CHAIR:

The Alachua County Board of County Commissioners convenes the Public Hearing on the Alachua County Fiscal Year 2021-21 Proposed Millage Rates and Tentative Budget as required by Florida Statutes, Chapters 129 and 200 and as advertised in the Truth-in-Millage (TRIM) Notices.

Tuesday, September 8, 2020. This information was included in the TRIM notices. Petition forms were available from the Property Appraiser's Office.

II. Fiscal Year 2020-2021 Proposed Millage Rates and Tentative General County and Municipal Service Taxing Units Budgets

A. Overview of Truth-in-Millage

Legislation COUNTY ATTORNEY:

In 1980, the Florida Legislature adopted what is known as the Truth-in-Millage Legislation or TRIM, as it's called. The goal of the legislation was to ensure that taxpayers were advised of the public hearings at which the local taxing authorities' budgets and millage rates were to be considered and adopted. Each year, the Property Appraiser completes an assessment of the value of all property and certifies to each taxing authority the taxable value of the property within its jurisdiction. Each taxing authority then notifies the Property Appraiser of its proposed millage rate, its rolled back rate and the date, time, and place of the public hearing to consider the proposed millage rate and the tentative budget. Once the Property Appraiser receives the information, he sends a notice by first class mail to every taxpayer on the assessment role. The notice contains the information from the taxing authorities as to the proposed millage rate and the time and place of the public hearing. The notice sent to taxpayers is called the TRIM notice. The TRIM notice lists what the taxes were for the prior year, what the taxes will be if the proposed budget changes are made, and what the taxes will be if no budget changes are made. This information is listed for each taxing authority. The notice also lists all voted levies for debt service. The purpose of the TRIM notice is to provide taxpayers with sufficient basic information to enable them to participate in the public hearing process.

Tommy Crosby, Assistant County Manager for Budget & Fiscal Services, will now present an overview of the tentative budget for fiscal year 2020-2021.
