Good morning Brooke,

It does not appear that the carryforward was included in our current year's POR. We can input a change order to increased the POR by the following amounts:

\$35,616 from FY21 carryforward
\$2500 for the newly created Assistant Chief position
\$38,116 total increase

If you have any questions or need any additional information, please let me know. 😊

Thank you,
Donna Guirate
