I am passionate about the arts and I understand that it is a much needed tool to help shape, create and explore our human desires and abilities. My family is filled with painters, artists and creative minds. I can send art works (pictures) for reference. I used art growing up to get through some mental blocks and struggles and I feel it has helped me greatly in expanding my mind and compassion for others. I do not have any works of my own but I am ready, willing and able to help others create theirs.

#### What Contributions do you feel you could make if you were selected to this board?

What I bring to the table is leadership, education and understanding with a sense of adventure. Personal experience ignites my passion for helping others succeed. Art is also a form of therapy for my military brothers and sisters, which has shown me that it can also be a form of medicine for the soul.
