What Contributions do you feel you could make if you were selected to this board?

Hello. I'd like to be considered for membership on either or both of these boards. I grew up in this town, and now that my wife and I are back here to raise our boys, being able to contribute through service to our local government is something I'm interested in. I'm a local attorney. Before that, my first career was in the infantry, and I enjoy both connecting with other members of our veteran community and also researching and learning more about the history of our town. I think I'd bring a perspective to our discussions as an attorney and as a combat veteran that might hopefully add to the quality of our work. Thanks.
