Subject: Bid #19-226 Annual Aquatic Vegetation Management Services

Our department has reviewed the responses submitted for the above referenced bids and have determined that the bids comply with the Department's bid documents and instructions.

It is my recommendation that the bid be awarded to the lowest, most responsible and responsive bidder, Bio-Tech Consulting, Inc.

The work will consist of four (4) cycles per year for Aquatic Vegetation at an estimated annual cost of \$4,792 and two (2) cycles per year for Congongrass Treatment at an estimated annual cost of \$5,390.00. The bid also included cost for additional treatment areas as needed. I estimate that the total annual cost will not exceed 30,000.00.

Specific questions concerning the above bid may be referred to Mr. Neil C. Greishaw, Public Works Horticulturist, at 352.548.1263 (Office) or 352.548.1210 813-580-3236 (Cell).
