Request for Proposal

Alachua County

Project Background

Alachua County, FL is seeking proposals from qualified firms to provide 457(b) and 401(a) Plan Provider Services. The professional services solicited may include, but are not limited to, the following bundled administrative services: custodial trustee, administrative, recordkeeping, participant education, enrollment and regulatory support for the plans.

The primary objectives of the RFP review and selection process will be to:

- Lower participant expenses
- Enhance the participant experience
- Maintain a best of class investment offering

AndCo serves as independent plan consultants to Alachua County, FL as it relates to the investments and other fiduciary support and acts solely in this capacity. AndCo does not accept commissions or other payments from any insurance company, agent or broker, nor does it accept any income from any other source.

The Plan is a retirement plan and will be designed in a manner that emphasizes a long-term approach to creating a secure retirement savings or income for the Plan Participants. Recognizing that investments will be Participant-directed, Participant education, communication services and web-based tools will be very important components of the evaluation process. Any changes to the fund menu are not within Scope of Services in this Request for Proposal and will remain the sole discretion of Alachua County.

Final selection will be determined based on a qualified proposing firm's ability to best meet the Alachua County's desire for comprehensive participant planning tools and education, competitive fees and other factors being considered, on an open architecture investment platform.

Background

Alachua County offers its employees 457(b) and 401(a) Plans to supplement their pension benefits. The plan design is straight forward, allowing employees to defer compensation and direct their investments within the 457(b) Plan and additional employer contributions are made to the 401(a) Plan for some, but not all employees. Payroll is run bi-weekly payroll internally on a different system. While there are multiple locations for employee meetings, the basic goal is to provide coverage at least quarterly. See the Plan Details for more information.
