The Department shall commence construction of the Improvement at its convenience after the appropriation of sufficient funds.

B. Prior to commencement of construction and at their sole cost and expense, the Agency shall ensure that the Property is free and clear of any and all encroachments that may impede or in any way interfere with the Department's construction of the Improvement.

9. UTILITIES

The Agency shall be responsible for locating, removing and relocating utilities, both aerial and underground, if required for the Agency to perform this Agreement. The Agency shall ensure all utility locations are accurately documented on the construction Plans and Specifications, including the final as-built plans. All utility conflicts shall be resolved by the Agency directly with the applicable utility.

10. OPERATION, MAINTENANCE & REPAIR

A. The Agency shall operate, maintain, and repair the Improvement at its sole cost and expense, in a good and workmanlike manner, with reasonable care, in accordance with the terms and provisions of this Agreement including applicable Governmental Law.

B. The Agency agrees that it will be solely responsible for the operation, maintenance, and repair of the Improvement. Should the Agency fail to operate, maintain, and repair the Improvement in accordance with the terms and provisions of this Agreement and applicable Governmental Law, and the Department be required to perform such operation, maintenance, or repair pursuant to 23 CFR 1.27 and under the authority of Title 23, Section 116, U.S. Code, the Agency agrees that it shall be fully responsible to the Department for repayment of any funds expended by the Department for the operation, maintenance, or repair of the Improvement. The Department shall invoice the Agency for any operation, maintenance, or repair expenses charged to the Department, and the Agency shall pay such invoices in accordance with the

Payment section of this Agreement. Nothing in this Agreement shall relieve the Agency of its financial obligations to the Department should this occur.

C. The Agency further agrees to allow the Department access to the Property and the Improvement pursuant to Paragraph 3 above should the events described in Paragraph B occur.

12. FEDERAL NON-PARTICIPATION/FUNDING

A. The parties agree that any Improvement constructed on the Agency Property will be compensable by the Department only if such items are deemed to be federal participating as determined in accordance with the Federal Aid Policy Guide 23, CFR Section 635.120 ("CFR"). Examples of non-participating items may include, without limitation, the following: fishing piers; premium costs due to design or CEI errors/omissions; material or equipment called for in the plans but not used in construction of the Improvement.

B. The example items listed in paragraph A, above, are not intended to be an exhaustive list. A determination of an item as a federal non-participating cost, shall be made in the Department's sole discretion and, without limitation, in accordance with the CFR. Any item or Improvement deemed to be a federal non-participating item shall be funded at the sole expense of the Agency.

a. Should the Department identify a federal non-participating item, the Agency shall provide a deposit for the amount of the federal non-participating item to the Department within fourteen (14) calendar days of the Department's determination and notification of the same to the Agency.

b. The Department shall notify the Agency as soon as it is determined that a non-participating federal item exists; however, failure of the Department to so notify the Agency shall not relieve the Agency of its obligation to pay for the entire amount of all federal non-participating costs accrued during the construction of the Improvement and upon final accounting.

c. In the event the Agency cannot provide the deposit within fourteen (14) calendar days, a letter, prior to expiration of that time, must be submitted to and approved by the Department's contract manager establishing a mutually agreeable date of deposit.

d. The Agency understands the extension of time, if so approved, may delay construction of the Improvement, and additional federal non-participating costs may be incurred due to the delay.

C. The Department intends to have its final and complete accounting of all costs incurred in connection with the work performed hereunder within three hundred sixty days (360) of final payment to the Contractor. The Department considers the Project complete when the final payment has been made to the Contractor, not when the construction work is complete. All federal non-participating fund cost records and accounts shall be subject to audit by a representative of the Agency for a period of three (3) years after final close out of the Project. The Agency will be notified of the final federal non-participating costs of the Project. Both parties agree that in the event the final accounting of total federal non-participating costs pursuant to the terms of this Agreement is less than the total deposits to date, a refund of the excess will be made by the Department to the Agency. If the final accounting is not performed within three hundred and sixty (360) days, the Agency is not relieved of its obligation to pay. In the event the final accounting of total federal non-participating costs is greater than the total deposits to date, the Agency will pay the additional amount within forty (40) calendar days of the date of the invoice from the Department.

D. The payment of funds pursuant to this Agreement provision will be made directly to the Department for deposit.

12. WARRANTIES

After completion of construction of the Improvement and upon the Agency's written request, the Department shall transfer all transferable warranties concerning construction of the Improvement to the Agency. The assignment shall be evidenced by a separate written agreement signed by the parties and shall be subject to applicable Governmental Law and the construction agreement entered between the Department and its contractor.

13. EMINENT DOMAIN AND DAMAGES

Under no circumstances shall the Department's exercise of any right provided in this Agreement create any

right, title, interest or estate entitling the Agency to full and just compensation from the Department either through inverse condemnation or eminent domain laws or any similar laws regarding the taking of property for public purposes. The Agency forever waives and relinquishes all legal rights and monetary claims which it has, or which may arise in the future, for compensation or damages, including, without limitation, special damages, severance damages, removal costs, and loss of business profits resulting in any manner from the Department's exercise of any right provided in this Agreement. This waiver and relinquishment specifically includes all damages flowing from adjacent properties owned, leased or otherwise controlled by the Agency, as a result of the Department's exercise of any right provided in this Agreement.

14. PAYMENT

All Department invoices submitted for payment pursuant to the terms and provisions of this Agreement are due and payable within thirty (30) days of the date of the invoice ("Due Date"). Any portion of an invoice not received by the Department by the Due Date shall immediately thereafter begin accruing interest at a rate of interest established pursuant to §55.03, Florida Statutes, until paid in full (past due principal and accrued interest shall be collectively referred to as "Past Due Sums").

15. INDEMNIFICATION

A. The Agency shall promptly defend, indemnify, hold the Department harmless from and pay all demands, claims, judgments, liabilities, damages, fines, fees, taxes, assessments, costs, losses, penalties, construction delay costs / penalties, expenses, attorneys' fees and suits of any nature or kind whatsoever caused by, arising out of or related to the Agency's performance, or breach, of this Agreement ("Liabilities"). The term "Liabilities" shall also specifically include all civil and criminal environmental liability arising, directly or indirectly under any Governmental Law, including, without limitation, liability under the Resource Conservation and Recovery Act ("RCRA"), the Comprehensive Environmental Response, Compensation and Liability Act ("CERCLA"), the Clean Air Act ("CAA") and the Clean Water Act ("CWA"). The Agency's duty to defend, indemnify and hold the Department harmless specifically does not encompass indemnifying the Department for its negligence, intentional or wrongful acts, omissions or breach of contract.

B. The Agency shall notify the Department in writing immediately upon becoming aware of any Liabilities. The Agency's obligation to defend, indemnify and hold the Department harmless from any Liabilities, or at the Department's option to participate and associate with the Department in the defense and trial of any Liabilities, including any related settlement negotiations, shall be triggered by the Department's written notice of claim for indemnification to the Agency. The Agency's inability to evaluate liability, or its evaluation of liability, shall not excuse performance of the provisions of this paragraph.

16. SOVEREIGN IMMUNITY & LIMITATION OF LIABILITY

Nothing in this Agreement shall be deemed or otherwise interpreted as waiving either party's sovereign immunity protections, or as increasing the limits of liability set forth in §768.28, Florida Statutes, as the same may be amended from time to time. Nothing in this Agreement shall be deemed or otherwise interpreted as waiving the Department's limits of liability set forth in sections 376.305 and 337.27(4), Florida Statutes, as the same may be amended from time to time.

Pursuant to §339.135(6)(a), Florida Statutes, the Department's obligation to fund construction of the Improvement is contingent upon annual appropriation by the Florida Legislature. The provisions of §339.135(6)(a), Florida Statutes, are set forth herein verbatim and made part of this Agreement, to wit:

Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The department shall require a statement from the comptroller of the department that funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding 1 year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years; and this paragraph shall be incorporated verbatim in all contracts of the department which are for an amount in excess of \$25,000 and which have a term for a period of more than 1 year."

C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of this Agreement and following completion of the Agreement if Agency does not transfer the records to the Department.

All records stored electronically must be provided to the Department, upon request from the Department's custodian of public records, in a format that is compatible with the information technology systems of the Department.

Failure by Agency to act in accordance with Chapter 119 and the foregoing shall be grounds for immediate unilateral cancellation of this Agreement by the Department. Agency shall promptly provide the Department with a copy of any request to inspect or copy public records in possession of Agency and shall promptly provide the Department a copy of Applicant's response to each such request.
