Good Morning:

My apologies for the delay in getting back with you. The price increase was approved and no modification is needed for Alachua County to use the contract. Section 3, Terms and Conditions, Item 3.13, Other Agencies, allows other entities to piggyback the contract under our terms and conditions provided the vendor gives approval for the piggyback. So as long as Bennet gives you the OK, you are good to proceed.

Thank you so much for your patience and let me know if I can help with anything else.

Have a great day!

Good morning, I'm waiting on an answer from the lead agency on this Change Order. I'm concerned this might not make it to the 8th board meeting.

Good morning, Alachua County utilizes Lake County Contract 17-606 Bennet for Globe purchases. Did your

organization approve the attached price increase?

Thank you in advance for your assistance.
