RE: Addendum #1  
BID 19-907 NW 16th Ave Milling and Resurfacing & NW 16th Ave @ NW 2nd Street  
Signal

Dear Sir/Madam:

Please be aware of the following clarifications regarding the above referenced Bid:

## **CLARIFICATIONS**

**Delete:** Exhibit A: BID FORM

**ADD: Exhibit A: ADDENDUM 1 BID SCHEDULE**  
**Attached below (Submitted this with Final Bid)**

## **QUESTIONS & ANSWERS**

Q #1: Where are the structures located on the project?

**A #1: The structures are shown and designated on sheet C6.11 in the plans.**

Q #2: If the definition is to clean structure and pipe, how many linear feet of pipe desilting would have to be taken into consideration?

**A #2: The length of pipe to be desilted is the length scaled from the plans between structures ST-46 to ST-53 and between ST-53 and ST-51.**

Q #3: On Plan Sheets C6.2, C6.8 and C6.9 they are calling to "Provide new curb inlet top", do these correlate with Pay Item # 11 or do they go under another pay item number?

**A #3: The Bid Schedule has been revised to include an additional pay item (see attached).**

**NOTE:** You should acknowledge receipt of this addendum on your Bid Form.

**End of Addendum # 1**

Sincerely,

*Theodore White*

Theodore White  
Procurement Agent
