Training or Experience Related to the Appointment:

Was a member of this Board since its inception and am currently serving as Chairman.

What contributions do you feel you could make if you were selected for this board?

I have been a member of this board since it was created so I understand the trials and tribulations we have discussed and worked through regarding appropriate and inappropriate expenditures with limited guidance and prior precedent on several issues. I have been in Gville for several decades and have a good understanding of what a lot of citizens intended WSPP funds be spent on and what may be inappropriate.

Some of the boards and committees appointed by the County Commission are required to comply with Chapter 112, Florida Statutes, the Financial Disclosure Law. If applicable, would you be willing to file the required financial statement?

Yes

Appointees to advisory board/committees are required to attend scheduled meetings as specified in the "Guidelines for Citizen Advisory Boards and Committees".

Do you affirm that your personal and business (if applicable) affairs within Alachua County are in substantial compliance with all county regulatory and taxing authorities rules and regulations?

Yes
