What contributions do you feel you could make if you were selected for this board?

I am acutely aware of the rising housing cost both across the nation and as well as in Alachua County. We need to ensure that while allowing developers to come in and build TNDs, there needs to be some allocation for affordable housing units. Alachua County is growing at a fast rate and I want to make sure that long term residents are not being pushed out with the incoming new developments that are not affordable to most.

Some of the boards and committees appointed by the County Commission are required to comply with Chapter 112, Florida Statutes, the Financial Disclosure Law. If applicable, would you be willing to file the required financial statement?

Yes

Appointees to advisory board/committees are required to attend scheduled meetings as specified in the "Guidelines for Citizen Advisory Boards and Committees".

Do you affirm that your personal and business (if applicable) affairs within Alachua County are in substantial compliance with all county regulatory and taxing authorities rules and regulations?

Yes
