**INTERLOCAL AGREEMENT BETWEEN ALACHUA COUNTY
AND CITY OF GAINESVILLE REGARDING AUTOMATIC AID FOR
FIRE AND EMS SERVICES**

THIS AGREEMENT (this "Agreement") entered into pursuant to Chapter 163, Florida Statutes, et. seq, the Florida Interlocal Cooperation Act of 1969, on the date of the last signature on this Agreement between the City of Gainesville, a municipal corporation of the State of Florida ("City") and Alachua County, a charter county and political subdivision of the State of Florida ("County").

WHEREAS, the City of Gainesville is responsible for the provision of fire rescue services within the City's corporate limits and Alachua County is responsible for the fire rescue services in the unincorporated areas of the County; and

WHEREAS, the City and County share a common boundary and have for the last 30 years had an agreement on the cross jurisdiction provision of Fire and EMS services to the residents in their respective jurisdictions, and

WHEREAS, the City and County wish to enter into a new agreement modifying the terms of the prior agreement and the situations wherein each will automatically respond into the jurisdiction of the other; and

WHEREAS, it is recognized by both the City and County that the provision of services into the areas of the County which adjoin the boundaries of the City are of concern to both.

NOW THEREFORE, the City and the County agree as follows:

Section 1. Automatic Aid Agreement.

- 1) The City and the County will work with the Combined Communications Center (CCC) to develop a method of automatic dispatch for the most appropriate unit available to achieve optimal response times for those specific types of Emergency Fire (EFD) and Emergency Medical Dispatches (EMD) as identified in Attachment 1, which is attached hereto and incorporated by reference. It is understood that the use of EFD and EMD is constantly under evaluation and periodic modification. Therefore the City and County agree that the call types, methods and protocol may be modified upon their respective Fire Chiefs joint agreement in writing.
- 2) The City and County agree that each shall be compensated by the jurisdiction receiving services under this agreement. It is agreed that the cost for each response shall be \$821.39 per unit responding which shall be invoiced and paid according to the Florida Prompt Payment Act.
- 3) The City and County agree that all fire based units stationed within the Automatic Aid Agreement boundary map, which is Attachment 2 and incorporated by reference, are compensable. These units are considered to be compensable units under this agreement with the exception of County Engine 80. It is agreed that Engine 80 shall not be compensated for any responses into the City as long as it is stationed within the

City limits. Once it is relocated outside of the City limits, it shall then be considered to be a compensable unit.

- 4) This agreement for the automatic dispatch of assets of the parties is not meant to supplant the ability of either jurisdiction to request mutual aid for incidents occurring outside the fire service agreement boundary or for units not assigned therein or in accordance with the Statewide Mutual Aid/State Emergency Response Plan.
- 5) The geographic boundary of this agreement is as set forth in Automatic Aid Agreement boundary map (Attachment 2), which is attached hereto and incorporated by reference.
- 6) The parties agree that this agreement will be effective upon signing by both parties and expires September 30, 2019.

Section 2. Indemnification. Each party shall be solely responsible for the negligent or wrongful acts of its officials, agents and employees.

Section 3. Sovereign Immunity. Nothing in this Agreement shall be interpreted as a waiver of any party's sovereign immunity as granted under Section 768.28, Florida Statutes.

Section 4. Termination. This Agreement may not be terminated before its expiration date unless by mutual agreement of the City and County.

Section 5. Filing of Agreement. The County, upon execution of this Agreement, shall file the same with the Clerk of the Circuit Court in the Official Records of Alachua County, as required by Sec. 163.01(11), Fla. Stat.

Section 6. Public Records. Each Party shall meet the requirements of Chapter 119, Fla. Stat., for retaining public records and transfer, at no cost, to any other requesting Party, copies of all public records regarding the subject of this Agreement which are in the possession of the Party. All records stored electronically shall be provided to the requesting Party in a format that is compatible with the information technology systems of the requesting Party.

Section 7. Applicable Law and Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, notwithstanding any Florida conflict of law provision to the contrary. In the event of any legal action under this Agreement, venue shall be in Alachua County, Florida.
