From: Winfield Scott and Marty Schenck (NWTF Gator Gobbler Outreach Coordinators and FWC Certified Huntmasters)

RE: Phifer Flatwoods Preserve Tract

Dear Mrs Mullins,

It was quite the pleasure meeting you, Scott and Susan at the Pre-bid the other day. Thank you for taking the time to go over the requirements for the Land Use License and showing me the property. The Phifer property is a gorgeous piece of property that we would be very proud to maintain for you.

As the NWTF Outreach Coordinators, Marty and I realize how valuable good property is and how important it is to take care of all it's resources. This property looked like it had been well maintained and we would like to opportunity to be the ones to continue that maintenance for the next 5 years. Marty and I are both hard working individuals ourselves, but our relationships we have developed with the Outreach Hunts have allowed us to share our knowledge with over 500 hundred women and Kids over the past 5 years. Together we manage approx 100 Womens and kids along with their husbands, wives and parents each year. We would like to use this property to further educate Hunters and Sportsman to realize the importance of preserving land and it's resources.

I have owned Insurance policies for leased land before, and it will be easy to obtain for this property.

Marty and I are ready to perform the maintenance and take care of the Phifer property.

Thank you for your consideration as a license holder.

Sincerely,
Winfield Scott

Marty Schenck
