

LIMITED POWER OF ATTORNEY

I, David P. Norton, Vice President for Research of the University of Florida, of the County of Alachua, State of Florida, appoint **Ronald C. Lester**, Manager, Division of Sponsored Programs of the University of Florida, of the County of Alachua, State of Florida, my true and lawful attorney-in-fact, for me and in my name (i) to execute research agreements (including contracts, cooperative agreements, memoranda of understanding, grants, subcontracts and other research awards) for the University in any amount, and (ii) to execute any other type of agreement relating to research or any agreement which may be outside the research enterprise but which requires the University to comply with OMB Circular No. A-133 (the federal audit requirements) that does not impose financial obligations on the University in excess of the greater of (a) \$300,000 over the term of the agreement, which term may not exceed two (2) years, (b) any other threshold and length of term established by the Vice President for Research for a particular agreement, or (c) any other generally applicable threshold and length of term approved by the Senior Vice President and Chief Operating Officer, the President or the President's designee. All authority shall be subject to the requirements of any applicable laws and regulations, University regulations and policies, Board of Trustees' resolutions, policies and operating memoranda, and Board of Governors' regulations and policies (and all third parties without actual knowledge to the contrary may rely on the delegee's determination that this requirement is satisfied), and such authority does not extend to entering into contracts for legal services.

This Limited Power of Attorney shall be effective from **July 1, 2019 and continuing through June 30, 2020** or, if sooner, shall end immediately upon the end of the sub-delegee's service in the above-referenced position at University or the termination of this sub-delegation.

DATED this 1 day of July, 2019.

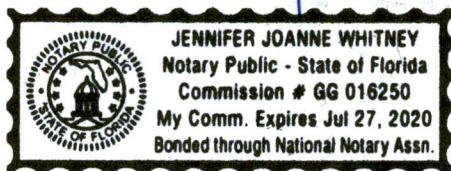

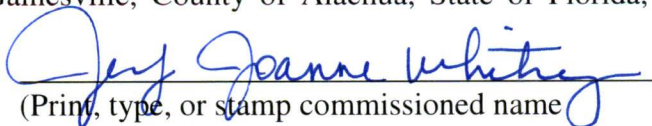

David P. Norton
Vice President for Research
