COMMENTS/EXPLANATIONS: Strategic Materials is the only processor in the Southeast that accepts 3 mixed glass from recycling facilities for recycling. The costs they charge is mostly for freight to their plant in Sarasota, Florida where they process the material for end users. Other non 3 mixed glass processors would require additional sorting before they will take the materials which increases the processing costs. Glass commodities have little resale value so using this vendor is the cheapest way to minimize the costs while recycling glass in Alachua County.

THE BASIS OF THE FOREGOING, I RECOMMEND THAT COMPETITIVE PROCUREMENT BE WAIVED AND THAT THE SERVICE OR MATERIAL ON THE ATTACHED REQUISITION BE PURCHASED AS A SOLE SOURCE COMMODITY.
