What contributions do you feel you could make if you were selected for this board?

As an 18 year resident, home owner, youth sports coach and business leader in Longwood, FL (a suburb of Orlando in Seminole County) prior to moving to Gainesville with my wife in 2018, I experienced first hand rapid growth that deeply impacted the quality of life of all residents that resulted in a community that had lost much of it's character over time. My goal if selected for this committee is to bring the lessons I learned while a resident in Longwood and the business knowledge I have working with small businesses across the US to help Gainesville grow in a way that provides great quality of life for all current and future residents. Gainesville is now our home where my daughter who is is a double Gator, graduating in 2018 from the UF Veterinary School and is now practicing in Gainesville and my two sons, both Gators, will live,work and enjoy all that Gainesville has to offer .
