## QUESTIONS & ANSWERS

Q #1: Is the existing floating dock and gangway going to be removed for future use or will we be disposing of them?

A #1: The floating dock and gangway are to be removed and disposed of by the contractor.

Q #2: What are the permits required?

A #2: The contractor will be responsible for acquiring a building permit for this project. The other required permits (SRWMD, US Army Corps) have already been filed for and will be made available to the contractor before the start of construction.

Q #3: Is there a Geotechnical Report available?

A #3: There is not a geotechnical report available for this project.

Q #4: Could you please clarify the depth of the 6x6 post? Sheet 4.2 shows a dimension of 3' embedment but the notes call for 4.25'?

A #4: The depth of the 6x6 posts is specified to provide a minimum of 3' of embedment for all posts. In the event that the unbraced length (distance from natural grade to the bottom of the boardwalk beam) is greater than 5', a minimum of 4' of embedment is required. Notes 1A and 1B only apply when the unbraced length is greater than 5'.

Q #5: The duration is pretty quick for this scope of work, it is suggested to extend project to 180 days.  
A #5: The county will not be extending the project timeline.

Q #6: Please see attached reference from plans for Boardwalk Rest Area – C4.4 Sheet is not in the plan set for this detail.

A #6: See Attached plans.

Q #7: Do the Alternates mean for the price to be add or deduct to the base bid, or is it a complete cost for the doing the item complete?

A #7: The Base BIDs are for the total cost of the project. The ALT 1 is an add/deduct to the base bid. ALT 2 will be a total price for the removal and replacement of the existing 6' boardwalk with a 6' boardwalk (remove and replace) in lieu of the Base Bid and should include all cost for this option, this is needed for FEMA cost and reimbursement. The ALT 3 is an add/deduct to ALT 2 if that option is selected. The ALT 4 is an add/deduct to the base bid. The ALT 5 is an add/deduct option for a secondary boardwalk. The ALT 6 is an add/deduct to the ALT 5. Please refer to page 60 of the BID document for any additional details.

Law requires this Local Business Tax Receipt to be displayed conspicuously at the place of business in such a manner that it can be open to the view of the public and subject to inspection by all duly authorized officers of the county. Upon failure to do so, the local business taxpayer shall be subject to the payment of another Local Business Tax for the same business, profession or occupation.

Pursuant to Florida law, all Local Business Tax Receipts shall be sold by the Tax Collector beginning July 1 of each year and shall expire on September 30 of the succeeding year. Those Local Business Tax Receipts renewed beginning October 1 shall be delinquent and subject to a delinquency penalty of 10 percent for the month of October. An additional 5 percent penalty for each month of delinquency is added until paid, provided that the total delinquency penalty shall not exceed 25 percent of the Local Business Tax for the delinquent establishment.

In addition to the penalty, the Tax Collector is entitled to a collection fee of \$1 to \$5. This fee is based on the amount of Local Business Tax, which will be collected from delinquent taxpayers after September 30 of the business year.

This receipt is a Local Business Tax only. It does not permit the local business taxpayer to violate any existing regulatory or zoning laws of the state, county or city. It also does not exempt the local business taxpayer from any other taxes, licenses or permits that may be required by law.

Pursuant to Florida law, Local Business Taxes are subject to change.
