Please list any civic and professional accomplishments/honors, training or experience related to this appointment:

I am currently the Program Administrator for Child Protective Investigations (Alachua County). I have over 17 years of child welfare experience where I have had the opportunity to work with children and families who are the victims of rape. Because of this experience, I am well versed at working with families and helping to navigate through crisis. I am also aware of resources that Alachua County has to offer these families in crisis. I am Level One certified in Trauma and Resilience Certification from Florida State University. I am a Registered Marriage and Family Therapy Intern with the state of Florida (#IMT3379) and I expect to be fully licensed by November 2022. I am a part time therapist with Gainesville Community Counseling Center. In this capacity, I have had the opportunity to work with clients and help them learn coping skills to deal with past traumas as well as empower their families to help in the healing process.

What Contributions do you feel you could make if you were selected to this board?

I am a community advocate, born and raised in Gainesville, FL and I hold myself responsible to make sure members of our community have the resources/opportunities/services they need in order to aid in creating a positive sense of well being, especially if they experience life changing traumas. As a community advocate, I have established relationships with several stakeholders and agencies within the county that render aid to families in need.
