

CONTRACT ORDERING INSTRUCTIONS

The Florida Sheriffs Association Cooperative Purchasing Program welcomes you to utilize the Cooperative Purchasing Program at no cost to our purchasers. However, as a user of the program, we do request you to submit copies of all purchase orders when using the FSA CPP. Send your PO copies to COOP@flsheriffs.org

This document is designed to assist you through the purchasing process as outlined in Section 3.20 Order, of the Contract Terms and Conditions. Please familiarize yourself with the Contract Terms and Conditions sections that apply to “purchasers.” A link to this document is found on each contract page.

- 1) For a complete list of offerings, select the appropriate contract from the [Cooperative Purchasing Program](#) home page.

FSA CPP currently has 6 competitive contracts:

- | | |
|--|--|
| ✓ Pursuit, Administrative and other Vehicles | ✓ Fire Rescue Vehicles and Other Equipment |
| ✓ Heavy Trucks | ✓ Ambulances and Other Equipment |
| ✓ Heavy Equipment | ✓ Tires |

- 2) Under Products and Services Available, locate the product group for your purchase interest. Each group provides a drop-down list of all products by expanding the group bar by selecting the arrow to the left of the group name.
- 3) If options need to be added to the base product, locate the options that correspond with each awarded vendor for each product specification number. All options must be discounted, and proof of discounts can be requested from the vendor.
- 4) Once your product is located, contact the awarded vendor for your zone for a quote using the Vendor Directory located just under the CPP logo on each contract page. While it is recommended that an agency purchase from the zone which is closest to their location, it is not mandatory to do so. If the purchaser determines that a vendor in another zone can better serve the purchaser’s needs, the purchaser may order from a vendor in another zone. Vendors that provide vehicles or equipment outside of an awarded zone may upon mutual agreement between the vendor and the purchaser charge a delivery fee.
- 5) For vehicle purchases, be sure to include your manufacturer code on your purchase order and request that the vendor use your code to enable you to track your vehicles in production. Also, please include the FSA codes on your PO. The FIN/FAN/Certification Codes for the FSA are:

Manufacturer	Code Type	FSA Code	Contact
Ford	FIN	QE065	1-800-343-5338
Fiat Chrysler Automobiles	FAN	917872	1-800-999-3533
General Motors	FAN	49313	1-800-353-3867
Nissan	Certification	FSA	FleetDistribution@Nissan-usa.com
Toyota	FIN	GE159	1-800-732-2798

- 6) Delivery or due dates should be discussed with the vendor at the time the quote is provided to the purchaser, or if no quote is provided, prior to when the purchase order is delivered to the vendor. It is important to note that vendors do not have any control over production delays in schedules from the manufacturer.

CONTRACT ORDERING INSTRUCTIONS

- 7) A purchaser issues a purchase order to the vendor, that should include:
- Awarded vendor name and address per contract
 - The contract number and title
 - Specification number and vehicle description
 - Purchaser's federal identification number
 - Name, phone number and email address for the point of contact at the purchasing agency
- 8) **The purchaser should forward an executed copy of the purchase order to the FSA at the same time the purchase order is sent to the vendor. Emails are acceptable. Emails can be sent to coop@flsheriffs.org.**

We hope you enjoy your purchasing experience with our Florida Sheriffs Association Cooperative Purchasing Program and don't forget to send us a copy of your purchase order. We are available should you have questions.

Re: Contract Number FSA20-VEH18.0 Heavy Trucks

We are pleased to announce that the Florida Sheriffs Association has successfully completed its 18th cooperative competitive bid for heavy trucks. This contract is in effect beginning October 1, 2020 through September 30, 2022.

This year's bid award included 102 specifications and makes and models for heavy trucks.

The competitive process for this award began in April 2020, when stakeholders were surveyed regarding procurement needs. Specifications were developed based on prior year activity and new additions were added based on survey results and the Fleet Advisory Committee's review of products.

An advertisement of the Invitation to Bid was placed within the FSA website and Florida Administrative Weekly on April 22, 2020. On June 2, 2020, a direct notification was sent to 511 prospective bidders to register for qualification to participate in the bid process for heavy trucks and heavy equipment. From this ITB, 206 bidders responded to the pre-bid meeting registration or request for qualified waiver for FSA approval. Of these respondents, 40 submitted bids for heavy trucks and 33 qualified, responsive bidders were awarded after a review by the FSA and the FSA Fleet Advisory Committee.

The Florida Sheriffs Association Cooperative Purchasing Program has followed the Contract Terms and Conditions to procure this contract.

Contract prices are extended and guaranteed to any local government or political subdivision of the state, public educational institutions, other public agencies or authorities with the State of Florida, and other entities approved by the manufacturer to participate in this contract.

Out of state sales are permitted under this contract. All purchasers are bound by their local governing purchasing ordinances, rules and regulations. All awarded vendors are governed by their manufacturer agreements and the Contract Terms and Conditions.

Contract Terms and Conditions

1.02 PURPOSE

The Florida Sheriffs Association invites interested Bidders, including Motor Vehicle Manufacturers and Dealers/Certified Representatives to submit responses in accordance with these solicitation documents. The FSA Cooperative Purchasing Program will conduct the solicitation process and administer the resulting contract. The purpose of this bid is to establish contracts with manufacturers and manufacturer's authorized vendors for contract terms specified under Section 1.03 for the purchase of vehicles and equipment on a "no trade-in basis."

1.03 TERM OF CONTRACT

The term for Contracts FSA20-VEL28.0 Pursuit, Administrative and Other Vehicles and FSA20-VEH18.01 Heavy Vehicles shall remain in effect for two (2) years from date of contract execution by the FSA, and may be renewed by mutual agreement, at the sole option and discretion of the FSA, pursuant to the terms of Section 3.04. The initial term of these contracts begins October 1, 2020 and ends September 30, 2022.

The term for Contract FSA20-EQU18.0 Heavy Equipment shall remain in effect for three (3) years from date of contract execution by the FSA, and may be renewed by mutual agreement, at the sole option and discretion of the FSA, pursuant to the terms of Section 3.04. The initial term of this contract begins October 1, 2020 and ends September 30, 2023.

Contract extensions will only be executed when the FSA determines, based on then-existing conditions, that it is in the best interest of the FSA and the purchasers to do so.

1.04 ESTIMATED QUANTITIES

In FY 2018-19, eligible users purchased approximately 8,856 vehicles and equipment from this contract. These estimated figures are given as a guideline for bidders preparing bids.

Quantities provided do not guarantee or imply future contract sales. Neither the FSA nor any eligible user is obligated to place any order for a given amount subsequent to the award of this bid solicitation.

1.05 SHERIFF AS COUNTY CONSTITUTIONAL OFFICER

The Offices of the Sheriff in the State of Florida are constitutional offices of the State of Florida. Each has the authority either individually or collectively to execute contracts for all goods and services for the proper conduct of that office. Section 30.53, Florida Statutes, exempts the sheriffs' offices from the provisions of the Florida Statute that would otherwise require sealed and competitive bidding procedures.

It is our practice to give consideration to the prices offered, but the Office of the Sheriff is not required by law to accept the lowest priced proposal and may reject any or all of the proposals without recourse. Bidders are solely responsible for their own bid preparation costs and nothing in this solicitation in any way obligates the participating sheriffs' offices for any payment for any activity or costs incurred by any bidder in responding to this solicitation.

For such agencies, their performances and obligations to pay for products or services under any resulting contract, or purchase order, are contingent upon such an annual appropriation by the Legislature, individual agency or by the appropriating authority. Therefore, any contract or purchase order with such an agency shall automatically terminate without penalty or termination costs in the event of non-appropriation.

All transaction amounts, bids, quotes, provisions, payments or any part of this contract relating to currency are to be made in United States Dollar.

In the event of conflict, the conflict may be resolved in the following order of priority (highest to lowest):

1. Addenda to Contract Terms and Conditions, if issued
2. Contract Conditions

6. General Conditions

1.23 COMMUNICATIONS

Communications between a proposer, bidder, lobbyist or consultant and FSA are limited to matters of process or procedure and shall be made in writing to the contact persons identified in Section 1.01 of this procurement.

Bidders should not rely on representations, statements, or explanations other than those made in this Bid or in any written addendum to this Bid, and no oral representations, statements, or explanations shall be deemed to bind the FSA or eligible users.

Any questions or clarifications concerning the Invitation to Bid shall be submitted to FSA by e-mail to CPP@flsheriffs.org with the bid title and number referenced on all correspondence. Final questions must

be received by the date for Request for Clarification stated on the Bid Calendar. Questions and answers will be posted to the FSA Cooperative Purchasing Program website on the date indicated on the Bid Calendar.

Interpretation of the specifications or any solicitation documents will **not** be made to the bidder verbally, and if any verbal clarifications are provided they are without legal effect.

Questions received after the cone of silence date listed on the bid calendar will not be addressed. The FSA reserves the right to address technical questions.

The FSA shall issue a Formal Addendum if substantial changes which impact the submission of bids are required. Any such addenda shall be binding on the bidder and shall become a part of the solicitation document. In the event of conflict with the original specifications, addenda shall govern to the extent specified. Subsequent Addenda shall govern over prior Addenda only to the extent specified.

FSA will make every attempt to e-mail updates to registered bidders. However, posting to the FSA website or the bid system constitutes proper notice of addenda.

The bidder shall be required to acknowledge receipt of the Formal Addendum by signing in the space provided. Failure to acknowledge Addendum shall deem the bid non-responsive; provided, however, that pursuant to section 2.27, the FSA may waive this requirement in its best interest. The FSA will not be responsible for any explanation or interpretation made verbally or in writing except those made through the posting of a Formal Addendum.

The bid submission constitutes acknowledgment of addenda to the specifications. Bids that fail to account for the specification addenda shall be determined to be nonresponsive; however, that pursuant to section 2.27, the FSA may waive this requirement in its best interest.

After the start of the contract term, FSA will notify all vendors of any addenda and will require acknowledgement of the new terms and conditions. If the vendor does not agree to the new terms and conditions, the vendor's award can be removed or replaced by another vendor or qualified responsive bidder.

1.25 SIGNED BID CONSIDERED AN OFFER

The signed Bid shall be considered an offer on the part of the bidder, which offer shall be deemed accepted upon approval by the FSA and in case of default on the part of successful bidder, after such acceptance, the FSA may procure the items or services from other sources. The bid submission must be signed by an authorized representative.

An electronic signature may be used and shall have the same force and effect as a written signature.

1.26 ASSIGNMENT OF CONTRACT

No right or interest in this Contract may be assigned, transferred, conveyed, sublet or otherwise disposed of, without prior written consent of the FSA.

If the original vendor sells or transfers all assets or the entire portion of the assets used to perform this Contract, a successor-in-interest must perform all obligations under this Contract. FSA reserves the right to

reject the acquiring entity as vendor. A change of name agreement will not change the contractual obligations of the vendor.

1.27 TERMINATION OF PRODUCT LINE

If a vendor terminates a product line (manufacturer or brand), the vendor is required to notify the FSA within 10 business days of the decision not to retain the product line.

In the event a manufacturer reassigns the product line to an alternate vendor, the manufacturer and the vendor are required to immediately notify the FSA in writing of the change within 10 business days confirming the reassignment. If the vendor is not already an approved FSA vendor, the vendor is required to apply to the FSA to become an approved vendor *prior to* conducting any qualified sales. The vendor and the manufacturer are required to honor the contract pricing and all of the applicable terms and conditions throughout the remaining term of the contract.

1.28 METHOD OF AWARD

The award is made to responsive and responsible bidders. FSA uses its discretion in determining if bids meet the requirements of this solicitation.

The FSA reserves the right to make multiple awards within a specification, if deemed in the best interest of the FSA and the purchasers.

Awards will be posted on the FSA website according to the date posted in the bid calendar.

1.29 DEMONSTRATION OF COMPETENCY

Bidders must be able to demonstrate a good record of performance for a reasonable period of time, and have sufficient financial support, equipment and organization to ensure they can satisfactorily execute the services if awarded a contract under the terms and conditions herein stated.

The terms "equipment" and "organization" as used herein shall be construed to mean a fully equipped and well established company in line with the best business practices in the industry and as determined by the FSA.

The FSA may consider any evidence available regarding the financial, technical and other qualifications and abilities of a Bidder, including past performance with the FSA in making the award.

The FSA may require bidders to show proof that they have been designated as authorized representatives of a manufacturer or supplier which is the actual source of supply. In these instances, the FSA may also require information from the source of supply regarding the quality, packaging and characteristics of the products. Any conflicts between this material information provided by the source of supply and the information contained in the bid submission may render the bid nonresponsive.

Pre-award inspection of the Bidder's facility may be made prior to the award of contract. Bids will only be considered from firms which are regularly engaged in the business of providing the goods or services as described in this Bid.

Information submitted in the bid may not be plagiarized and, except in the case of materials quoted from this solicitation or developed by the manufacturer, must be the original work of the individual or company that submits the bid for evaluation.

1.30 VENDOR ABILITY TO PERFORM

During the contract period, FSA may review the vendor's record of performance to ensure that the vendor is providing sufficient financial support, equipment and organization.

If the FSA determines that the vendor no longer possesses the financial support, equipment and organization in order to comply with this section, FSA has the authority to immediately terminate the contract awarded.

By responding to this procurement the vendor warrants that, to the best of his or her knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would in any way prohibit, restrain, or diminish the vendor's ability to satisfy the obligations of the Contract. The vendor warrants that neither it nor any affiliate is currently on the convicted vendor list maintained pursuant to section 287.133 of the Florida Statutes, or on any similar list maintained by any other state or the federal government. The vendor shall immediately notify the FSA and purchaser in writing if its ability to perform is compromised in any manner during the term of the contract.

1.31 FINANCIAL RESPONSIBILITY

Bidder affirms by the signature on the contract signature page that the bidder:

- Has fully read and understands the scope, nature, and quality of work to be performed or the services to be rendered under this bid, and has the adequate facilities and personnel to fulfill such requirements;
- Accepts the financial responsibility associated with this bid, and declares that he or she has the access to capital (in the form of liquidity or credit lines) in order to meet the financial demands of such award; and
- Has assessed the financial responsibility required to serve the contract as bid, including such details as the obligations to perform all specifications bid, zones bid, and quantities that could be ordered, as well as timing of payment from purchasers, which can be 45 calendar days from receipt of invoice.

1.32 QUALITY AND SAFETY

All materials used for the manufacture or construction of any supplies, materials or equipment covered by this bid shall be new. The items bid must be new, the latest model, of the best quality, and highest grade workmanship that meet or exceed federal safety standards.

Products requiring certification should require certification of options in cases where non-certified options could result in the decertification of the original product or warranty. In all cases where options are not certified, the Vendor must disclose to the end user that the non-certified options are not required to be certified. All options must meet or exceed federal safety standards.

1.33 NONCONFORMANCE

Items may be tested for compliance with specifications. Items delivered that do not conform to specifications may be rejected and returned at the vendor's expense. Items not meeting the specifications and items not delivered within a reasonable period of time after expected delivery date may be purchased outside of the FSA contract.

Any violation of these stipulations may also result in:

- Vendor's name being removed from the awarded vendor list.
- FSA and purchasers being advised not to do business with vendor.

1.34 GRATUITIES

Proposers shall not offer any gratuities, favors, or anything of monetary value to any official, employee, or agent of the FSA, for the purpose of influencing consideration of this bid.

1.35 TIE BIDS

FSA has the right to award multiple bidders the primary or alternate award in the event of a tie.

In the event the FSA desires to break tie bids, and both businesses have qualifying drug-free work programs, the award will be made using the following criteria:

- Bidder Within the State of Florida
- Vendors performance record with purchasers
- Coin Toss

1.36 RIGHT TO AUDIT

Vendor shall establish and maintain a reasonable accounting system that enables FSA to readily identify Vendor's sales.

FSA and its authorized representatives shall have the right to audit and to make copies of all related records pertaining to this contract, including all government sales and eligible users information whether kept by or under the control of the vendor, including, but not limited to those kept by its employees, agents, assigns, successors, sub-vendors, or third party suppliers in whatever form they may be kept – written or electronic. Such records shall include, but not be limited to:

- Accounting records, including paid vouchers, cancelled checks, deposit slips, ledgers, and bank statements;
- Written policies and procedures;
- Subcontract files (including proposals of successful and unsuccessful bidders, bid recaps, etc.);
- Original estimates or work sheets;
- Contract amendments and change order files;

- Insurance documents; or
- Memoranda or correspondence.

Vendor shall maintain such records during the term of this Contract and for a period of three (3) years after the completion of this Contract. At the vendor's expense and upon written notice from FSA, the vendor shall provide such records for inspection and audit by FSA or its authorized representatives. Such records shall be made available to FSA during normal business hours within three business days of receipt of the written notice. FSA may select the vendor's place of business or offsite location for the audit. The FSA may also request the vendor provide requested records via e-mail.

Vendor shall ensure FSA has these rights with Vendor's employees, agents, assigns, successors, and third party supplier and the obligations of these rights shall be explicitly included in any subcontracts or agreements formed between the Vendor and any Sub-Vendors to the extent that those subcontracts or agreements relate to fulfillment of the Vendor's obligations to FSA.

Professional fees, personnel costs and travel costs incurred by FSA under its authority to audit and not addressed elsewhere will be the responsibility of the FSA. However, if the audit identifies under reporting, overpricing or overcharges (of any nature) by the vendor to FSA or a customer in excess of three percent (3%) of the total contract billings, the vendor shall reimburse FSA for the total costs of the audit not to exceed \$5,000. If the audit discovers substantive findings related to fraud, misrepresentation, or non-performance, FSA may recoup all the costs of the audit work from the vendor.

Any adjustments or payments that must be made as a result of any such audit or inspection of the vendor's invoices or records shall be made within a reasonable amount of time (not to exceed 60 calendar days) from presentation of FSA's findings to Vendor.

FSA has the right to assess damages or seek reimbursements or refunds based on audit results.

1.37 LIABILITY, INSURANCE, LICENSES AND PERMITS

Where vendors are required to enter or go onto FSA or purchaser property to deliver materials or perform work or services as a result of a bid award, the vendor will assume the full duty, obligation and expense of obtaining all necessary licenses, permits and insurance and assure all work complies with all applicable county and municipal code requirements. The vendor shall be liable for any damages or loss to the FSA or purchaser occasioned by negligence of the vendor or any person the vendor has designated in the completion of the contract as a result of the bid.

1.38 BID BONDS, PERFORMANCE BONDS, CERTIFICATES OF INSURANCE

Bid Bonds, when required, shall be submitted with the bid in the amount specified in Bidder Instructions.

After acceptance of bid, the FSA will notify the successful bidder to submit the applicable certificates of insurance in the amounts specified in the Bidder Instructions and/or Insurance Checklist.

Purchaser may request a performance bond from a vendor. Performance Bonds are recommended with pre-payment and will be at the expense of the requesting agency. Purchasers should determine the best practice in comparing performance bond expense against any prior discounts that may be available.

1.39 ELIMINATION FROM CONSIDERATION

This Invitation to Bid shall not be awarded to any person or bidder who has outstanding debts to the FSA, whether in relation to current or previous bid awards or for other business purposes.

1.40 COLLUSION

Collusion is a non-competitive secret or sometimes illegal agreement between rival bidders that attempts to disrupt the contract process equilibrium. Collusion involves people or companies that would typically compete, but are conspiring or working together in which the outcome results in an unfair bid advantage. The parties may collectively choose to agree to increase or decrease its product base price in one or more zones to maximize awards thus denying the public a fair price.

Examples of Bid Collusion:

- Cover bidding: a competitor agrees to submit a non-competitive bid that is too high to be accepted or contains terms that are unacceptable to the buyer.
- Bid suppression or withdrawal: a competitor agrees not to bid or to withdraw a bid from consideration.
- Market sharing: a competitor agrees to submit bids only in certain geographic areas or only to certain public organizations.
- Bid rotation: competitors agree to take turns at winning business while monitoring their market shares to ensure they all have a predetermined market share.

Bidders or vendors who have been found to have engaged in collusion will be considered nonresponsive, and will be suspended or barred from bid participation. Any contract award resulting from collusive bidding may be terminated for default. Further, any collusion that is detected by the FSA may be reported to relevant law enforcement and/or prosecutorial agencies.

Bidders may submit multiple bids without conflict of collusion if the bid submitted is not from the same manufacturer and product line. Dealers which share the same ownership may submit multiple bids without conflict of collusion if the bidders are not in the same region featuring the same manufacturer and product line.

1.41 DEFAULT

Failure or refusal of a bidder to execute a contract upon award or withdrawal of a bid before such award is made, may result in forfeiture of any bid surety required that is equal to damages incurred by the FSA there from, or where surety is not required, failure to execute a contract as described above may be grounds for removing the bidder from the awarded vendor's list.

In case of default on the part of awarded bidder, the FSA may take necessary steps to otherwise procure the products sought, including but not limited to procuring the products or services from the next highest

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

ranked bidder or from other sources. A defaulting bidder may be held liable for costs incurred by the FSA in procuring replacement products.

1.42 PROTESTS AND ARBITRATION

Options are for informational purposes only and will not serve as a basis for protest.

Any person who is adversely affected by the decision or intended decision to award shall file a "Notice of Protest" in writing to the FSA within three (3) business days after the posting of the Intent to Award and shall file a formal written protest within five (5) business days after filing the Notice of Protest. Failure to file both a notice of protest and a formal written protest within the above referenced timelines shall constitute a waiver of proceedings.

The burden is on the party protesting the award of the bid to establish grounds for invalidating the award(s). The formal written protest must state with particularity the facts and law upon which the protest is based. Failure to do so will result in a denial of protest. Formal written protest which states with particularity the facts and law upon which the protest is based will be reviewed by FSA legal counsel for legal soundness and validity, and corrective action will be taken as needed contingent upon the validity of such claims. However, any additional time required and cost incurred by the FSA to substantiate a protesting party's claim(s) beyond the normal scope of its legal review due to the vague or inconclusive nature of the protesting party's filing will be reimbursable to the FSA and deducted from the protesting party's bond or security which must accompany their filing.

Any bidder who files an action protesting a decision or intended decision pertaining to this contract shall post a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to ten percent of the product line being protested. The bond, cashier's check or money order must be filed at the time of filing the formal written protest or within the five (5) business day period allowed for filing the formal written protest. FSA will provide the amount required within two (2) business days of the notice of protest received. This bond or security will be conditioned upon the payment of all costs which may be adjudged against the protesting party in a court of law and/or to reimburse the FSA for additional legal expenses incurred and required to substantiate the protesting party's claim(s). Failure to post the bond or security requirement within the time allowed for filing will result in a denial of protest. The filing of the protest shall not stay the implementation of the bid award by the Florida Sheriffs Association.

Should the unsuccessful bidder(s) decide to appeal the decision of the FSA, they shall file a notice to FSA within three (3) business days of the FSA bid protest decision regarding their intent to request arbitration. A demand for arbitration with the American Arbitration Association's (AAA) commercial panel under its rules and regulations must be made within ten (10) business days of the FSA bid protest decision. Any person who files for an arbitration with the AAA shall post with the Florida Sheriffs Association at the time of filing the formal written arbitration request, a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to ten percent of the product line being protested. This amount will be the same amount as the FSA provided at the time of filing the initial protest. Failure to provide written notice to FSA, file a demand for arbitration with the AAA, or failure to post the required bond and security requirement within the specified timelines shall constitute a waiver of arbitration proceedings. By responding to this procurement the bidder expressly agrees to the use of mandatory binding arbitration to resolve any appeals of the decision of the FSA, and any claims arising from or in any way relating to the procurement process, and expressly waives any and all rights that it may otherwise have to pursue such claims in any other forum, judicial or otherwise.

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

If the party filing for arbitration does not prevail, it shall pay all costs, legal expenses and attorney fees of the prevailing party incurred in connection with the arbitration. However, if the filing party prevails, the parties shall share equally the fees and expenses of the arbitration and AAA and each shall bear the cost of their own attorney fees. The filing for arbitration shall not stay the implementation of the bid award by the Florida Sheriffs Association.

1.43 NONPERFORMANCE

By virtue of the bid submission, bidder acknowledges its obligation to sell vehicles and equipment in all zones for which it is awarded. Failure of the bidder to comply with these requirements may result in the imposition of liquidated damages of up to \$1,000 per vehicle/equipment, which amount the vendor agrees is reasonable, or probation, suspension, termination or a combination thereof from current and future bids at the FSA's discretion.

The vendor shall at all times during the contract term remain responsive and responsible. In determining vendor's responsibility, the FSA shall consider all information or evidence that demonstrates the vendor's ability or willingness to fully satisfy the requirements of the solicitation and the contract.

Vendors that are not in compliance with any of the provisions of this contract can be assessed liquidated damages, suspended or terminated from the contract. The FSA at its sole discretion may remove a noncompliant vendor from future competitive bid solicitations; or take other actions including suspension from the contract until compliance issues are resolved, limit current or future vendor participation by specifications or zones, or other actions as determined by FSA at its sole discretion.

At FSA's discretion, vendors may be required to develop corrective action plans to address contract compliance. Failure to abide by corrective action plans will result termination from the existing contract and future competitive bid solicitations at the discretion of the FSA.

In situations where there is evidence that the vendor has engaged in egregious breaches of the contract with respect to either the FSA and/or the purchaser, the contract can be terminated and the vendor will be removed from future solicitations for a period of up to three (3) years, or a permanent ban from the bid process at the sole discretion of FSA.

Specific conditions for termination include, but are not limited to; failure to perform, refusal to accept orders during the contract period while manufacturer orders are still being accepted for current model year or the new year if the vehicle is price protected by the factory, charging amounts exceeding MSRP on factory or vendor installed items and packages, requiring the purchase of additional options over and above the base vehicle as a condition of acceptance of order, providing aftermarket options where factory options are available without the consent of the purchaser, any misrepresentation of optional equipment or service as being factory that fails to meet the definition as described in this document, and any other practice deemed to be inconsistent with the intent of the contract.

Any vendor presented with a valid purchase order is required by this contract to accept such purchase order and deliver the product. Orders must be fulfilled if the vehicle or equipment is a base model or whether it includes options. The vendor must deliver this product if they were awarded the contract – regardless of profit or loss.

Failure to deliver the vehicles or equipment may result in the purchaser seeking damages for the difference of cost to issue the exact same order with another vendor plus any legal fees and damages that may be

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

incurred in the process to facilitate a completed order. Additionally, FSA may seek damages for nonpayment of administrative fees, to which FSA is entitled, according to Section 3.28 and any attorney's fees incurred in the recovery of these damages.

All terms and conditions are applicable throughout the term of the contract and not any given Year, Make or Model.

1.44 SEVERABILITY

In the event any provision of this contract is held to be unenforceable for any reason, the unenforceability thereof shall not affect the remainder of the contract which shall remain in full force and effect and enforceable in accordance with its terms.

1.45 TERMINATION FOR CAUSE

If through any cause within the reasonable control of the vendor, it shall fail to fulfill in a timely manner, or otherwise violate any of the terms of this contract, the FSA shall have the right to terminate the services remaining to be performed. Written notice of the deficiencies shall be given to the vendor and unless the deficiencies are corrected within 10 business days, the Contract may be terminated for cause immediately. The right to exercise the option to terminate for cause shall be in the sole discretion of the FSA, and the failure to exercise such right shall not be deemed to constitute a waiver of this right.

In that event, the FSA shall compensate the successful bidder in accordance with the contract for all services performed by the bidder prior to termination, net of any costs incurred by the FSA as a consequence of the default.

Notwithstanding the above, the vendor shall not be relieved of liability to the FSA for damages sustained by the FSA by virtue of any breach of the contract by the vendor, and the FSA may reasonably withhold payments to the vendor for the purposes of off set until such time as the exact amount of damages due the FSA from the vendor is determined.

1.46 TERMINATION WITHOUT CAUSE

The FSA can terminate the contract in whole or part without cause by giving written notice to the vendor of such termination, which shall become effective 30 calendar days following receipt by vendor of such notice.

In that event, all finished or unfinished documents and other materials shall be properly delivered to the FSA.

The vendor shall not furnish any product after it receives the notice of termination, except as necessary to complete the continued portion of the contract, if any. The vendor shall not be entitled to recover any lost profits that the vendor expected to earn on the balanced of the Contract or cancellation charges.

Any payments to the vendor shall be only to the total extent of the FSA liability for goods or services delivered prior to the date of notice to terminate the contract.

All policies issued to cover the insurance requirements herein shall provide full coverage from the first dollar of exposure. No deductibles will be allowed in any policies issued on this contract unless specific safeguards have been established to assure an adequate fund for payment of deductibles by the insured and approved by the FSA.

The liability insurance coverage shall extend to and include the following contractual indemnity and hold harmless agreement:

The vendor hereby agrees to indemnify and hold harmless the FSA, a 501(c)3, its officers, agents, and employees from all claims for bodily injuries to the public and for all damages to the property per the insurance requirement under the specifications including costs of investigation, all expenses of litigation, including reasonable legal counsel fees and the cost of appeals arising out of any such claims or suits because of any and all acts of omission or commission of any by the vendor, his agents, servants, or employees, or through the mere existence of the project under contract.

The foregoing indemnity agreement shall apply to any and all claims and suits other than claims and suits arising out of the sole and exclusive negligence of the FSA, its officers, agents, and employees, as determined by a court of competent jurisdiction.

The vendor will notify the insurance agent without delay of the existence of the Hold Harmless Agreement contained within this contract, and furnish a copy of the Hold Harmless Agreement to the insurance agent and carrier.

The vendor will obtain and maintain contractual liability insurance in adequate limits for the sole purpose of protecting the FSA under the Hold Harmless Agreement from any and all claims arising out of this contractual operation.

The vendor will secure and maintain policies of third party suppliers. All policies shall be made available to the FSA upon demand. Compliance by the vendor and all third party suppliers with the foregoing requirements as to carrying insurance and furnishing copies of the insurance policies shall not relieve the vendor and all third party suppliers of their liabilities and obligations under any section or provisions of this contract. Vendor shall be as fully responsible to the FSA for the acts and omissions of the third party suppliers and of persons employed by them as he is for acts and omissions of persons directly employed by the vendor.

Insurance coverage required in this contract shall be in force throughout the contract term. The required Insurance Checklist summarizes the bidder's insurance obligations, if awarded.

The FSA can request and the vendor shall furnish proof of insurance within seven calendar days of receipt of the written request from FSA. Should the vendor fail to provide acceptable evidence of current insurance during the contract term, the FSA shall have the right to consider the contract breached and justifying the termination thereof.

If bidder does not meet the insurance requirements; the FSA may consider alternate insurance coverage.

2.04 SPECIFICATIONS

All units covered by this Contract and the specifications shall be the manufacturer's current basic production model, and shall, as a minimum, be equipped with all standard factory equipment in accordance with the manufacturer's latest literature unless otherwise noted in the bid document. If awarded, bidders must supply a unit that either meets or exceeds all the requirements included in the applicable detailed specifications.

The bid specifications are contained on the FSA bid system. The FSA base specifications are incorporated in this document by reference.

All bidders will be required to provide information requested on the FSA bid system or may have their bid rejected.

All vehicles, equipment, and options provided must be designed, constructed, and installed to be fully suitable for their intended use and service.

2.05 FIXED PRICES

If the bidder is awarded a contract under this Invitation to Bid, the prices quoted by the bidder at the time of bid submission shall remain fixed and firm during the term of this contract, unless otherwise addressed in a contract extension or price adjustment as provided in this Contract.

2.06 DISCOUNTS

Discounts listed in heavy vehicle and heavy equipment bids shall be below Manufacturer's Standard Retail Pricing (MSRP) or manufacturers published list price for any vehicle, equipment and options.

The vendor has the authority to offer additional discounts based on quantity, as well as additional manufacturer or vendor discounts.

Discount ranges are not permissible. Discounts must be a whole, positive percentage with no decimal place (e.g. 10%).

2.07 SEALED BIDS

For purposes of this solicitation, a sealed bid is considered a bid submitted using VendorLink.

2.08 EXCEPTIONS, OMISSION AND ERRORS

Any exceptions, deviations, or contingencies a bidder may have to specifications or Contract Conditions, Section 3.0 of this document, must be documented in bidder's submission. Exceptions to the specifications at the time of the bid submission shall reference the specification or item number and a written explanation for the request for exception. At FSA's discretion, exceptions, deviations, or contingencies to the specifications or Contract Conditions stipulated by the bidder may result in disqualification of a bidder's submission.

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions

Specifications are based on the most current manufacturer literature available. Bidders should immediately notify the FSA of any inaccuracies in the specifications or required submittal documents. All notifications of inaccuracies must be in writing and timely submitted.

Failure of a bidder to comply with these provisions will result in bidders being held responsible for all costs required to bring the vehicle into compliance with the contract specifications.

Exceptions, deviations or contingencies to the General Conditions or Bidder Instructions, other than those determined to constitute minor irregularities and waived by the FSA pursuant to Section 2.26, may be cause for the rejection of a bidder's submission.

2.09 MISTAKES

Bidders are expected to examine the specifications, delivery schedules, bid prices and all information pertaining to servicing this contract before submitting a bid. Failure to do so will be at the bidder's risk.

2.10 EQUIVALENTS

Bidders must first request approval from the FSA before submitting a bid that includes an equivalent that will supplement an item on the base specification. The FSA will determine whether the proposed equivalent is equal to or exceeds the quality, design and construction than the intended replacement item in the base specification.

Bidders must provide the manufacturer name and model number (or product identifier) of each equivalent when seeking approval. Complete, descriptive, technical literature should demonstrate that the equivalent conforms with specific replacement item.

If the equivalent is approved, the bidder must include the supporting material in the bid submission. Bids will not be considered without this information. If a bid uses equivalents without prior approval, the bid will be deemed nonresponsive.

Vendors offering alternate makes and manufacturers of vehicles or equipment that are not specifically identified in the bid, cannot publish or offer the unapproved equivalents. Offerings of this nature will cause the bid to be rejected. If such offerings are identified after the award has been granted, the offerings, specification or entire award can be removed by the FSA.

When selling equivalents, vendors must disclose to the purchaser that an approved equivalent is being offered.

2.11 MANDATORY PRE-BID MEETING

Prospective bidders are required to attend or participate in the **mandatory** Pre-Bid Meeting in accordance with FSA requirements. The Pre-Bid Meeting is designed for vendors, the Fleet Advisory Committee and the FSA to meet in person to clarify questions on the terms and conditions and to confirm all base specifications are correct.

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

Bidders have the opportunity to suggest technical modifications or corrections before the specifications are finalized. Questions relating to the specifications, the bid process, or award can be asked at the Pre-Bid Meeting.

FSA reserves the right to grant attendance exceptions to the mandatory meeting if the bidder has requested authorization, signs a memo of understanding to agree to meet all the terms and conditions without exception and further waives their right to protest the bid process in its entirety or any portion thereof.

2.12 QUALIFICATION

Prospective bidders are required to complete the qualification forms by the date listed on the Bid Calendar. A bidder becomes a qualified bidder if they comply with this section and Section 2.10, Mandatory Pre-Bid Meeting.

Qualification forms include:

- Drug-Free Workplace Form
- Insurance Checklist
- Manufacturer Authorization Form for each manufacturer bid for Contract FSA20-VEH18.0 and FSA 20-EQU18.0
- Manufacturer Authorization Forms are **not** required for Contract FSA20-VEL28.0
- Emergency Vehicle Technician (EVT) Certification, if bidder is offering emergency lighting and sirens
- Qualified Bidder documentation, as required in Section 2.01

The qualification forms are located on the bid system.

2.13 PRICES QUOTED

Prices submitted as indicated in the sealed bid are final. Bidders acknowledge that prices quoted will be valid for a period of sixty (60) calendar days from the date of bid opening. Each specification, make, and model must be priced and bid separately.

Prices quoted in the bid submission should reflect the final amount the bidder can expect to receive for payment for the specifications bid for the duration of the contract award, unless otherwise addressed by a contract extension or price adjustment as provided in the contract. These prices must be inclusive of all of the components included in the base specification.

Prices bid, including options, must include the administrative fee FSA charges to administer the contract, as outlined in Section 3.28.

Prices must be Free On Board (FOB) destination.

Once awarded, the vendor has the authority to offer discounts for prompt payment. Cash or quantity discounts offered will not be a consideration in determination of award of the bid.

FLORIDA SHERIFFS ASSOCIATION

Contract Terms and Conditions

2.14 OPTION PRICING

The bidder shall offer discount below Manufacturer's Standard Retail Pricing (MSRP) or manufacturers published list price for any factory options included in the bid submission and quotes to purchasers, if awarded. FSA requests vendors include most frequently purchased scheduled, factory and aftermarket options in the bid.

Options are intended to add or delete equipment or features from the base specification. Options can provide an upgrade or downgrade to a manufacturer's model, such as a slightly different engine size or horsepower, and should not be made available for purchase separate from the base vehicle or equipment. Bidders shall NOT use options to create a vehicle or equipment that is entirely different than the FSA base specification or are available as another specification bid on this ITB.

Bidder must use proper factory codes for all factory options. Options available through the factory may be bid and supplied to purchaser as "factory" options, unless otherwise requested in writing by the purchaser.

The FSA has the discretion to disqualify bidders if the option pricing is excessive or if options listed are not available for the item bid.

Option pricing will include all costs of labor associated with the option and cost of labor should not be listed separately within the bid. Section 2.15 contains specific instructions and exceptions for emergency lights and sirens.

If a bidder will offer registration and title services as a fee for service, the bidder must include the administrative fee as a separate option (i.e. line item) for each item bid, see Section 3.23 for additional details. Government imposed fees should not be included in this option pricing.

No other additional charges or fees are admissible.

For purposes of this bid, Emergency Lights and Sirens will require a separate pricing sheet upload in the bid system. See Section 2.14 for details on emergency lights and sirens.

If options are not available as a stand alone option, the bidder must indicate in their bid submission any option requiring the purchase of other options, and also indicate options that are a part or dependent of another option. Factory package options are allowable under this contract. Factory package options must be included in the options within the bid document and detailed specifically as to what components the package includes.

When calculating the price for a manufacturer's option requested in this bid that is not listed as an option in the manufacturer's order guide (i.e. model or engine upgrade), the bidder must calculate the option price as the net difference between vendor cost on the representative base vehicle and the total MSRP of the requested option modifying the vehicle. A bidder may bid less than this price, but at no time charge more than the calculation provided here.

The use of options to facilitate the sale of an alternate manufacturer's product which is outside the scope of the written base specification will be determined nonresponsive and the bid will be rejected in whole or part by the FSA.

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

Example: Bidder CANNOT include option upgrades that result in the selling of a vehicle or truck on one specification that is offered as a separate specification in the bid solicitation. For example, a Vendor who is awarded the bid for 25,500 lb. GVWR Cab & Chassis cannot upgrade this item through an add option to a 30,000 lb. GVWR Cab & Chassis in order to circumvent the bid award winner for the 30,000 lb. GVWR Cab & Chassis.

Purchasers are encouraged to negotiate option pricing with vendors. Discounts can be provided beyond option prices listed in the contract. The additional discounts for each add option shall be decided by the vendor.

Option Upload

The bid system will accept option information from bidders through a .pdf file upload. The option information required for the bid submission of the options under each bid specification number include:

- Bid Item number (FSA item specification number)
- Order code (Manufacturer order code)
- Description
- Price

The options will correspond to the specification or item number. Multiple options may be listed for each each specification or item number bid. Therefore, bidders that do not indicate the correct item number with the option information bid will not have options displayed for the item bid. If option pricing is not uploaded correctly, FSA may require bidders to correct the formatting of the options, but pricing may not be modified. Failure of the bidder to make corrections may cause the bid to be rejected.

If the bidder wishes to offer credit to the purchaser for an option that is standard on the FSA base specification, the bidder should include the word "Credit" at the beginning of the description, and continue to describe the option being credited. For example, "Credit: one key fob" that corresponds with the price the bidder will credit the purchaser.

2.15 EMERGENCY LIGHTS AND SIRENS

Under Florida Statute 316.003(1), authorized emergency vehicles are defined as:

Vehicles of the fire department (fire patrol), police vehicles, and such ambulances and emergency vehicles of municipal departments, public service corporations operated by private corporations, the Fish and Wildlife Conservation Commission, the Department of Environmental Protection, the Department of Health, the Department of Transportation, and the Department of Corrections as are designated or authorized by their respective department or the chief of police of an incorporated city or any sheriff of any of the various counties.

Bidders that will provide or contract to provide emergency light and siren installation must also submit Emergency Vehicle Technician Certifications for the individuals working for the bidder or the designated third-party supplier who will perform the installation. FSA reserves the right to accept certifications up and until final award.

Vendors that will install emergency lights and sirens are required to provide and install products that are Society of Automotive Engineers (SAE) certified. SAE Certifications must include Class 1, Class 2 and Class 3

in order to be eligible for participation in the Contract. If a lighting or siren product installed on an emergency vehicle is not SAE Certified, the vendor can be found in default of the Contract.

Prices submitted for emergency lights and sirens shall include all applicable government imposed fees.

Labor may be charged for the installation of emergency lights and sirens. Labor rates must be disclosed as part of the bid submission.

For vehicles that are manufactured with emergency lights and sirens, including motorcycles, bidders may not charge for labor, emergency lights or sirens that come from the factory equipped with these features as standard equipment.

Bid Submission of Emergency Lights and Sirens

Bidders will be asked to provide pricing for emergency lights and sirens by submitting a pricing sheet. The bid system will receive pricing through a standardized Excel file. The pricing sheet will include:

- Group

- Labor hours
- Labor cost per hour

- \$.50-.99 will be rounded to the next dollar (e.g. \$50.50 = \$51)

For example, manufacturer print-outs can include Ford – Dora, General Motors – GM Autobook. Carbook Pro build sheets are acceptable. If vendor-installed aftermarket components are used to meet the base specification and these components must be identified on the build sheet. Build sheets for each item bid must be compiled into a single .pdf document. Build sheets should be in numerical order by specification, clearly identifiable by specification or item number, and include model name and number. If FSA cannot determine which specification the build sheet is for, the item bid can be rejected as nonresponsive.

FSA reserves the right to determine which responses meet the requirements, specifications, terms and conditions of the solicitation, and which bidders are responsive and responsible.

FSA further reserves the right to limit participation of bidders who, in FSA's sole discretion, are determined to present responsibility concerns that call into question the bidder's ability to perform but that do not rise to the level of requiring rejection of the bidder as nonresponsible.

2.24 BASIS FOR AWARD

The FSA shall make awards to the lowest bidder by specification, by manufacturer and by zone to bidders deemed to be responsive and responsible. Awards may also be made to the second and third lowest bidders by specification, by manufacturer and by zone, if applicable and determined to be in the best interest of the FSA and the purchaser.

The Fleet Advisory Committee serves as the initial review for bid submissions. The Fleet Advisory Committee's review is submitted to the FSA for final evaluation and determination of award.

The options in the bid shall be for informational purposes only and will not serve as a basis for bid protest. However, the FSA has the discretion to consider option pricing in making the award if doing so would be in the best interests of the FSA or the purchaser.

2.27 MINOR IRREGULARITIES/RIGHT TO REJECT

The FSA has the right to accept or reject any and all bids, or separate portions thereof, and to waive any minor irregularity, technicality or omission if the FSA determines that doing so will serve its best interest or the best interest of the purchasers. A minor irregularity is a variation from the terms and conditions of this procurement that does not affect the price of the bid or give the bidder a substantial advantage over other bidders and thereby restrict or stifle competition and does not adversely impact the interests of the FSA or the purchasers. At its option, the FSA may allow a bidder to correct minor irregularities but is under no obligation to do so. In doing so, the FSA may request a bidder to provide clarifying information or additional materials to correct the irregularity. However, the FSA will not request and a bidder may not provide the FSA with additional materials that affect the price of the bid, or give the bidder an advantage or benefit not enjoyed by other bidders.

3.0 CONTRACT CONDITIONS

3.01 GENERAL REQUIREMENTS

Once the bid has been awarded, the terms and conditions of this document become the Contract between the FSA and the awarded vendor.

The terms and conditions apply to all vehicles and equipment purchased from this contract.

3.02 STATEMENT OF AUTHORITY

Each person signing the Contract warrants that he/she is duly authorized to do so and binds the respective party to the Contract.

3.03 VENDOR CONTACT INFORMATION

The vendor will maintain current contact information with FSA at all times.

If a change occurs during the contract, the vendor must notify FSA immediately. The Vendor Change Document must be completed, signed by an authorized representative and submitted via e-mail to CPP@flsheriffs.org.

A sample Vendor Change Document can be found in Appendix A and on the FSA website.

3.04 OPTION TO RENEW & PRICE ADJUSTMENT

Renewal Option

The contract may be renewed by mutual agreement, initiated at the discretion of the FSA, for up to two (2) additional years, on a year to year basis. The FSA reserves the right to in its sole discretion elect to renew the contract in whole or in part.

In the event that the contract is held beyond the term provided herein, it shall be on a month-to-month basis only and shall not constitute an implied renewal of the contract. Such a month-to-month extension shall be upon the same terms of the contract and at the compensation and payment provided herein.

Price Adjustment

On an annual basis during the contract term, the FSA may consider a price adjustment due to changes in the Producer Price Index (PPI) as published by the U.S. Department of Labor, Bureau of Labor Statistics, as a result of any changes to national or state standards that require substantial cost adjustments, significant manufacturer changes to the production of and specification design, or in the event of material changes in tariffs that result in cost increases of 15% or more.

The price adjustment request may be considered and implemented by FSA on an annual basis during the initial term, or upon the completion of the initial term or a 12-month renewal period. Price adjustments will be implemented upon request from a vendor or in the event that the FSA determines in its sole discretion that such a price adjustment is warranted.

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

Prices may be increased or decreased by the percentage change reflected in the nationally published PPI. FSA shall determine the PPI based on the most recent published PPI initiated at the time of renewal that best reflects adjustments to the economy over the previous 12 months.

In the event of changes to national or state standards, the vendor must present verifiable changes in cost to FSA. The FSA will consider the cost changes and will make a final determination on the change in price.

In cases where manufacturers have significant changes to production and specification design to an awarded item, FSA will consider certified manufacturer price changes and may allow price adjustments to reflect such changes in price from the manufacturer to the awarded vendor.

For any vendor-initiated price adjustment to commence on the first day of the renewed contract term, extension or the end of a 12-month period, the vendor's request or adjustment should be submitted one hundred and twenty (120) calendar days prior to expiration of the then current contract, extension or 12-month period. The vendor-initiated price adjustment request must clearly substantiate the reasons for the requested increase. If no request is received from the vendor, the FSA will assume that the vendor has agreed that the optional term may be exercised without pricing adjustment. Any adjustment request received after the commencement of a new option period will not be considered.

The FSA reserves the right to accept the renewal adjustment or to allow the contract to fully or partially terminate and readvertise for bids, whichever is in the best interest of the FSA.

3.05 ADDITIONS AND DELETIONS

The FSA reserves the right to add or delete any items from this bid or resulting contract when deemed to be in the best interest of FSA and the participating purchasers.

FSA reserves the right to remove, discontinue or suspend the sale or offering of any product within the Invitation to Bid document or existing contract, at its discretion.

This decision to take action may be based upon and not limited to:

- Few or no sales;
- Product recalls and other safety issues;
- Vendor/Manufacturer performance; or
- Lack of relevance of products.

3.06 EQUITABLE ADJUSTMENT

The FSA may make an equitable adjustment to the contract terms or pricing at its discretion.

3.07 CONDITIONS

It is understood and agreed that any item offered or shipped as a result of this bid shall be the most current model offered, i.e. the most current production model at the time of this bid.

3.08 PRODUCTION CUTOFF

Vendor shall notify the FSA in writing no less than sixty (60) calendar days prior to the close of final order date by the manufacturer when the final order date is during the term of the contract. Notification shall be provided in writing.

Purchase orders received by the vendor ten (10) business days prior to the final order date must be accepted and entered into the order system with the manufacturer.

If a purchase order has been timely received by the vendor or the manufacturer, and the manufacturer fails to produce or deliver the production year vehicle, the vendor must provide the next year's equivalent model at current contract prices.

Purchase orders issued and received after the production cutoff date will be subject to availability. In this case, the vendor and manufacturer have the discretion whether to choose to provide next year's model at current year's prices until the end of the contract term.

If the manufacturer cutoff date is during the term of the contract and will affect the purchaser's ability to obtain the specifications, FSA may consider substitutions from the same manufacturer.

3.09 FACILITIES

The FSA reserves the right to inspect the vendor's facilities at any time with prior notice.

3.10 SUBSTITUTIONS

The FSA or purchasers will NOT accept substitutes of any kind. Vendors are expected to furnish the brand quoted in the bid once awarded. Any substitutes will be returned at the vendor's expense. Delivery of substitutes and the delay in supplying the correct specification can be deemed grounds for termination for default.

3.11 POLICE RATED VEHICLES & MOTORCYCLES

Vehicles in this category have been reviewed by one or more of the nationally recognized authorities on Police Vehicle Testing Program/Evaluation.

These evaluations are not designed to recommend a particular product, but to serve as a resource for vehicles which are currently being offered for law enforcement service. To see the full detailed report click or copy the links below.

The importance with which each individual phase is weighted in these evaluations is a subjective decision which should be made by each agency based upon that agency's needs.

Refer to manufactures published information for detailed information regarding these vehicles.

3.13 CAB AND CHASSIS PURCHASES

Cab and Chassis can be purchased from the vendor without any required additional fitting by the vendor. If an incomplete chassis is sold to an agency, then the vendor is not responsible for the tag and title. Vendors are responsible for tag and title work if the chassis is completed by the vendor or the vendor's contracted third party supplier.

FSA highly recommends that all upfitting of cab and chassis be performed by vendors who are licensed and certified to perform such work to avoid unnecessary exposure to future liability.

The administrative fees are the contractual responsibility of each awarded vendor.

By submission of the quarterly reports and administrative fee, the vendor is certifying the accuracy of the reports and deposits. All reports and fee submissions shall be subject to audit by the FSA or their designee.

All participating vendors will be responsible for making sure that FSA has the contact information, including e-mail address, for the person responsible for quarterly reports. There will be no reminders for the quarterly reports or the administrative fee.
