What contributions do you feel you could make if you were selected for this board?

I will be able to bring a wealth of relevant experience in public and civic service to this Board. My experience in advisory and oversight capacities in Bay County, Florida are directly relevant. My Florida Supreme Court appointment as a public member of the Florida Board of Bar Examiners attests to my background

and character. My support of elected officials has been a constant since my retirement from the Air Force. While not accomplished in the State of Florida, my civic involvement in Colorado and Colorado Springs brings further background and experience. Finally, my experience as a General Officer in the Air Force brings a unique perspective on accountability of public/tax payer funds.

Some of the boards and committees appointed by the County Commission are required to comply with Chapter 112, Florida Statutes, the Financial Disclosure Law. If applicable, would you be willing to file the required financial statement?

Appointees to advisory board/committees are required to attend scheduled meetings as specified in the "Guidelines for Citizen Advisory Boards and Committees".

Do you affirm that your personal and business (if applicable) affairs within Alachua County are in substantial compliance with all county regulatory and taxing authorities rules and regulations?
