

Water Quality Project List

Water Quality Projects	Estimated Project Duration						Estimated Project Budget (Sources: annual assessment revenue, assessment fund balance, and reimbursement grants)
	FY21	FY22	FY23	FY24	FY25	FY26	
Sweetwater Trailhead LID Parking Area Project							\$615,000
UF LID Performance Study							\$36,000
Landscape Practices Contaminant Study							\$98,000
Santa Fe Park Septic Upgrades							\$30,000
Lake Santa Fe Nutrient Source Evaluation							\$150,000
Poe Springs Nutrient Source Evaluation							\$200,000
Main Street Detention Pond Outflow Filter							\$237,000
Lochloosa Lake Nutrient Source Evaluation Study - Phase 1							\$163,000
Parker Rd. Water Quality Pilot Project							\$317,000
Climate Vulnerability Assessment							\$500,000
High Springs Library Water Quality Project							\$260,000
North Central Collection Center Water Quality Project							\$53,000
Newnans Lake Initiative IV - Weir Modifications							\$75,000
Lochloosa Lake Nutrient Source Evaluation Study - Phase 2							\$175,000
Lochloosa Lake - CR 2082/SE 152nd ST Stormwater Improvements							\$550,000
Archer Library LID Water Quality Project							\$255,000
NE 22nd Lane Erosion Control							\$340,000
Alachua Library Water Quality Project							\$340,000
Old Bellamy Road Erosion Control							\$340,000
Lochloosa Slough Erosion Control							\$425,000
Millhopper Library Water Quality Project							\$255,000
Lochloosa Lake Water Quality Improvement Project							\$625,000
Newberry Library Water Quality Project							\$250,000
Library Headquarters Water Quality Project							\$250,000
