AWARD TERMS & CONDITIONS AND OTHER INSTRUCTIONS

General Conditions: The Department of Economic Opportunity has approved a grant award for your local workforce development board. These funds will be available for cash draws under the Subrecipient Enterprise Resource Application (SERA) Program Year and Program Title/Project in SERA described on page one of this notice. Expenditures utilizing these funds must be consistent with the Grantee/Subgrantee Agreement executed between the Board and the Department of Economic Opportunity (DEO) and in compliance with the Board's approved plan and all federal and state rules, regulations, policies and grant conditions applicable to the grant program described on page one. The indirect cost rate for this subaward, whether federal or non-federal, will be the federally recognized indirect cost rate negotiated between the Board and the federal government or, if no such rate exists, either a rate negotiated between DEO and the Board, or the de minimis rate, if optionally elected by the Board.

Special Grant Conditions: The purpose of this award is to provide support for staff engaged in rapid response activities as defined in [Code of Federal Regulations \(CFR\) 682.330](#) and [Administrative Policy 114 Rapid Response Program Administration](#), and establishing a local Rapid Response system in accordance with [Strategic Policy 2021.06.09.A.2](#).

Using the awarded funds, the Local Workforce Development Boards (LWDBs) are responsible for implementing a comprehensive, proactive Rapid Response system with an emphasis on layoff aversion activities that dedicate resources and efforts to the following:

- Strategic planning, business intelligence data gathering, and analysis designed to predict, prepare for, and mitigate layoff events.
- Strategies designed to maintain effective business engagement with companies of all sizes and industries within the community.
- Outreach and education regarding the provision of comprehensive, employer-based Layoff Aversion services to include Short-Time Compensation, federal emergency grant and loan programs, local and community assistance programs, and incumbent worker training to avert layoffs and facilitate connections to other support services.
- Establishing early warning systems to identify businesses that may be at risk of closing, so that immediate support may be provided to avoid layoffs. Establishing local points of contact within the early warning system network to communicate and be accountable for Rapid Response services.
- Defining quantitative outcomes sought including but not limited to return on investment, employees retained, or positions filled, business market penetration, and number of established partnerships.

Additionally, LWDBs must designate, at minimum, one (1) full-time Local Rapid Response Coordinator as the primary point of contact for Rapid Response. The Local Rapid Response Coordinator is responsible for:

1. Communicating with DEO and the State Rapid Response Coordinator;
2. Serving as lead contact for affected employers and dislocated workers;
3. Leading the LWDB's Rapid Response team; and

4. Ensuring Rapid Response activities are reported accurately and timely in Employ Florida.

The LWDBs shall designate a Business Development Representative (BDR) as their Local Rapid Response Coordinator or at a minimum, develop a local integration strategy that includes BDRs as early as possible in the process. Including the BDR at the earliest stage in the process is an effective strategy to foster talent transfer.

Locally driven layoff aversion strategies and activities are a required component of Rapid Response and a requirement of accepting this award. The LWDB shall determine which strategies and activities are applicable in each situation. See Administrative Policy No. 114 for the list of recommended layoff aversion strategies. No participant costs will be funded with this award.

Use of these funds must be compliant with all WIOA laws, rules, and regulations and must be consistent with the WIOA PY2021 Annual Funding Agreement (between USDOL and DEO). The WIOA PY2021 Annual Funding Agreement is located at:
