

**INTERLOCAL AGREEMENT BETWEEN
ALACHUA COUNTY FIRST RESPONDER AGENCIES**

THIS INTERLOCAL AGREEMENT (“agreement”) is made and entered into this 14th day of October, 2019, by and between the primary first responder agencies within Alachua County.

WITNESSETH:

WHEREAS, Section 163.01, Florida Statutes, known as the “Florida Interlocal Cooperation Act of 1969” authorizes local governments to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities that will harmonize geographic, economic, population and other factors influencing the needs and development of local communities; and

WHEREAS, Part 1 of Chapter 163 of the Florida Statutes permits public agencies as defined therein to enter into interlocal agreements with each other to exercise jointly any power, privilege, or authority which such agencies share in common and which each might exercise separately; and

WHEREAS, the Marjory Stoneman Douglas High School Public Safety Commission recommended that counties be required to develop and implement communication systems that allow direct radio communication between public safety answering points (PSAPs) and first responders outside the PSAPs normal service area to provide for more efficient dispatch of first responders; and

WHEREAS, in response to the Commission’s recommendations, the Florida Legislature created Section 365.179, Florida Statutes (Direct radio communication between 9-1-1 public safety answering points and first responders); and

WHEREAS, FSS 365.179 requires each County Sheriff to facilitate an interlocal agreement between all first responder agencies (“AGENCY” or collectively “AGENCIES” or “Parties”) (as defined therein) within the county which provides for interagency communications as required under this law.

NOW, THEREFORE, in consideration of the foregoing, the AGENCIES agree as follows:

Section 1. Purpose

This agreement sets forth the protocols under which the Alachua County PSAP will directly provide notice by radio of a public safety emergency to the on – duty personnel of a first responder agency for which the PSAP does not provide primary dispatch functions.

Section 2. Definitions

- A. “9-1-1 public safety answering point” or “PSAP” means a municipal or county emergency communications or 9-1-1 call center in the state that receives cellular, landline, or text –to– 9-1-1 communications.
- B. “First responder agency” includes each law enforcement agency and fire service agency, other than a state agency, and each emergency medical services provider, as is designated as a primary first responder for the service area in which a 9-1-1 public safety answering point receives 9-1-1 calls. See list of Alachua County First Responder Agencies, Exhibit A.
- C. “Public safety emergency” or “event” for purposes of this Interlocal Agreement includes, but is not limited to, an incident where a person(s) is actively engaging in causing death or serious bodily injury to multiple victims. This may be the result of an active shooter

and/or other hostile event where the potential for death or serious bodily injury is imminent and/or occurring.

Section 3. Each AGENCY agrees that:

A. The Alachua County PSAP will directly provide notice by radio of a public safety emergency to the on – duty personnel of an AGENCY for which the PSAP does not provide primary dispatch functions as follows:

1. Alachua County PSAP shall have the ability to have direct radio contact with all primary first responder agencies and their dispatchers for whom the PSAP can reasonably receive 9-1-1 communications.
2. Upon the occurrence of a public safety emergency, if the primary PSAP with jurisdiction has not yet dispatched the event, the PSAP receiving the event from 9-1-1 shall, upon supervisor approval, immediately broadcast all 9-1-1 communications or public safety information regarding the emergency over the primary talk group/dispatch channel designated for such communications to the first responders and dispatchers with jurisdiction over the service area where the event is occurring.

B. Training shall be provided to all applicable agency personnel regarding the procedures and protocols set forth in this Agreement; such training shall also include radio functionality and how to readily access the necessary dispatch channel. Each AGENCY, and/or PSAP shall be responsible for training their respective personnel.

Section 4. Effective Date and Term of Agreement

This Agreement shall take effect upon execution and approval by the hereinafter named AGENCIES and shall continue in full force and effect until superseded.

Each AGENCY shall be liable for its own actions and negligence and agrees to assume responsibility for the acts, omissions, or conduct of such agency's employees, subject to the provisions of Section 768.28, Florida Statutes, where applicable. The foregoing shall not constitute a waiver of sovereign immunity beyond the limits set forth in Section 768.28, Florida Statutes, or of any defense available to any agency. Nothing herein shall be construed as consent by any agency to be sued by third parties in any matter, whether arising out of this agreement or any other contract.
