Collectively, the County and CINTAS are referred to herein as the "Parties" and individually, as appropriate, as a "Party."

WHEREAS, the County desires to contract with CINTAS to purchase or lease work uniforms; and

WHEREAS, CINTAS desires provide said work uniforms to the County; and

WHEREAS, CINTAS is currently under contract with Omnia Partners, a Government Cooperative Purchasing Alliance, Contract R-BB-19002 (the "Master Agreement"), to provide work uniforms and related goods and services; a copy of the Master Agreement, and all modifications thereto in effect as of the date of this Agreement, are hereby incorporated herein and made a part of this Agreement; and

WHEREAS, pursuant to Section 22.3-302 (13) of the Alachua County Procurement Code, the procurement of the goods and services to be provided by CINTAS to the County pursuant to this Agreement are exempt from the County's competitive procurement processes; and

WHEREAS, the County and CINTAS agree to the terms and conditions of the Master Agreement, except as modified herein.

NOW THEREFORE, in consideration of the mutual promises and covenants contained herein, and other good and valuable consideration, the receipt and sufficiency of which is acknowledged by the Parties, the Parties hereto do mutually agree as follows:

1. The recitals set forth above are true, correct, and are incorporated into and made part of this Agreement.
2. The Parties agree to be bound by the terms, conditions and pricing of the Master Agreement, except as modified below:
3. The Parties agree to the following provisions
 - a. **Term**
 - i. The Term of this Agreement is effective October 1, 2020 and continues through September 30, 2023, unless terminated earlier as provided herein. The County has the option of renewing or extending the term of this Agreement for additional periods of time coinciding with the term of any renewals or extensions of the Master Agreement.
 - ii. The County's performance and obligation to pay under this Agreement is contingent

upon a specific annual appropriation by the Alachua County Board of County Commissioners ("Board"). The Parties hereto understand that this Agreement is not a commitment of future appropriations. Therefore, the continuation of this Agreement beyond the end of any fiscal year shall be subject to both the appropriation and the availability of funds in accordance with Chapter 129, Florida Statutes, and that the failure of the Board to do so shall not constitute a breach or default of this Agreement.

b. **Payment:**

- i. The Parties agree to incorporate into this Agreement the terms and conditions set forth in the CINTAS Facilities Solutions Agreement attached hereto as Attachment A, but only to the extent that they do not conflict with the terms and conditions of this Agreement. To the extent that the terms and conditions of Attachment A conflict with the terms and conditions of this Agreement, those terms and conditions shall have no effect and the terms and conditions of this Agreement shall govern.
- ii. For goods and services provided to the County by Cintas, the County agrees to pay Cintas in accordance with the price schedule set forth in **Attachment "A"**. However, the total annual amount that the County may be obligated to pay Cintas SHALL NOT EXCEED Eighty Thousand Dollars and 00/100 (\$80,000.00) per fiscal year (the "Annual Not-To-Exceed Contract Price"). For the purposes of this Agreement, a fiscal year shall be the period of October 1st through September 30th of the following year. In the event that the County requests goods or services that would exceed the Annual Not-To-Exceed Contract Price, Cintas shall notify the County and shall not providing said goods or services unless or until this Agreement is amended to increase the Annual Not-To-Exceed Contract Price.
- iii. As a condition precedent for any payment, the Contractor shall submit monthly invoices to the County requesting payment for goods and services actually received by the County. The CINTAS's invoice shall describe with reasonable particularity each good received and each service rendered, the date thereof, the time expended if such services were rendered pursuant to a fee and the person(s) rendering such service. The CINTAS's invoice shall be accompanied by such documentation or data in support of expenses for which payment is sought as the County may require. Each invoice shall constitute the CINTAS's representation to the County that the services indicated in the invoice have reached the level stated, have been properly and timely performed as required herein, that the expenses included in the invoice have been reasonably incurred in accordance with this Agreement, all services provided have served a public purpose, all obligations of the CINTAS covered by prior invoices have been paid in full, and the amount requested is currently due and owing, there being no reason known to the CINTAS that payment of any portion thereof should be withheld. Submission of the CINTAS's invoice for final payment shall further constitute the CINTAS's representation to the County that, upon receipt by the CINTAS of the amount invoiced, all obligations of the CINTAS to others, including its consultants, incurred in connection with the work, will be paid in full. The CINTAS shall submit invoices to the County at the following address:

Alachua County Board of County Commissioners
Procurement
12 SE 1st Street
Gainesville, FL 32601

- iv. All applications for payment shall be processed and paid in accordance with the provisions of Chapter 218, Part VII Florida Statutes ("Local Government Prompt Payment Act").

c. Default and Termination

- i. The failure of the Contractor to comply with any provision of this Agreement will place the Contractor in default. Prior to terminating the Agreement, the County will notify the Contractor in writing. This notification will make specific reference to the provision which gave rise to the default. The County will give the Contractor up to Thirty (30) days to cure the default. The Alachua County Procurement Manager is authorized to provide written notice of default on behalf of the County, and if the default situation is not corrected within the allotted time the Alachua County Manager is authorized to provide final termination notice on behalf of the County to the Contractor.
- ii. The County may also terminate the Agreement without cause by providing written notice to the Contractor (hereinafter, "Termination for Convenience"). The County Manager is authorized to provide written notice of Termination for Convenience on behalf of the County. Upon such notice, Contractor will immediately discontinue all Work affected (unless the notice directs otherwise) and deliver to the County all data, drawings, specifications, reports, estimate, summaries, and such other information and materials as may have been accumulated by the Contractor in performing this Agreement, whether completed or in process. In the event of such Termination for Convenience, Contractor's recovery against County shall be limited to that portion of the Annual Contract Price earned through the date of termination, but Contractor shall not be entitled to any other or further recovery against County, including, but not limited to, damages, consequential or special damages, or any anticipated fees or profit on portions of the Work not performed.
- iii. If funds to finance this Agreement become unavailable, the County may terminate the Agreement with no less than twenty-four (24) hours' notice in writing to the Contractor. The County will be the final authority as to the availability of funds. The County will pay the Contractor for all Work completed prior to delivery of notice of termination. In the event of such Termination, Contractor's recovery against County shall be limited to that portion of the Annual Contract Price earned through the date of termination, but Contractor shall not be entitled to any other or further recovery against County, including, but not limited to, damages, consequential or special damages, or any anticipated fees or profit on portions of the Work not performed.

iv.

d. Indemnification

- i. To the maximum extent permitted by Florida law, CINTAS shall indemnify and hold harmless the County and its officers and employees from any and all third-party liabilities, damages, losses and costs, including, but not limited to, reasonable attorneys' fees, but only to the extent such liabilities, damages, losses and costs are directly caused by the negligence, recklessness, or intentional wrongful misconduct of CINTAS or anyone employed or utilized by CINTAS in the performance of this Agreement. CINTAS agrees that indemnification of the County shall extend to any and all Work performed by CINTAS, its subcontractors, employees, agents, servants or assigns.
 - ii. CINTAS's obligation to indemnify under this Article will survive the expiration or earlier termination of this Agreement until it is determined by final judgment that an action against the County or an indemnified party for the matter indemnified hereunder is fully and finally barred by the applicable statute of limitations.
 - iii. This obligation shall in no way be limited in any nature whatsoever by any limitation on the amount or type of CINTAS's insurance coverage. This indemnification provision shall survive the termination of the Agreement between the County and CINTAS.
 - iv. In any and all claims against the County or any of its agents or employees by any employee of CINTAS, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the indemnification obligation under this Article shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for CINTAS under workers' compensation acts, disability benefit acts or employee benefit acts.
 - v. Nothing contained herein shall constitute a waiver by the County of sovereign immunity or the provisions or limits of liability of §768.28, Florida Statutes.
- e. **Notice.** Except as otherwise provided in this Agreement, all notices to be provided under this Agreement from either party to the other party must be by one of the following methods: (i) in writing and sent by certified mail, return receipt requested, (ii) by personal delivery with receipt, or (iii) via electronic mail. Each participating Public Agency will be exclusively responsible and deal directly with Supplier on matters relating to length of agreement, ordering, delivery, inspection, acceptance, invoicing, and payment for products and services in accordance with the terms and conditions of the Master Agreement. Any disputes between a Participating Public Agency and Supplier will be resolved directly between them in accordance with and governed by the laws of the State in which the Participating Public Agency exists.

3. **Prices** Customer agrees to rent from Company, and Company agrees to provide to Customer, the Merchandise, inventory and services described on Exhibit A, "Merchandise & Pricing" at the prices set forth in Exhibit A. There will be a minimum charge of thirty-five dollars (\$35.00) per week for each Customer location required to purchase its rental services from Company as set forth in this Agreement.
4. **Buyback of Non-Standard Garments** Customer has ordered from Company a garment rental service requiring embroidered garments that may not be standard to Company's normal rental product line. Those non-standard products will be designated as such under Garment Description in Exhibit C. In the event Customer deletes a non-standard product, alters the design of the non-standard product, fails to renew the Agreement, or terminates the Agreement for any reason other than documented quality of service reasons which are not cured, Customer agrees to buy back all remaining non-standard products allocated to Customer that the Company has in service and out of service at the then current Loss/Damage Replacement Values.
5. **Service Guarantee:** Company guarantees to deliver the highest quality textile rental service at all times. Any complaints about the quality of the service which have not been resolved in the normal course of business must be sent by registered letter to Company's General Manager. If Company then fails to resolve any material complaint in a reasonable period of time (30 days or less), Customer may terminate this agreement provided all rental items are paid for at the then current replacement values or returned to Company in good and usable condition.
6. **Garments' Lack of Flame Retardant or Acid Resistant Features** Unless specified otherwise in writing by the Company, the garments supplied under this Agreement are not flame retardant or acid resistant and contain no special flame retardant or acid resistant features. They are not designed for use in areas of flammability risk or where contact with hazardous materials is possible. Flame resistant and acid resistant garments are available from Company upon request. Customer warrants that none of the employees for whom garments are supplied pursuant to this Agreement require flame retardant or acid resistant clothing.
7. **Logo Mats** In the event that Customer decides to delete any mat bearing the Customer's logo (Logo Mat) from the rental program, changes the design of the Logo Mats, terminates this agreement for any reason or fails to renew this Agreement, the Customer will purchase at the time of deletion, design change or termination, all remaining Logo mats that the Company has in service and out of service held in inventory at the then current Loss/Damage Replacement Value.
8. **Adding Employees** Additional employees and Merchandise may be added to this Agreement at any time upon written or oral request by the Customer to the Company. Any such additional employees or Merchandise shall automatically become a part of and subject to the terms of this Agreement. If such employees are employed at a Customer location that is then participating under this Agreement, the Customer shall pay Company the one-time preparation fee indicated on Exhibit A. Customer shall not pay Company any one-time preparation fee for garments for employees included in the initial installation of a Customer location. There will be a one-time charge for name and/or company emblems when employees are added to the program in garments requiring emblems.
9. **Emblem Guarantee** Customer has requested that Company supply emblems designed exclusively for Customer featuring Customer's logo or other specific identification (hereinafter "Customer Emblems"). Company will maintain a sufficient quantity of Customer Emblems in inventory to provide for Customer's needs and maintain a low cost per emblem through quantity purchases.
10. In the event Customer decides to discontinue the use of Customer Emblems, changes the design of the Customer Emblems, terminates this Agreement for any reason or fails to renew this Agreement, the Customer will purchase at the time of deletion, design change, termination or expiration, all remaining Customer Emblems that the Company allocated to Customer at the price indicated on Exhibit A of this Agreement. In no event shall the number of Customer Emblems allocated to Customer exceed the greater of (a) twelve (12) months' volume for each unique Customer Emblem or (b) a quantity agreed to by Company and Customer and noted on Exhibit A.
11. **Terminating Employees** Subject to the provisions of this Agreement, the weekly rental charge attributable to any individual leaving the employ of the Customer, or on a temporary leave of absence of three (3) weeks or more, shall be terminated upon oral or written notice by the Customer to the Company but only after all garments issued to that individual, or value of same at the then current Loss/Damage Replacement Values, are returned to Company.
12. **Replacement** In the event any Merchandise is lost, stolen or is not returned to Company, or is destroyed or damaged by fire, welding damage, acid, paint, ink, chemicals, neglect or otherwise, the Customer agrees to pay for said Merchandise at the then current Loss/Damage Replacement Values.
13. **Indemnification** To the fullest extent permitted by law, Company agrees to defend, indemnify, pay on behalf of and save harmless the Participating Public Agency, its elected and appointed officials, agents, employees and authorized volunteers against any and all claims, liability, demands, suits or loss, including reasonable attorneys' fees and all other costs connected therewith, arising out of or connected to the services provided by Company under this Contract, but only to the extent of Company's negligence.
14. **Additional Items:** Additional customer employees, products and services may be added to this agreement and shall automatically become a part of and subject to the terms hereof and all of its provisions. If this agreement is terminated early for convenience, the parties agree that the damages sustained by Company will be substantial and difficult to ascertain. Therefore, if this agreement is terminated by Customer prior to the applicable expiration date for any reason other than documented quality of

service reasons which are not cured, or terminated by Company for non-payment by Customer at any time Customer will pay to Company, as termination charges and not as a penalty based upon the following schedule:

If this agreement is cancelled for convenience in the first twelve months of the term, Customer shall pay as termination charges equal to 50 weeks of rental service.

If this agreement is cancelled for convenience in months thirteen (13) through eighteen (18) of the term, Customer shall pay as termination charges equal to 36 weeks of rental service.

If this agreement is cancelled for convenience in months nineteen (19) through twenty-four (24) of the term, Customer shall pay as termination charges equal to 23 weeks of rental service.

If this agreement is cancelled for convenience after 24 months of service, Customer shall pay as termination charges of 10 weeks of rental service.

Customer shall also be responsible to return all of the Merchandise allocated to such Customer locations terminating this Agreement at the then current Loss/Damage Replacement Values and for any unpaid charges on Customer's account prior to termination.

Customer bears full responsibility for selecting the flame-resistance clothing and fabrics ("FRC") under this agreement determining whether such items are appropriate for use by its employees and agents in their applicable work environment(s). CUSTOMER ACKNOWLEDGES THAT COMPANY HAS MADE NO REPRESENTATION, WARRANTY, OR COVENANT WITH RESPECT TO THE FLAME-RESISTANT QUALITIES OR OTHER CHARACTERISTICS OF THE FRC OR WITH RESPECT TO THEIR FITNESS OR SUITABILITY FOR THIS OR ANY OTHER PURPOSE. COMPANY MAKES NO REPRESENTATION WHETHER THE FRC CONSTITUTES APPROPRIATE PERSONAL PROTECTIVE EQUIPMENT FOR THE ENVIRONMENT(S) TO WHICH CUSTOMER'S EMPLOYEES OR AGENTS MAY BE EXPOSED OR AS TO THE FRC'S ABILITY TO PROTECT USERS FROM INJURY OR DEATH. Customer agrees to notify all employees and other agents of Customer who may wear or will be wearing the FRC that it is not designed for substantial heat exposure or for use around open flames. Customer acknowledges that compliance with any and all OSHA or other similar regulations or requirements relating to personal protective equipment is the sole responsibility of Customer. Further, Customer releases Company from any and all liability that results or may result from the use of the garments, including but not limited to any alleged failure of the FRC to function as flame-resistant or provide protection against fire and/or heat. Customer hereby agrees to defend, indemnify and hold harmless Company from any claims and damages arising out of or associated with this Agreement or resulting from Customer's or its employees' use of the FRC.

For high visibility garments: Customer bears sole responsibility for: (a) determining the level of visibility needed by wearers of the garments for their specific work conditions or uses; (b) identifying and selecting which garments meet the required level of visibility for any particular work conditions or uses; and (c) determining when garments require repair or replacement to meet the required level of visibility. If garment needs to be replaced outside of normal wear and tear, the customer will be charged the then current replacement value. Customer acknowledges and understands that the garments alone do not ensure visibility of wearer. Customer further acknowledges that Company is relying upon Customer to determine whether any garments need repair or replacement to maintain the required level of visibility. Company represents only that the garments supplied satisfy certain ANSI/ISEA standards to the extent the garments are so labeled.
