as:

"Red Flag" Activity Indicators
• Date and time of purchase
• Merchant location
• Product purchased
• Driver identification number used to conduct the sale
• Dollar amount

Our Fraud Department has been instrumental in providing recommendations to prevent fraud from occurring, proactively working to identify fraudulent transactions, and working closely with fleets, merchants and appropriate authorities to minimize losses and prevent such situations from continuing or recurring.

WEX will terminate compromised cards within 48 hours if there are no fraudulent transactions. If WEX discovers a suspicious transaction, the card is terminated immediately and WEX will attempt to contact the fleet for verification. If the transaction proves to be legitimate, WEX can reactivate the card.

There are currently approximately 40 members of in WEX's fraud department. WEX works with state and local law enforcement, in all 50 states, in an effort to prosecute those who commit fraud with the WEX card.

WEX only covers liability for losses for counterfeit/skimmed transactions. For lost or stolen cards, liability only applies after the customer reports a loss.

If a WEX card is lost or stolen, it should be reported immediately to our Customer Service Department by calling the toll-free number. The Customer Service Department is available 24 hours a day, 365 days a year. The fleet can also notify WEX of the loss, theft, or unauthorized use of any card or account through WEXOnline®. Subject to any limitations imposed by applicable law, the fleet will be liable to WEX for all unauthorized use of a card until you notify us of such use.

Once a card has been reported as lost or stolen, it is immediately invalidated in the WEX system. After cancellation, all electronic authorizations associated with the card are declined at the time a purchase is attempted. Once WEX receives proper notification, the fleet will be relieved from liability for any subsequent charges to the card.

☒ 15.4 (MS) - Contractor must provide program screening activity for external fraud patterns and the process for communicating potential external fraud with Cardholders and Program Administrators.

Narrative Required: Please describe in detail the screening and communication process for potential external fraud.

WEX Response: In recent years, white plastic fraud has become the most significant form of fraud in the fleet card industry. White plastic is the result of a third party stealing card information and loading that information onto a new card for the purpose of conducting fraudulent transactions. In the cases that we see, the data is primarily acquired through devices placed into Automated Fuel Dispensers (AFDs). The devices allow the perpetrators to capture the card numbers, Driver IDs, and odometer readings as they are input at the pump. It is important to know that it's not just WEX cards that are affected by gas pump skimming; any other gas or bank card used at the same pump during the time a device is in place is also at risk of being compromised.

WEX uses the data available to us in an attempt to discern the Point of Compromise (POC) for each identified occurrence of white plastic. We use this data to review other cards used at the same location during the same time period for possible abuse. Based on this information and other variables, we determine which cards are most at risk for having white plastic created.

WEX also regularly communicates fraud patterns to our customers on an ad-hoc basis.

Finally, as a global payments innovator with more than 35 years in the market, WEX has developed SaferPayments, a **true 24/7 real-time system** that prevents fraud by intercepting fraudulent transactions "in-flight," generating case queues for subsequent investigation and, in specific cases, triggering email alerts to customers.

SaferPayments is capable of preventing fraud at the holistic individual portfolio level, either during the authorization process or at the payment gateway. SaferPayments can prevent first party fraud and enforce business policies in one single instance for a true multi-channel/ multi- portfolio application. SaferPayments has been carefully programmed to prevent the authorization of the highest number of suspicious transactions possible without negatively impacting the customer experience by minimizing the number of "false positive" transactions that are stopped.

SaferPayments is an artificial intelligence based software that identifies risky transactions during the authorization process within milliseconds to prevent the degradation of authorization response times from the WEX authorization system. Transactions above a certain "suspicious level" will be declined, while all other transactions will be allowed to pass. SaferPayments delivers exceptionally accurate results at high fraud detection rates without impacting the customer experience. SaferPayments can detect anything from an unauthorized transaction due to a lost or stolen card, a compromised account (skimming, data breach, account takeover), or a potentially illicit transaction (money laundering, drug smuggling, etc.).

SaferPayments can both detect *and* prevent fraud. SaferPayments is both versatile and easily configurable, allowing WEX to maintain the fraud models internally, yet still provides robust fraud management capabilities. Using advanced machine learning algorithms, SaferPayments continuously "learns" as it aggregates transactions streaming through the solution to detect trends at a portfolio, customer, channel, product, and transaction level. WEX controls the settings that allows the WEX transaction authorization system to "pass", "pass, but flag for review", or "deny" any transaction or group of transactions.

Most traditional "neural" or "anomaly detection" software solutions rely heavily on pre-coded patterns of transactions or geolocation monitoring. They lack the ability to learn as they go and monitor all levels of a card portfolio. They also will typically only "flag" a transaction for review, but may not be able to actually stop a potentially fraudulent transaction from getting through the authorization process.

SaferPayments "learns" as it streams transactions through its logic. SaferPayments is able to monitor trends and activity at the portfolio, channel, customer, product, and transaction levels. The logic within SaferPayments is highly configurable and as fraud trends are identified, will apply past learning, patterns, and trends to new transactions that stream through its logic engine. SaferPayments has multiple levels of detection which can actually prevent a transaction from authorizing or can flag a transaction for review by the fraud team depending upon scoring logic.

SaferPayments model maintenance requires no vendor intervention, enabling WEX to update models internally on a daily basis.

☒ 15.5 (MS) - *Narrative Required: Please describe in detail how fraudulent charges will be communicated to the Cardholder and Program Administrator. Additionally include what occurs when a card has not been directly impacted in a fraudulent transaction, but may have been used at a compromised merchant site.*

WEX Response: WEX sends an immediate email notifying of potential fraud transactions. We don't execute massive "block and reissue" of potentially compromised cards. Our strategy involves enhanced monitoring of cards involved in a compromised event using Safer Payments decision intelligence (see 15.4).

☒ 15.6 (MS) - *Narrative Required: Is the proposed Fleet Card equipped with the fraud deterrent of an EMV chip? If not, explain your timeline for implementing the EMV chip solution.*

WEX Response: WEX will begin issuing chip cards in 2020 and will have a proprietary chip card live in market before the scheduled EMV liability shift in October 2020. This is in accordance with the industry wide movement led by the major card brands to require EMV chip usage at pay-at-the-pump fuel terminals.

An added benefit of the WEX chip cards will be that card renewal cycles will go from three years on current plastic to five-year renewal cycles (card expiration date). This will give fleets that added benefit of not having to deal with card swap outs due to expiring cards as often and help relieve some of that administrative burden.

WEX's current WEX Spec Compliance Policy requires that all WEX accepting merchants are able to accept a WEX chip card by October 2020 or merchants will cover the costs of any counterfeit fraud.

WEX developed its proprietary chip card in partnership with FIS, Multos and Gemalto, world-class leaders in chip card technology. This is the first fleet-centric chip applet designed specifically for the U.S. fleet industry, spec-based and customized for WEX Fleet.

Despite technological advances WEX is developing in the card, not all retail fuel merchants will choose to invest in chip card readers at the point of sale or at outside payment terminals due to the significant financial investment required. Some merchants will accept the risk of liability for fraudulent transactions. Because of this, the WEX Fleet card will have both a chip and magnetic stripe for many years to come.

WEX has taken a thoughtful and comprehensive approach to its chip card development:

- Because WEX's reputation is based on customer security and satisfaction, WEX chose to use a proprietary chip applet -- not a consumer based chip applet -- in order to continue to be the market leader in Fleet technology.
- The WEX research and development team initiated planning years in advance with a goal to define a lasting standard, and to release the highest quality solution for commercial fleet at the right time.
- WEX is building a WEX Chip Issuance Roadmap to provide a seamless transition to WEX chip cards for our fleet customers.
- WEX also is working directly with our WEX-accepting merchants, their payment processors and their POS/pin pad vendors to build and to ensure compliance of the WEX chip.

☒ 15.7 (MS) – Contractor or system must provide a way for Purchasing Entities to report fraudulent activity, lost, or stolen cards. Purchasing Entities also know it is important to be able to verify credentials of someone reporting such activity.

Narrative Required: Explain, in detail, the process for reporting fraudulent activity, including whether you have an online fraud reporting function and the effectiveness of such systems ~~how the system checks the reporter's credentials~~. Preference will be given for online fraud reporting.

WEX Response: If a WEX card is lost or stolen, it should be reported immediately to our Customer Service Department by calling the toll-free number. The Customer Service Department is available 24 hours a day, 365 days a year. The fleet can also notify WEX of the loss, theft, or unauthorized use of any card or account through WEXOnline®. Subject to any limitations imposed by applicable law, the fleet will be liable to WEX for all unauthorized use of a card until you notify us of such use.

WEX will process requests for replacement cards for lost, damaged, or stolen cards within one business day. If notification is received by 3:30 p.m. Eastern Time, you can have cards sent that day. You can use your own shipping account number or be charged a fee to cover the shipping costs.

Once a card has been reported as lost or stolen, it is immediately invalidated in the WEX system. After cancellation, all electronic authorizations associated with the card are declined at the time a purchase is attempted. Once WEX receives proper notification, the fleet will be relieved from liability for any subsequent charges to the card.

WEX actively works with authorities at both local and federal levels to help authorities identify and apprehend individuals associated with White Plastic and/or Skimming. This level of engagement sometimes involves undercover surveillance which could be jeopardized by an unknowing individual pursuing an investigation on his or her own.

WEX may assume liability (financial loss) for white plastic cases. WEX may also require the impacted fleet to submit a dispute form or an Unauthorized Use Affidavit. This notarized document may be requested should the matter be prosecuted and it enables WEX to submit information in a court proceeding as evidence. Without the formal notarization, the claims we are prosecuting on your behalf may be disallowed.

It is important to remember that diligence and responsiveness are also important for fraud mitigation:

- Timely review of transaction data and reports is critical to fast identification of suspicious activity.
- Expeditious reporting (including submission of the Unauthorized Use Affidavit, if requested) of any suspicious transactions.
- Drivers should be encouraged to report to Customer Service anything unusual at stations, such as a pump that may have been tampered with/opened or a card reader that appears abnormal.

☒ 15.8 (MS) – Contractor or system must provide a way for Purchasing Entities to track reported fraud transactions to completion (closure).

Narrative Required: Explain, in detail, how fraudulent transactions are reviewed, updated and tracked by the Contractor. Include any reports, tools, etc. that are leveraged in this process.

WEX Response: WEX offers a comprehensive fraud prevention and management program. Most recently, we have been beta testing an enhanced customer facing claims management interface with a large government customer. This tool allows customers to view each claim, the claim number, type of claim, card number, date reported, age of claim, total dollars, claim status and date of resolution. Upon resolution, an email is sent to the fleet for notification. The information in the interface can be exported into a report (on demand or scheduled) so it can be easily shared with others in your organization. Once beta testing is complete, we expect to deploy this solution to other large customers. We expect this to be in place before the contract effective date of January 1, 2021.

☒ 15.9 (MS) – Contractor or system must be able to resolve mass attacks (i.e. fraudulent low value charges on multiple cards at once) without requiring action from the Purchasing Entities.

Narrative Required: Explain, in detail, how mass attacks are handled.

WEX Response: This type of attack is not a risk to WEX Fleet card holders, as our transaction processing occurs on a closed-loop network, not over the Internet.
Regarding other Web-based applications, OWASP standards are built into development processes, and manual testing is performed in addition to peer review as required by our SDLC. WEX uses an automated dynamic application security testing (DAST) solution that scans web applications to find vulnerabilities and provide guidance on remediation.
WEX receives vulnerability announcements for relevant systems from vendors, third parties, NIST, FDIC, FBI, and other threat feeds, and has a dedicated security operations team managing and maintaining the vulnerability management program. The vulnerability management procedure requires a ticket to be generated and assigned to Information Technology operations teams for patching.

Non-Mandatory Requirements – None.

Non-Mandatory Scored Requirements – None.

16. DISPUTED TRANSACTIONS – Purchasing Entities will pay according to the contract payment terms; however, in instances of dispute, the charges must be placed in suspense until there is resolution. The Contractor must propose a timely dispute procedure to ensure that the payment network charge back rights do not expire. If upon resolution of a dispute it is found that the transaction was actually an authorized charge, the Participating Entity will be liable for the payment within the payment terms as described herein.

Mandatory Requirements – None.

Mandatory Scored Requirements

☒16.1 (MS) Contractor must provide a resolution procedure for dealing with disputed transactions resulting from unauthorized charges, errors in cardholder billings, or problems with charges for merchandise or services that are not resolved between the Cardholder and Merchant.

Narrative Required: The Contractor shall provide detailed information on the proposed disputed transaction resolution procedures, including:

- *How users will notify the Contractor*
- *Ability to dispute transactions electronically as well as track through final resolutions of the charge*
- *Instructions for cardholders*
- *Instructions (including invoice adjustments) for billing offices*
- *Provisions for prompt investigation of disputed items*
- *Provisions for reporting/disposition on resolution of dispute to cardholders, approving officials, Program Administrators, and billing office*
- *Provisions for system identified disputed related credit or payment on resolved dispute.*
- *Any limitations on the timeline of disputed transactions.*
- *Any details on what components of the transaction can be disputed*

WEX Response: The WEX transaction dispute process is outlined below:

1. A customer must notify WEX in writing of a disputed transaction within sixty (60) days of the billing date of said transaction. WEX requests that the customer to provide as many details regarding the transaction and the reason for dispute as possible, including, but not limited to the following: card number, driver identification number used, transaction date and time, transaction dollar amount, and reason for dispute. Additional information may be requested as necessary to facilitate the investigation.
2. The fleet's written dispute is then forwarded to the applicable department for follow up and investigation. If the dispute involves an allegation of abuse or fraud, it will be handled by WEX's Fraud Department and the dispute process may vary from the standards as outlined below depending on the nature and validity of the claim.
3. If the disputed transaction occurred inside the fueling location and required a signature from the cardholder, WEX may request a copy of the sales draft from the merchant. As a result of the ticket request, the fleet customer will receive a memo on their invoice noting that a transaction is in dispute.
4. Once the applicable merchant provides a copy of the sales draft, it will be reviewed for compliance with the fleet program. If WEX determines that the sale is valid in accordance with the program, the disputed charge balance will be carried forward for payment and will be subject to applicable late fees. Payment is expected during the next billing cycle. Copies of the sale draft are then forwarded to the fleet for review.
5. In the rare event that the transaction in question is determined to be a duplicate transaction, it is not necessary for WEX to request a copy of the ticket from the merchant. After receiving the fleet's dispute in writing and confirming that the transaction is a duplicate, WEX will permanently credit the account within five (5) business days.
6. If the disputed transaction occurred at an automated facility, a copy of the sales draft would not be available as no signature is required and swipe of the card into the card reader establishes that the card was present at the time of sale. Pursuant to the terms of our Agreement, "…use of a Card and DIN and entry of the applicable sales data into the card system will evidence (your) Agreement to pay for such purchases."

7. In the rare occasion that a technical error occurred at an automated facility, WEX will perform an investigation into the dispute sale.
8. Upon conclusion of the investigation, WEX will communicate the outcome of the investigation to the fleet customer. If a credit for a disputed transaction is warranted, it will be applied against the current billing period.

**Disputes of* WEX*Pay™ transactions are subject to the MasterCard dispute process.*

Online Dispute Process

Provisioned users can use WEXOnline® to request ticket copies, initiate a transaction dispute on a single or multiple transaction(s), and maintain visibility until resolution.

Current rules about what types of transactions cannot be disputed (e.g., private site, transactions, aviation transactions, island card reader, etc.) still apply. Onscreen instructional text and error messaging will be displayed if a transaction doesn't meet the dispute criteria.

Fraud-related dispute requests can be initiated within WEXOnline®, but due to their urgent nature, these disputes are immediately routed to the WEX Fraud Department for analysis and review. Given their sensitive disposition and circumstance, information about fraud-related disputes, including their status, will not appear in WEXOnline®, and instead will follow existing communication channels.

WEXPay™ transactions cannot be disputed online and must follow the existing process. Onscreen error messaging with a hyperlink to the dispute form will appear if this type of transaction is selected.

Non-Mandatory Requirements – None.

Non-Mandatory Scored Requirements – None.

17. CARD ACCEPTANCE

Mandatory Requirements – None.

Mandatory Scored Requirements

☒ 17.1 (MS) Card acceptance is critical to state business and is a scored element of this Competitive Solicitation.

Narrative Required: Bidders must indicate the number of accepting locations in the United States and Mexico/Canada in a format similar to the table below. Bidders must be able to provide verification of accepting locations upon request. Bidder shall provide proof of acceptance at the request of the Procurement Coordinator.

WEX Response: The WEX Fleet Card offers acceptance in all 50 states, at more than 95% of U.S. retail fueling locations, all of which provide Level III data. The card is accepted by all major oil companies and fuel retailers, as well as independent merchants, in urban, rural, and remote locations. The WEX Fleet Card is also accepted at approximately 4,500 locations

in Canada. Although the number of accepting locations fluctuates due to gas and service stations opening and closing, the WEX card is currently accepted at more than 132,000 retail locations. Of these, approximately 120,000 offer fuel or both fuel and service; approximately 32,000 offer service or both fuel and service.

WEX Fleet DriverDash, our free mobile fuel payments platform, is now accepted at more than 25,000 US fueling locations, with frequent new acceptance announcements. DriverDash is an industry-first, fleet fuel card mobile payments application. WEX Fleet DriverDash sets the fundamental framework and acceptance for how future payments will be made, including by the vehicle itself. As connected car technology grows and becomes more accessible, the need for these type of mobile payments applications and interfaces will continue to grow. Mobile payments are safer, more secure, and provide a greater level of flexibility and accuracy for what can be prompted for at the time of purchase.

WEX is always increasing its acceptance coverage for fuel, marina and service locations. Because we currently have acceptance at more than 95% of all U.S. fuel sites, our merchant acquisition strategy is driven by the needs of our fleet customers requiring service in remote areas or acceptance outside of domestic coverage. If a fleet customer identifies specific fueling needs, WEX will work toward signing any needed location

If the customer has merchants that they would like to be part of the WEX accepting network who do not already have direct acceptance or cannot utilize the WEX*Pay™* tool, we will request the following information from the fleet:

- Merchant name
- Merchant address
- Merchant contact person
- Phone and fax numbers
- Expected utilization/volume from your fleet
- Name and phone number of fleet employee requesting WEX card acceptance

WEX will work with all interested parties toward gaining acceptance at the location. This includes either direct agreements or acceptance through our partnerships with network sales organizations and acquirers.

Number of WEX-accepting locations, July 2019:

Fuel, United States	137,862
Fuel, Canada	~ 4,500
EV (US)	~ 66,000
WEXPay (US)	~ 398,000

Non-Mandatory Requirements – None.

Non-Mandatory Scored Requirements – None.

EXHIBIT C2 – FLEET CARD REBATE/INCENTIVE SHARE

INTRODUCTION

This Exhibit includes the Rebate/Incentive Share components for Category 2 – Fleet Card Services.

RESPONSES

Bidders must compete all Rebate/Incentive Share components. Bidders must bid Basis Point rates for the entire term (up to eighty-four (84) months). Bidders may enter a zero (0) if choosing not to offer incentive share in any of the components.

REBATE/INCENTIVE SHARE DETAILS

Rebate amounts will be based on total spend less write-offs, returns, and fraudulent charges.

REBATE/INCENTIVE SHARE PAYMENT

A single payment combining Incentive Share Components 1 and 2 will be paid directly to the Participating State/Purchasing Entity on a quarterly basis as determined in the Participating Addendum. Payment can be made via account credit, mailed check, ACH or EFT payment (standard or non-standard format) as determined in the Participating Addendum. Payments must be received no later than the 45th day following the end of each quarter.

Incentive Share Component 3 will be paid to the Participating State on an annual basis. Payment can be made via mailed check, ACH, or EFT as determined in the Participating Addendum. Payment must be received no later than the 45th day following the end of each calendar year.

Delivery of the rebate may be adjusted in any Participating State's Participating Addendum.
1 Basis Point = .0001 or .01%

INCENTIVE SHARE COMPONENTS

1. **Incentive Share #1 – Standard Volume Incentive** – Each Participating Entity will receive a basis point (percentage) of their quarterly standard sales volume. The formula for calculating the Standard Volume Incentive is:

   Quarterly Total Volume x basis points = Quarterly Standard Volume Incentive.

   Basis Points Offered: __170 basis points (1.70%)_____

2. **Incentive Share #2 – Prompt Payment Incentive** – Each Participating Entity will receive a basis point (percentage) of their Quarterly Total Volume based on the entity's average speed of pay. The formula for calculating the Prompt Payment Incentive is:

   Quarterly Total Volume x Basis Points for Entity average file turn days = Quarterly Prompt Payment Incentive.

   Note: The payment terms for the Master Agreement is forty-five (45) days.

Basis Points Offered:

3. **Incentive Share #3 – National Annual Volume Incentive** – Each Participating State will receive an incentive based on the total National Annual Volume (total annual sales for all Participating States/Participating Entities). The formula for calculating the National Annual Sales Volume Incentive is:

   National Annual Volume (for all Fleet products) x basis points = National Annual Sales Volume Incentive.

   Basis Points Offered:

Total Annual Spend	Basis Points
$50,000,000 – $100,000,000	10
$100,000,001– $200,000,000	15
$200,000,001– $300,000,000	20

$400,000,001+	30

FEES

Below is a list of fees allowed under this Master Agreement. If choosing to charge these fees throughout the agreement, indicate the amount and/or rates here.

Fee Type	Fee Amount
Foreign Transaction Fee	1.5% of the total transaction value
Overnight Delivery Fee	$15.00 per occurrence

WEX Fleet Card Financial Incentives for NASPO Participating Entities

The WEX Fleet Card can be used to purchase fuel and fleet related services and products for the retail price at our accepting locations. We will provide you with rebates in accordance with the below.

Definitions

"Quarterly Total Volume" shall mean the total amount of all purchases made using Cards at retail locations that appear on invoices provided to you in three calendar months. Quarterly Total Volume shall not include: (i) those amounts representing credits, disputed items, fees, late fees or charges posted to your accounts (such as returned check fees, collection costs, administrative fees and reporting fees), (ii) fuel purchased at Tier 1 Truck Stop locations* (currently Flying J, Loves, TA, Petro, and Pilot), or (iii) any amounts posted to an account with respect to which a Card has been reported lost or stolen.

"National Annual Volume" shall mean the total amount of all purchases made using Cards at retail locations that appear on invoices provided to you in a calendar year. National Annual Volume shall not include: (i) those amounts representing credits, disputed items, fees, late fees or charges posted to your accounts (such as returned check fees, collection costs, administrative fees and reporting fees), (ii) fuel purchased at Tier 1 Truck Stop locations* (currently Flying J, Loves, TA, Petro, and Pilot), or (iii) any amounts posted to an account with respect to which a Card has been reported lost or stolen.

**Participants will be charged the posted cash price at Tier 1 truck stops.*

Incentive Share #1 – Standard Volume Incentive

Subject to the express conditions below, we will issue a monthly rebate, paid quarterly, in accordance with Exhibit C2, off Each Participating Entity's Quarterly Total Volume.

Conditions

The Rebate set forth herein is expressly conditioned on the following: (1) monthly billing; (2) payment in full within 45 calendar days of the billing date appearing on your invoice; (3) credit approval.

Calculation

We shall commence calculating the Volume Rebate as of the closing of the first billing cycle after an agreement becomes effective. The Rebate Percentage is multiplied by the total dollar amount of Quarterly Total Volume.

Payment

Rebates for international transactions shall be paid at a rate of 50% of the applicable Rebate Percentage. Rebates shall be paid to you monthly in arrears.

Incentive Share #2 – Prompt Payment Incentive

Subject to the express conditions below, we will issue a monthly rebate in accordance with Exhibit C2.

Conditions

The Prompt Payment Incentive set forth herein is expressly conditioned on the following: (1) electronic reporting (i.e. no paper reports); and (2) our receipt of payment in full in accordance with one of the Average File Turn Days in the Prompt Payment Table.

Calculation

We shall commence calculating the Rebate as of the closing of the first billing cycle after an agreement becomes effective. The Rebate will be calculated by determining the Payment Timing and the applicable Rebate Percentage, then by multiplying the Rebate Percentage by the total dollar amount of Monthly Retail Transactions.

Payment

Prompt Payment Incentives for international transactions shall be paid at 50% of the applicable Rebate Percentage.

Incentive Share #3 – National Annual Volume Incentive

Subject to the express conditions below, we will issue a monthly rebate, paid quarterly, in accordance with Exhibit C2, off the National Annual Volume.

Conditions

The Rebate set forth herein is expressly conditioned on the following: (1) monthly billing; (2) payment in full within 45 calendar days of the billing date appearing on your invoice; (3) credit approval.

Calculation

We shall commence calculating the National Annual Volume Incentive as of the closing of the first billing cycle after an agreement becomes effective. The Rebate Percentage is multiplied by the total dollar amount of National Annual Volume.

Payment

Rebates for international transactions shall be paid at a rate of 50% of the applicable Rebate Percentage. Rebates shall be paid to you monthly in arrears.

Cycle Swaps

Our billing and payment system provides for various billing cycle and payment timing options. In the event you desire to change billing cycles you must make a request to Fleet Receivables for a billing cycle change. Upon receipt of the request it will be a minimum of thirty (30) business days to change the billing cycle. In addition, any changes to billing cycles will not take effect until after the current cycle has closed. Cycle changes cannot be made mid-month or mid-week from monthly to weekly billing cycles and cycle changes cannot be made mid-week or mid-month from weekly to monthly billing cycles. Cycle changes can only be made once per calendar year for each billing entity.

Billing and Payment

Purchases are due and payable in full within 45 days of the date appearing on your invoice. Invoices include transactions that have posted to our system in your billing cycle and will not include all transactions that have been made in the billing cycle. Your account is delinquent if the balance is not paid within 45 days of the billing date appearing on your invoice.

Upon payment default, finance charges will be assessed at a monthly percentage rate of 7.99%. The periodic rate will be prorated based on the company's billing cycle. Issuer will begin to assess a finance charge on the first day following the date a payment is due and is not posted to the account. The finance charge will be calculated by determining the total balance due on the date the account becomes delinquent. The total balance due includes any additional charges and credits posted to the account since the last billing cycle through the payment due date and then subtracting any payments and/or credits entered during that period for Company reported disputes or otherwise. The total balance due will be multiplied by the periodic rate to determine the account's finance charge. In the event that the calculated finance charge is less than seventy-five dollars ($75.00), a minimum finance charge of seventy-five dollars ($75.00) will be assessed.

If a payment is not received by the payment due date and the balance due is less than ten dollars ($10), a finance charge will not be assessed and the balance will carry forward to the following billing cycle. If additional charges are posted to the account, including other fees, and the new balance exceeds ten dollars ($10), a finance charge will be assessed on the new balance upon payment default.

WEX LEGAL – JULY 2019 STATE OF WASHINGTON MASTER CONTRACT

MASTER AGREEMENT ISSUES LIST			
ITEM	**SPECIFY THE MASTER AGREEMENT SECTION #**	**ISSUE**	**BIDDER'S PROPOSED SOLUTION/RATIONALE**
1.	1	The Exhibit A referenced does not appear to be relevant to the subject matter of this section.	Please remove the reference to Exhibit A or explain why relevant to this section.
2.	4	No qualifier on whether Contractor can make the reps in this section, and a 3 day notice period is too short.	Insert knowledge qualifier as to whether Contractor can make the reps and replace 3-day period with "as soon as commercially reasonable."
3.	4.1	This section contains a requirement that WEX be registered to do business in the state of Washington, whereas WEX Bank (which is the contracting entity) is a federally regulated bank and its business constitutes interstate commerce, which makes state-by-state registration to do business unnecessary.	Remove this section, provided that if this is required, WEX will undertake to register.
8	4.12	WEX is not presently registered as a state payee.	WEX would undertake to become registered prior to the contracting date.
	6	WEX's card product being an unsecured loan product, its payment terms and the manner in which statements are delivered to customers do not entirely comport with what is set forth in this section.	WEX notes that its understanding is that the WEX terms and conditions will be incorporated as part of the contract.
	11.2	The audit right set forth in this section is unilateral (i.e., WEX does not have an audit right), it lengthy in duration (6 years from expiration or	Amend Section 11.2 such that it is mutual, is limited to 2 years after the date of expiration or termination of the contract, and contains a

MASTER AGREEMENT ISSUES LIST			
ITEM	**SPECIFY THE MASTER AGREEMENT SECTION #**	**ISSUE**	**BIDDER'S PROPOSED SOLUTION/RATIONALE**
		termination is outside of "market" standard for such terms), and there lacks an advance notice provision.	reasonable advance notice requirement.
	11.3	This section includes a 25% percent fee/penalty for erroneous overpayments and underpayments, and does not specify that repayment of any such amounts would be subject to whatever amounts are currently owed on the accounts.	Amend this section to change the 125% rate to 100% in both instances, and include a caveat that such repayments would be subject to offset in the case of existing balances.
	12.1 (and schedule) and 12.3	Crime Insurance/Employee Dishonesty includes language regarding "purchaser owned property" that WEX does not understand. **Additional Insured**. WEX's crime insurance will not include additional insured language. WEX has blanket loss payee coverage for payments made under the policy if directed by WEX. **Waiver of Subrogation**. WEX's crime insurer will not waive subrogation rights, it can be waived for Network security/E&O.	Remove "and/or purchaser owned property" language or explain what it means. Additional Insured language to include carve out for crime insurance. Insert a carveout in the Waiver of Subrogation section for crime insurance.
	14.2	The indemnity section contains no materiality threshold, includes indemnity for settlements of claims, contains no reasonableness qualifier on attorneys' fees, and is not mutual (i.e., it is just unilateral). The section contains no cap on liability.	Amend Section 14.2 such that it is mutual (i.e., each party indemnifies the other), applies only for materials claims and damages, does not include settlements of claims, and contains a reasonableness standard for attorneys' fees. WEX also notes that its terms and conditions, which we understand would be incorporated into the

MASTER AGREEMENT ISSUES LIST			
ITEM	SPECIFY THE MASTER AGREEMENT SECTION #	ISSUE	BIDDER'S PROPOSED SOLUTION/RATIONALE
			contract, contain limitations of liability.
	14.3	The section contains no cap on liability.	WEX notes that this section would be subject to the limitations of liability set forth in the WEX terms and conditions.
	14.4	The section contains no cap on liability.	WEX notes that this section would be subject to the limitations of liability set forth in the WEX terms and conditions.
	16.1	The right to suspend is immediate and doesn't contain a cure period. And the continuation of WEX's obligations following termination of the contract is improper.	Insert a cure period of 30 days in the event of a default, after which (if not cured), Enterprise Services may suspend. The sentence regarding survival of obligations post-termination should be removed.
	16.2	There is no materiality threshold for defaults under subsections (a) or (b).	Insert a materiality threshold for defaults defined in subsections (a) and (b).
	16.3	The provisions regarding WEX's obligations in the event of procurement of a replacement contractor are severe and imposing.	Amend this section to remove the obligation for WEX to cover costs of replacement procurement.
	17.13	Survival of reps and warranties past expiration or termination of a services contract is not logical or proper.	Remove this section.
	17.14	Given that WEX Bank is the service provider and WEX Bank is a Utah-	Amend this section to bifurcate applicable governing law such that Utah law governs the banking, lending and related aspects of the

Midvale, Utah 84070

July 22, 2019

Roni Field
State of Washington
Department of Enterprise Services
Contracts & Procurement
Solicitation #00719/00819
P.O. Box 41411
Olympia, WA 98501-1411

Ms. Field:

WEX Bank, formerly Wright Express Financial Services Corporation, would like to thank the State of Washington and the NASPO Value Point evaluation committee for the opportunity to respond to NASPO Request for Proposal #00719/00819. WEX hereby submits a response to supply Fuel Card Services under the proposed Master Agreement.

WEX provides payment solutions to businesses and governments through a variety of tools and platforms. Our focus is to improve the payment process in order to deliver efficiencies and savings to our customers.

The WEX Universal Card is accepted at more than 95% of US retail fueling locations and offers best-in-class card functionality, reporting, and customer service. Including mobile payment capabilities at more than 25,000 locations today.

WEX has vast experience and expertise servicing government accounts: currently holding 24 state fuel card contracts, with governmental and tax-exempt customers in all 50 states. Our State customers represent more than 375,000 cards. All in, our tax-exempt customers represent approximately 1 million cards in market.

WEX also provides fleet card services as a subcontractor under the Federal Government's SmartPay3 Charge Card Program for the U.S. Department of Homeland Security, U.S. Department of Energy, U.S. Department of Treasury, U.S. Department of Agriculture and GSA Fleet, representing more than 320,000 cards. Additionally, today WEX supports card programs for six of the seven largest fleet management companies and manages nine of the top 11 major oil companies' card programs.

Our pricing proposal allows NASPO states to maximize savings based on retail spend anywhere the WEX Fleet Card is used. The savings are transparent and easy to calculate.

WEX's technology and service has greatly expanded in recent years. Highlights include:

- 99.8% Level 3 data on all transactions (including remote sites that may only transmit Level 1 or 2 data if using MasterCard or other open-loop networks)
- Nine levels of hierarchy for more flexible reporting and billing options
- Advanced card-to-prompt functions; ability to tie one card to one prompt, etc.

WEX Bank
7090 South Union Park Center, Suite 350
Midvale, Utah 84070

- Significant investment in technology; including data analytics, mobile, and chip card
- Broad acceptance through our proprietary network, as well as expanded acceptance through virtual MasterCard technologies
- Comprehensive tax exemption program for Federal and State taxes
- Additional online reporting tools, including ability to schedule and share custom reports
- Ability to customize data fields and add GL codes for accounts, drivers, vehicles or cards
- More control over user access to WEXOnline®, with advanced administrative functions
- Mobile fuel payments at 25,000 accepting locations with free addition of WEX Fleet DriverDash
- Ability to use your WEX Fleet card to pay for EV charges at more than 66,000 sites nationwide with WEX EV FleetCharge, a new product pioneered with ChargePoint (the nation's largest EV charging network) and GSA Fleet (the nation's largest public fleet)
- WEX Fleet ClearView™, free of charge to NASPO states, allows you to analyze all your data visually so you don't spend all your time plowing through spreadsheets for trends and insights.

As part of our government fleet program, NASPO Value Point-participating states will receive unmatched support, as WEX will supply each NASPO Value Point participating state with 24/7, award-winning, in-house customer service department for your drivers, and a one-on-one Premium Fleet Services Account Manager as the daily ongoing contact for your program administrators.

This RFP process, subsequent negotiations and ongoing service will also be supported at a strategic level by Strategic Relationship Manager Ryan Kelly, who will provide participating states with regular program reviews and best practices based on what we've learned from our other government and commercial fleets. Ryan is your point of contact during the RFP process and beyond. His contact information is:

Ryan Kelly, Strategic Relationship Manager
97 Darling Ave.
South Portland, ME 04106
O: 952-922-1104
C: 612-213-7699
E: Ryan.Kelly@wexinc.com

Thank you for allowing WEX to present our program capabilities. We look forward to the opportunity to serve NASPO states with our best-in-class fleet card program.

Sincerely,

Bernie Kavanagh, Contracting Agent

Alternate Contract Source (ACS)
No. 78181701-21-NASPO-ACS
For
Fuel Card Services

This Alternate Contract Source ("ACS" or "Contract") No. 78181701-21-NASPO-ACS; for Fuel Card Services, is between the Department of Management Services (Department), an agency of the State of Florida (State), located at 4050 Esplanade Way, Tallahassee, FL 32399 and WEX Bank, 1 Hancock Street, Portland, Maine 04101 (Contractor), registered to do business in Florida as Wex Inc., collectively referred to herein as the "Parties."

WHEREAS, the Department is authorized by section 287.042(16), Florida Statutes:

> To evaluate contracts let by the Federal Government, another state, or a political subdivision for the provision of commodities and contract services, and, if it is determined in writing to be cost-effective and in the best interest of the state, to enter into a written agreement authorizing an agency to make purchases under such contract;

WHEREAS, the Department evaluated the Master Agreement and determined that use of the Master Agreement is cost-effective and in the best interest of the State.

NOW THEREFORE, in consideration of the mutual promises contained herein, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Term and Effective Date.**

The Master Agreement became effective October 1, 2020, and its term currently ends on December 31, 2025 The Master Agreement has five years of renewals available. The ACS will become effective on April 6, 2021, or on the date signed by all Parties, whichever is later. The ACS will expire on December 31, 2025, unless terminated earlier or renewed in accordance with Exhibit B, Special Contract Conditions

2. **Order of Precedence.**

This Contract document and the attached exhibits constitute the Contract and the entire understanding of the Parties. Exhibit A, Exhibit B, Exhibit C, and this Contract document constitue the Participating Addendum to the Master Agreement, and modify or supplement the terms and conditions of the Master Agreement (Exhibit D). All exhibits

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

listed below are incorporated by reference into, and form part of, this Contract. In the event of a conflict, the following order of precedence shall apply:

a) This ACS document and amendments, with the latest issued having priority.
b) Exhibit A: Additional Special Contract Conditions (Florida)
c) Exhibit B: Special Contract Conditions (Florida)
d) Exhibit C: Schedule of Points and Fees
e) Exhibit D: Cooperative Purchasing Master Agreement No. 00819, Fleet Card Services

Where the laws and regulations of a state other than the State of Florida are cited or referenced in the Master Agreement, such citation or reference shall be replaced by the comparable Florida law or regulation.

3. National Annual Volume

The National Annual Volume Incentive will be applied as an ancillary credit for each Customer.

4. Purchases off this ACS.

Upon execution of this ACS, agencies, as defined in section 287.012, Florida Statutes, may purchase products and services under this Contract. Any entity making a purchase off of this Contract acknowledges and agrees to be bound by the terms and conditions of this Contract. The Contractor shall adhere to the terms included in any contract or purchase orders issued pursuant to this Contract.

We serve those who serve Florida

ADDITIONAL SPECIAL CONTRACT CONDITIONS
Exhibit A

The Contractor and Customers acknowledge and agree to be bound by the terms and conditions of the Master Agreement except as otherwise specified in the Department's Contract as modified and supplemented by the Special Contract Conditions and these Additional Special Contract Conditions.

Contractor acknowledges that the Participating State is an agency of the State of Florida and as such, the Contract will include the terms and conditions in these Additional Special Contract Conditions. All references to the Contract in these Additional Special Contract Conditions include the terms and conditions herein.

A. Contractor and applicable subcontractors, affiliates, partners, resellers, distributors, and dealers: By execution of a Contract, the Contractor acknowledges that it will not be released of its contractual obligations to the Department or state agencies because of any failure of a subcontractor, reseller, distributor, or dealer. The Contractor is fully responsible for satisfactory completion of all work performed under the Contract.

B. Purchases Prerequisites: Before fulfilling any Customer purchases and receiving payment, the Contractor and applicable subcontractors, affiliates, partners, resellers, distributors, and dealers must have met the following requirements, unless further notated below:
   - Have an active registration with the Florida Department of State, Division of Corporations (www.sunbiz.org), or, if exempt from the registration requirements, provide the Department with the basis for such exemption.
   - Be registered in the MFMP Vendor Information Portal (https://vendor.myfloridamarketplace.com) *only required if receiving payment.
   - Not be on the State's Convicted, Suspended, or Discriminatory Vendor lists (http://www.dms.myflorida.com/business_operations/State_purchasing/vendor_information/convicted_suspended_discriminatory_complaints_vendor_lists)
   - Comply with E-Verify requirements set forth in section 448.095, F.S, if applicable.
   - Have a current W-9 filed with the Florida Department of Financial Services (https://flvendor.myfloridacfo.com) *only required if receiving payment.
   - For subcontractors, affiliates, partners, resellers, distributors, and dealers (Third Party Entities) fulfilling any Customer purchases and receiving payment from a Customer, Contractor shall include in any agreement with such Third Party Entities that they shall adhere to the requirements set forth above, if applicable, prior to fulfilling any Customer purchases.

C. Contract Reporting: The Contractor shall provide the following reports associated with this Contract.

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

1) Contract Quarterly Sales Reports. The Contractor shall submit Quarterly Sales Reports to the Department's Contract Manager within 60 calendar days after the close of each State fiscal quarter (the State's fiscal quarters close on September 30, December 31, March 31, and June 30). The Contractor's first Quarterly Sales Report will be due 60 calendar days after the first full quarter following Contract execution.

   Reports must be submitted in MS Excel format in a format agreed upon between contractor and the Department's contract manager. The report shall include all Customer sales received and associated with this Contract during the quarter. Initiation and submission of the Quarterly Sales Report is the responsibility of the Contractor without prompting or notification from the Department's Contract Manager. If no orders are received during the period, the Contractor must submit a report stating that there was no activity. If the Contractor fails to submit two consecutive quarterly sales reports, the Contract may be terminated, or the Department may choose to not renew the Contract.

2) Certified and Minority Business Enterprises Reports. Upon Customer request, the Contractor shall report to each Customer, spend with certified and other minority business enterprises in the provision of commodities or services related to the Customer orders. These reports shall include the period covered; the name and minority code of each minority business enterprise utilized during the period; commodities and services provided by the minority business enterprise; and the amount paid to each minority business enterprise on behalf of the Customer.

3) Ad Hoc Sales Reports. The Department may require additional Contract sales information such as copies of purchase orders or ad hoc sales reports. The Contractor shall submit these mutually agreed upon documents and reports within the timeframe specified by the Department and the contractor.

D. Financial Consequences: The following financial consequences will apply for the Contractor's non-performance of the provision of the Quarterly Sales Reports and the MFMP Transaction Fee Reports. The State of Florida reserves the right to withhold payment or implement other appropriate remedies, such as Contract termination or nonrenewal, when the Contractor has failed to comply with these provisions of the Contract. The Contractor and the Department agree that the financial consequences for non-performance are an estimate of damages which are difficult to ascertain and are not penalties.

   The financial consequences will be paid via check or money order and made out to the Department of Management Services in U.S. dollars within 30 calendar days after the required report submission date. These consequences are individually assessed for failures over each target period beginning with the first full month or quarter of the contract performance and every month or quarter, respectively, thereafter.

Financial Consequences Chart

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

Deliverable	Performance Metric	Performance Due Date	Financial Consequence for Non-Performance (Per Calendar Day Late/Not Received by the Contract Manager)
Contractor will timely submit complete Quarterly Sales Reports	All Quarterly Sales Reports will be submitted timely with the required information	Reports are due on or before the 60th calendar day after the close of each State fiscal quarter	$250

Quarterly reporting timeframes coincide with the State Fiscal Year as follows:

Quarter 1 - (July-September) – due 60 calendar days after close of the period
Quarter 2 - (October-December) – due 60 calendar days after close of the period
Quarter 3 - (January-March) – due 60 calendar days after close of the period
Quarter 4 - (April-June) – due 60 calendar days after close of the period

The Department may not consider renewal of a Contract or price adjustments if the Contractor is late on submitting required reports or for outstanding fees owed.

E. Business Review Meetings: Both the Department and Customer reserve the right to schedule business review meetings. The Department or Customer will provide the format for the Contractor's agenda. In the event the Department or Customer schedules a business review meeting, the Contractor shall submit the completed agenda to the Department or Customer for review and acceptance prior to the meeting. The Contractor shall address the agenda items and any of the Department's or Customer's additional concerns at the meeting. At a minimum, the agenda items may include:

   a. Contract compliance
   b. Savings report (in dollar amount and cost avoidance)
   c. Spend reports by Customer
   d. Recommendations for improved compliance and performance

   Failure to comply with this section may result in the Contractor being placed on a Corrective Action Plan and possible termination of the Contract.

F. The following sections of Exhibit B, Special Contract Conditions are hereby deleted in their entirety:

   Section 3.1 Pricing
   Section 3.2 Pricing Decreases
   Section 3.4 Purchase Order
   Section 3.7 Transaction Fees
   Section 6.4 Inspection and Acceptance of Commodities

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

Section 6.5 Safety Standards
Section 6.8 Waiver
Section 7.1 Workers' Compensation Insurance
Section 7.2 General Liability
Section 7.3 Florida Authorized Insurers
Section 7.4 Performance Bond
Section 7.5 Indemnfifcation
Section 7.6 Limitation of Liability
Section 11.3 Performance Delay
Section 11.4 Force Majeure , Notice of Delay, and No Damages for Delay.

G. The following sections of Exhibit B, Special Contract Conditions are hereby replaced in their entirety:

a. Section 2.3.1, Suspension of Work
The Department may, at its sole discretion, suspend any or all activities under the Contract, at any time, when it is in the best interest of the State of Florida to do so. The Customer may suspend a resulting contract or purchase order, at any time, when in the best interest of the Customer to do so. The Department or Customer will provide advance written notice of no fewer than 30 days outlining the particulars of the suspension. After receiving a suspension notice, the Contractor must comply with the notice and will cease the performance of the Contract or purchase order. Suspension of work will not entitle the Contractor to any additional compensation. The Contractor will not resume performance of the Contract or purchase order until so authorized by the Department.

b. Section 2.3.2, Termination of Convenience
The Contract may be terminated by the Department in whole or in part at any time subject to advance written notice of no fewer than 30 days, in the best interest of the State of Florida. If the Contract is terminated before performance is completed, the Contractor will be paid only for that work satisfactorily performed for which costs can be substantiated. Such payment, however, may not exceed an amount which is the same percentage of the Contract price as the amount of work satisfactorily performed. All work in progress will become the property of the Customer and will be turned over promptly by the Contractor

c. Section 3.5, Travel
Travel expenses are not reimbursable.

d. Section 5.2, Dispute Resolution, Governing Law, and Venue
In the event there is a dispute concerning performance of the Contract, except for disputed transactions, the parties shall discuss and seek to arrive at a resolution in good faith. In the event the parties are unable to arrive at a resolution, then the Department's designated Contract Manager shall reduce State's decision as to such dispute to writing and serve a copy on the Contractor. Exhaustion of this administrative remedy is an absolute condition precedent to the Contractor's ability to pursue legal action related to the Contract or any other form of dispute resolution. The laws of the State of Florida govern the Contract. The Parties submit to the jurisdiction of the courts of the State of Florida exclusively for any legal action related to the Contract. Further, the Contractor hereby waives all privileges and rights relating to venue it may have under Chapter 47, F.S., and all

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

such venue privileges and rights it may have under any other statute, rule, or case law, including, but not limited to, those based on convenience. The Contractor hereby submits to venue in the county chosen by the Department.

e. Section 6.2, Assignment
The Contractor will not sell, assign, or transfer any of its rights, duties, or obligations under the Contract without the prior written consent of the Department. However, the Contractor may waive its right to receive payment and assign same upon notice to the Department. In the event of any assignment, the Contractor remains responsible for performance of the Contract, unless such responsibility is expressly waived by the Department. The Department may assign the Contract upon prior written notice to the Contractor.

f. Section 8.1.2(d)
Upon completion of the Contract, transfer, at no cost, to the public agency all public records in possession of the Contractor or keep and maintain public records required by the public agency to perform the service. If the Contractor transfers all public records to the public agency upon completion of the Contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. Subject to any retention of data required by applicable taxing authorities. If the Contractor keeps and maintains public records upon completion of the Contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

g. Section 9, Data Security
Contractor hereby represents, warrants and covenants that it shall cause and ensure that all measures set forth in Section 9.6 and Exhibit G, Section 7 of the Master Agreement be provided and delivered to the State, and all representations, warranties and covenants made in such sections are hereby also made to State.

h. Section 13.1, Background Check
The Department or Customer may request the Contractor to conduct background checks of its employees providing services under this Contract (directly or indirectly) and/or perform appropriate screening of all agents, representatives, and subcontractors providing services under this Contract (directly or indirectly). The cost of the background checks will be borne by the Contractor. The Department or Customer may require the Contractor to exclude the Contractor's employees, agents, representatives, or subcontractors should they fail a background check and/or screening process. In addition, the Contractor must ensure that all persons have a responsibility to self-report to the Contractor within five (5) calendar days (or sooner as directed by the relevant Contractor policy) any conviction (or plea of no contest) for any disqualifying offence listed in 13.3 below, that triggers reporting obligations pursuant to the relevant Contractor policies. The Contractor must promptly notify the Contract Manager of all details concerning any reported conviction. Upon the reasonable request of the Department or Customer, the Contractor will re-screen any of its employees providing services under this contract (directly or indirectly) or request re-

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

screening of any agents, representatives, and subcontractors providing services under this contract (directly or indirectly) in each case during the term of the Contract.

i. Section 13.2, E-Verify
The Contractor (and its subcontractors) have an obligation to utilize the U.S. Department of Homeland Security's (DHS) E-Verify system for all newly hired employees. By executing this Contract, the Contractor certifies that it is registered with, and uses, the E-Verify system for all newly hired employees. The Contractor must obtain an affidavit from its subcontractors in accordance with paragraph (2)(b) of section 448.095, F.S., and maintain a copy of such affidavit for the duration of the Contract. In order to implement this provision, the Contractor shall provide a copy of its DHS Memorandum of Understanding (MOU) to the Department's Contract Manager within five (5) days of Contract execution. This section serves as notice to the Contractor regarding the requirements of section 448.095, F.S., specifically sub-paragraph (2)(c)1, and the Department's obligation to terminate the Contract if it has a good faith belief that the Contractor has knowingly violated section 448.09(1), F.S. If terminated for such reason, the Contractor will not be eligible for award of a public contract for at least one (1) year after the date of such termination. The Department reserves the right to order the immediate termination of any contract between the Contractor and a subcontractor performing work on its behalf should the Department develop a good faith belief that the subcontractor has knowingly violated section 448.095(1), F.S. This section shall only be deemed to apply to the extent Contractor is subject to the applicable State E-Verify laws

j. Section 13.3 Disqualifying Offenses
If at any time it is determined that a person directly or indirectly providing commodities and services under this Contract has been found guilty of a misdemeanor or felony offense as a result of a trial or has entered a plea of guilty or nolo contendere, regardless of whether adjudication was withheld, within the last six (6) years from the date of the court's determination for the crimes listed below, or their equivalent in any jurisdiction, the Contractor is required to immediately remove that person from any position with access to State of Florida data or directly performing services under the Contract. The disqualifying offenses are as follows:

(a) Computer related crimes;
(b) Information technology crimes;
(c) Fraudulent practices;
(d) False pretenses;
(e) Frauds;
(f) Credit card crimes;
(g) Forgery;
(h) Counterfeiting;
(i) violations involving checks or drafts;
(j) Misuse of medical or personnel records; and
(k) Felony theft.

k. Section 13.4, Confidentiality

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

The Contractor must maintain confidentiality of all confidential data, files, and records related to the commodities or contractual services provided pursuant to the Contract and must comply with all state and federal laws, including, but not limited to sections 381.004, 384.29, 392.65, and 456.057, F.S. The Contractor hereby represents, warrants and covenants that it shall cause and ensure that all measures set forth in Section 9.6 and Exhibit G, Section 7 of the Master Agreement be provided and delivered to the State, and all representations, warranties and covenants made in such sections are hereby also made to State. The Contractor must also comply with any applicable professional standards with respect to confidentiality of information.

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

SECTION 1. DEFINITION.

The following definition applies in addition to the definitions in Chapter 287, Florida Statutes (F.S.), and Rule Chapter 60A-1, Florida Administrative Code (F.A.C.):

1.1 Customer.
The agency or eligible user that purchases commodities or contractual services pursuant to the Contract.

SECTION 2. CONTRACT TERM AND TERMINATION.

2.1 Initial Term.
The initial term will begin on the date set forth in the Contract documents or on the date the Contract is signed by all Parties, whichever is later.

2.2 Renewal.
Upon written agreement, the Department and the Contractor may renew the Contract in whole or in part only as set forth in the Contract documents, and in accordance with section 287.057(13), F.S.

2.3 Suspension of Work and Termination.

2.3.1 Suspension of Work.
The Department may, at its sole discretion, suspend any or all activities under the Contract, at any time, when it is in the best interest of the State of Florida to do so. The Customer may suspend a resulting contract or purchase order, at any time, when in the best interest of the Customer to do so. The Department or Customer will provide the Contractor written notice outlining the particulars of the suspension. After receiving a suspension notice, the Contractor must comply with the notice and will cease the performance of the Contract or purchase order. Suspension of work will not entitle the Contractor to any additional compensation. The Contractor will not resume performance of the Contract or purchase order until so authorized by the Department.

2.3.2 Termination for Convenience.
The Contract may be terminated by the Department in whole or in part at any time, in the best interest of the State of Florida. If the Contract is terminated before performance is completed, the Contractor will be paid only for that work satisfactorily performed for which costs can be substantiated. Such payment, however, may not exceed an amount which is the same percentage of the Contract price as the amount of work satisfactorily performed. All work in progress will become the property of the Customer and will be turned over promptly by the Contractor.

2.3.3 Termination for Cause.
If the performance of the Contractor is not in compliance with the Contract requirements or the Contractor has defaulted, the Department may:

(a) immediately terminate the Contract;
(b) notify the Contractor of the noncompliance or default, require correction, and specify the date by which the correction must be completed before the Contract is terminated; or
(c) take other action deemed appropriate by the Department.

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

SECTION 3. PAYMENT AND FEES.

3.1 Pricing.
The Contractor will not exceed the pricing set forth in the Contract documents.

3.2 Price Decreases.
The following price decrease terms will apply to the Contract:

3.2.1 Quantity Discounts. Contractor may offer additional discounts for one-time delivery of large single orders;

3.2.2 Preferred Pricing. The Contractor guarantees that the pricing indicated in this Contract is a maximum price. Additionally, Contractor's pricing will not exceed the pricing offered under comparable contracts. Comparable contracts are those that are similar in size, scope, and terms. In compliance with section 216.0113, F.S., Contractor must annually submit an affidavit from the Contractor's authorized representative attesting that the Contract complies with this clause.

3.2.3 Sales Promotions. In addition to decreasing prices for the balance of the Contract term due to a change in market conditions, the Contractor may conduct sales promotions involving price reductions for a specified lesser period. The Contractor must submit documentation identifying the proposed: (1) starting and ending dates of the promotion, (2) commodities or contractual services involved, and (3) promotional prices compared to then-authorized prices.

3.3 Payment Invoicing.
The Contractor will be paid upon submission of invoices to the Customer after delivery and acceptance of commodities or contractual services is confirmed by the Customer. Invoices must contain sufficient detail for an audit and contain the Contract Number and the Contractor's Federal Employer Identification Number.

3.4 Purchase Order.
A Customer may use purchase orders to buy commodities or contractual services pursuant to the Contract and, if applicable, the Contractor must provide commodities or contractual services pursuant to purchase orders. Purchase orders issued pursuant to the Contract must be received by the Contractor no later than the close of business on the last day of the Contract's term. The Contractor is required to accept timely purchase orders specifying delivery schedules that extend beyond the Contract term even when such extended delivery will occur after expiration of the Contract. Purchase orders shall be valid through their specified term and performance by the Contractor, and all terms and conditions of the Contract shall survive the termination or expiration of the Contract and apply to the Contractor's performance. The duration of purchase orders for recurring deliverables shall not exceed the expiration of the Contract by more than twelve months. Any purchase order terms and conditions conflicting with these Special Contract Conditions shall not become a part of the Contract.

3.5 Travel.
Travel expenses are not reimbursable unless specifically authorized by the Customer in writing and may be reimbursed only in accordance with section 112.061, F.S.

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

3.6 Annual Appropriation.
Pursuant to section 287.0582, F.S., if the Contract binds the State of Florida or an agency for the purchase of services or tangible personal property for a period in excess of one fiscal year, the State of Florida's performance and obligation to pay under the Contract is contingent upon an annual appropriation by the Legislature.

3.7 Transaction Fees.
The State of Florida, through the Department of Management Services, has instituted MyFloridaMarketPlace, a statewide eProcurement system pursuant to section 287.057(22), F.S. All payments issued by Customers to registered Vendors for purchases of commodities or contractual services will be assessed Transaction Fees as prescribed by rule 60A-1.031, F.A.C., or as may otherwise be established by law. Vendors must pay the Transaction Fees and agree to automatic deduction of the Transaction Fees when automatic deduction becomes available. Vendors will submit any monthly reports required pursuant to the rule. All such reports and payments will be subject to audit. Failure to comply with the payment of the Transaction Fees or reporting of transactions will constitute grounds for declaring the Vendor in default and subject the Vendor to exclusion from business with the State of Florida.

3.8 Taxes.
Taxes, customs, and tariffs on commodities or contractual services purchased under the Contract will not be assessed against the Customer or Department unless authorized by Florida law.

3.9 Return of Funds.
Contractor will return any overpayments due to unearned funds or funds disallowed pursuant to the terms of the Contract that were disbursed to the Contractor. The Contractor must return any overpayment within forty (40) calendar days after either discovery by the Contractor, its independent auditor, or notification by the Department or Customer of the overpayment.

SECTION 4. CONTRACT MANAGEMENT.

4.1 Composition and Priority.
The Contractor agrees to provide commodities or contractual services to the Customer as specified in the Contract. Additionally, the terms of the Contract supersede the terms of all prior agreements between the Parties on this subject matter.

4.2 Notices.
All notices required under the Contract must be delivered to the designated Contract Manager in a manner identified by the Department.

4.3 Department's Contract Manager.
The Department's Contract Manager, who is primarily responsible for the Department's oversight of the Contract, will be identified in a separate writing to the Contractor upon Contract signing in the following format:

Department's Contract Manager Name

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

Department's Name
Department's Physical Address
Department's Telephone #
Department's Email Address

If the Department changes the Contract Manager, the Department will notify the Contractor. Such a change does not require an amendment to the Contract.

4.4 Contractor's Contract Manager.
The Contractor's Contract Manager, who is primarily responsible for the Contractor's oversight of the Contract performance, will be identified in a separate writing to the Department upon Contract signing in the following format:

Contractor's Contract Manager Name
Contractor's Name
Contractor's Physical Address
Contractor's Telephone #
Contractor's Email Address

If the Contractor changes its Contract Manager, the Contractor will notify the Department. Such a change does not require an amendment to the Contract.

4.5 Diversity.

4.5.1 Office of Supplier Diversity.
The State of Florida supports its diverse business community by creating opportunities for woman-, veteran-, and minority-owned small business enterprises to participate in procurements and contracts. The Department encourages supplier diversity through certification of woman-, veteran-, and minority-owned small business enterprises and provides advocacy, outreach, and networking through regional business events. For additional information, please contact the Office of Supplier Diversity (OSD) at osdinfo@dms.myflorida.com.

4.5.2 Diversity Reporting.
Upon request, the Contractor will report to the Department its spend with business enterprises certified by the OSD. These reports must include the time period covered, the name and Federal Employer Identification Number of each business enterprise utilized during the period, commodities and contractual services provided by the business enterprise, and the amount paid to the business enterprise on behalf of each agency purchasing under the Contract.

4.6 RESPECT.
Subject to the agency determination provided for in section 413.036, F.S., the following statement applies:

IT IS EXPRESSLY UNDERSTOOD AND AGREED THAT ANY ARTICLES THAT ARE THE SUBJECT OF, OR REQUIRED TO CARRY OUT, THIS CONTRACT SHALL BE PURCHASED FROM A NONPROFIT AGENCY FOR THE BLIND OR FOR THE SEVERELY HANDICAPPED THAT IS QUALIFIED PURSUANT TO CHAPTER 413, FLORIDA STATUTES, IN THE SAME MANNER AND UNDER THE SAME PROCEDURES SET FORTH IN SECTION 413.036(1) AND (2), FLORIDA STATUTES;

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

AND FOR PURPOSES OF THIS CONTRACT THE PERSON, FIRM, OR OTHER BUSINESS ENTITY CARRYING OUT THE PROVISIONS OF THIS CONTRACT SHALL BE DEEMED TO BE SUBSTITUTED FOR THE STATE AGENCY INSOFAR AS DEALINGS WITH SUCH QUALIFIED NONPROFIT AGENCY ARE CONCERNED.

Additional information about RESPECT and the commodities or contractual services it offers is available at https://www.respectofflorida.org.

4.7 PRIDE.
Subject to the agency determination provided for in sections 287.042(1) and 946.515, F.S., the following statement applies:

IT IS EXPRESSLY UNDERSTOOD AND AGREED THAT ANY ARTICLES WHICH ARE THE SUBJECT OF, OR REQUIRED TO CARRY OUT, THIS CONTRACT SHALL BE PURCHASED FROM THE CORPORATION IDENTIFIED UNDER CHAPTER 946, F.S., IN THE SAME MANNER AND UNDER THE SAME PROCEDURES SET FORTH IN SECTION 946.515(2) AND (4), F.S.; AND FOR PURPOSES OF THIS CONTRACT THE PERSON, FIRM, OR OTHER BUSINESS ENTITY CARRYING OUT THE PROVISIONS OF THIS CONTRACT SHALL BE DEEMED TO BE SUBSTITUTED FOR THIS AGENCY INSOFAR AS DEALINGS WITH SUCH CORPORATION ARE CONCERNED.

Additional information about PRIDE and the commodities or contractual services it offers is available at https://www.pride-enterprises.org.

SECTION 5. COMPLIANCE WITH LAWS.

5.1 Conduct of Business.
The Contractor must comply with all laws, rules, codes, ordinances, and licensing requirements that are applicable to the conduct of its business, including those of federal, state, and local agencies having jurisdiction and authority. For example, the Contractor must comply with section 274A of the Immigration and Nationality Act, the Americans with Disabilities Act, Health Insurance Portability and Accountability Act, if applicable, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran's status. The provisions of subparagraphs 287.058(1)(a)-(c), and (g), F.S., are hereby incorporated by reference.

5.2 Dispute Resolution, Governing Law, and Venue.
Any dispute concerning performance of the Contract shall be decided by the Department's designated Contract Manager, who will reduce the decision to writing and serve a copy on the Contractor. The decision of the Contract Manager shall be final and conclusive. Exhaustion of this administrative remedy is an absolute condition precedent to the Contractor's ability to pursue legal action related to the Contract or any other form of dispute resolution. The laws of the State of Florida govern the Contract. The Parties submit to the jurisdiction of the courts of the State of Florida exclusively for any legal action related to the Contract. Further, the Contractor hereby waives all privileges and rights relating to venue it may have under Chapter 47, F.S., and all such venue privileges and rights it may have under any other statute, rule, or case law, including, but not limited to, those based on convenience. The Contractor hereby submits to venue in the county chosen by the Department.

5.3 Department of State Registration.

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

Consistent with Title XXXVI, F.S., the Contractor and any subcontractors that assert status, other than a sole proprietor, must provide the Department with conclusive evidence of a certificate of status, not subject to qualification, if a Florida business entity, or of a certificate of authorization if a foreign business entity.

5.4 Suspended, Convicted, and Discriminatory Vendor Lists.
In accordance with sections 287.042, 287.133, and 287.134, F.S., an entity or affiliate who is on the Suspended Vendor List, Convicted Vendor List, or Discriminatory Vendor List may not perform work as a contractor, supplier, subcontractor, or consultant under the Contract. The Contractor must notify the Department if it or any of its suppliers, subcontractors, or consultants have been placed on the Suspended Vendor List, Convicted Vendor List, or Discriminatory Vendor List during the term of the Contract.

5.5 Scrutinized Companies - Termination by the Department.
The Department may, at its option, terminate the Contract if the Contractor is found to have submitted a false certification as provided under section 287.135(5), F.S., or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or been engaged in business operations in Cuba or Syria, or to have been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel.

5.6 Cooperation with Inspector General and Records Retention.
Pursuant to section 20.055(5), F.S., the Contractor understands and will comply with its duty to cooperate with the Inspector General in any investigation, audit, inspection, review, or hearing. Upon request of the Inspector General or any other authorized State official, the Contractor must provide any information the Inspector General deems relevant to the Contractor's integrity or responsibility. Such information may include, but will not be limited to, the Contractor's business or financial records, documents, or files of any type or form that refer to or relate to the Contract. The Contractor will retain such records for the longer of five years after the expiration of the Contract, or the period required by the General Records Schedules maintained by the Florida Department of State, at the Department of State’s Records Management website. The Contractor agrees to reimburse the State of Florida for the reasonable costs of investigation incurred by the Inspector General or other authorized State of Florida official for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the State of Florida which results in the suspension or debarment of the Contractor. Such costs will include but will not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor agrees to impose the same obligations to cooperate with the Inspector General and retain records on any subcontractors used to provide goods or services under the Contract.

SECTION 6. MISCELLANEOUS.

6.1 Subcontractors.
The Contractor will not subcontract any work under the Contract without prior written consent of the Department. The Contractor is fully responsible for satisfactory completion of all its subcontracted work. The Department supports diversity in its procurements and contracts, and requests that the Contractor offer subcontracting opportunities to certified woman-, veteran-, and minority-owned small businesses. The

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

Contractor may contact the OSD at osdhelp@dms.myflorida.com for information on certified small business enterprises available for subcontracting opportunities.

6.2 Assignment.
The Contractor will not sell, assign, or transfer any of its rights, duties, or obligations under the Contract without the prior written consent of the Department. However, the Contractor may waive its right to receive payment and assign same upon notice to the Department. In the event of any assignment, the Contractor remains responsible for performance of the Contract, unless such responsibility is expressly waived by the Department. The Department may assign the Contract with prior written notice to the Contractor.

6.3 Independent Contractor.
The Contractor and its employees, agents, representatives, and subcontractors are independent contractors and not employees or agents of the State of Florida and are not entitled to State of Florida benefits. The Department and Customer will not be bound by any acts or conduct of the Contractor or its employees, agents, representatives, or subcontractors. The Contractor agrees to include this provision in all its subcontracts under the Contract.

6.4 Inspection and Acceptance of Commodities.

6.4.1 Risk of Loss.
Matters of inspection and acceptance are addressed in section 215.422, F.S. Until acceptance, risk of loss or damage will remain with the Contractor. The Contractor will be responsible for filing, processing, and collecting all damage claims. To assist the Contractor with damage claims, the Customer will: record any evidence of visible damage on all copies of the delivering carrier's bill of lading; report damages to the carrier and the Contractor; and provide the Contractor with a copy of the carrier's bill of lading and damage inspection report.

6.4.2 Rejected Commodities.
When a Customer rejects a commodity, Contractor will remove the commodity from the premises within ten (10) calendar days after notification of rejection, and the risk of loss will remain with the Contractor. Commodities not removed by the Contractor within ten (10) calendar days will be deemed abandoned by the Contractor, and the Customer will have the right to dispose of such commodities. Contractor will reimburse the Customer for costs and expenses incurred in storing or effecting removal or disposition of rejected commodities.

6.5 Safety Standards.
Performance of the Contract for all commodities or contractual services must comply with requirements of the Occupational Safety and Health Act and other applicable State of Florida and federal requirements.

6.6 Ombudsman.
A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this office are found in section 215.422, F.S., which include disseminating information relative to prompt payment and assisting contractors in receiving their payments in a timely manner from a Customer. The Vendor Ombudsman may be contacted at (850) 413-5516.

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

6.7 Time is of the Essence.
Time is of the essence regarding every obligation of the Contractor under the Contract. Each obligation is deemed material, and a breach of any such obligation (including a breach resulting from untimely performance) is a material breach.

6.8 Waiver.
The delay or failure by the Department or the Customer to exercise or enforce any rights under the Contract will not constitute waiver of such rights.

6.9 Modification and Severability.
The Contract may only be modified by written agreement between the Department and the Contractor. Should a court determine any provision of the Contract is invalid, the remaining provisions will not be affected, and the rights and obligations of the Parties will be construed and enforced as if the Contract did not contain the provision held invalid.

6.10 Cooperative Purchasing.
Pursuant to their own governing laws, and subject to the agreement of the Contractor, governmental entities that are not Customers may make purchases under the terms and conditions contained herein, if agreed to by Contractor. Such purchases are independent of the Contract between the Department and the Contractor, and the Department is not a party to these transactions. Agencies seeking to make purchases under this Contract are required to follow the requirements of Rule 60A-1.045(5), F.A.C.

SECTION 7. LIABILITY AND INSURANCE.

7.1 Workers' Compensation Insurance.
The Contractor shall maintain workers' compensation insurance as required under the Florida Workers' Compensation Law or the workers' compensation law of another jurisdiction where applicable. The Contractor must require all subcontractors to similarly provide workers' compensation insurance for all of the latter's employees. In the event work is being performed by the Contractor under the Contract and any class of employees performing the work is not protected under Workers' Compensation statutes, the Contractor must provide, and cause each subcontractor to provide, adequate insurance satisfactory to the Department, for the protection of employees not otherwise protected.

7.2 General Liability Insurance.
The Contractor must secure and maintain Commercial General Liability Insurance, including bodily injury, property damage, products, personal and advertising injury, and completed operations. This insurance must provide coverage for all claims that may arise from performance of the Contract or completed operations, whether by the Contractor or anyone directly or indirectly employed by the Contractor. Such insurance must include the State of Florida as an additional insured for the entire length of the resulting contract. The Contractor is responsible for determining the minimum limits of liability necessary to provide reasonable financial protections to the Contractor and the State of Florida under the resulting contract.

7.3 Florida Authorized Insurers.

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

All insurance shall be with insurers authorized and eligible to transact the applicable line of insurance business in the State of Florida. The Contractor shall provide Certification(s) of Insurance evidencing that all appropriate coverage is in place and showing the Department to be an additional insured.

7.4 Performance Bond.
Unless otherwise prohibited by law, the Department may require the Contractor to furnish, without additional cost to the Department, a performance bond or irrevocable letter of credit or other form of security for the satisfactory performance of work hereunder. The Department shall determine the type and amount of security.

7.5 Indemnification.
To the extent permitted by Florida law, the Contractor agrees to indemnify, defend, and hold the Customer and the State of Florida, its officers, employees, and agents harmless from all fines, claims, assessments, suits, judgments, or damages, including consequential, special, indirect, and punitive damages, including court costs and attorney's fees, arising from or relating to violation or infringement of a trademark, copyright, patent, trade secret, or intellectual property right or out of any acts, actions, breaches, neglect, or omissions of the Contractor, its employees, agents, subcontractors, assignees, or delegates related to the Contract, as well as for any determination arising out of or related to the Contract that the Contractor or Contractor's employees, agents, subcontractors, assignees, or delegates are not independent contractors in relation to the Customer. The Contract does not constitute a waiver of sovereign immunity or consent by the Customer or the State of Florida or its subdivisions to suit by third parties. Without limiting this indemnification, the Customer may provide the Contractor (1) written notice of any action or threatened action, (2) the opportunity to take over and settle or defend any such action at Contractor's sole expense, and (3) assistance in defending the action at Contractor's sole expense.

7.6 Limitation of Liability.
Unless otherwise specifically enumerated in the Contract or in the purchase order, neither the Department nor the Customer shall be liable for special, indirect, punitive, or consequential damages, including lost data or records (unless the Contract or purchase order requires the Contractor to back-up data or records), even if the Department or Customer has been advised that such damages are possible. Neither the Department nor the Customer shall be liable for lost profits, lost revenue, or lost institutional operating savings. The Department or Customer may, in addition to other remedies available to them at law or equity and upon notice to the Contractor, retain such monies from amounts due Contractor as may be necessary to satisfy any claim for damages, penalties, costs, and the like asserted by or against them. The State may set off any liability or other obligation of the Contractor or its affiliates to the State against any payments due the Contractor under any contract with the State.

SECTION 8. PUBLIC RECORDS, TRADE SECRETS, DOCUMENT MANAGEMENT, AND INTELLECTUAL PROPERTY.

8.1 Public Records.

8.1.1 Termination of Contract.

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

The Department may terminate the Contract for refusal by the Contractor to comply with this section by not allowing access to all public records, as defined in Chapter 119, F. S., made or received by the Contractor in conjunction with the Contract.

8.1.2 Statutory Notice.
Pursuant to section 119.0701(2)(a), F.S., for contracts for services with a contractor acting on behalf of a public agency, as defined in section 119.011(2), F.S., the following applies:

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT THE TELEPHONE NUMBER, EMAIL ADDRESS, AND MAILING ADDRESS PROVIDED IN THE RESULTING CONTRACT OR PURCHASE ORDER.

Pursuant to section 119.0701(2)(b), F.S., for contracts for services with a contractor acting on behalf of a public agency as defined in section 119.011(2), F.S., the Contractor shall:

(a) Keep and maintain public records required by the public agency to perform the service.
(b) Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law.
(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure are not disclosed except as authorized by law for the duration of the Contract term and following the completion of the Contract if the Contractor does not transfer the records to the public agency.
(d) Upon completion of the Contract, transfer, at no cost, to the public agency all public records in possession of the Contractor or keep and maintain public records required by the public agency to perform the service. If the Contractor transfers all public records to the public agency upon completion of the Contract, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

8.2 Protection of Trade Secrets or Otherwise Confidential Information.

8.2.1 Contractor Designation of Trade Secrets or Otherwise Confidential Information.
If the Contractor considers any portion of materials to be trade secret under section 688.002 or 812.081, F.S., or otherwise confidential under Florida or federal law, the Contractor must clearly designate that portion of the materials as trade secret or otherwise confidential when submitted to the Department. The Contractor will be

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

responsible for responding to and resolving all claims for access to Contract-related materials it has designated trade secret or otherwise confidential.

8.2.2 Public Records Requests.
If the Department receives a public records request for materials designated by the Contractor as trade secret or otherwise confidential under Florida or federal law, the Contractor will be responsible for taking the appropriate legal action in response to the request. If the Contractor fails to take appropriate and timely action to protect the materials designated as trade secret or otherwise confidential, the Department will provide the materials to the requester.

8.2.3 Indemnification Related to Confidentiality of Materials.
The Contractor will protect, defend, indemnify, and hold harmless the Department for claims, costs, fines, and attorney's fees arising from or relating to its designation of materials as trade secret or otherwise confidential.

8.3 Document Management.
The Contractor must retain sufficient documentation to substantiate claims for payment under the Contract and all other records, electronic files, papers, and documents that were made in relation to this Contract. The Contractor must retain all documents related to the Contract for five (5) years after expiration of the Contract or, if longer, the period required by the General Records Schedules maintained by the Florida Department of State available at the Department of State's Records Management website.

8.4 Intellectual Property.

8.4.1 Ownership.
Unless specifically addressed otherwise in the Contract, the State of Florida shall be the owner of all intellectual property rights to all property created or developed in connection with the Contract.

8.4.2 Patentable Inventions or Discoveries.
Any inventions or discoveries developed in the course, or as a result, of services in connection with the Contract that are patentable pursuant to 35 U.S.C. § 101 are the sole property of the State of Florida. Contractor must inform the Customer of any inventions or discoveries developed or made through performance of the Contract, and such inventions or discoveries will be referred to the Florida Department of State for a determination on whether patent protection will be sought. The State of Florida will be the sole owner of all patents resulting from any invention or discovery made through performance of the Contract.

8.4.3 Copyrightable Works.
Contractor must notify the Department or State of Florida of any publications, artwork, or other copyrightable works developed in connection with the Contract. All copyrights created or developed through performance of the Contract are owned solely by the State of Florida.

SECTION 9. DATA SECURITY.

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

The Contractor will maintain the security of State of Florida data including, but not limited to, maintaining a secure area around any displayed visible data and ensuring data is stored and secured when not in use. The Contractor and subcontractors will not perform any of the services from outside of the United States, and the Contractor will not allow any State of Florida data to be sent by any medium, transmitted, or accessed outside the United States due to Contractor's action or inaction. In the event of a security breach involving State of Florida data, the Contractor shall give notice to the Customer and the Department within one business day. "Security breach" for purposes of this section will refer to a confirmed event that compromises the confidentiality, integrity, or availability of data. Once a data breach has been contained, the Contractor must provide the Department with a post-incident report documenting all containment, eradication, and recovery measures taken. The Department reserves the right in its sole discretion to enlist a third party to audit Contractor's findings and produce an independent report, and the Contractor will fully cooperate with the third party. The Contractor will also comply with all HIPAA requirements and any other state and federal rules and regulations regarding security of information.

SECTION 10. GRATUITIES, LOBBYING, AND COMMUNICATIONS.

10.1 Gratuities.
The Contractor will not, in connection with this Contract, directly or indirectly (1) offer, give, or agree to give anything of value to anyone as consideration for any State of Florida officer's or employee's decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty, or (2) offer, give, or agree to give to anyone anything of value for the benefit of, or at the direction or request of, any State of Florida officer or employee.

10.2 Lobbying.
In accordance with sections 11.062 and 216.347, F.S., Contract funds are not to be used for the purpose of lobbying the Legislature, the judicial branch, or the Department. Pursuant to section 287.058(6), F.S., the Contract does not prohibit the Contractor from lobbying the executive or legislative branch concerning the scope of services, performance, term, or compensation regarding the Contract after the Contract is executed and during the Contract term.

10.3 Communications.

10.3.1 Contractor Communication or Disclosure.
The Contractor shall not make any public statements, press releases, publicity releases, or other similar communications concerning the Contract or its subject matter or otherwise disclose or permit to be disclosed any of the data or other information obtained or furnished in compliance with the Contract, without first notifying the Customer's Contract Manager and securing the Customer's prior written consent.

10.3.2 Use of Customer Statements.
The Contractor shall not use any statement attributable to the Customer or its employees for the Contractor's promotions, press releases, publicity releases, marketing, corporate communications, or other similar communications, without first notifying the Customer's Contract Manager and securing the Customer's prior written consent.

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

SECTION 11. CONTRACT MONITORING.

11.1 Performance Standards.
The Contractor agrees to perform all tasks and provide deliverables as set forth in the Contract. The Department and the Customer will be entitled at all times, upon request, to be advised as to the status of work being done by the Contractor and of the details thereof.

11.2 Performance Deficiencies and Financial Consequences of Non-Performance.

11.2.1 Proposal of Corrective Action Plan.
In addition to the processes set forth in the Contract (e.g., service level agreements), if the Department or Customer determines that there is a performance deficiency that requires correction by the Contractor, then the Department or Customer will notify the Contractor. The correction must be made within a time-frame specified by the Department or Customer. The Contractor must provide the Department or Customer with a corrective action plan describing how the Contractor will address all performance deficiencies identified by the Department or Customer.

11.2.2 Retainage for Unacceptable Corrective Action Plan or Plan Failure.
If the corrective action plan is unacceptable to the Department or Customer, or implementation of the plan fails to remedy the performance deficiencies, the Department or Customer will retain ten percent (10%) of the total invoice amount. The retainage will be withheld until the Contractor resolves the performance deficiencies. If the performance deficiencies are resolved, the Contractor may invoice the Department or Customer for the retained amount. If the Contractor fails to resolve the performance deficiencies, the retained amount will be forfeited to compensate the Department or Customer for the performance deficiencies.

11.3 Performance Delay.

11.3.1 Notification.
The Contractor will promptly notify the Department or Customer upon becoming aware of any circumstances that may reasonably be expected to jeopardize the timely and successful completion (or delivery) of any commodity or contractual service. The Contractor will use commercially reasonable efforts to avoid or minimize any delays in performance and will inform the Department or the Customer of the steps the Contractor is taking or will take to do so, and the projected actual completion (or delivery) time. If the Contractor believes a delay in performance by the Department or the Customer has caused or will cause the Contractor to be unable to perform its obligations on time, the Contractor will promptly so notify the Department and use commercially reasonable efforts to perform its obligations on time notwithstanding the Department’s delay.

11.3.2 Liquidated Damages.
The Contractor acknowledges that delayed performance will damage the DepartmentCustomer, but by their nature such damages are difficult to ascertain. Accordingly, the liquidated damages provisions stated in the Contract documents will apply. Liquidated damages are not intended to be a penalty and are solely intended to compensate for damages.

11.4 Force Majeure, Notice of Delay, and No Damages for Delay.

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

The Contractor will not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of the Contractor or its employees or agents contributed to the delay, and the delay is due directly to fire, explosion, earthquake, windstorm, flood, radioactive or toxic chemical hazard, war, military hostilities, terrorism, civil emergency, embargo, riot, strike, violent civil unrest, or other similar cause wholly beyond the Contractor's reasonable control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to the Contractor. The foregoing does not excuse delay which could have been avoided if the Contractor implemented any risk mitigation required by the Contract. In case of any delay the Contractor believes is excusable, the Contractor will notify the Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten (10) calendar days after the cause that created or will create the delay first arose, if the Contractor could reasonably foresee that a delay could occur as a result, or (2) if delay is not reasonably foreseeable, within five (5) calendar days after the date the Contractor first had reason to believe that a delay could result. The foregoing will constitute the Contractor's sole remedy or excuse with respect to delay. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages will be asserted by the Contractor. The Contractor will not be entitled to an increase in the Contract price or payment of any kind from the Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist the Contractor will perform at no increased cost, unless the Department determines, in its sole discretion, that the delay will significantly impair the value of the Contract to the State of Florida or to Customers, in which case the Department may (1) accept allocated performance or deliveries from the Contractor, provided that the Contractor grants preferential treatment to Customers and the Department with respect to commodities or contractual services subjected to allocation, or (2) purchase from other sources (without recourse to and by the Contractor for the related costs and expenses) to replace all or part of the commodity or contractual services that are the subject of the delay, which purchases may be deducted from the Contract quantity, or (3) terminate the Contract in whole or in part.

SECTION 12. CONTRACT AUDITS.

12.1 Performance or Compliance Audits.
The Department may conduct or have conducted performance and/or compliance audits of the Contractor and subcontractors as determined by the Department. The Department may conduct an audit and review all the Contractor's and subcontractors' data and records that directly relate to the Contract. To the extent necessary to verify the Contractor's fees and claims for payment under the Contract, the Contractor's agreements or contracts with subcontractors, partners, or agents of the Contractor, pertaining to the Contract, may be inspected by the Department upon fifteen (15) calendar days' notice, during normal working hours and in accordance with the Contractor's facility access procedures where facility access is required. Release statements from its subcontractors, partners, or agents are not required for the Department or its designee to conduct compliance and performance audits on any of the Contractor's contracts relating to this Contract. The Inspector General, in accordance with section 5.6, the State of Florida's Chief Financial Officer, the Office of the Auditor General also have authority to perform audits and inspections.

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

12.2 Payment Audit.
Records of costs incurred under terms of the Contract will be maintained in accordance with section 8.3 of these Special Contract Conditions. Records of costs incurred will include the Contractor's general accounting records, together with supporting documents and records of the Contractor and all subcontractors performing work, and all other records of the Contractor and subcontractors considered necessary by the Department, the State of Florida's Chief Financial Officer, or the Office of the Auditor General.

SECTION 13. BACKGROUND SCREENING AND SECURITY.

13.1 Background Check.
The Department or Customer may require the Contractor to conduct background checks of its employees, agents, representatives, and subcontractors as directed by the Department or Customer. The cost of the background checks will be borne by the Contractor. The Department or Customer may require the Contractor to exclude the Contractor's employees, agents, representatives, or subcontractors based on the background check results. In addition, the Contractor must ensure that all persons have a responsibility to self-report to the Contractor within three (3) calendar days any arrest for any disqualifying offense. The Contractor must notify the Contract Manager within twenty-four (24) hours of all details concerning any reported arrest. Upon the request of the Department or Customer, the Contractor will re-screen any of its employees, agents, representatives, and subcontractors during the term of the Contract.

13.2 E-Verify.
The Contractor must use the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired during the term of the Contract for the services specified in the Contract. The Contractor must also include a requirement in subcontracts that the subcontractor must utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the Contract term. In order to implement this provision, the Contractor must provide a copy of its DHS Memorandum of Understanding (MOU) to the Contract Manager within five (5) calendar days of Contract execution. If the Contractor is not enrolled in DHS E-Verify System, it will do so within five (5) calendar days of notice of Contract award and provide the Contract Manager a copy of its MOU within five (5) calendar days of Contract execution. The link to E-Verify is https://www.uscis.gov/e-verify. Upon each Contractor or subcontractor new hire, the Contractor must provide a statement within five (5) calendar days to the Contract Manager identifying the new hire with its E-Verify case number.

13.3 Disqualifying Offenses.
If at any time it is determined that a person has been found guilty of a misdemeanor or felony offense as a result of a trial or has entered a plea of guilty or nolo contendere, regardless of whether adjudication was withheld, within the last six (6) years from the date of the court's determination for the crimes listed below, or their equivalent in any jurisdiction, the Contractor is required to immediately remove that person from any position with access to State of Florida data or directly performing services under the Contract. The disqualifying offenses are as follows:

(a) Computer related crimes;
(b) Information technology crimes;

DocuSign Envelope ID: C1AD950F-9B4C-4DE5-98D5-725EBB24CD9D

(c) Fraudulent practices;
(d) False pretenses;
(e) Frauds;
(f) Credit card crimes;
(g) Forgery;
(h) Counterfeiting;
(i) Violations involving checks or drafts;
(j) Misuse of medical or personnel records; and
(k) Felony theft.

13.4 Confidentiality.
The Contractor must maintain confidentiality of all confidential data, files, and records related to the commodities or contractual services provided pursuant to the Contract and must comply with all state and federal laws, including, but not limited to sections 381.004, 384.29, 392.65, and 456.057, F.S. The Contractor's confidentiality procedures must be consistent with the most recent version of the Department security policies, protocols, and procedures. The Contractor must also comply with any applicable professional standards with respect to confidentiality of information.

SECTION 14. WARRANTY OF CONTRACTOR'S ABILITY TO PERFORM.

The Contractor warrants that, to the best of its knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would in any way prohibit, restrain, or diminish the Contractor's ability to satisfy its Contract obligations. The Contractor warrants that neither it nor any affiliate is currently on the Suspended Vendor List, Convicted Vendor List, or the Discriminatory Vendor List, or on any similar list maintained by any other state or the federal government. The Contractor shall immediately notify the Department in writing if its ability to perform is compromised in any manner during the term of the Contract.

EXHIBIT C
SCHEDULE OF POINTS AND FEES

1. **Incentive Share #1 – Standard Volume Incentive** – Each Customer will receive a basis point (percentage) of their quarterly standard sales volume. The formula for calculating the Standard Volume Incentive is:

   Quarterly Total Volume x basis points = Quarterly Standard Volume Incentive.

   Basis Points Offered: __170 basis points (1.70%)_____

2. **Incentive Share #2 – Prompt Payment Incentive** – Each Customer will receive a basis point (percentage) of their Quarterly Total Volume based on the entity's average speed of pay. The formula for calculating the Prompt Payment Incentive is:

   Quarterly Total Volume x Basis Points for Entity average file turn days = Quarterly Prompt Payment Incentive.

   Note: The payment terms for the Master Agreement is forty-five (45) days.

Basis Points Offered:

How to Use This Contract

Fuel Card Services (78181701-21-NASPO-ACS)

Contractor information, pricing, and contract documents are located on the contract webpage at https://www.dms.myflorida.com/business_operations/state_purchasing/state_contracts_and_agreements/alternate_contract_source/fuel_card_services.

Non-Fuel Purchases

- Fuel cards are primarily intended to be used to purchase fuel; however, fuel cards may be used to purchase commodities or services for immediate use to address an emergency or otherwise unplanned situation that impedes the safe operation of the customer's vehicle (e.g. a flat tire or breakdown). Commodities may include, but are not limited to, motor oil, transmission fluid, brake fluid, windshield wiper blades, fuses, and individual replacement tires (in cases where damaged tires cannot be repaired). Services may include, but are not limited to, car washes, vehicle maintenance, vehicle repairs, tire service, and towing. Fuel cards should not be used for routine maintenance (e.g. the replacement of tires due to regular wear). Customers are encouraged to use the alternate contract source for Tires, Tubes and Services (25172500-19-ACS) to purchase tires and related services (e.g. mounting, alignment, etc.).

State Agencies

- The State of Florida Fuel Card may be used for the purchase of fuel and immediate use non-fuel commodities or services for fleet vehicles owned by state agencies; cards may also be used at marinas and airports as permitted for state agency marine and aircraft fleets.
- State agency employees should contact their agency's fuel card administrator with any questions regarding the State of Florida Fuel Card.

Eligible Users

- Eligible users, as defined by Rule 60A-1.001, Florida Administrative Code, may contact the contractor (i.e. WEX Bank) directly to establish their own fuel card program using this contract; contractor contact information is accessible from the contract webpage.

- Eligible users must execute an **Addendum to the Fuel Card Services Agreement** with WEX Bank to establish their own fuel card program; the form is available on the contract webpage.
- Employees of eligible users with an existing fuel card program should contact their employer's fuel card administrator with any questions regarding fuel cards.

Frequently Asked Questions

- The Florida Department of Revenue (DOR) requests detailed information, including the FEIN, for every station where we purchased fuel and non-fuel commodities and services before issuing a tax refund. How do I acquire this information?
    - Eligible users may submit a full transaction report provided by WEX Bank, which includes locations of the stations, dates and times of the transactions, commodities purchased, number of gallons purchased, etc. This documentation will support the eligible user's application for a tax refund. DOR will not require the FEIN number for every station visited if the full transaction report is included with the application. All questions regarding tax refunds should be directed to DOR at 850-617-8585.

Contact Information

- If you have any questions or require assistance specific to the State of Florida Fuel Card (state agency employees/cardholders) or your employer's fuel card program (eligible users/ cardholders), please contact your agency's/employer's fuel card administrator.
- If you have any questions or require assistance specific to this contract (e.g. pricing, contract requirements, etc.), please contact the contract manager listed on the contract webpage.

Agenda Item Summary

Agenda Date: 9/14/2021 Agenda Item No.: 35.

Agenda Item Name:
Special Pay Request for $4,283.02, Invoice # 70726 for Gaston Tree Debris Recycling, LLC

Presenter:
Gus Olmos, 352-548-1282

Description:
In order to pay Gaston Tree Debris Recycling, LLC, a special pay request in the amount of $4,283.02 needs to be approved by the Board.

Recommended Action:
Approve the special pay request to Gaston Tree Debris Recycling, LLC for Invoice # 70726 in the amount of $4,283.02.

Prior Board Motions:
N/A

Fiscal Consideration:
There is sufficient budget in account 400.76.7630.534.34.00 to cover special pay.

Background:
Gaston Tree Debris Recycling, LLC was awarded the annual bid 20-138 for Wood Waste Processing and contract with a not to exceed amount of $35,000 was signed on April 15, 2020. Due to an error in the conversion of cubic yards to tonnage the contract amount was exceed by $4,283.02. There is only $42.10 left on the purchase order and invoice # 70726 is for $4,325.12. In order to pay the vendor for invoice # 70726, a special pay request in the amount of $4,283.02 needs to be approved by the Board. The Department is proposing to increase the not to exceed amount to $100,000 with the next amendment to the contract

MEMORANDUM

TO: Alachua County Board of County Commissioners

FROM: Gus Olmos, Solid Waste and Resource Recovery Director AO 8/24/21

SUBJECT: Special Pay Gaston Tree Debris Recycling, Inc.

The Solid Waste and Resource Recovery (SWRR) Department has a contract with Gaston Tree Debris Recycling, Inc. which has a not to exceed amount of $35,000 for the processing vegetative waste.

The vegetative waste is estimated by a formula based upon volume but the contract is based upon actual tons processed using the Transfer Station scales. The actual vegetative waste processed was larger than the estimated amount, resulting in exceedance of $4,283.02 over the not to exceed amount. The SWRR Department is requesting the Board to approve the payment of the overage so the vendor can be paid for the full amount of services rendered. The Department is proposing to increase the not to exceed amount from $35,000 to $100,000 with next amendment to the contract.

Agenda Item Summary

Agenda Date: 9/14/2021 Agenda Item No.: 36.

Agenda Item Name:
Florida Department of Economic Opportunity grant award HL 130 for the Sports Events Center Track System

Presenter:
Sean McLendon, Strategic Initiatives Manager

Description:
Florida Department of Economic Opportunity grant award HL 130 for the Sports Events Center Track System

Recommended Action:
Accept the funding and authorize the Chair to sign Department of Economic Opportunity Grant Agreement HL130

Prior Board Motions:
On August 24, 2021 the BoCC Adopted resolution # 2021-99, including any revisions approved by Bond Counsel or the County Attorney and authorize the Chair and Clerk to sign all closing documents. They also, approved a budget amendment to recognize the three TDT pennies revenue in the debt service fund as well as debt service reserves.

On April 13, 2021, the BOCC adopted Resolution 2021-29 authorizing the issuance of tax-exempt debt not to exceed $30,000,000 and Resolution 2021-28 authorizing reimbursement of various costs related to capital costs associated with capital improvements within the County. At the same meeting the BOCC also authorized Bond Counsel to initiate the bond validation process. On July 13, 2021, the BOCC adopted Resolution 2021-86 approving the Sports Center Development Agreement, Operations & Maintenance Agreement, and Donation of Property to the County. Also, on July 13th the BOCC approved a $30 million interfund loan from the General Fund to be paid back from draws of the previously approved $30 million tax exempt debt financing.

Fiscal Consideration:
This grant provides $2.32 million in grant funding for the portable banked track system for the Sports Events Center at Celebration Pointe. (333.45.4515.334.7000)

Background:
In 2021, the local legislative delegation, representatives from Celebration Pointe, and the County Commission approached the legislature for financial assistance on the Sports Events Center. Because of facility's regional economic impact and out of state tourism draw, the Legislature and

Governor approved a $2.32 Million grant from the Department of Economic Opportunity.

These funds will purchase a portable, banked track system. Track events will be a principle function of the facility and uniquely place it as the only location in Florida and for approximately 300 miles for indoor NCAA rated events.

DocuSign Envelope ID: E9CF72E3-3661-4411-A159-34F7C60FA194

GRANT AGREEMENT
STATE OF FLORIDA
DEPARTMENT OF ECONOMIC OPPORTUNITY

THIS GRANT AGREEMENT NUMBER HL130("Agreement") is made and entered into by and between the **State of Florida, Department of Economic Opportunity** ("DEO"), and **the Alachua County Board of County Commissioners** ("Grantee"). DEO and Grantee are sometimes referred to herein individually as a "Party" and collectively as "the Parties".

WHEREAS, DEO has the authority to enter into this Agreement and distribute State of Florida funds ("Award Funds") in the amount and manner set forth in this Agreement and in the following Attachments incorporated herein as an integral part of this Agreement:

- Attachment 1: Scope of Work
- Attachment 2 and Exhibit 1 to Attachment 2: Audit Requirements
- Attachment 3: Audit Compliance Certification

WHEREAS, the Agreement and its aforementioned Attachments are hereinafter collectively referred to as the "Agreement", and if any inconsistencies or conflict between the language of this Agreement and its Attachments arise, then the language of the Attachments shall control, but only to the extent of the conflict or inconsistency;

WHEREAS, Grantee hereby represents and warrants that Grantee's signatory to this Agreement has authority to bind Grantee to this Agreement as of the Effective Date and that Grantee, through its undersigned duly-authorized representative in his or her official capacity, has the authority to request, accept, and expend Award Funds for Grantee's purposes in accordance with the terms and conditions of this Agreement;

NOW THEREFORE, for and in consideration of the covenants and obligations set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties intending to be legally bound hereby agree to perform the duties described herein in this Agreement as follows:

A. AGREEMENT PERIOD

This Agreement is effective as of **July 1, 2021** (the "Effective Date") and shall continue until the earlier to occur of (a) **June 30, 2023** (the "Expiration Date") or (b) the date on which either Party terminates this Agreement (the "Termination Date"). The period of time between the Effective Date and the Expiration Date or Termination Date is the "Agreement Period".

B. FUNDING

This Agreement is a Cost Reimbursement Agreement. DEO shall pay Grantee up to **Two Million Three Hundred Twenty Thousand Dollars and Zero Cents ($2,320,000.00)** in consideration for Grantee's performance under this Agreement. DEO may provide Grantee an advance of Award Funds under this Agreement. Travel expenses are not authorized under this Agreement. DEO shall not pay Grantee's costs related to this Agreement incurred outside of the Agreement Period. In conformity with s. 287.0582, F.S., the State of Florida and DEO's performance and obligation to pay any Award Funds under this Agreement is contingent upon an annual appropriation by the Legislature. DEO shall have final unchallengeable authority as to both the availability of funds and what constitutes an "annual appropriation" of funds. Grantee shall not expend Award Funds for the purpose of lobbying the Legislature, the judicial branch, or a state agency. Grantee

DocuSign Envelope ID: E9CF72E3-3661-4411-A159-34F7C60FA194

shall not expend Award Funds to pay any costs incurred in connection with any defense against any claim or appeal of the State of Florida or any agency or instrumentality thereof (including DEO); or to pay any costs incurred in connection with the prosecution of any claim or appeal against the State of Florida or any agency or instrumentality thereof (including DEO), which Grantee instituted or in which Grantee has joined as a claimant. Grantee shall either (i) maintain Award Funds in a separate bank account, or (ii) expressly designate in Grantee's business records and accounting system that the Award Funds originated from this Agreement. Grantee shall not commingle Award Funds with any other funds. DEO may refuse to reimburse Grantee for purchases made with commingled funds. Grantee's costs must be in compliance with all laws, rules, and regulations applicable to expenditures of State funds, including the Reference Guide for State Expenditures. (https://www.myfloridacfo.com/Division/AA/Manuals/documents/ReferenceGuideforStateExpenditures.pdf)

C. ELECTRONIC FUNDS TRANSFER

Within 30 calendar days of the date the last Party has signed this Agreement, Grantee shall enroll in Electronic Funds Transfer (EFT) from the State's Chief Financial Officer. A copy of the Authorization form can be found on the vendor instruction page at: https://www.myfloridacfo.com/Division/AA/Vendors/default.htm. Any questions should be directed to the Direct Deposit/EFT Section of the Division of Accounting and Auditing at (850) 413-5517. Once enrolled, invoice payments shall be made by EFT.

D. MODIFICATION

If, in DEO's sole and absolute determination, changes to this Agreement are necessitated by law or otherwise, DEO may at any time, with written notice of all such changes to Grantee, modify this Agreement within its original scope and purpose. Grantee shall be responsible for any due diligence necessary to determine the impact of the modification. Any modification of this Agreement requested by Grantee must be in writing and duly signed by all Parties in order to be enforceable.

E. AUDIT REQUIREMENTS AND COMPLIANCE

1. Section 215.971, Florida Statutes ("F.S."). Grantee shall comply with all applicable provisions of s. 215.97, F.S., and Attachment 2 and Exhibit 1 to Attachment 2: Audit Requirements. Grantee shall perform the deliverables and tasks set forth in Attachment 1, Scope of Work. Grantee may only expend Award Funds for allowable costs resulting from obligations incurred during the Agreement Period. Grantee shall refund to DEO any: (1) balance of unobligated Award Funds which have been advanced or paid to Grantee; or (2) Award Funds paid in excess of the amount to which Grantee is entitled under the terms and conditions of this Agreement and Attachments hereto, upon expiration or termination of this Agreement.

2. Audit Compliance. Grantee understands and shall comply with the requirements of s. 20.055(5), F.S. Grantee agrees to reimburse the State for the reasonable costs of investigation the Inspector General or other authorized State official incurs for investigations of Grantee's compliance with the terms of this or any other agreement between the Grantee and the State which results in the suspension or debarment of Grantee. Grantee shall not be responsible for any costs of investigations that do not result in Grantee's suspension or debarment.

F. RECORDS AND INFORMATION RELEASE

1. Records Compliance. DEO is subject to the provisions of chapter 119, F.S., relating to public records. Any document Grantee submits to DEO under this Agreement may constitute public records under the Florida Statutes. Grantee shall cooperate with DEO regarding DEO's efforts to comply with the requirements of chapter 119, F.S. Grantee shall respond to requests to inspect or copy such records in

DocuSign Envelope ID: E9CF72E3-3661-4411-A159-34F7C60FA194

accordance with chapter 119, F.S., for records made or received by Grantee in connection with this Agreement. Grantee shall immediately notify DEO of the receipt and content of any request by sending an e-mail to PRRequest@deo.myflorida.com within one business day after receipt of such request. Grantee shall indemnify, defend, and hold DEO harmless from any violation of Florida's public records laws wherein DEO's disclosure or nondisclosure of any public record was predicated upon any act or omission of Grantee. As applicable, Grantee shall comply with s. 501.171, F.S. DEO may terminate this Agreement if Grantee fails to comply with Florida's public records laws. Grantee shall allow public access to all records made or received by Grantee in connection with this Agreement, unless the records are exempt from s. 24(a) of Article I of the State Constitution or s. 119.07(1), F.S.

2. Identification of Records. Grantee shall clearly and conspicuously mark all records submitted to DEO if such records are confidential and exempt from public disclosure. Grantee's failure to clearly mark each record and identify the legal basis for each exemption from the requirements of chapter 119, F.S., prior to delivery of the record to DEO serves as Grantee's waiver of a claim of exemption. Grantee shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for as long as those records are confidential and exempt pursuant to Florida law. If DEO's claim of exemption asserted in response to Grantee's assertion of confidentiality is challenged in any court of law, Grantee shall defend, assume, and be responsible for all fees, costs, and expenses in connection with such challenge.

3. Keeping and Providing Records. DEO and the State have an absolute right to view, inspect, or make or request copies of any records arising out of or related to this Agreement. Grantee has an absolute duty to keep and maintain all records arising out of or related to this Agreement. DEO may request copies of any records made or received in connection with this Agreement, or arising out of Grantees use of Award Funds, and Grantee shall provide DEO with copies of any records within 10 business days after DEO's request at no cost to DEO. Grantee shall maintain all books, records, and documents in accordance with generally accepted accounting procedures and practices which sufficiently and properly reflect all expenditures of Award Funds. For avoidance of doubt, Grantee's duties to keep and provide records to DEO includes all records generated in connection with or as a result of this Agreement. Upon expiration or termination of this Agreement, Grantee shall transfer, at no cost, to DEO all public records in possession of Grantee or keep and maintain public records required by DEO to perform the service. If Grantee keeps and maintains public records upon completion of this Agreement, Grantee shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to DEO, upon request from DEO's custodian of records, in a format that is compatible with the information technology systems of DEO.

4. Audit Rights. Representatives of the State of Florida, DEO, the State Chief Financial Officer, the State Auditor General, the Florida Office of Program Policy Analysis and Government Accountability or representatives of the federal government and their duly authorized representatives shall have access to any of Grantee's books, documents, papers, and records, including electronic storage media, as they may relate to this Agreement, for the purposes of conducting audits or examinations or making excerpts or transcriptions.

5. Single Audit Compliance Certification. Annually, within 60 calendar days of the close of Grantee's fiscal year, Grantee shall electronically submit a completed Audit Compliance Certification (a version of this certification is attached hereto as Attachment 3) to audit@deo.myflorida.com. Grantee's timely

DocuSign Envelope ID: E9CF72E3-3661-4411-A159-34F7C60FA194

submittal of one completed Audit Compliance Certification for each applicable fiscal year will fulfill this requirement for all agreements between DEO and Grantee.

6. **Ensure Compliance**. Grantee shall ensure that any entity which is paid from, or for which Grantee's expenditures will be reimbursed by, Award Funds, is aware of and will comply with the aforementioned audit and record keeping requirements.

7. **Contact Custodian of Public Records for Questions. IF THE GRANTEE HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE GRANTEE'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS AGREEMENT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS by telephone at (850) 245-7140, via e-mail at PRRequest@deo.myflorida.com, or by mail at Department of Economic Opportunity, Public Records Coordinator, 107 East Madison Street, Caldwell Building, Tallahassee, Florida 32399-4128.**

G. TERMINATION AND FORCE MAJEURE

1. **Termination due to Lack of Funds:** In the event funds to finance this Agreement become unavailable or if federal or state funds upon which this Agreement is dependent are withdrawn or redirected, DEO may terminate this Agreement upon no less than 24 hour written notice to Grantee. DEO shall be the final authority as to the availability of funds and will not reallocate funds earmarked for this Agreement to another program thus causing "lack of funds." In the event of termination of this Agreement under this provision, Grantee will be paid for any work satisfactorily completed prior to notification of termination. The lack of funds shall not constitute DEO's default under this Agreement.

2. **Termination for Cause:** DEO may terminate the Agreement if Grantee fails to: (1) deliver the services within the time specified in the Agreement or any extension; (2) maintain adequate progress, thus endangering performance of the Agreement; (3) honor any term of the Agreement; or (4) abide by any statutory, regulatory, or licensing requirement. The rights and remedies of DEO in this clause are in addition to any other rights and remedies provided by law or under the Agreement. Grantee shall not be entitled to recover any cancellation charges or lost profits.

3. **Termination for Convenience:** DEO, by written notice to Grantee, may terminate this Agreement in whole or in part when DEO determines in DEO's sole and absolute discretion that it is in DEO's interest to do so. Grantee shall not provide any deliverable pursuant to Attachment 1: Scope of Work after it receives the notice of termination, except as DEO otherwise specifically instructs Grantee in writing. Grantee shall not be entitled to recover any cancellation charges or lost profits.

4. **Grantee's Responsibilities Upon Termination:** If DEO issues a Notice of Termination to Grantee, except as DEO otherwise specifies in that Notice, Grantee shall: (1) Stop work under this Agreement on the date and to the extent specified in the notice; (2) complete performance of such part of the work DEO does not terminate; (3) take such action as may be necessary, or as DEO may specify, to protect and preserve any property which is in the possession of Grantee and in which DEO has or may acquire an interest; and (4) upon the effective date of termination, Grantee shall transfer, assign, and make available to DEO all property and materials belonging to DEO pursuant to the terms of this Agreement and all Attachments hereto. Grantee shall not receive additional compensation for Grantee's services in connection with such transfers or assignments.

5. **Force Majeure and Notice of Delay from Force Majeure.** Neither Party shall be liable to the other for any delay or failure to perform under this Agreement if such delay or failure is neither the fault nor

DocuSign Envelope ID: E9CF72E3-3661-4411-A159-34F7C60FA194

the negligence of the Party or its employees or agents and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party's control, or for any of the foregoing that affects subcontractors or suppliers if no alternate source of supply is available. However, in the event of delay from the foregoing causes, the Party shall take all reasonable measures to mitigate any and all resulting delay or disruption in the Party's performance obligation under this Agreement. If the delay is excusable under this FORCE MAJEURE AND NOTICE OF DELAY FROM FORCE MAJEURE section, the delay will not result in any additional charge or cost under the Agreement to either Party. In the case of any delay Grantee believes is excusable under this FORCE MAJEURE AND NOTICE OF DELAY FROM FORCE MAJEURE section, Grantee shall notify DEO in writing of the delay or potential delay and describe the cause of the delay either: (1) within 10 calendar days after the cause that creates or will create the delay first arose, if Grantee could reasonably foresee that a delay could occur as a result; or (2) within five calendar days after the date Grantee first had reason to believe that a delay could result, if the delay is not reasonably foreseeable. THE FOREGOING SHALL CONSTITUTE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY. Providing notice in strict accordance with this FORCE MAJEURE AND NOTICE OF DELAY FROM FORCE MAJEURE section is a condition precedent to such remedy. DEO, in its sole discretion, will determine if the delay is excusable under this FORCE MAJEURE AND NOTICE OF DELAY FROM FORCE MAJEURE section and will notify Grantee of its decision in writing. No claim for damages, other than for an extension of time, shall be asserted against DEO. Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from DEO for direct, indirect, consequential, impact, or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this FORCE MAJEURE AND NOTICE OF DELAY FROM FORCE MAJEURE section, after the causes have ceased to exist, Grantee shall perform at no increased cost, unless DEO determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to DEO or the State, in which case, DEO may terminate the Agreement in whole or in part.

H. BUSINESS WITH PUBLIC ENTITIES

Grantee is aware of and understands the provisions of s. 287.133(2)(a), F.S., and s. 287.134(2)(a), F.S. As required by s. 287.135(5), F.S., Grantee certifies that it is not: (1) listed on the Scrutinized Companies that Boycott Israel List, created pursuant to s. 215.4725, F.S.; (2) engaged in a boycott of Israel; (3) listed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, created pursuant to s. 215.473, F.S.; or (4) engaged in business operations in Cuba or Syria. DEO may immediately terminate this Agreement if Grantee submits a false certification as to the above, or if Grantee is placed on the Scrutinized Companies that Boycott Israel List, engages in a boycott of Israel, is placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has engaged in business operations in Cuba or Syria.

I. CONTINUING DISCLOSURE OF LEGAL PROCEEDINGS

Prior to execution of this Agreement, Grantee must disclose in a written statement to DEO's Agreement Manager all prior or on-going civil or criminal litigation, investigations, arbitration or administrative proceedings (collectively "Proceedings") involving this Agreement. Thereafter, Grantee has a continuing duty to promptly disclose all Proceedings upon occurrence. This duty of disclosure applies to Grantee's or subcontractor's officers and directors when any Proceeding relates to the officer or director's business or financial activities. Details of settlements that are prevented from disclosure by the terms of the settlement may be annotated as such. Grantee shall promptly notify DEO's Agreement Manager of any Proceeding relating to or affecting the Grantee's or subcontractor's business. If the existence of such Proceeding causes the State concern about Grantee's ability or willingness to perform the Agreement, then upon DEO's request, Grantee shall provide to DEO's Agreement Manager all reasonable assurances that: (i) Grantee will be able to perform the Agreement in accordance with its terms and conditions; and (ii) Grantee and/or its employees, agents, or subcontractor(s)

DocuSign Envelope ID: E9CF72E3-3661-4411-A159-34F7C60FA194

have not and will not engage in conduct in performing services for DEO which is similar in nature to the conduct alleged in such Proceeding.

J. ADVERTISING AND SPONSORSHIP DISCLOSURE

1. Limitations on Advertising of Agreement. DEO does not endorse any Grantee, commodity, or service. Subject to chapter 119, F.S., Grantee shall not publicly disseminate any information concerning this Agreement without prior written approval from DEO, including, but not limited to mentioning this Agreement in a press release or other promotional material, identifying DEO or the State as a reference, or otherwise linking Grantee's name and either a description of the Agreement or the name of DEO or the State in any material published, either in print or electronically, to any entity that is not a Party to this Agreement, except potential or actual authorized distributors, dealers, resellers, or service representatives.

2. Disclosure of Sponsorship. As required by s. 286.25, F.S., if Grantee is a nongovernmental organization which sponsors a program financed wholly or in part by state funds, including any funds obtained through this Agreement, it shall, in publicizing, advertising, or describing the sponsorship of the program, state: "Sponsored by (Grantee's name) and the State of Florida, Department of Economic Opportunity." If the sponsorship reference is in written material, the words "State of Florida, Department of Economic Opportunity" shall appear in the same size letters or type as the name of the organization.

K. RECOUPMENT OF FUNDS

1. Recoupment. Notwithstanding anything in this Agreement to the contrary, DEO has an absolute right to recoup Award Funds. DEO may refuse to reimburse Grantee for any cost if DEO determines that such cost was not incurred in compliance with the terms of this Agreement. DEO may demand a return of Award Funds if DEO terminates this Agreement. The application of financial consequences as set forth in the Scope of Work is cumulative to any of DEO's rights to recoup Award Funds. Notwithstanding anything in this Agreement to the contrary, in no event shall the application of any financial consequences or recoupment of Award Funds exceed the amount of Award Funds, plus interest.

2. Overpayments. If Grantee's (a) noncompliance with this Agreement or any applicable federal, state, or local law, rule, regulation or ordinance, or (b) performance or nonperformance of any term or condition of this Agreement results in (i) an unlawful use of Award Funds; (ii) a use of Award Funds that doesn't comply with the terms of this Agreement; or (iii) a use which constitutes a receipt of Award Funds to which Grantee is not entitled (each such event an "Overpayment"), then Grantee shall return such Overpayment of Award Funds to DEO.

3. Discovery of Overpayments. Grantee shall refund any Overpayment of Award Funds to DEO within 30 days of Grantee's discovery of an Overpayment or receipt of notification from DEO that and Overpayment has occurred. DEO is the final authority as to what may constitute an Overpayment of Award Funds. Refunds should be sent to DEO's Agreement Manager and made payable to the "Department of Economic Opportunity." Should repayment not be made in a timely manner, DEO may charge interest at the lawful rate of interest on the outstanding balance beginning 30 days after the date of notification or discovery.

4. Right of Set-Off. DEO and the State shall have all of its common law, equitable, and statutory rights of set-off, including, without limitation, the State's option to withhold for the purposes of set-off any moneys due to Grantee under this Agreement up to any amounts due and owing to DEO with respect to this Agreement, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this Agreement, plus any amounts due and owing to the State for any other

DocuSign Envelope ID: E9CF72E3-3661-4411-A159-34F7C60FA194

reason. The State shall exercise its set-off rights in accordance with normal State practices, including, in cases of set-off pursuant to an audit, the finalization of such audits by the State or its representatives.

L. INSURANCE

Unless Grantee is a state agency or subdivision as defined in s. 768.28(2), F.S., Grantee shall provide and maintain at all times during this Agreement adequate commercial general liability insurance coverage. A self-insurance program established and operating under the laws of the State of Florida may provide such coverage.

Grantee, at all times during the Agreement, at Grantee's sole expense, shall provide commercial insurance of such a type and with such terms and limits as may be reasonably associated with this Agreement, which, as a minimum, shall be: workers' compensation and employer's liability insurance in accordance with chapter 440, F.S., with minimum employer's liability limits of $100,000 per accident, $100,000 per person, and $500,000 policy aggregate. Such policy shall cover all employees engaged in any Agreement work.

Grantee shall maintain insurance coverage of such types and with such terms and limits as may be reasonably associated with this Agreement, as required by law, and as otherwise necessary and prudent for the Grantee's performance of its operations in the regular course of business. The limits of coverage under each policy maintained by Grantee shall not be interpreted as limiting Grantee's liability and obligations under this Agreement. All insurance policies shall be through insurers licensed and authorized to write policies in Florida, and such policies shall cover all employees engaged in any Agreement work. Grantee shall maintain any other insurance required in the Scope of Work. Upon request, Grantee shall produce evidence of insurance to DEO.

DEO shall not pay for any costs of any insurance or policy deductible, and payment of any insurance costs shall be Grantee's sole responsibility. Providing and maintaining adequate insurance coverage is a material obligation of Grantee, and failure to maintain such coverage may void the Agreement, at DEO's sole and absolute discretion, after DEO's review of Grantee's insurance coverage when Grantee is unable to comply with DEO's requests concerning additional appropriate and necessary insurance coverage. Upon execution of this Agreement, Grantee shall provide DEO written verification of the existence and amount for each type of applicable insurance coverage. Within 30 calendar days of the effective date of the Agreement, Grantee shall furnish DEO proof of applicable insurance coverage by standard ACORD form certificates of insurance. In the event that an insurer cancels any applicable coverage for any reason, Grantee shall immediately notify DEO of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within 15 business days after the cancellation of coverage. Copies of new insurance certificates must be provided to DEO's Agreement Manager with each insurance renewal.

M. CONFIDENTIALITY AND SAFEGUARDING INFORMATION

Each Party may have access to confidential information made available by the other. The provisions of the Florida Public Records Act, Chapter 119, F.S., and other applicable state and federal laws will govern disclosure of any confidential information received by the State of Florida.

Grantee must implement procedures to ensure the appropriate protection and confidentiality of all data, files, and records involved with this Agreement.

Except as necessary to fulfill the terms of this Agreement and with the permission of DEO, Grantee shall not divulge to third parties any confidential information obtained by Grantee or its agents, distributors, resellers, subcontractors, officers, or employees in the course of performing Agreement work, including, but not limited

DocuSign Envelope ID: E9CF72E3-3661-4411-A159-34F7C60FA194

to, security procedures, business operations information, or commercial proprietary information in the possession of the State or DEO.

Grantee shall not use or disclose any information concerning a recipient of services under this Agreement for any purpose in conformity with state and federal law or regulations, except upon written consent of the recipient or the responsible parent or guardian of the recipient when authorized by law.

When Grantee has access to DEO's network and/or applications, in order to fulfill Grantee's obligations under this Agreement, Grantee shall abide by all applicable DEO Information Technology Security procedures and policies. Grantee (including its employees, subcontractors, agents, or any other individuals to whom Grantee exposes confidential information obtained under this Agreement), shall not store, or allow to be stored, any confidential information on any portable storage media (*e.g.*, laptops, thumb drives, hard drives, *etc.*) or peripheral device with the capacity to hold information. Failure to strictly comply with this provision shall constitute a breach of Agreement.

Grantee shall immediately notify DEO in writing when Grantee, its employees, agents, or representatives become aware of an inadvertent disclosure of DEO's unsecured confidential information in violation of the terms of this Agreement. Grantee shall report to DEO any Security Incidents of which it becomes aware, including incidents sub-contractors or agents reported to Grantee. For purposes of this Agreement, "Security Incident" means the attempted or successful unauthorized access, use, disclosure, modification, or destruction of DEO information in Grantee's possession or electronic interference with DEO operations; provided, however, that random attempts at access shall not be considered a security incident. Grantee shall make a report to DEO not more than seven business days after Grantee learns of such use or disclosure. Grantee's report shall identify, to the extent known: (i) the nature of the unauthorized use or disclosure, (ii) the confidential information used or disclosed, (iii) who made the unauthorized use or received the unauthorized disclosure, (iv) what Grantee has done or shall do to mitigate any detrimental effect of the unauthorized use or disclosure, and (v) what corrective action Grantee has taken or shall take to prevent future similar unauthorized use or disclosure. Grantee shall provide such other information, including a written report, as DEO's Information Security Manager requests.

In the event of a breach of security concerning confidential personal information involved with this Agreement, Grantee shall comply with s. 501.171, F.S., as applicable. When notification to affected persons is required by statute, Grantee shall provide that notification, but only after receipt of DEO's written approval of the contents of the notice. Defined statutorily, and for purposes of this Agreement, "breach of security" or "breach" means the unauthorized access of data in electronic form containing personal data. Good faith acquisition of personal information by an employee or agent of Grantee is not a breach, provided the information is not used for a purpose unrelated to Grantee's obligations under this Agreement or is not subject to further unauthorized use.

N. PATENTS, COPYRIGHTS, AND ROYALTIES

1. All legal title and every right, interest, claim or demand of any kind, in and to any patent, trademark or copyright, or application for the same, or any other intellectual property right to, the work developed or produced under or in connection with this Agreement, is the exclusive property of DEO to be granted to and vested in the Florida Department of State for the use and benefit of the state; and no person, firm or corporation shall be entitled to use the same without the written consent of the Florida Department of State. Any contribution by Grantee or its employees, agents or contractors to the creation of such works shall be considered works made for hire by Grantee for DEO and, upon creation, shall be owned exclusively by DEO. To the extent that any such works may not be considered works made for hire for DEO under applicable law, Grantee agrees, upon creation of such works, to automatically assign to DEO ownership, including copyright

DocuSign Envelope ID: E9CF72E3-3661-4411-A159-34F7C60FA194

interests and any other intellectual property rights therein, without the necessity of any further consideration.

2. If any discovery or invention arises or is developed in the course or as a result of work or services performed with funds from this Agreement, Grantee shall refer the discovery or invention to DEO who will refer it to the Department of State to determine whether patent protection will be sought in the name of the State of Florida.

3. Where activities supported by this Agreement produce original writings, sound recordings, pictorial reproductions, drawings, or other graphic representations and works of any similar nature DEO has the right to use, duplicate, and disclose such materials in whole or in part, in any manner, for any purpose whatsoever and to allow others acting on behalf of DEO to do so. Grantee shall give DEO written notice when any books, manuals, films, websites, web elements, electronic information, or other copyrightable materials are produced.

4. Notwithstanding any other provisions herein, in accordance with s. 1004.23, F.S., a State University is authorized in its own name to perform all things necessary to secure letters of patent, copyrights, and trademarks on any works it produces. Within 30 calendar days of same, the president of a State University shall report to the Department of State any such university's action taken to secure or exploit such trademarks, copyrights, or patents in accordance with s. 1004.23(6), F.S.

O. INFORMATION TECHNOLOGY RESOURCE

Grantee shall obtain prior written approval from the appropriate DEO authority before purchasing any Information Technology Resource (ITR) or conducting any activity that will impact DEO's electronic information technology equipment or software, in any way. ITR includes computer hardware, software, networks, devices, connections, applications, and data. Grantee shall contact the DEO Agreement Manager listed herein in writing for the contact information of the appropriate DEO authority for any such ITR purchase approval.

P. NONEXPENDABLE PROPERTY

1. For the requirements of this Nonexpendable Property section of the Agreement, "nonexpendable property" is the same as "property" as defined in s. 273.02, F.S., (equipment, fixtures, and other tangible personal property of a nonconsumable and nonexpendable nature).

2. All nonexpendable property, purchased under this Agreement, shall be listed on the property records of Grantee. Grantee shall inventory annually and maintain accounting records for all nonexpendable property purchased and submit an inventory report to DEO with the final expenditure report. The records shall include, at a minimum, the following information: property tag identification number, description of the item(s), physical location, name, make or manufacturer, year, and/or model, manufacturer's serial number(s), date of acquisition, and the current condition of the item.

3. At no time shall Grantee dispose of nonexpendable property purchased under this Agreement without the written permission of and in accordance with instructions from DEO.

4. Immediately upon discovery, Grantee shall notify DEO, in writing, of any property loss with the date and reason(s) for the loss.

5. Grantee shall be responsible for the correct use of all nonexpendable property Grantee purchases or DEO furnishes under this Agreement.

6. A formal Agreement amendment is required prior to the purchase of any item of nonexpendable property not specifically listed in Attachment 1: Scope of Work.

DocuSign Envelope ID: E9CF72E3-3661-4411-A159-34F7C60FA194

7. Upon the Expiration Date of this Agreement, Grantee is authorized to retain ownership of any nonexpendable property purchased under this Agreement; however, Grantee hereby grants to DEO a right of first refusal in all such property prior to disposition of any such property during its depreciable life, in accordance with the depreciation schedule in use by Grantee. Grantee shall provide written notice of any such planned disposition and await DEO's response prior to disposing of the property. "Disposition" as used herein, shall include, but is not limited to, Grantee no longer using the nonexpendable property for the uses authorized herein; the sale, exchange, transfer, trade-in, or disposal of any such nonexpendable property. DEO, in its sole discretion, may require Grantee to refund to DEO the fair market value of the nonexpendable property at the time of disposition rather than taking possession of the nonexpendable property.

Q. REQUIREMENTS APPLICABLE TO THE PURCHASE OF OR IMPROVEMENTS TO REAL PROPERTY

In accordance with s. 287.05805, F.S., if funding provided under this Agreement is used for the purchase of or improvements to real property, Grantee shall grant DEO a security interest in the property in the amount of the funding provided by this Agreement for the purchase of or improvements to the real property for five years from the date of purchase or the completion of the improvements or as further required by law.

Upon the Expiration Date of the Agreement, Grantee shall be authorized to retain ownership of the improvements to real property set forth in this Agreement in accordance with the following: Grantee is authorized to retain ownership of the improvements to real property so long as: (1) Grantee is not sold, merged or acquired; (2) the real property subject to the improvements is owned by Grantee; and (3) the real property subject to the improvements is used for the purposes provided in this Agreement. If within five years of the termination of this Agreement, Grantee is unable to satisfy the requirements stated in the immediately preceding sentence, Grantee shall notify DEO in writing of the circumstances that will result in the deficiency upon learning of it, but no later than 30 calendar days prior to the deficiency occurring. In such event, DEO shall have the right, within its sole discretion, to demand reimbursement of part or all of the funding provided to Grantee under this Agreement.

R. CONSTRUCTION AND INTERPRETATION

The title, section, and paragraph headings in this Agreement are for convenience of reference only and shall not govern or affect the interpretation of any of the terms or provisions of this Agreement. The term "this Agreement" means this Agreement together with all attachments and exhibits hereto, as the same may from time to time be amended, modified, supplemented, or restated in accordance with the terms hereof. The use in this Agreement of the term "including" and other words of similar import mean "including, without limitation" and where specific language is used to clarify by example a general statement contained herein, such specific language shall not be deemed to modify, limit, or restrict in any manner the construction of the general statement to which it relates. The word "or" is not exclusive and the words "herein," "hereof," "hereunder," and other words of similar import refer to this Agreement, including any Exhibits and Attachments, and not to any particular section, subsection, paragraph, subparagraph, or clause contained in this Agreement. As appropriate, the use herein of terms importing the singular shall also include the plural, and vice versa. The reference to an agreement, instrument, or other document means such agreement, instrument, or other document as amended, supplemented, and modified from time to time to the extent permitted by the provisions thereof and the reference to a statute means such statute as amended from time to time and includes any successor legislation thereto and any regulations promulgated thereunder. All references to "$" shall mean United States dollars. The term "Grantee" includes any person or entity which has been duly authorized to and has the actual authority to act or perform on Grantee's behalf. The term "DEO" includes the State of Florida and any successor office, department, or agency of DEO, and any person or entity which has been duly authorized to and has the actual authority to act or perform on DEO's behalf. The recitals of this Agreement are incorporated herein by reference and shall apply to the terms and provisions of this Agreement and the Parties. Time is of the essence with respect to the performance of all obligations under this Agreement. The

DocuSign Envelope ID: E9CF72E3-3661-4411-A159-34F7C60FA194

Parties have participated jointly in the negotiation and drafting of this Agreement, and each Party has read and understands this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties, and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement.

S. CONFLICT OF INTEREST

This Agreement is subject to chapter 112, F.S. Grantee shall disclose the name of any officer, director, employee, or other agent who is also an employee of the State. Grantee shall also disclose the name of any State employee who owns, directly or indirectly, more than a 5% interest in Grantee or its affiliates.

T. GRANTEE AS INDEPENDENT CONTRACTOR

Grantee is at all times acting and performing as an independent contractor. DEO has no ability to exercise any control or direction over the methods by which Grantee may perform its work and functions, except as provided herein. Nothing in this Agreement may be understood to constitute a partnership or joint venture between the Parties.

U. EMPLOYMENT ELIGIBILITY VERIFICATION – E-VERIFY

1. Section 448.095, F.S., the State of Florida requires the following:

a. Every public employer, contractor, and subcontractor shall register with and use the E-Verify system to verify the work authorization status of all newly hired employees. A public employer, contractor, or subcontractor may not enter into a contract unless each party to the contract registers with and uses the E-Verify system.

b. A private employer shall, after making an offer of employment which has been accepted by a person, verify such person's employment eligibility. A private employer is not required to verify the employment eligibility of a continuing employee hired before January 1, 2021. However, if a person is a contract employee retained by a private employer, the private employer must verify the employee's employment eligibility upon the renewal or extension of his or her contract.

2. E-Verify is an Internet-based system that allows an employer, using information reported on an employee's Form I-9, Employment Eligibility Verification, to determine the eligibility of all new employees hired to work in the United States. There is no charge to employers to use E-Verify. The Department of Homeland Security's E-Verify system can be found at: https://www.e-verify.gov/.

3. If Grantee does not use E-Verify, Grantee shall enroll in the E-Verify system prior to hiring any new employee or retaining any contract employee after the effective date of this Agreement.

DocuSign Envelope ID: E9CF72E3-3661-4411-A159-34F7C60FA194

V. NOTIFICATION OF INSTANCES OF FRAUD

Upon discovery, Grantee shall report all known or suspected instances of Grantee, or Grantee's agents, contractors or employees, operational fraud or criminal activities to DEO's Agreement Manager in writing within 24 chronological hours.

W. NON-DISCRIMINATION

Grantee shall not discriminate unlawfully against any individual employed in the performance of this Agreement because of race, religion, color, sex, physical handicap unrelated to such person's ability to engage in this work, national origin, ancestry, or age. Grantee shall provide a harassment-free workplace, with any allegation of harassment to be given priority attention and action.

X. ASSIGNMENTS

Grantee shall not assign, subcontract, or otherwise transfer its rights, duties, or obligations under this Agreement, by operation of law or otherwise, without the prior written consent of DEO, which consent may be withheld in DEO's sole and absolute discretion. DEO is at all times entitled to assign or transfer its rights, duties, or obligations under this Agreement to another governmental entity in the State of Florida. Any attempted assignment of this Agreement or any of the rights hereunder by Grantee in violation of this provision shall be void *ab initio*.

Y. ENTIRE AGREEMENT; SEVERABILITY

This Agreement, and the attachments and exhibits hereto, embodies the entire agreement of the Parties with respect to the subject matter hereof. There are no provisions, terms, conditions, or obligations other than those contained in this Agreement; and this Agreement supersedes all previous communications, representations, or agreements, either verbal or written, between the Parties. If a court of competent jurisdiction voids or holds unenforceable any provision of this Agreement, then that provision shall be enforced only to the extent that it is not in violation of law or is not otherwise unenforceable, and all other provisions shall remain in full force and effect. This Agreement may be executed in counterparts, each of which shall be an original and all of which shall constitute one and the same instrument. If any inconsistencies or conflict between the language of this Agreement and its Attachments arise, then the language of the attachments shall control, but only to the extent of the conflict or inconsistency.

Z. WAIVER; GOVERNING LAW; ATTORNEYS' FEES, DISPUTE RESOLUTION

1. Waiver. No waiver by DEO of any of provision herein shall be effective unless explicitly set forth in writing and signed by DEO. No waiver by DEO may be construed as a waiver of any failure, breach, or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after that waiver. No failure by DEO to exercise, or delay in exercising, any right, remedy, power or privilege under this Agreement may be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights and remedies set forth herein are cumulative and not exclusive.

2. Governing Law. The laws of the State of Florida shall govern the construction, enforcement, and interpretation of this Agreement, regardless of and without reference to whether any applicable conflicts of laws principles may point to the application of the laws of another jurisdiction. The Parties expressly consent to exclusive jurisdiction and venue in any state court located in Leon County, Florida, and waive any defense

DocuSign Envelope ID: E9CF72E3-3661-4411-A159-34F7C60FA194

of forum non conveniens, lack of personal jurisdiction, or like defense. IN ANY LEGAL OR EQUITABLE ACTION BETWEEN THE PARTIES, THE PARTIES HEREBY EXPRESSLY WAIVE TRIAL BY JURY TO THE FULLEST EXTENT PERMITTED BY LAW.

3. Attorneys' Fees, Expenses. Except as set forth otherwise herein, each of the Parties shall pay its own attorneys' fees and costs in connection with the execution and delivery of this Agreement and the transactions contemplated hereby.

4. Dispute Resolution. DEO shall decide disputes concerning the performance of the Agreement, and DEO shall serve written notice of same to Grantee. DEO's decision shall be final and conclusive unless within 21 calendar days from the date of receipt, Grantee files with DEO a petition for administrative hearing. DEO's final order on the petition shall be final, subject to any right of Grantee to judicial review pursuant to chapter 120.68, F.S. Exhaustion of administrative remedies is an absolute condition precedent to Grantee's ability to pursue any other form of dispute resolution; provided however, that the Parties may employ the alternative dispute resolution procedures outlined in chapter 120, F.S.

AA. INDEMNIFICATION

If Grantee is a state agency or subdivision, as defined in s. 768.28(2), F.S., pursuant to s. 768.28(19), F.S., neither Party indemnifies nor insures or assumes any liability for the other Party for the other Party's negligence.

1. Grantee shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the State and DEO, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by Grantee, its agents, employees, partners, or subcontractors; provided, however, that Grantee shall not indemnify, defend, and hold harmless the State and DEO, and their officers, agents, and employees for that portion of any loss or damages the negligent act or omission of DEO or the State proximately caused.

2. Further, Grantee shall fully indemnify, defend, and hold harmless the State and DEO from any suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to violation or infringement of a trademark, copyright, patent, trade secret or intellectual property right; provided, however, that the foregoing obligation shall not apply to DEO's misuse or modification of Grantee's products or DEO's operation or use of Grantee's products in a manner not contemplated by this Agreement. If any product is the subject of an infringement suit, or in Grantee's opinion is likely to become the subject of such a suit, Grantee may, at Grantee's sole expense, procure for DEO the right to continue using the product or to modify it to become non-infringing. If Grantee is not reasonably able to modify or otherwise secure for DEO the right to continue using the product, Grantee shall remove the product and refund DEO the amounts paid in excess of a reasonable fee, as determined by DEO in its sole and absolute discretion, for past use. DEO shall not be liable for any royalties.

3. Grantee's obligations under the two immediately preceding paragraphs above, with respect to any legal action are contingent upon the State or DEO giving Grantee (1) written notice of any action or threatened action, (2) the opportunity to take over and settle or defend any such action at Grantee's sole expense, and (3) assistance in defending the action at Grantee's sole expense. Grantee shall not be liable for any cost, expense, or compromise incurred or made by the State or DEO in any legal action without Grantee's prior written consent, which shall not be unreasonably withheld.

4. The State and DEO may, in addition to other remedies available to them at law or equity and upon notice to Grantee, retain such monies from amounts due Grantee as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against them. The State may set off any liability or other obligation of Grantee or its affiliates to the State against any payments due Grantee under any Agreement with the State.

ATTACHMENT 1
SCOPE OF WORK

1. PROJECT DESCRIPTION:

Specific Appropriation line 2236A of the Florida General Appropriations Act for State Fiscal Year 2021-2022, Chapter 2021-36, Laws of Florida, appropriated Two Million Three Hundred Twenty Thousand Dollars and Zero Cents ($2,320,000.00) to the Alachua County Board of County Commissioners ("Grantee") to partially fund the North Central Florida Regional Sports Complex project pertaining to the construction of a portable banked track system.

2. GRANTEE RESPONSIBILITIES:

2.1 The Grantee shall use the appropriated funds to pay for the materials and complete the construction of the portable banked track system.

3. DEO'S RESPONSIBILITIES: DEO shall monitor progress, review reports, conduct site visits, as DEO determines necessary, at DEO's sole and absolute discretion, and process payments to Grantee.

4. DELIVERABLES:

Grantee agrees to provide the following services as specified:

Deliverable No. 1 – Track Construction		
Tasks	**Performance Measures**	**Financial Consequences**
Grantee shall complete the construction of the portable banked track system as detailed in Section 2.1 of this Scope of Work.	Grantee may be reimbursed upon 10%, 20%, 30%, 40%, 50%, 60%, 70%, 80%, 90%, and 100% completion of this Deliverable, as evidenced by submission of the following: • Statement from a licensed professional certifying that the work for which reimbursement is sought is complete. • Complete invoice package and reports as defined in Sections 5 and 6 of this Scope of Work.	Failure to complete the Performance Measures shall result in non-payment. DEO shall withhold 10% of the total Agreement amount until Grantee provides proof to DEO, and DEO accepts that the project is 100% complete.
		Deliverable No. 1 Amount: $2,320,000.00
		TOTAL AWARD AMOUNT NOT TO EXCEED: $2,320,000.00

5. REPORTING:

5.1 Quarterly: Grantee shall provide a quarterly report listing all progress relating to the Deliverables in Section 4. Quarterly reports are due to DEO within 30 calendar days after the end of each quarter, until

DocuSign Envelope ID: E9CF72E3-3661-4411-A159-34F7C60FA194

submission of the final invoice package. The ending dates for each quarter of the program year are September 30, December 31, March 31, and June 30. The quarterly report shall include a summary of project progress, indicating percentage of completion of each Deliverable, and all additional reports which are required pursuant to this Agreement, including but not limited to, reports documenting the positive return on investment to the State that results from Grantee's project and its use of Award Funds. The summary shall also include any issues or events occurring which affect the ability of the Grantee to meet the terms of this Agreement. **If all required reports and copies are not sent to DEO or are not completed in a manner acceptable to DEO, payments may be withheld until the reports are properly completed or otherwise allowable by law.**

5.2 Minority and Service-Disabled Veteran Business Enterprise Report: Grantee shall provide a Minority and Service-Disabled Veteran Business Enterprise Report with each invoice summarizing the participation of certified and non-certified minority and service-disabled veteran subcontractors and material suppliers for that period and the project to date. Grantee shall include the names, addresses, and dollar amount of each certified and non-certified Minority Business Enterprise and Service-Disabled Veteran Enterprise participant. DEO's Minority Coordinator can be reached at (850) 245-7471 to answer concerns and questions.

5.3 Close-out Report: No later than 60 calendar days after the Agreement ends or is terminated, Grantee shall provide copies of all paid invoices to document completed work.

6. INVOICE SUBMITTAL AND PAYMENT SCHEDULE: DEO shall pay Grantee in accordance with the following schedule in the amount identified per deliverable in Section 4 above. The deliverable amount specified does not establish the value of the deliverable. In accordance with the requirements of s. 215.971(1), F.S., and the **Audit Requirements and Compliance** section of this Agreement, Grantee and its subcontractors may only expend funding under this Agreement for allowable costs resulting from obligations incurred during the Agreement period.

6.1 Grantee shall provide one invoice per quarter for all services rendered during the applicable period. Grantee shall submit invoices as set forth below to be eligible to receive and retain payment for the performance of duties and completion of deliverables set forth above. Grantee shall submit all documentation necessary to support Grantee's expenditures. DEO may request any information from Grantee that DEO deems necessary to verify that Grantee has performed the services for which payment is requested. Grantee's submission of each invoice package is Grantee's certification that it has performed the services and incurred the costs in compliance with all applicable laws and the terms of this Agreement. Grantee will provide invoices in accordance with the requirements of the Reference Guide for State Expenditures available at: https://www.myfloridacfo.com/Division/AA/Manuals/documents/ReferenceGuideforStateExpenditures.pdf . Invoices must be legible and must clearly reflect the performance for which payment is sought. Payment does not become due under this Agreement until DEO accepts and approves the invoiced deliverable(s) and any required report(s). At DEO's option, Grantee may submit invoices electronically. Grantee shall submit its final invoice for payment to DEO no later than 60 days after this Agreement ends and DEO may, at DEO's sole and absolute discretion, refuse to honor any requests for payment submitted after this deadline.

6.2 Invoices must contain Grantee's name, address, federal employer identification number or other applicable Grantee identification number, the Agreement number, the invoice number, and the invoice period. Grantee shall submit the following documents with the itemized invoice:

6.2.1 A cover letter signed by Grantee's Agreement Manager certifying that the costs being claimed in the invoice package: (1) are specifically for the project represented to the State in the budget appropriation; (2) are

DocuSign Envelope ID: E9CF72E3-3661-4411-A159-34F7C60FA194

for one or more of the components as stated in Section 4, Deliverables, of this Scope of Work; (3) have been paid; and (4) were incurred during the Agreement period;

6.2.2 Grantee's invoices shall include the date, period in which work was performed, amount of reimbursement, and work completed to date;

6.2.3 A certification by a licensed engineer using AIA forms G702 and G703, or their substantive equivalents, certifying that the project, or a quantifiable portion of the project, is complete;

6.2.4 Photographs of the completed work;

6.2.5 Travel documentation with a completed State of Florida Travel Reimbursement Form, https://www.myfloridacfo.com/Division/AA/Forms/DFS-AA-15VoucherforReimbursement.xlsx;

6.2.6 A copy of all supporting documentation for vendor payments;

6.2.7 A copy of the cancelled check(s) specific to the project; and

6.2.8 A copy of the bank statement that includes the cancelled check.

6.3 The State may require any other information from Grantee that the State deems necessary to verify that the services have been rendered under the Agreement.

6.4 All documentation necessary to support payment requests must be submitted with Grantee's invoice for DEO's review.

7. FINANCIAL CONSEQUENCES FOR FAILURE TO TIMELY AND SATISFACTORILY PERFORM: Failure to complete all deliverables in accordance with the requirements of this Agreement, and most particularly the deliverables specified above in Section 4, Deliverables, will result in DEO's assessment of the specified financial consequences. If appropriate, should the Parties agree to a corrective action plan, the plan shall specify additional financial consequences to be applied after the effective date of the corrective action plan. This provision for financial consequences shall in no manner affect DEO's right to terminate the Agreement as provided elsewhere in the Agreement.

- End of Attachment 1 (Scope of Work) -

Attachment 2
AUDIT REQUIREMENTS

The administration of resources awarded by DEO to the recipient (herein otherwise referred to as "Grantee") may be subject to audits and/or monitoring by DEO as described in this Attachment 2.

MONITORING. In addition to reviews of audits conducted in accordance with 2 CFR 200, Subpart F - Audit Requirements, and section 215.97, Florida Statutes (F.S.), as revised (see AUDITS below), monitoring procedures may include, but not be limited to, on-site visits by DEO staff, limited scope audits as defined by 2 CFR §200.425, or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures or processes deemed appropriate by DEO. In the event the DEO determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by DEO staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS.

PART I: FEDERALLY FUNDED. This part is applicable if the recipient is a state or local government or a nonprofit organization as defined in 2 CFR §200.90, §200.64, and §200.70.

1. A recipient that expends $750,000 or more in federal awards in its fiscal year must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. EXHIBIT 1 to this form lists the federal resources awarded through DEO by this agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from DEO. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR §§200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR §200.514 will meet the requirements of this Part.

2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR §§200.508-512.

3. A recipient that expends less than $750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. If the recipient expends less than $750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than federal entities).

PART II: STATE FUNDED. This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(2), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of $750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017, and thereafter), the recipient must have a state single or project-specific audit for such fiscal year in accordance with section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through DEO by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received

DocuSign Envelope ID: E9CF72E3-3661-4411-A159-34F7C60FA194

from DEO, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for federal program matching requirements.

2. For the audit requirements addressed in Part II, paragraph 1, the recipient shall ensure that the audit complies with the requirements of section 215.97(8), F.S. This includes submission of a financial reporting package as defined by section 215.97(2), F.S., and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.

3. If the recipient expends less than $750,000 in state financial assistance in its fiscal year (for fiscal years ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of section 215.97, F.S., is not required. If the recipient expends less than $750,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than state entities).

PART III: OTHER AUDIT REQUIREMENTS.

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of state financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

N/A

PART IV: REPORT SUBMISSION.

1. Copies of reporting packages for audits conducted in accordance with 2 CFR 200, Subpart F - Audit Requirements, and required by Part I of this form shall be submitted, when required by 2 CFR §200.512, by or on behalf of the recipient directly to the Federal Audit Clearinghouse (FAC) as provided in 2 CFR §200.36 and §200.512.

   The FAC's website provides a data entry system and required forms for submitting the single audit reporting package. Updates to the location of the FAC and data entry system may be found at the OMB website.

2. Copies of financial reporting packages required by Part II of this form shall be submitted by or on behalf of the recipient directly to each of the following:

   a. DEO at each of the following addresses:

   Electronic copies (preferred):
   Audit@deo.myflorida.com

   or

   Paper (hard copy):
   Department Economic Opportunity
   MSC # 75, Caldwell Building
   107 East Madison Street
   Tallahassee, FL 32399-4126

   b. The Auditor General's Office at the following address:

   Auditor General
   Local Government Audits/342
   Claude Pepper Building, Room

DocuSign Envelope ID: E9CF72E3-3661-4411-A159-34F7C60FA194

401 111 West Madison Street
Tallahassee, Florida 32399-1450

The Auditor General's website (https://flauditor.gov/) provides instructions for filing an electronic copy of a financial reporting package.

3. Copies of reports or the management letter required by Part III of this form shall be submitted by or on behalf of the recipient directly to:

Electronic copies (preferred): Audit@deo.myflorida.com	or	Paper (hard copy): Department Economic Opportunity MSC # 75, Caldwell Building 107 East Madison Street Tallahassee, FL. 32399-4126

4. Any reports, management letters, or other information required to be submitted DEO pursuant to this agreement shall be submitted timely in accordance with 2 CFR §200.512, section 215.97, F.S., and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, as applicable.

5. Recipients, when submitting financial reporting packages to DEO for audits done in accordance with 2 CFR 200, Subpart F - Audit Requirements, or Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General, should indicate the date that the reporting package was delivered to the recipient in correspondence accompanying the reporting package.

PART V: RECORD RETENTION. The recipient shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of five (5) years from the date the audit report is issued, or five (5) state fiscal years after all reporting requirements are satisfied and final payments have been received, whichever period is longer, and shall allow DEO, or its designee, CFO, or Auditor General access to such records upon request. The recipient shall ensure that audit working papers are made available to DEO, or its designee, CFO, or Auditor General upon request for a period of five (5) years from the date the audit report is issued, unless extended in writing by DEO. In addition, if any litigation, claim, negotiation, audit, or other action involving the records has been started prior to the expiration of the controlling period as identified above, the records shall be retained until completion of the action and resolution of all issues which arise from it, or until the end of the controlling period as identified above, whichever is longer.

AUDIT COMPLIANCE CERTIFICATION

Grantee Name: _____
FEIN: _____
Grantee's Fiscal Year: _____
Contact Person Name and Phone Number: _____
Contact Person Email Address: _____

1. Did Grantee expend state financial assistance, during its fiscal year, that it received under any agreement (e.g., agreement, grant, memorandum of agreement, memorandum of understanding, economic incentive award agreement, etc.) between Grantee and the Department of Economic Opportunity (DEO)? ____Yes _____ No

   If the above answer is yes, also answer the following before proceeding to item 2:

   Did Grantee expend $750,000 or more of state financial assistance (from DEO and all other sources of state financial assistance combined) during its fiscal year? _____ Yes _____ No

   If yes, Grantee certifies that it will timely comply with all applicable state single or project-specific audit requirements of s. 215.97, Florida Statutes, and the applicable rules of the Department of Financial Services and the Auditor General.

2. Did Grantee expend federal awards, during its fiscal year that it received under any agreement (e.g., agreement, grant, memorandum of agreement, memorandum of understanding, economic incentive award agreement, etc.) between Grantee and DEO? ____Yes _____ No

   If the above answer is yes, also answer the following before proceeding to execution of this certification:

   Did Grantee expend $750,000 or more in federal awards (from DEO and all other sources of federal awards combined) during its fiscal year? _____ Yes _____ No

   If yes, Grantee certifies that it will timely comply with all applicable single or program-specific audit requirements of 2 CFR Part 200, Subpart F, as revised.

By signing below, I certify, on behalf of Grantee, that the above representations for items 1 and 2 are true and correct.

Agenda Item Summary

Agenda Date: 9/14/2021 Agenda Item No.: 37.

Agenda Item Name:
Extension of the 2021 Tax Roll

Presenter:
John Power Tax Collector

Description:
Request extension of the 2021 Tax Roll prior to completion of the Value Adjustment Board hearings. Pursuant to Florida Statute 197.323, the Tax Collector requests the Board of County Commissioners authorize the Property Appraiser to extend the 2021 Tax Roll prior to completion of the Value Adjustment Board hearings.

Recommended Action:
Place this item on the September consent agenda to Order the 2021 Tax Roll to be extended prior to completion of the Value Adjustment Board hearings.

Prior Board Motions:
Each and every year, the Board has granted this request by consent to extend the Tax Roll prior to completion of the Value Adjustment Board hearings.

Fiscal Consideration:
Failure to grant this request could delay the mailing and collection of our 2021 November tax bills, which would adversely affect all taxing authorities.

Background:
Due to statutory guidelines the Value Adjustment Board will not be able to finalize hearings on disputed values prior to our deadline to convert, print and mail tax notices. Therefore, pursuant to Florida Statute 197.323, the Board of County Commissioners may upon request of the Tax Collector and by majority vote, order the Tax Roll to be extended prior to the completion of the Value Adjustment Board hearings, if completion thereof would otherwise be the only cause for a delay in the issuance of tax notices beyond November 1, 2021. Furthermore, for any parcel for which tax liability is subsequently altered as a result of the Value Adjustment Board action, the Tax Collector shall resolve the matter by following the same procedure used for correction of errors and issuance of refunds.

Agenda Item Summary

Agenda Date: 9/14/2021 Agenda Item No.: 38.

Agenda Item Name:
June 2021 Minutes of the Alachua County Historical Commission

Presenter:
Kathleen W. Pagan, Senior Planner, 352-374-5249

Description:
Minutes of a regular meeting of ACHC

Recommended Action:
Accept the minutes as approved by ACHC

Prior Board Motions:
NA

Fiscal Consideration:
NA

Background:
The County Historical Commission is an appointed advisory board of 12 members (including one alternate) with the mission “To promote, preserve and protect Alachua County’s historic resources.” The group meets on the 2nd Monday of most months (except July and December) at 5:30pm at the Grace Knight Room. Hybrid meetings allowing virtual participation have continued.

Alachua County Historical Commission Minutes June 14, 2021

Meeting held virtually via Zoom.

Members Present

In Person: Karen Kirkman (Chair), Mike Hill, Nicole Nesberg, Mike O'Loughlin, Michelle Seitzmer, Gwen Thompson, Ashley Wood

Virtually via zoom: Charles Horn; Dan Weisman; Melanie Barr
Members Absent: Adrienne Denoylles, Jim Powell,

Others: Staff Liaison Kathleen Pagan (In-person/hosting the zoom meeting); Michelle Rutledge and Gerie Crawford (virtual)

Agenda approval. Motion to Approve (Wood, 2nd by Hill). Passed by vote unanimously
Minutes review: Motion to approve draft circulated via email. (Thompson, 2nd Wood). Passed unanimously.

Introductions. Members attending in-person gave brief self-introductions. Then it was reported via chat that the virtual participants could not hear. Staff apologizes for the tech error (connection on mute). Brief comments by virtual members.

Citizen Comment

Michelle Rutledge re: WPA Church Records/ errors on State website. She explained that it seems the historical (WPA) record may be correct but the website narrative shows churches as white when they are historic black/African American congregations. Chair Karen Kirkman stated she will work with FPAN staff Nigel Rudolph to ensure the State is aware of this error.

[Following the meeting this information was provided via email 6/17/2021 from Michelle Rutledge to ACHC Chair, FPAN staff and ACHC Staff Liaison—

As discussed, it appears some churches which should be listed as mainly African-American congregations are listed incorrectly in the description section of the Florida Memory website as having mainly white congregations. Please see examples below.

I would like to request the description section of the following churches listed below to be more accurately reflective of our rich and culturally diverse history in Alachua County.

And if possible, maybe the Historical Commission can consider verifying if all the church congregations in Alachua County on the Florida Memory website are accurately described?

Florida Memory examples

Churches in/near Archer, FL

- St James Baptist Church - https://www.floridamemory.com/items/show/246728 **Note:** Incorrect description states as a mainly White congregation.
- Pinesville Methodist Episcopal Church (present day Banks United Methodist Church) - https://www.floridamemory.com/items/show/246837 **Note**: Incorrect description states located in Gainesville, instead of Pinesville. Pinesville is located in rural Archer, approximately 3.5 miles NE of Archer.
- Bethlehem Methodist Episcopal Church - https://www.floridamemory.com/items/show/246761 **Note**: Incorrect description states as a mainly White congregation.
- Shiloh Baptist Church - https://www.floridamemory.com/items/show/246742 **Note:** Incorrect description states as a mainly White congregation.
- Mount Pisgah Methodist Episcopal Church - https://www.floridamemory.com/items/show/246816 **Note**: Incorrect description states as a mainly White congregation.

FYI, in Gainesville, FL

- Emanuel Missionary Baptist Church - https://www.floridamemory.com/items/show/246676 **Note:** Incorrect description states as a mainly White congregation.
- Friendship Baptist Church - https://www.floridamemory.com/items/show/246692?id=2 **Note:** Incorrect description states as a mainly White congregation
- Johnson Chapel Baptist Church - https://www.floridamemory.com/items/show/246697 **Note:** Incorrect description states as a mainly White congregation.
- Mount Carmel Baptist Church - https://www.floridamemory.com/items/show/246709 **Note:** Incorrect description states as a mainly White congregation.
- Mount Moriah Baptist Church - https://www.floridamemory.com/items/show/246710 **Note:** Incorrect description states as a mainly White congregation.
- Springhill Church - http://www.springhillmbc.org/about-us/ **Note:** Incorrect description states as a mainly White congregation.

Michelle also mentioned the event at the St. Peters Cemetery on Juneteenth (also noted in staff report on Agenda).

BoCC Motion on Florida Indians Historic Marker

Staff Kathleen Pagan reported that both she and Nicole Nesberg attended a recent Open House event at the Cuscowilla facility. She spoke with Lexie Green, County staff Manager of site, who said she is interested in possible museum in one of the original cabins. However this will not be discussed much until the end of the summer camp session. Nicole Nesberg stated she will continue work on the Florida Indian history for future exhibit. Mike Hill mentioned he heard the Boy Scout Cabin at Cuscowilla needs work (Staff communicated this concern to Assistant County Manager and Site Manager).

Kathleen also noted the Assistant County Manager Gina Peebles asked if anyone knows history of the Briar Creek Country Club, that someone mentioned was at the Cuscowilla property around 50 years ago. Several persons mention a subdivision by this name on the south rim of Paynes Prairie (on west side of US 441). Staff will check in County Ancient records for information. Charles Horn noted that his late father was in the real estate business and he spoke of a South Florida investor, a business associate (by name of Cablishco—verify spelling), who invested in the effort to establish a Country Club. However it was not successful.

Truth and Reconciliation

There is now information on the County website from the homepage or http://truth.alachuacounty.us/about.html (view with Chrome browser). Karen Kirkman reported on the June 12 event when the winning student essays were read, and announced two EJI markers will be dedicated in Gainesville in October. She also announced the June 26 event in Alachua for Soil Collection, and asked Dan Weisman (who serves on the Alachua Subcommittee of the Community Remembrance Project) if Gallows Pond would be the collection location. Dan stated another person will make this decision.

B. History of Former County Commissioners (since Mid- 20th Century)

Report from Melanie and Staff that letter was edited but decision was made to wait until early Autumn to send (in order that responses would not be impacted by summer schedules).

C. History Readings

Florida Indians Pt. 2 --Nicole Nesberg shared a draft for another reading on Florida Indians. Melanie commented on the length, so staff will check if 5 minutes would be considered too lengthy to present to BoCC. Nicole asked for any photos of the Potano Mission (for a future reading). Discussion included mention by Ashley Wood of expert Dr. Boyer at the University of W. Florida, who did archeology work of the village at the Richardson Field site near Evinston. He stated that the De Soto expedition (1539-1542) would have followed higher ground. Gwen Thompson mentioned the Spanish Mission at Ichetucknee that lasted about 50 years, and Melanie Barr mentioned an engraving from Calusa or Tebago cultures. Staff note: Staff had mistakenly mentioned a State Historic Marker on DeSoto in Bradenton, while in fact the site there is DeSoto National Memorial Park, managed by the National Park Service. Also, an online search using the term "De Soto" here creates 11 results-- http://apps.flheritage.com/markers/ .

D. State Historic Markers as needed

Gwen Thompson will work with the Pinesville community on the proposed State Historic Marker.

E. Historic Cemeteries

Abandoned African American Cemeteries State bill signed by Governor (Chair will update)

Karen Kirkman provided brief information about the legislation that will create ten (10) person Task Force, to be chaired by the Florida Secretary of State. She noted a report will be compiled including a review of a previous (1998) task force recommendations. Here is a link to the enrolled text of Florida HB 37-

https://www.myfloridahouse.gov/Sections/Documents/loaddoc.aspx?FileName=_h0037er.docx&DocumentType=Bill&BillNumber=0037&Session=2021

Karen mentioned there are 5 known African American Cemeteries still requiring documentation, since she and Nigel Rudolph of the Florida Public Archeology Network (FPAN) have begun the work of adding sites to the Florida Master Site File (FMSF). There was some discussion of the difficulties of knowing what sites are in fact abandoned, with the fast growth of vegetation in our area. Karen also noted that transition planning for maintenance is an issue with family cemetery sites, and that churches typically have better maintenance over time. Karen expressed she thinks there should be a category termed "At risk." Gwen asked about the Patterson Community Cemetery, and Karen noted that archeologists dug trenches on the site, with two organizations vying for control.

Announcements of two cemetery clean-up events during June. Saturday, June 19th at 8:30 am- St. Peter Missionary Baptist Church cemetery, 17026 SW 83rd Ave, Archer, FL 32618; Saturday, June 26 at 9:00AM at BME Cemetery – 14309 SW 175TH Terrace, Archer, FL 32618.

Staff Report

Staff Kathleen Pagan noted a website for New Deal History www.livingnewdeal.org (and stated the organization also holds educational events via the Facebook page)

Member Briefing Points

Melanie Barr mentioned she heard from a community member that UF Historic Preservation Director Marty Hylton will be leaving UF. Mike Hill noted he heard that he is going to National Park Service. [Staff confirmed with the Professor that he will be the first Historic Architect at NPS] Group asked staff to bring a card for their signatures in August.

Meeting adjourned at 6:31 pm. [Gwen shared with staff following the meeting the website www.CentreFurnace.org as good example for historic efforts. She recently visited the area for family genealogy research].

Agenda Item Summary

Agenda Date: 9/14/2021 Agenda Item No.: 39.

Agenda Item Name:
"FOR INFORMATION ONLY" for inclusion into the Board's minutes, approved Emergency Certification Form and Chair signed Change Order #1, to Purchase Order 2021-1907, to Eola Power, LLC., in the amount of **$18,600.00**, revised Purchase Order Total is **$110,500.00**, for the emergency replacement of the Uninterrupted Power Supply Unit (UPS) equipment at the Alachua County Jail for Public Works, Critical Facilities.

Presenter:
Ramon D, Gavarrete, 352.548.1214/Larry Sapp, Procurement Manager

Description:
Eola Power, LLC., Emergency Change Order 1 to Purchase Order 2021-1907

Recommended Action:
Accept this report of the emergency purchase and include the signed Emergency Certification Form and a copy of the emergency change order 1 to the purchase order in the Board's minutes. The revised Purchase Order Total is $110,500.00.

Prior Board Motions:
August 10, 2021, Board accepted Emergency Purchase Order 21-1907, in the amount of $91,900.00. Agenda File ID 21-0659.

Fiscal Consideration:
Sufficient budget exists in account 001.19.1912.529.46.00

Background:
Staff received quotes for UPS #2 and UPS #3 to have the capacitors, and fans replaced as they are the same age as the UPS #1 (that went to the Board on 8/10/21) and the cause of the fire.

It is the recommendation of Public Works to add $18,600.00 to PO 21-1907 for the cost of the capacitors and fans for UPS #2 and UPS #3. Total revised purchase order amount is $110,500.00. The original purchase order was $91,900.00 to EOLA Power. $69,500.00 is the cost of the replacement UPS unit turnkey and $22,400.00 is the cost of the temporary UPS equipment rental.

Original Purchase Order:	$ 91,900.00
Change Order 1:	$ 18,600.00
Revised Purchase Order Total:	**$110,500.00**

The (ACSO) Jail had an Uninterrupted Power Supply Unit (UPS) catch on fire Friday night June 25th.

Public Works Critical Facilities contacted EOLA Power Company for emergency service Friday night. EOLA came to the Jail and assessed the damage. UPS #1 needs to have the capacitors, fans, and fan board replaced. Critical Facilities staff is working with EOLA to schedule this needed repair.

Parts arrived on 6/30/21 and EOLA staff was on site to replace the needed UPS equipment. As EOLA staff disassembled UPS #1 they encountered more damage than expected. The unit was damaged beyond repairs, it was recommended to replace UPS #1. Critical Facilities received a revised proposal to have UPS #1 replaced with a 75 KVA unit this replacement is turnkey. The current lead time on this unit is 8 weeks.

To mitigate any UPS issues at the County Jail Critical Facilities staff received a proposal to have a portable unit brought to the site as a temporary replacement. This proposal is to rent the UPS equipment for 9 weeks as we await the delivery and installation of the new replacement UPS.

This emergency purchase is exempt from the County's competitive bidding requirements pursuant to Section 22.3-302(16) of the Alachua County Procurement Code. Pursuant to section 22.2-203(3) of the procurement code, bid awards, purchase orders or change orders that exceed $50,000 shall be placed before the Board of County Commissioners for approval. The Emergency Procurement Procedure states that purchases over $50,000 shall be presented to the Board of County Commissioners on a “For Information Only” basis, at the next scheduled meeting immediately following the purchase.

Billing Instructions to Vendor:
1. ALL PRODUCTS ARE TO BE SHIPPED F.O.B. GAINESVILLE, INSIDE DELIVERY, UNLESS OTHERWISE NOTED. 2. THIS PURCHASE ORDER IS SUBJECT TO AND GOVERNED BY ALL TERMS AND CONDITIONS ON THE REVERSE HEREOF. 3. FLORIDA SALES TAX EXEMPTION NO. 85-8013937423C-8

3782

TERMS AND CONDITIONS

1. INSPECTION: Alachua County, its officers, employees, or other agents (collectively, Buyer) shall have the right to inspect all materials or services delivered from the Vendor, its officers, employees, subcontractors, or other agents (collectively, Seller) in accordance with this purchase order (order). Buyer shall have the right to reject materials or services and to require correction of materials or services delivered that do not pass inspection by Buyer. At Buyer's option and at Seller's risk and expense, Buyer may return materials or services that are rejected or that require correction, or Buyer may hold such materials or services to wait for Seller's instruction. Buyer's payment to Seller for any materials or services prior to inspection shall not constitute Buyer's acceptance.

2. ACCEPTANCE: Buyer's acceptance is limited to the provisions in this order, including these terms and conditions or other provisions incorporated by reference. Seller's delivery of materials or services, without having received Buyer's express written modification of this order, shall constitute Seller's acceptance of this order and all the terms and conditions herein. Seller's delivery of materials or services shall constitute waiver of any communication made by Seller that is in conflict with the terms and conditions herein. Buyer's silence or acceptance of any materials or services delivered shall not constitute Buyer's acceptance of any communication made by Seller to Buyer which are different from or in addition to the provisions in this order, including these terms and conditions.

3. DELIVERY: Seller shall plainly mark delivered materials or services with Buyer's name and "Ship To" address, Seller's name and address, and purchase order number located on the front of this order. Seller shall deliver the materials or services F.O.B. to the "Ship To" address on this order unless Buyer states otherwise orally or in writing. Seller shall not delay delivery of materials or services. Seller shall notify Buyer at once of any anticipated delay in delivery. An anticipated delay in delivery extends beyond an agreed to delivery date between the Buyer and Seller either orally or in writing or beyond the usual timing of delivery which Seller has performed in the past and which Buyer has traditionally accepted as sufficient timing of delivery. Upon notification of anticipated delay in delivery by Seller, Buyer may authorize orally or in writing an extension in delivery or may terminate the order in accordance with paragraph 11 Infra. Seller shall pay for any excessive or unusual costs caused by Seller's delay or inability to deliver in accordance with the terms of this order, including these terms and conditions.

4. COMPLIANCE WITH LAWS AND REGULATIONS: Seller shall comply with all federal, state and local laws, regulations, and ordinances applicable to the production, sale and delivery of the goods or the furnishing of any labor or services to Buyer under this order. Any provisions required by federal, state, or local law, regulation or ordinance shall be incorporated herein by reference. In accordance with Chapter 442, Florida Statutes, Seller shall furnish Buyer with a current material safety data sheet (MSDS) on or before delivery of each and every toxic substance.

5. INSURANCE: Seller shall maintain insurance acceptable to Buyer in full force and in effect throughout the term of this order.

6. WARRANTY: In addition to any warranty implied by law or fact, and any other express warranties, Seller expressly warrants all items to be free from defects in design, workmanship and materials or services. Seller expressly warrants to conform strictly to applicable specifications, drawings, approved samples, if any; and to be fit and sufficient for the purpose intended and to be merchantable. Such warranties, together with all other service warranties of Seller, shall run to Buyer. All warranties shall survive inspection and payment by Buyer.

7. WARRANTY - PRICE: Seller warrants that Buyer shall not be billed at prices higher than stated on this order unless authorized by Buyer in writing. Seller represents that the prices charged for the goods and services covered by this order are the lowest price charged by the Seller to members of a class similar to Buyer under conditions similar to those specified in this order. Seller represents that the prices in this order comply with the applicable law in effect at the time of quotation, sale or delivery. Seller shall apply to this order any price reduction applicable to materials or services ordered subsequent to the placement of this order.

8. INDEMNIFICATION: Seller (excluding the State of Florida or its agencies) shall indemnify, defend and hold harmless Buyer against all consequences of this order, including but not limited to liability, claims, damages, fines, fees, expenses, penalties, suits, proceedings, causes of action and costs, including attorney's fees for trial and on appeal, of any kind and nature arising out of or in any way connected with the performance of this order whether by act or omission of the Seller, its officers, agents, employees or others. Seller shall pay all royalties and assume all costs arising from the use of any invention design, process, materials or services, equipment, product, or other device which is the subject of patent rights or copyrights. Seller shall, at its own expense, hold harmless and defend Buyer against any claim, suit, or proceeding brought against Buyer which is based upon a claim, whether rightful or otherwise, that the goods or services, or any part thereof, furnished under this purchase order, constitute an infringement of any patent or copyright of the United states. Seller shall pay all damages and costs awarded against Buyer.

9. ADDITIONAL RIGHTS OF PURCHASER: Buyer retains all rights, including copyright and trademark rights, for any custom art, writing or design produced as a direct result of performance under this purchase order. Seller owns all materials or services created or conveyed as a direct result of this purchase order upon completion, unless specifically agreed to prior to acceptance including, but not limited to, any custom art, design, or writing produced, or any custom die, mold, photomechanical or digital masters or other such item used in the performance of this order.

10. MISCELLANEOUS: This order constitutes the entire agreement and supersedes all prior written or oral agreements, understandings, or representations. Any and all special conditions attached hereto which vary from these general terms and conditions shall have precedence. Neither Seller nor Buyer may assign any portion of this agreement without prior consent of the other. Seller warrants that all subcontractors, involved in the performance of duties for this order, will comply with the terms herein. Seller shall retain all records relating to this agreement for three years after final payment and make them available to Buyer. This agreement does not create any relationship with, or any rights in favor of, any third party. Seller is acting in the capacity of an independent contractor and not as an agent, employee, partner, joint venturer, or associate of Buyer. If any provision of this agreement is declared void by a court of law, all other provisions will remain in full force and effect. The failure of any party to exercise any right in this agreement shall not be considered a waiver of such right. This agreement is governed in accordance with the laws of the State of Florida. Venue shall be in Alachua County.

11. TERMINATION: Buyer may terminate this order for convenience at any time and for any reason. If Buyer terminates this order for convenience, Buyer shall pay to Seller an amount sufficient to cover costs incurred by Seller and arising from this order on or before the date of signing this order until on or before the date of termination by Buyer. Buyer may terminate this order at any time if Seller breaches this order, including the terms and conditions, without payment to Seller for any costs. If Buyer terminates this order for breach by Seller, Seller shall be liable to Buyer for excess costs incurred in connection with Seller's breach. If Buyer terminates this order either for convenience or because Seller has breached this order, Buyer may procure similar materials or services elsewhere.

12. PAYMENT: A copy of Alachua County's Prompt Payment Procedures can be obtained at our website, http://www.alachuacounty.us/Depts/AdminServ/Documents/purchasing/promtpayment.pdf or by calling (352) 374-5205.

13. ASSIGNMENT OF INTEREST: The vendor and county recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by the county. Therefore, the vendor herby assigns to the county any and all claims for such overcharges as to goods, materials or services purchased in connection with the agreement. However, for all other assignments, neither party will assign, convey, pledge, sublet, transfer or otherwise dispose any interest in this agreement and shall not transfer any interest in same without prior written consent of the other party.

Emergency Circumstances (Type In Your information for Printing): The (ACSO) Jail had a Uninterrupted Power Supply Unit (UPS) catch on fire Friday night June 25th. Public Works Critical Facilities contacted EOLA Power Company for emergency service Friday night. EOLA came to the Jail and assessed the damage. UPS #1 needs to have the capacitors, fans, and fan board replaced. Critical Facilities staff is working with EOLA to schedule this needed repair.

Parts arrived on 6/30/21 and EOLA staff was on site to replace the needed UPS equipment. As EOLA staff disassembled UPS #1 they encountered more damage than expected. The unit was damaged beyond repairs, it was recommended to replace UPS #1. Critical Facilities received a revised proposal to have UPS #1 replaced with a 75 KVA unit this replacement is turnkey. The current lead time on this unit is 8 weeks.

To mitigate any UPS issues at the County Jail Critical Facilities staff received a proposal to have a portable unit brought to the site as a temporary replacement. This proposal is to rent the UPS equipment for 9 weeks as we await the delivery and installation of the new replacement UPS.
**Staff received quotes for UPS #2 and UPS #3 to have the capacitors, and fans replaced as they are the same age as UPS #1 and the cause of the fire.

Recommended Action (Type In Your information and Print): It is my recommendation to encumber a purchase order in the amount of $91,900.00 to EOLA Power. $69,500.00 is the cost of the replacement UPS unit turnkey and $22,400.00 is the cost of the temporary UPS equipment rental.
**Adding $18,600.00 for the cost of the capacitors and fans for UPS #2 and UPS #3.
Total revised purchase order amount $110,500.

Billing Instructions to Vendor:
1. ALL PRODUCTS ARE TO BE SHIPPED F.O.B. GAINESVILLE, INSIDE DELIVERY, UNLESS OTHERWISE NOTED. 2. THIS PURCHASE ORDER IS SUBJECT TO AND GOVERNED BY ALL TERMS AND CONDITIONS ON THE REVERSE HEREOF. 3. FLORIDA SALES TAX EXEMPTION NO. 85-8013937423C-8

TERMS AND CONDITIONS

1. INSPECTION: Alachua County, its officers, employees, or other agents (collectively, Buyer) shall have the right to inspect all materials or services delivered from the Vendor, its officers, employees, subcontractors, or other agents (collectively, Seller) in accordance with this purchase order (order). Buyer shall have the right to reject materials or services and to require correction of materials or services delivered that do not pass inspection by Buyer. At Buyer's option and at Seller's risk and expense, Buyer may return materials or services that are rejected or that require correction, or Buyer may hold such materials or services to wait for Seller's instruction. Buyer's payment to Seller for any materials or services prior to inspection shall not constitute Buyer's acceptance.

2. ACCEPTANCE: Buyer's acceptance is limited to the provisions in this order, including these terms and conditions or other provisions incorporated by reference. Seller's delivery of materials or services, without having received Buyer's express written modification of this order, shall constitute Seller's acceptance of this order and all the terms and conditions herein. Seller's delivery of materials or services shall constitute waiver of any communication made by Seller that is in conflict with the terms and conditions herein. Buyer's silence or acceptance of any materials or services delivered shall not constitute Buyer's acceptance of any communication made by Seller to Buyer which are different from or in addition to the provisions in this order, including these terms and conditions.

3. DELIVERY: Seller shall plainly mark delivered materials or services with Buyer's name and "Ship To" address, Seller's name and address, and purchase order number located on the front of this order. Seller shall deliver the materials or services F.O.B. to the "Ship To" address on this order unless Buyer states otherwise orally or in writing. Seller shall not delay delivery of materials or services. Seller shall notify Buyer at once of any anticipated delay in delivery. An anticipated delay in delivery extends beyond an agreed to delivery date between the Buyer and Seller either orally or in writing or beyond the usual timing of delivery which Seller has performed in the past and which Buyer has traditionally accepted as sufficient timing of delivery. Upon notification of anticipated delay in delivery by Seller, Buyer may authorize orally or in writing an extension in delivery or may terminate the order in accordance with paragraph 11 Infra. Seller shall pay for any excessive or unusual costs caused by Seller's delay or inability to deliver in accordance with the terms of this order, including these terms and conditions.

4. COMPLIANCE WITH LAWS AND REGULATIONS: Seller shall comply with all federal, state and local laws, regulations, and ordinances applicable to the production, sale and delivery of the goods or the furnishing of any labor or services to Buyer under this order. Any provisions required by federal, state, or local law, regulation or ordinance shall be incorporated herein by reference. In accordance with Chapter 442, Florida Statutes, Seller shall furnish Buyer with a current material safety data sheet (MSDS) on or before delivery of each and every toxic substance.

5. INSURANCE: Seller shall maintain insurance acceptable to Buyer in full force and in effect throughout the term of this order.

6. WARRANTY: In addition to any warranty implied by law or fact, and any other express warranties, Seller expressly warrants all items to be free from defects in design, workmanship and materials or services. Seller expressly warrants to conform strictly to applicable specifications, drawings, approved samples, if any; and to be fit and sufficient for the purpose intended and to be merchantable. Such warranties, together with all other service warranties of Seller, shall run to Buyer. All warranties shall survive inspection and payment by Buyer.

7. WARRANTY - PRICE: Seller warrants that Buyer shall not be billed at prices higher than stated on this order unless authorized by Buyer in writing. Seller represents that the prices charged for the goods and services covered by this order are the lowest price charged by the Seller to members of a class similar to Buyer under conditions similar to those specified in this order. Seller represents that the prices in this order comply with the applicable law in effect at the time of quotation, sale or delivery. Seller shall apply to this order any price reduction applicable to materials or services ordered subsequent to the placement of this order.

8. INDEMNIFICATION: Seller (excluding the State of Florida or its agencies) shall indemnify, defend and hold harmless Buyer against all consequences of this order, including but not limited to liability, claims, damages, fines, fees, expenses, penalties, suits, proceedings, causes of action and costs, including attorney's fees for trial and on appeal, of any kind and nature arising out of or in any way connected with the performance of this order whether by act or omission of the Seller, its officers, agents, employees or others. Seller shall pay all royalties and assume all costs arising from the use of any invention design, process, materials or services, equipment, product, or other device which is the subject of patent rights or copyrights. Seller shall, at its own expense, hold harmless and defend Buyer against any claim, suit, or proceeding brought against Buyer which is based upon a claim, whether rightful or otherwise, that the goods or services, or any part thereof, furnished under this purchase order, constitute an infringement of any patent or copyright of the United states. Seller shall pay all damages and costs awarded against Buyer.

9. ADDITIONAL RIGHTS OF PURCHASER: Buyer retains all rights, including copyright and trademark rights, for any custom art, writing or design produced as a direct result of performance under this purchase order. Seller owns all materials or services created or conveyed as a direct result of this purchase order upon completion, unless specifically agreed to prior to acceptance including, but not limited to, any custom art, design, or writing produced, or any custom die, mold, photomechanical or digital masters or other such item used in the performance of this order.

10. MISCELLANEOUS: This order constitutes the entire agreement and supersedes all prior written or oral agreements, understandings, or representations. Any and all special conditions attached hereto which vary from these general terms and conditions shall have precedence. Neither Seller nor Buyer may assign any portion of this agreement without prior consent of the other. Seller warrants that all subcontractors, involved in the performance of duties for this order, will comply with the terms herein. Seller shall retain all records relating to this agreement for three years after final payment and make them available to Buyer. This agreement does not create any relationship with, or any rights in favor of, any third party. Seller is acting in the capacity of an independent contractor and not as an agent, employee, partner, joint venturer, or associate of Buyer. If any provision of this agreement is declared void by a court of law, all other provisions will remain in full force and effect. The failure of any party to exercise any right in this agreement shall not be considered a waiver of such right. This agreement is governed in accordance with the laws of the State of Florida. Venue shall be in Alachua County.

11. TERMINATION: Buyer may terminate this order for convenience at any time and for any reason. If Buyer terminates this order for convenience, Buyer shall pay to Seller an amount sufficient to cover costs incurred by Seller and arising from this order on or before the date of signing this order until on or before the date of termination by Buyer. Buyer may terminate this order at any time if Seller breaches this order, including the terms and conditions, without payment to Seller for any costs. If Buyer terminates this order for breach by Seller, Seller shall be liable to Buyer for excess costs incurred in connection with Seller's breach. If Buyer terminates this order either for convenience or because Seller has breached this order, Buyer may procure similar materials or services elsewhere.

12. PAYMENT: A copy of Alachua County's Prompt Payment Procedures can be obtained at our website, http://www.alachuacounty.us/Depts/AdminServ/Documents/purchasing/promtpayment.pdf or by calling (352) 374-5205.

13. ASSIGNMENT OF INTEREST: The vendor and county recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by the county. Therefore, the vendor herby assigns to the county any and all claims for such overcharges as to goods, materials or services purchased in connection with the agreement. However, for all other assignments, neither party will assign, convey, pledge, sublet, transfer or otherwise dispose any interest in this agreement and shall not transfer any interest in same without prior written consent of the other party.

Authorized Department Signature: Ramon Gavarrete (Jul 29, 2021 14:47 EDT) Type Name: Ramon D. Gavarrete P.E

Emergency Circumstances (Type In Your information for Printing): The (ACSO) Jail had a Uninterrupted Power Supply Unit (UPS) catch on fire Friday night June 25th. Public Works Critical Facilities contacted EOLA Power Company for emergency service Friday night. EOLA came to the Jail and assessed the damage. UPS #1 needs to have the capacitors, fans, and fan board replaced. Critical Facilities staff is working with EOLA to schedule this needed repair.

Parts arrived on 6/30/21 and EOLA staff was on site to replace the needed UPS equipment. As EOLA staff disassembled UPS #1 they encountered more damage than expected. The unit was damaged beyond repairs, it was recommended to replace UPS #1. Critical Facilities received a revised proposal to have UPS #1 replaced with a 75 KVA unit this replacement is turnkey. The current lead time on this unit is 8 weeks.

To mitigate any UPS issues at the County Jail Critical Facilities staff received a proposal to have a portable unit brought to the site as a temporary replacement. This proposal is to rent the UPS equipment for 9 weeks as we await the delivery and installation of the new replacement UPS.
**Staff received quotes for UPS #2 and UPS #3 to have the capacitors, and fans replaced as they are the same age as UPS #1 and the cause of the fire.

Recommended Action (Type In Your information and Print): It is my recommendation to encumber a purchase order in the amount of $91,900.00 to EOLA Power. $69,500.00 is the cost of the replacement UPS unit turnkey and $22,400.00 is the cost of the temporary UPS equipment rental.
**Adding $18,600.00 for the cost of the capacitors and fans for UPS #2 and UPS #3.
Total revised purchase order amount $110,500.

1. ALL PRODUCTS ARE TO BE SHIPPED F.O.B. GAINESVILLE, INSIDE DELIVERY, UNLESS OTHERWSIE NOTED. 2. THIS PURCHASE ORDER IS SUBJECT TO AND GOVERNED BY ALL TERMS AND CONDITIONS ON THE REVERSE HEREOF. 3. FLORIDA SALES TAX EXEMPTION NO. 85-8013937423C-9

3805

TERMS AND CONDITIONS

1. INSPECTION: Alachua County, its officers, employees, or other agents (collectively, Buyer) shall have the right to inspect all materials or services delivered from the Vendor, its officers, employees, subcontractors, or other agents (collectively, Seller) in accordance with this purchase order (order). Buyer shall have the right to reject materials or services and to require correction of materials or services delivered that do not pass inspection by Buyer. At Buyer's option and at Seller's risk and expense, Buyer may return materials or services that are rejected or that require correction, or Buyer may hold such materials or services to wait for Seller's instruction. Buyer's payment to Seller for any materials or services prior to inspection shall not constitute Buyer's acceptance.

2. ACCEPTANCE: Buyer's acceptance is limited to the provisions in this order, including these terms and conditions or other provisions incorporated by reference. Seller's delivery of materials or services, without having received Buyer's express written modification of this order, shall constitute Seller's acceptance of this order and all the terms and conditions herein. Seller's delivery of materials or services shall constitute waiver of any communication made by Seller that is in conflict with the terms and conditions herein. Buyer's silence or acceptance of any materials or services delivered shall not constitute Buyer's acceptance of any communication made by Seller to Buyer which are different from or in addition to the provisions in this order, including these terms and conditions.

3. DELIVERY: Seller shall plainly mark delivered materials or services with Buyer's name and "Ship To" address, Seller's name and address, and purchase order number located on the front of this order. Seller shall deliver the materials or services F.O.B. to the "Ship To" address on this order unless Buyer states otherwise orally or in writing. Seller shall not delay delivery of materials or services. Seller shall notify Buyer at once of any anticipated delay in delivery. An anticipated delay in delivery extends beyond an agreed to delivery date between the Buyer and Seller either orally or in writing or beyond the usual timing of delivery which Seller has performed in the past and which Buyer has traditionally accepted as sufficient timing of delivery. Upon notification of anticipated delay in delivery by Seller, Buyer may authorize orally or in writing an extension in delivery or may terminate the order in accordance with paragraph 11 infra. Seller shall pay for any excessive or unusual costs caused by Seller's delay or inability to deliver in accordance with the terms of this order, including these terms and conditions.

4. COMPLIANCE WITH LAWS AND REGULATIONS: Seller shall comply with all federal, state and local laws, regulations, and ordinances applicable to the production, sale and delivery of the goods or the furnishing of any labor or services to Buyer under this order. Any provisions required by federal, state, or local law, regulation or ordinance shall be incorporated herein by reference. In accordance with Chapter 442, Florida Statutes, Seller shall furnish Buyer with a current material safety data sheet (MSDS) on or before delivery of each and every toxic substance.

5. INSURANCE: Seller shall maintain insurance acceptable to Buyer in full force and in effect throughout the term of this order.

6. WARRANTY: In addition to any warranty implied by law or fact, and any other express warranties, Seller expressly warrants all items to be free from defects in design, workmanship and materials or services. Seller expressly warrants to conform strictly to applicable specifications, drawings, approved samples, if any; and to be fit and sufficient for the purpose intended and to be merchantable. Such warranties, together with all other service warranties of Seller, shall run to Buyer. All warranties shall survive inspection and payment by Buyer.

7. WARRANTY - PRICE: Seller warrants that Buyer shall not be billed at prices higher than stated on this order unless authorized by Buyer in writing. Seller represents that the prices charged for the goods and services covered by this order are the lowest price charged by the Seller to members of a class similar to Buyer under conditions similar to those specified in this order. Seller represents that the prices in this order comply with the applicable law in effect at the time of quotation, sale or delivery. Seller shall apply to this order any price reduction applicable to materials or services ordered subsequent to the placement of this order.

8. INDEMNIFICATION: Seller (excluding the State of Florida or its agencies) shall indemnify, defend and hold harmless Buyer against all consequences of this order, including but not limited to liability, claims, damages, fines, fees, expenses, penalties, suits, proceedings, causes of action and costs, including attorney's fees for trial and on appeal, of any kind and nature arising out of or in any way connected with the performance of this order whether by act or omission of the Seller, its officers, agents, employees or others. Seller shall pay all royalties and assume all costs arising from the use of any invention design, process, materials or services, equipment, product, or other device which is the subject of patent rights or copyrights. Seller shall, at its own expense, hold harmless and defend Buyer against any claim, suit, or proceeding brought against Buyer which is based upon a claim, whether rightful or otherwise, that the goods or services, or any part thereof, furnished under this purchase order, constitute an infringement of any patent or copyright of the United states. Seller shall pay all damages and costs awarded against Buyer.

9. ADDITIONAL RIGHTS OF PURCHASER: Buyer retains all rights, including copyright and trademark rights, for any custom art, writing or design produced as a direct result of performance under this purchase order. Seller owns all materials or services created or conveyed as a direct result of this purchase order upon completion, unless specifically agreed to prior to acceptance including, but not limited to, any custom art, design, or writing produced, or any custom die, mold, photomechanical or digital masters or other such item used in the performance of this order.

10. MISCELLANEOUS: This order constitutes the entire agreement and supercedes all prior written or oral agreements, understandings, or representations. Any and all special conditions attached hereto which vary from these general terms and conditions shall have precedence. Neither Seller nor Buyer may assign any portion of this agreement without prior consent of the other. Seller warrants that all subcontractors, involved in the performance of duties for this order, will comply with the terms herein. Seller shall retain all records relating to this agreement for three years after final payment and make them available to Buyer. This agreement does not create any relationship with, or any rights in favor of, any third party. Seller is acting in the capacity of an independent contractor and not as an agent, employee, partner, joint venturer, or associate of Buyer. If any provision of this agreement is declared void by a court of law, all other provisions will remain in full force and effect. The failure of any party to exercise any right in this agreement shall not be considered a waiver of such right. This agreement is governed in accordance with the laws of the State of Florida. Venue shall be in Alachua County.

11. TERMINATION: Buyer may terminate this order for convenience at any time and for any reason. If Buyer terminates this order for convenience, Buyer shall pay to Seller an amount sufficient to cover costs incurred by Seller and arising from this order on or before the date of signing this order until on or before the date of termination by Buyer. Buyer may terminate this order at any time if Seller breaches this order, including the terms and conditions, without payment to Seller for any costs. If Buyer terminates this order for breach by Seller, Seller shall be liable to Buyer for excess costs incurred in connection with Seller's breach. If Buyer terminates this order either for convenience or because Seller has breached this order, Buyer may procure similar materials or services elsewhere.

12. PAYMENT: A copy of Alachua County's Prompt Payment Procedures can be obtained at our website, http://www.alachuacounty.us/Depts/AdminSvcs/Documents/purchasing/promptpayment.pdf or by calling (352) 374-3605.

13. ASSIGNMENT OF INTEREST: The vendor and county recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by the county. Therefore, the vendor herby assigns to the county any and all claims for such overcharges as to goods, materials or services purchased in connection with the agreement. However, for all other assignments, neither party will assign, convey, pledge, sublet, transfer or otherwise dispose any interest in this agreement and shall not transfer any interest in same without prior written consent of the other party.

Emergency Certification Form

Date: July 1, 2021

Note:	Complete this form with all pertinent information (Purchasing Policy Manual, Section 3-3, Emergency Purchases). Submit this form, a requisition and all emergency backup to Procurement.

Emergency Circumstances (Type In Your information for Printing): The (ACSO) Jail had a Uninterrupted Power Supply Unit (UPS) catch on fire Friday night June 25th. Public Works Critical Facilities contacted EOLA Power Company for emergency service Friday night. EOLA came to the Jail and assessed the damage. UPS #1 needs to have the capacitors, fans, and fan board replaced. Critical Facilities staff is working with EOLA to schedule this needed repair.

Parts arrived on 6/30/21 and EOLA staff was on site to replace the needed UPS equipment. As EOLA staff disassembled UPS #1 they encountered more damage than expected. The unit was damaged beyond repairs, it was recommended to replace UPS #1. Critical Facilities received a revised proposal to have UPS #1 replaced with a 75 KVA unit this replacement is turnkey. The current lead time on this unit is 8 weeks.

To mitigate any UPS issues at the County Jail Critical Facilities staff received a proposal to have a portable unit brought to the site as a temporary replacement. This proposal is to rent the UPS equipment for 9 weeks as we await the delivery and installation of the new replacement UPS.

Recommended Action (Type In Your information and Print): It is my recommendation to encumber a purchase order in the amount of $91,900.00 to EOLA Power. $69,500.00 is the cost of the replacement UPS unit turnkey and $22,400.00 is the cost of the temporary UPS equipment rental.

Agenda Item Summary

Agenda Date: 9/14/2021 Agenda Item No.: 40.

Agenda Item Name:
Report: Contracts Approved by County Manager and Staff during the month of July 2021

Presenter:
Larry Sapp 352.374.5202

Description:
Report of contracts signed by the County Manager and staff during the month of July 2021, as authorized by guidelines adopted by the Board of County Commissioners. Copies of the agreements to be included in the Board's minutes.

Recommended Action:
Accept the report and include a copy of the documents in the minutes of the Board of County Commissioners.

Prior Board Motions:
N/A

Fiscal Consideration:
N/A

Background:
At their regular meeting on July 8, 2014 the Board of County Commissioners adopted Resolution 14-49 adopting guidelines for signature authority for contracts that could be signed by the County Manager and staff. The Guidelines provided that a copy of any such documents be included in the Board's minutes.

This report includes fully approved contracts and grants approved from July 1, 2021 through July 31, 2021.

Electronic copies of agreements are maintained by the grants/contract's, Procurement Division
