Re: Environmental Review, Alachua County Housing

Dear THPO Corrain Leo-Zepeda,

Alachua County, Florida has been awarded a grant under the Community Development Block Grant Corona Virus (CDBG-CV), administered through the Florida Department of Economic Opportunity (DEO). The funding, once awarded will be used to convert an existing 36 room hotel to Single Room occupancy units for the homeless. This is a site-specific project located at 4401 SE 13th Street Gainesville, Alachua County, Florida 32608.

As part of the Environmental Review process, we are advising that, subject to funding, we are giving your organization the opportunity to comment on the proposed project. We have included maps of the area as well a site map. Should you require additional information please advise Mr. Weeks at 352-337-6284 or e-mail sweeks@alachuacounty.us.

Upon your review, please provide a response as to whether or not you believe this project would be harmful to the environment. We would request a response within 30 days.

Should you any additional question or need additional information please feel free to contact me at 352-337-6285 or via email at housing@alachuacounty.us.

Sincerely

Anna Prizzia, Chair
Alachua County Commission
