CONSERVATION AND OPEN SPACE ELEMENT

- (d) Mitigation should ~~shall~~ be permitted only within the boundaries of Alachua County and, to the maximum extent practicable, within the local watershed in which the impact occurs.
- ~~(e) Alachua County shall prioritize receiving areas for mitigation within the county, and investigate the feasibility of implementing a local mitigation banking system.~~
- (~~ef~~) Wetland mitigation activity conducted by a public agency may not be utilized for wetland mitigation credit by private entities ~~persons~~ unless approved by Alachua County.
- (~~fg~~) The landowner shall post a performance bond or similar financial guarantee to assure implementation of the mitigation and monitoring plan.
- (~~gh~~) No mitigation credits will be given for onsite preservation of wetlands, unless such proposals can demonstrate implementation and sustainability of adequate and appropriate enhancement and/or restoration of habitat.
- (h) Designated wetland and buffer mitigation areas related to development shall be permanently protected in perpetuity using a legal instrument that runs with the land, in a form acceptable to the County, and duly recorded in the Public Records of Alachua County, which assures preservation and maintenance of the associated areas. The preferred legal instrument shall be a conservation easement (Section 407.06, F.S.), however depending on conditions, may also include other dedication options such as deed restrictions.

Reason: Updated language is consistent with State law and provides clarity to policy and procedures for how projects that are proposing surface water, wetland, or associated buffer impacts are handled by the County.
