County's obligation to pay Contractor under this Article 11, Termination, and the Agreement is limited to the budgeted amount for the fiscal year approved by the Volusia County Council for the then current fiscal year of the Agreement. 12 DISPUTE RESOLUTION

1. **Good Faith Efforts to Resolve.** The parties to this Agreement shall exercise their best efforts to negotiate and settle promptly any dispute that may arise with respect to this Agreement in accordance with the provisions set forth in this Article 12, Dispute Resolution. The Contractor and County Project Manager shall use reasonable efforts to arrange personal meetings and/or telephone conferences as needed, at mutually convenient times and places, to address and work toward resolution of issues that arise in performance of this Agreement and any applicable statement of Services. Issues shall be escalated to successive management levels as needed.
2. **Informal Dispute Resolution.** If a dispute develops between the parties concerning any provision of this Agreement, or the interpretation thereof, or any conduct by the other party under this Agreement, and the parties are unable to resolve such dispute

within five (5) business days or longer, that party, known as the invoking party, through its applicable Project Manager, shall promptly bring the disputed matter to the attention of the non-invoking party's Project Manager or designated representative, as the case may be, of the other party in writing ("Dispute Notice") in order to resolve such dispute.

3. **Discovery and Negotiation / Recommended Procedures.** Upon issuance of a Dispute Notice, the Project Managers or designated representative shall furnish to each other all non-privileged information with respect to the dispute believed by them to be appropriate and germane. The Project Managers shall negotiate in an effort to resolve the dispute without the necessity of any formal proceeding. If such dispute is not resolved by the Project Managers or designated representative within five (5) County Work Days of issuance of the Dispute Notice, or such other time as may be mutually allowed by the Project Managers as being necessary given the scope and complexity of the dispute, the Project Managers may, depending upon the nature, scope, and severity of the dispute, escalate the dispute as indicated below:

20	Contractor's COO or President	Deputy County Manager

4. **Formal Dispute Resolution.** At any point after issuance of a Dispute Notice under this section, either party may request and initiate formal non-binding mediation before a single mediator, which mediation shall be completed within thirty (30) days of initiation or such longer time as may be agreed upon by both parties as being necessary for the mutual selection of a mediator and scheduling of such mediation. Any such mediation shall be convened and conducted in accordance with the rules of practice and procedure adopted by the Supreme Court of Florida for court-ordered mediation, Rule 1.700 et seq. of the Florida Rules of Civil Procedure, and Chapter 44, Florida Statutes. If the dispute remains unresolved after conducting such mediation, then either party may proceed to finalize any pending termination remedies and commence litigation in a court of competent jurisdiction. Each party shall bear its own costs and attorney's fees for mediation or arbitration of an issue arising under this Agreement.
5. **Right to Terminate Reserved.** Regardless of the dispute resolution procedures provided for in this Article 12, Dispute Resolution, nothing herein shall affect, delay, or otherwise preclude a party from terminating this Agreement in accordance with the provisions of Article 11, Termination, it being understood that these dispute resolution

procedures are intended as a means of resolving disputes both during the term of this Agreement and after termination or expiration thereof.

If Contractor desires to assign or otherwise convey its rights and/or obligations under this Agreement, Contractor no less than thirty (30) days prior to the assignment's proposed effective date, provide County with a written request for County's consent. Failure to provide such notice may result in the County assessing a processing fee of Five Hundred Dollars (US \$500.00).

Failure by the Contractor to obtain the County's consent in accordance with this Section prior to assignment or other conveyance shall: 1) constitute a material breach of the Agreement; and 2) entitle the County to retain any and all legal rights, claims and defense to enforce this Section, including, but not limited to, injunctive, declaratory, damages and attorney's fees and costs. Payment of any sum by the County in accordance with the Agreement to the Contractor or any person or entity prior to the Contractor obtaining the County's consent to the assignment shall not constitute a waiver of the rights of the County under this Section 14.10.

In the event of injury, illness, or death of Contractor's key personnel, or if such key personnel leave Contractor's employ, Contractor shall replace such individual within thirty (30) County work Days after such injury or illness, or from the date of departure from employment or of death. Contractor shall obtain prior written approval of the Agreement Administrator to replace key personnel, such approval not to be unreasonably withheld. Contractor shall provide the Agreement Administrator with such information as necessary for County to evaluate the new key personnel. In the event the Agreement Administrator has reasonable objections to any replacement of key personnel, County shall notify Contractor in writing regarding such objections. Promptly after its receipt of such objections, Contractor shall investigate the matters stated and discuss its findings with County. If County thereafter requests in good faith replacement of the key personnel, Contractor shall use its reasonable best efforts to replace the employee with a person of suitable ability and qualification. Contractor shall use its best efforts to avoid replacing or reassigning any key personnel under this Agreement. If, notwithstanding this commitment, it becomes necessary for Contractor to replace any key personnel under this Agreement, Contractor shall give County as much reasonable detail as possible concerning the proposed replacement. At a minimum, Contractor agrees, where reasonably possible, to provide County with at least thirty (30) days notice of changes to Contractor's Project team participants. Further, Contractor agrees that it may not use County's name, logo or any trademarks (including in any press releases, customer "case studies," and the like) without County's prior written consent. Termination or expiration of this Agreement shall not affect Contractor's obligation in this regard and such obligation shall survive the termination or cancellation of this Agreement.
- 13.10 **Force Majeure.** Neither party shall be liable for any failure or delay in the performance

of its obligations under the Agreement to the extent such failure or delay necessarily results from the occurrence of a Force Majeure Event beyond the control or reasonable anticipation of either party, including, but not limited to, compliance with any unanticipated government law or regulation not otherwise in effect at the time of execution of this Agreement, acts of God, unforeseeable governmental acts or omissions, fires, strikes, natural disasters, wars, riots, transportation problems, and/or any other unforeseeable cause whatsoever beyond the reasonable control of the parties (and such cause being referred to as a "Force Majeure Event"). Accordingly, the parties further agree that:

13.10.1 Upon the occurrence of Force Majeure Event, the non-performing party shall be excused from any further performance of those obligations under this Agreement that are affected by the Force Majeure Event for as long as (a) the Force Majeure Event continues; and (b) the non-performing party continues to use commercially reasonable efforts to recommence performance whenever and to whatever extent possible without delay.

13.10.2 Upon the occurrence of a Force Majeure Event, the non-performing party shall notify the other party of the occurrence of such event and describe in reasonable detail the effect(s) of such event upon the party's performance of its obligations and duties pursuant to this Agreement. Such notice shall be delivered or otherwise communicated to the other party within two (2) business days following the failure or delay caused by the Force Majeure Event, or as soon as possible after such failure or delay if the Force Majeure Event precludes the non-performing party from providing notice within such time period.

13.10.3 In the event of a Force Majeure Event, the time for performance by the parties under the applicable Statement of Work shall be extended for a period of time equal to the time lost by reason of such cause through execution of a change order pursuant to the terms of the Agreement.

13.12 **Waiver of Breach and Materiality.** Failure to enforce any provision of this Agreement shall not be deemed a waiver of such provision or modification of this Agreement. A waiver of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms of this Agreement.

13.13 **Severance.** In the event this Agreement or a portion of this Agreement is found by a court of competent jurisdiction to be invalid, the remaining provisions shall continue to

be effective to the extent practicable unless County or Contractor elects to terminate this Agreement.

- 13.14 **Entire Agreement.** This Agreement contains the entire agreement between Contractor and County. Any modifications to this Agreement shall not be binding unless in writing and signed by both parties.

- 13.16 **Prior Agreements.** This document represents the final and complete understanding of the Parties and incorporates or supersedes all prior negotiations, correspondence, conversations, agreements, and understandings applicable to the matters contained herein. The Parties agree that there is no commitment, agreement, or understanding concerning the subject matter of this Agreement that is not contained in this written document. Accordingly, the Parties agree that no deviation from the terms hereof shall be predicated upon any prior representation or agreement, whether oral or written.
- 13.17 **Other Agencies.** The Contractor may, upon mutual agreement, permit any municipality or other governmental agency to participate in the Agreement under the same prices, terms, and conditions. It is understood that at no time will any city or municipality or other agency be obligated for placing an order for any other city, municipality, or agency, nor will any city, municipality, or agency be obligated for any bills incurred by any other city, municipality, or agency. Further it is understood that each agency will issue its own purchase order to the Contractor.
- 13.18 **F.O.B. Point.** The F.O.B. points for this Agreement and for all purchases made under it shall be as specified by the using department, in Volusia County, Florida. 13.22 Right to Require Performance

13.22.1 The failure of the County at any time to require performance by the Contractor of any provision hereof shall in no way affect the right of the County thereafter to enforce same, nor shall waiver by the County of any breach of any provision hereof be taken or held to be a waiver of any succeeding breach of such provision or as a waiver of any provision itself.

Agenda Item #29.

Agenda Item Name:

Supplemental Agreement with Zoll Medical Corporation to purchase cardiac monitors

Presenter:

William Northcutt, Chief, 352-384-3101

Item Description:

Supplemental Agreement between Alachua County and Zoll Medical Corporation to purchase thirteen (13) X Series Manual Monitor/Defibrillators and accessories.

Recommended Action:

Approve and sign the Supplemental Agreement and Acknowledgment Form with Zoll Medical Corporation, in the amount of \$363,952.41, for the purchase of thirteen (13) X Series Manual Monitor/Defibrillators and Accessories.

Prior Board Motions

On September 25, 2018, the Board Adopted the FY19 Budget which included funding for the replacement of the cardiac monitors on the rescue units (half of the units).

Fiscal Consideration:

The FY19 budget includes funding to replace half of the cardiac monitors.

Background:

Alachua County Fire Rescue (ACFR) utilizes Zoll E-series monitors on its front-line ALS units. Manufacturer life expectancy for the Zoll E-series monitors is 8-years and ACFR units have reached that benchmark. Zoll no longer manufactures the E-series and will no longer provide software updates.

The FY19 Approved budget includes funding to replace half of the Zoll E-series monitors with the Zoll X-series. The new technology offers WiFi connectivity for transmission of electrocardiograms (ECGs) to the hospital rather than Bluetooth connection used by E-series.

Volusia County currently has an agreement with Zoll that ACFR is able to utilize and save over \$3,000.00 per unit. In addition, Zoll has offered a credit as trade-in values for ten of the E-series units. A supplemental agreement and acknowledgment form is necessary to utilize the Volusia County agreement and pricing.
