2. It is hereby ascertained, determined, and declared that each parcel of assessed property within the Special Assessment District will be specially benefited by the implementation of the Plan in an amount not less than the assessment for such parcel. The implementation of the Plan will enhance the assessed property and should result in an increase in property value.

3. Apportioning the costs of implementation of the Plan equally among the property owners is fair and reasonable, and is proportional to the special benefit received.

4. There is hereby levied and imposed a non-ad valorem assessment against all property owners in this Special Assessment District in the amount of \$60.00 per each dwelling unit per year. A copy of the budget for implementation of the Plan is attached as **Exhibit "C"** and a methodology for determining the assessment cost, based on the number of dwelling units, is attached as **Exhibit "D,"** both are incorporated herein by reference.

5. The special assessment shall continue as a lien upon the assessed property that is equal in rank and dignity with the liens of all State, County, District or Municipal taxes and other non-ad valorem assessments. Except as otherwise provided by law, such liens shall be superior in dignity to all other liens, titles and claims, until paid. Collection of the assessment for Fiscal Year 2020/2021 shall commence with the 2020 Property Tax Notice mailed out during Fiscal Year 2019/2020.

6. The non-ad valorem assessment imposed by this resolution shall be included in the assessment roll that will be adopted by the County and certified by the County Commission Chair no later than September 25, 2020. The County Manager or his designee is authorized and directed to ensure that this assessment is so included on the assessment roll for the Property Tax Notice for 2020 and all applicable subsequent Notices.

7. This resolution shall take effect immediately upon its adoption.

DULY ADOPTED in regular session, this _____ day of _____, A.D., 2020.
