

Summary of changes to the Fee Schedule from the prior, approved version

Growth Management

Addition of the phrase, “5% credit to all future collections until appropriate reduced levels of revenue is achieved.” This relates to Flat Rate Building Permit Fees and Dollar Value of Construction Fee Calculations. This change is requested because of updated allowed carry forward amounts under new state laws in Florida Statutes that went into effect July 1, 2019.

Parks and Conservation Lands

At the Alachua County Agricultural and Equestrian Center, there has been push back from event organizers that the Camper Hookups rate was increased from \$30 to \$35 per night, so this fee schedule sets it back at \$30 per night. In addition, the fee for basic amenities was reduced from \$50 per day to \$25 per show day and an incentive/appreciation discount was added to provide for a one-time 10% discount to all new show organizers/producers for new contracts.
