- 3.2 Current required Alachua County Government Minimum Wage is \$13.50 per hour when health benefits are provided at the equivalent value of \$2.10 per hour and \$15.60 when health benefits are not provided (collectively, the “Minimum Wage”).
- 3.3 The County may amend the applicable Minimum Wage on or before October 1st of each year.
- 3.4 The Contractor shall provide certification, the form of which is attached hereto as **Attachment 7**, to the County that it pays each of its employees the Alachua County Government Minimum Wage, as may be amended by the County on or before October 1st of each year, as well as ensuring that it will require the same of its subcontractors throughout the duration of this Agreement.
- 3.5 The Contractor shall prominently display a copy of the Wage Ordinance where it is easily seen by covered employees and supply to covered employees upon request. Additionally, the Contractor is responsible to make any person submitting a bid for a subcontract for covered services aware of the requirements.
- 3.6 Failure to comply with the provisions of the Wage Ordinance will be deemed a breach of contract and authorize the County to withhold payment of funds in accordance with Chapter 218, Florida Statutes.
- 3.7 The Contractor will include the necessary provisions in subcontracts to ensure compliance. However, the County shall not be deemed a necessary, or indispensable, party in any litigation between the contractor and subcontractor.

#### 4 **GENERAL CONDITIONS**

- 4.1 That it is mutually agreed between the Parties hereto that if, at any time after the execution of this Agreement and the surety bonds hereto attached for its faithful performance and payment, the County shall deem the surety or sureties upon such bond to be unsatisfactory, or if, for any reason, such bond ceases to be adequate to cover the performance of the Work the Contractor shall, at its own expense, within five (5) days after the receipt of notice from the County to do so, furnish an additional bond or bonds in such form and amount, and with surety or sureties as shall be satisfactory to the County. In such event, no further payment to the Contractor shall be deemed to be due under this Agreement until such new or additional security for the faithful performance of the Work shall be furnished in a manner and form satisfactory to the County.
- 4.2 That it is agreed by both Parties hereto that progress payments and final payment for Work performed, determined by the County's Project Representative, will be made in accordance with the provisions as stipulated in the Contract Documents and Specifications. It is agreed that 10% of the amount earned through each progress payment as set forth in the Contract Documents and Specifications will be withheld until the Work reaches 50% completion. For purposes of this Agreement, 50% completion is defined as the amount of Work

completed by the Contractor and acceptance by the County that equals 50% of the Contract Price as defined in paragraph 2.1 of this Agreement. Once 50% completion is reached, the Contractor may request that the County shall pay up to one half of the retainage then held by the County for the properly completed Work. If the County does not dispute any Work or payment, the County will make such payment. Furthermore, once 50% completion is reached, the County shall only retain 5% of each progress payment.

4.3 Within 15 days of obtaining Substantial Completion of the Work as defined herein, or if not defined upon reaching beneficial occupancy or use, the Contractor and County will develop a list (the "List") of items required to render complete, satisfactory and acceptable the Work required herein. The County shall provide the Contractor a draft of The List within 5 days of obtaining Substantial Completion. Contractor will notify the County of acceptance or of any changes requested within 5 days of receipt. If the Contractor accepts the List, it shall be deemed delivered upon receipt of said acceptance by the County. If the Contractor proposes any changes, the County shall review said changes and shall deliver the List to the Contractor within 5 days of receipt of Contractor's proposed changes. Delivery of the List does not relieve the Contractor of the responsibility for corrective Work or for pending items not yet completed for the Work and any items that are identified after development of The List that are required to correct or complete the Work remain the responsibility of the Contractor. The Contractor shall reach Final Completion, including the items outline in The List, within the timeframe outlined in Paragraph 5 or thirty (30) days after The List is developed by the Parties, whichever is more.

4.4 If the County fails to develop the list in the time specified, the Contractor may request payment for all retainage held by the County, less any amounts withheld for incomplete or uncorrected Work. If the Contractor fails to cooperate with the County in developing The List, or obligations under The List, the County shall notify the Contractor in writing of its failure to cooperate in developing The List and the County shall not obligated to pay the retainage.

4.5 The County shall not be obligated to make payment to the Contractor for amounts that are the subject of, or release retainage related to, a good faith dispute or a claim brought pursuant to §255.05, Florida Statutes.

4.6 Once all items on The List have been completed, the Contractor may request the remaining retainage from the County. In cases of a dispute as to completion of an item on the List, the County may withhold an amount not to exceed 150% of the total cost to complete disputed items.

## **5 CONTRACT TIME AND DAMAGES**

5.1 It is agreed by both Parties that **TIME IS OF THE ESSENCE** for the completion of the Work. The Contract Time shall begin as set forth within the issuance of a Notice to Proceed to the Contractor by the County. Contract Time for Substantial Completion is **40** Working Days, as defined in Contract Documents and Specifications, from the Contractor's receipt of the Notice to Proceed. Contract Time for Final Completion is **30** calendar days after

Substantial Completion is met, unless extended in accordance with §218.735(7)(c), Florida Statutes.

5.2 Inasmuch as failure to complete the Work within the time herein fixed will result in substantial injury to the County and whereas damages arising from such failure cannot be calculated with any degree of certainty, it is hereby agreed that if such Work has not reached Substantial Completion as herein defined or within such further time, if any, as shall be allowed for such performance of Substantial Completion in accordance with the provisions of this Agreement, the Contractor shall pay the County as liquidated damages and not as a penalty the sum of **One Thousand Two Hundred Forty-One Dollars and Zero Cents (\$1,241.00) per day** for each and every calendar day after the date fixed for Substantial Completion.

5.3 Inasmuch as failure to complete the Work within the time herein fixed will result in substantial injury to the County and whereas damages arising from such failure cannot be calculated with any degree of certainty, it is hereby agreed that if such Work has not reached Final Completion as herein defined or within such further time, if any, as shall be allowed for such performance of Final Completion in accordance with the provisions of this Agreement, the Contractor shall pay the County as liquidated damages and not as a penalty the sum of **Six Hundred Twenty Dollars and Zero Cents (\$620.00) per day** for each and every calendar day after the date fixed for Final Completion.

## **6 PERFORMANCE AND PAYMENT BONDS**

6.1 Within ten (10) business days after signature of this Agreement by the Parties, Contractor shall provide Owner with Payment and Performance Bonds, in the forms prescribed as **Attachments 1 & 2**, in the amount of 110% of the total sum of the Contract Price, the costs of which are to be paid by the Contractor.

6.2 If the surety for any bond furnished by the Contractor is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Contract Documents, the Contractor shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the minimum requirements noted above and County's approval.

6.3 In accordance with the requirements of §255.05(1)(a), Florida Statutes, the Contractor shall record a copy of the Performance and Payment Bonds in the Public Records of Alachua County, Florida, prior to performing any Work under this Agreement. The Contractor shall deliver a certified copy of the recorded Performance and Payment Bonds to the County at least five (5) days prior to performing any Work under this Agreement. The Contractor shall not perform any Work under this Agreement prior to recording said bonds. The timely delivery of the certified copy of the recorded Performance and Payment Bonds is a condition precedent to County's obligation to make any payments to the Contractor hereunder.

- 7 **NOTICES** - Except as otherwise provided in this Agreement any notice of default or termination from either party to the other party must be in writing and sent by certified mail, return receipt requested, or by personal delivery with receipt. 10.1 To the maximum extent permitted by Florida law, the Contractor shall indemnify and hold harmless the County and its officers and employees from any and all liabilities, damages, losses and costs, including, but not limited to, reasonable attorneys' fees, caused by the negligence, recklessness, or intentional wrongful misconduct of the Contractor or anyone employed or utilized by the Contractor in the performance of this Agreement. Contractor agrees that indemnification of the County shall extend to any and all Work performed by the Contractor, its subcontractors, employees, agents, servants or assigns.

That Principal, hereinafter called Contractor, and Surety, as identified above, are bound to Alachua County, Florida, as Obligee, and hereinafter called the County, in the amount identified above, for the payment whereof Contractor and Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally.

WHEREAS, Contractor has by written Contract entered into a Contract, identified above, with County, which Contract Documents are by reference made a part hereof, and for the purposes of this Bond are hereafter referred to as the "Contract";

THE CONDITION OF THIS BOND is that if Contractor:

1. performs the Contract between Contractor and County, at the times and in the manner prescribed in the Contract; and

No right of action shall accrue on this bond to or for the use of any person or corporation other than County named herein.

The Surety, for value received, hereby stipulates and agrees that no changes, extensions of time, alterations or additions to the terms of the Contract or other Work to be performed hereunder, or the specifications referred to therein shall in any way affect its obligations under this bond, and it does hereby waive notice of any such changes, extensions of time, alterations or additions to the terms of the Contract or to Work or to the specifications.

This instrument shall be construed in all respects as a common law bond. It is expressly understood that the time provisions and statute of limitations under §255.05, Florida Statutes, shall not apply to this bond.
