**STANDARD ADDENDUM TO ALL CONTRACTS
AND AGREEMENTS**

[General]

Any other provisions of the contract or agreement (the Agreement) to which this document is attached to the contrary notwithstanding, the provisions hereof take precedence over the provisions of the Agreement regardless of whether the matters addressed herein are also addressed in the Agreement, and shall be deemed an integral part of the Agreement as if set forth therein, having a force and effect of equal or superior dignity, as applicable, with the provisions thereof; provided, if provisions of the Agreement address a matter in a manner which results in a lower cost to the County than would prevail hereunder, then such provisions shall control and supersede the applicable provisions hereof. As used herein, the term "Contractor" means the vendor or other party to the Agreement providing construction, labor, materials, professional services, and/or equipment to the County thereunder; the term "County" means Clay County, a political subdivision of the State of Florida, its Board of County Commissioners, or any other name or label set forth in the Agreement identifying such entity; and the term "Parties" means the County and the Contractor together.

Upon receipt of a proper Invoice, the County shall have the number of days provided in the Act in which to make payment.

(a) Promptly upon receipt of an Invoice submitted under this paragraph, the Paying Agent shall date stamp the same as received. Thereafter, the Paying Agent shall review the Invoice and may also review the Work as delivered, installed or performed to determine whether the quantity and quality of the Work is as represented in the Invoice and is as required by this Agreement. If the Paying Agent determines that the Invoice does not conform with the applicable requirements of the Agreement or this paragraph or that the Work within the scope of the Invoice has not been properly delivered, installed or performed in full accordance with the Agreement, the Paying Agent shall notify the Contractor in writing within 10 days after the improper Invoice is received that the Invoice is improper and indicate what corrective action on the part of the Contractor is needed to make the Invoice proper. The County shall pay each proper Invoice in accordance with the applicable provisions of the Act.

(b) By the submittal of an Invoice hereunder, the Contractor shall have been deemed to have warranted to the County that all Work for which payments have been previously received from the County shall be free and clear of liens, claims, security interests or other encumbrances in favor of the Contractor or any other person or entity for failure to make payment.

(c) The Parties will attempt to settle any payment dispute arising under this paragraph through consultation and a spirit of mutual cooperation. The dispute will be escalated to appropriate higher-level managers of the Parties, if necessary. If the dispute remains unresolved within 30 calendar days following the Submittal Date, then the Paying Agent shall schedule a meeting with the Manager between the Contractor's representative and the Paying Agent, to be held no later 45 calendar days following the Submittal Date, and shall provide written notice to the Contractor regarding the date, time and place of the meeting no less than 7 calendar days prior thereto.
