RE: Addendum #4  
RFP 20-96 Annual Laboratory Analysis Services

Dear Sir/Madam:

Please be aware of the following clarifications regarding the above referenced Bid:

Q #1: We are accredited by NELAC E-861142 in Florida, and we are a branch of the laboratory in Colombia. We want to know if the total accreditation of the parameters we have in Colombia under Resolucion IDEAM No. 0300 04/21/2019 accredited under the technical standard NTC-ISO/IEC 17025 "General Competence Requirements of Testing and Calibration Laboratories".

A #1: It is ok to present the accreditations from the NTC –ISO/IEC 17025 by analysis, however please also list the accredited NELAC E-861141 for the Florida accredited analysis.

Q #2: Can we present our proposal with our accreditations in Colombia as well?

A #2: Yes.

**NOTE:** You should acknowledge receipt of this addendum on your Bid Form.

**End of Addendum #4**
