Re: Deviations for Alachua County Board of County Commissioners for Invitation to Bid Number: 21-13 (the "Bid")

Dear Sir/Madam:

Henry Schein Medical, a division of Henry Schein Inc. submits the following deviations to the terms of the Bid:

**Part B – Specifications, Section 4.0 Delivery, subsection 4.2**

Henry Schein can agree to 30 day delivery for stocked items. However, for non-stocked items or customized items delivery may take up to 4-6 weeks. Further, rush orders requested to be upgraded to next day air will incur additional charges in accordance with UPS shipping zone schedules for the weight of the package.

**Part A – General Terms and Conditions. Section 22.0 Indemnification; and**  
**Part A – General Terms and Conditions. Section 23.0 Warranty**

Henry Schein is a distributor for all products offered in this proposal; any transferable product warranties and indemnities will be provided, at the time of sale, as provided to Henry Schein by the manufacturer.

Henry Schein would like to delete the sections listed above in their entirety and replace them with the following:

*“Purchaser will pass through to the County and its director and their officers, employees and agents (hereinafter collectively referred to as the “Indemnitees”), at the time of sale, any transferable product warranties, indemnities and remedies provided to the Purchaser by the Manufacturer. TO THE EXTENT PERMITTED BY LAW, PURCHASER PROVIDES NO WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR PARTICULAR PURPOSE OR NON-INFRINGEMENT, AND THE INDEMNITEES SHALL LOOK TO THE MANUFACTURER OF THE PRODUCT FOR ANY WARRANTY THERON.”*

**IMPORTANT NOTICE!**

Due to the coronavirus outbreak, we are experiencing higher than normal demand globally for infection control products such as masks, goggles, and face shields, among other items. We are working with our manufacturing and supply chain partners, as well as global health organizations including the Pandemic Supply Chain Network, the World Health Organization, the Chinese Ministry of Health, and the Centers for Disease Control & Prevention, to address shortages as they occur. Given this situation and acute market needs, we anticipate disruptions to orders for certain infection products in various markets. Please contact your local Henry Schein consultant for specific inventory inquiries. It is possible that we may not have product available to ship at the time you desire to purchase, or we may be unable to supply the product at the quoted price because of quickly escalating costs that are out of our control during this very uncertain and unprecedented coronavirus pandemic.

Sincerely,

Henry Schein Medical, a division of Henry Schein, Inc.
