Alachua County Advisory Board Program

Health Care Advisory Board

Brendan Shortley, Chair

Tim Rogers, Vice Chair

June 30, 2020

Dear Alachua County Board of County Commissioners,

The mission of the BOCC's Health Care Advisory Board is to identify specific gaps in health services for Alachua County residents, therefore the continued financial viability of the CHOICES Healthcare Program Trust has been a topic of concern for the BOCC and the Health Care Advisory Board for quite some time.

The depletion of the CHOICES Trust Fund will greatly impact our ability to help uninsured residents of Alachua County. These individuals have limited access to healthcare. Alleviation of this was the impetus for the CHOICES program. If the funding expires, low-income residents of Alachua County would not have access to much needed healthcare services, including preventive care. CHOICES has provided true government support to the least fortunate among us.

Some agencies use CHOICES dollars to leverage state funding. For example, the Victims of Crime Act increases the availability of trauma counseling to the domestic violence victims in our community. Loss of CHOICES funding, and the match dollars, could increase the City and County's financial burden in relation to law enforcement, jails, social services, etc.

CHOICES funds significant dental efforts as well. Poor oral health can lead to many more severe health issues and places an increased financial burden on Alachua County Health Department funding. The local economy is affected when the poor experience an inability to interview and/or hold a job due to untreated dental pain.

Nonprofit groups providing primary care identify chronic disease states like asthma, diabetes and hypertension, and treat these before they cause severe effects such as stroke and death.

CHOICES funding also includes much-needed psychiatric services. A viable argument can be made that it is not cost-effective to have the police as the central receiving facility. The only two options available without non-profit agencies are a crisis stabilization facility or jail. Frontline clinics that provide psychiatric services such as GRACE and Helping Hands Clinic help alleviate the financial burden to the County.

More information can also be found in "Return On Investment Of Public Health Interventions: A Systematic Review", published in the Journal of Epidemiology and Community Health (<https://jech.bmj.com/content/71/8/827>).

CHOICES funds are being depleted at a rate of \$800,000 per year. We would request that the BOCC allot 10% per year from General Fund starting this year, increasing by 10% each year, as a supplement to the CHOICES funding available. This would create a sustainable base of funding for County's frontline of defense and prevention for the well-being of our community as a whole. Thank you for your time and admirable efforts.

Sincerely,

Brendan Shortley
Chair
Health Care Advisory Board

Mrs. Claudia Tuck
Alachua County Community Support Services
218 SE 24th Street
Gainesville, FL 32641

Dear Mrs. Tuck,

On behalf of NAMI Gainesville I would like to thank Community Support Services for the strong support your organization has provided to community mental illness support initiatives. With your organization's assistance, NAMI Gainesville successfully started the Child/Youth Peer Mentoring Program, the Self Care Support Group and in the past year more than doubled its number of active staff and volunteers who expanded all existing NAMI services.

NAMI Gainesville would like to add three new initiatives, summarized below, to the scope of work in the existing grant. Each of these initiatives will stabilize and improve the lives of people with mental illnesses, which will lower the number of emergency service calls, hospitalizations, incarcerations and other tragic outcomes.

- 1) Start NAMI Connection Support Group meetings and Peer-2-Peer courses in the Alachua County Jail for inmates with mental illnesses. The proposed plan would be to facilitate one Connection Support Group meeting in the men's jail and one in the women's jail per week; and one Peer-2-Peer course per quarter.

NAMI Gainesville's cost to facilitate a Connection support group is \$90 and \$810 for a Peer-2-Peer course, or \$12,600 per year for the proposed schedule. These programs would help individuals in jail to develop and improve their mental illness coping skills and as a result would reduce their chances of re-incarceration after release.

- 2) Provide NAMI Peer Mentoring services to individuals with mental illnesses who are being released from the Alachua County Jail. Peer mentoring is a long-term, one-on-one support program that includes helping individuals develop mental illness coping skills, connecting individuals to the mental illness support community, and assisting individuals in obtaining sustainable housing, transportation, jobs and access to medical services.

NAMI's costs to provide peer mentoring services is \$480 per month per individual and the total cost of the program would be proportional to the number of individuals Court Services would refer to the program. The program will reduce the time it takes individuals with mental illnesses to stabilize and subsequently will reduce re-incarcerations.

- 3) Implement a coordinated entry program for the Alachua County Crisis Center, Sheriff's Office and Court Services to use to refer individuals with serious mental illnesses into the NAMI Adult Peer Mentoring Program.

Similar to the mentoring program for individuals released from jail, the program costs \$480 per month per individual served and would reduce re-hospitalizations, re-incarcerations or other tragic outcomes. NAMI Gainesville proposes committing three Peer Mentors to the program who would exclusively serve referrals from the County and give the program the capacity of 9 clients at a time (Mentors support three clients at a time.)

The programs as presented would increase the grant from \$10,000 per year to \$74,440 per year, however, the County can increase or decrease the service capacities proposed.

Multiple studies show that mental illness peer support programs save local governments more than they cost by reducing EMS calls, hospitalizations, incarcerations and other social service programs needed to support people living in crisis. NAMI Gainesville can produce samples of these studies and an analysis of the overall savings these programs would produce if requested to do so.

Please feel free to call me at the number below if you have any questions about the proposed programs.

Best Regards,

Arthur Stockwell

Any other amendments to the Budget shall be completed in accordance with Section 27 of this Agreement.

It is understood that the City and County funding is insufficient to manage and operate a robust homeless services center. Therefore, the Provider warrants and represents that, to reduce its reliance on funding from the City and the County, it will exert its best efforts to secure private, local, state, and federal funds and grants.

As part of the Budget Reports (described in Section 6 below), the Provider will report all additional (non-City and non-County) funding received in furtherance of the Project. In addition, the Provider will exert its best efforts to secure such volunteers and in-kind services as are necessary to provide the balance of support needed to adequately operate and maintain the homeless services center at the Facility.

5.2 Quarterly: The Provider shall submit quarterly Program Reports (including fiscal year-to-date and prior fiscal year-to-date totals) to the City and County and shall make a presentation to the City and County Commissions describing the reports. The Provider shall submit the quarterly reports on or before February 1, May 1, August 1, and November 1 each year during the term of this Agreement (as described in Section 1 of this Agreement).

EXHIBIT 1A SCOPE AND SCHEDULE OF SERVICES

October 1, 2019 – September 30, 2024

The Provider shall provide services as outlined below:

A) Coordinated Entry System

Provider will participate in the local Continuum of Care (CoC) (North Central Florida Alliance for the Homeless and Hungry) Coordinated Entry (CE) system. A purpose of the CE system is to ensure that at risk and vulnerable populations experiencing homelessness can receive assistance to find stable housing by quickly identifying, assessing, connecting individuals to housing support services and housing resources. The CE is also intended to provide the way for more efficient homeless assistance systems by:

- Helping individuals move through the system faster (by reducing the amount of time spent moving from program to program before finding the right match);
- Reducing new entries into homelessness (by consistently offering prevention and diversion resources upfront, reducing the number of people entering the system unnecessarily); and
- Improving data collection and quality; and providing accurate information on the types of assistance individuals need.

The Provider must utilize the local CoC's standardized assessment and access for all individuals, as well as a coordinated referral and housing placement process, as part of the Provider's participation in the CE system. The goal of the CE system is to ensure that individuals experiencing homelessness receive appropriate assistance with both immediate and long-term housing and service needs. The CE is designed to connect individuals with the appropriate service(s) in a manner that is streamlined, effective and seamless from the individual's perspective, even if that service(s) is not offered by the Provider's organization. The overall goal of the CE is to have a standardized process from initial engagement to successful housing placement.

B) Homeless Information Management System (HMIS)

The Provider, and other agencies that utilize HMIS and provide services funded by this Agreement at the Facility, shall enter data on all clients served and all services provided at the Facility into the local Continuum of Care Homeless Information Management System (HMIS) to collect client-level data and data on the provision of housing and services to homeless individuals and families and persons at risk of homelessness. The Provider must utilize the HMIS software selected by the local CoC. The CoC Lead Agency is expected to ensure that the HMIS software complies with applicable HUD's data collection, management, and reporting standards.

C) Vulnerability Index -Service Prioritization Decision Assistance Tool (VI-SPDAT)

The Provider, and all subcontractors providing housing-related services at the Facility, shall utilize a VI-SPDAT system to pre-screen or triage individuals. The purpose of using the VI-SPDAT system is to quickly assess the health and social needs of homeless persons and match them with the most appropriate support and housing interventions that are available within the community.

The VI-SPDAT system is a brief survey designed to allow homeless service providers to quickly assess and prioritize individuals who are homeless in the community and identify whom to treat first based on the acuity of their needs. The VI-SPDAT system determines an acuity score for each homeless person who participates in the program. The scores can then be compared and used to identify and prioritize individuals for different housing interventions based upon their acuity. Using the VI-SPDAT will assist providers to move beyond only assisting those clients who request services at their particular agency and begin to work together to prioritize all homeless persons in the community, regardless of where they are assessed, in a consistent and transparent manner.

Pursuant to its written Guidelines, the City Parks Department removes unattended personal belongings from certain City properties, inventories the belongings, places an identification number on the belongings, and will transport the belongings to the Facility and turn over custody of the belongings, along with the written inventory, to the Provider. The City will transport and set up storage bins at the Facility for use by the Provider. The Provider shall then be responsible for the following:

- The belongings shall be stored in the storage bins or other secure location for 90 days from the date delivered to the Provider.
- The belongings will be released to the rightful owner upon request and establishment of ownership rights. The owner may establish his/her ownership rights by describing the belongings he/she seeks to recover with particularity, as well the location from which it was removed, or by providing any other proof of ownership. For items that are identified on the inventory as being in the custody of the Gainesville Police Department (GPD), ACCHH staff shall provide the contact information for the custodian at GPD.
- After the 90 day period has expired, ACCHH staff may dispose of the belongings by one of the following methods: 1) retain the property for use at the Facility, 2) donate the property to a charitable organization, 3) sell the property and use the sale proceeds for providing services at the Facility, or 4) throw away the property if it cannot be put to beneficial re-use.
- ACCHH staff will record the method and date of the final disposition of the item on the inventory record, including name of the staff member who released the item to the owner or disposed of the item, the date the item was released or disposed of, the recipient's name and contact information if applicable.

Except for matters arising from the Provider's failure to follow the above requirements, the City shall indemnify and save harmless the Provider, its officers, employees, and volunteers from and against any and all liability, claims, demands, fines, fees, expenses, penalties, suits, proceedings, actions and costs of action, including attorney's fees for trial and on appeal, of any kind and nature arising from the City's collection, inventory and transporting of the personal belongings or from the Provider's storage and disposition of the personal belongings.

LICENSE AGREEMENT

THIS LICENSE AGREEMENT ("Agreement" or "License") is made by and between the **City of Gainesville**, a municipal corporation of the State of Florida ("City"), and the **Alachua County Coalition for the Homeless and Hungry, Inc.**, a Florida not-for-profit corporation ("Licensee").

WITNESSETH:

WHEREAS, the City on December 21, 2017, issued an Invitation to Negotiate (ITN #CMGR 180047GD) to provide services at the City's facility and on February 15, 2018, the City Commission authorized City staff to negotiate a contract with the Provider, and thereby the City and the Provider entered into a services agreement for the term from April 1, 2018, through December 31, 2018. The City Commission on August 2, 2018, approved the extension of the Services Agreement for a term from January 1, 2019, through December 31, 2019. The City Commission on May 6, 2019, approved the extension of the Services Agreement for a term from October 1, 2019 through September 30, 2024; and

WHEREAS, the City and the Licensee, in conjunction with the Services Agreement, hereby enter into this Agreement where the City grants to the Licensee a license to use a certain portion of the Facility for the duration of the term of the Services Agreement; and

WHEREAS, the City finds that the benefits and obligations expressed in the Services Agreement and the use of a portion of the Facility as described in this Agreement will provide a substantial benefit to the public and serve a public purpose; and

WHEREAS, the City is willing and able to make a portion of the Facility available as described in this Agreement and the Licensee is willing to accept use of the property described herein, subject to the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the foregoing recitals which comprise a material part of this Agreement, and the mutual covenants, promises, conditions, and representations set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Term; Entire Agreement.** This Agreement will become effective on October 1, 2019 (the "Effective Date"), and will expire on September 30, 2024, unless sooner terminated or extended. Upon request of the Licensee, the City may in its sole discretion extend this Agreement. Notwithstanding the foregoing, this Agreement may be terminated by the City at any time, with cause, upon Notice to the Licensee. The City may terminate the Agreement, without cause, upon 30 calendar days prior notice to the Licensee. This Agreement, together with the Services Agreement executed by the Parties, constitutes the entire agreement between the City and Licensee with respect to the use of the Premises. This Agreement and the Services Agreement are made a part of and contingent upon the other.

To that end, if a Party is in default under this Agreement, it is likewise in default under the Services Agreement and if this Agreement is terminated, the Services Agreement is also terminated, and vice versa.

This Agreement shall be recorded in the Public Records of Alachua County, Florida by the Licensee, at its sole expense, within 10 calendar days of execution of same.

2. **Grant of License and Sole Use.** The City hereby grants to the Licensee and the Licensee hereby accepts from the City a license to use the certain portion of the Facility as identified on **Attachment A** ("Premises") for the sole purpose of providing homeless services as identified in the Services Agreement between the Parties (the "Uses"). In addition, the Licensee and its employees, patrons, and invitees may park in the improved parking spaces and may use the sidewalks located in the Facility to access the Premises. The City retains the right, at any time, upon Notice to the Licensee, to assign or otherwise restrict the parking available for use by the Licensee, its employees, patrons, and invitees.
3. **Condition of Premises; Maintenance and Repair of the Premises.** This License is being granted AS-IS, meaning the Licensee accepts the Premises in its current condition and fully understands that the City is making no obligation to maintain or improve the Premises, beyond that specified in this Agreement, and nothing herein should be deemed or interpreted as such an obligation.
 - A. **Licensee Responsibilities for Maintenance and Repair of the Premises.** Licensee shall be responsible for maintaining the heating, ventilating, and air conditioning unit, windows, interior walls, mechanical, electrical, plumbing, fixtures, light fixtures, floor, and floor coverings in the condition as existed on the Effective Date, excepting normal wear and tear. Licensee shall not be responsible for replacement of the heating, ventilating, and air-conditioning unit, unless caused by Licensee's failure to maintain. Licensee shall also be responsible for all repairs, replacement, and maintenance in connection with damage or loss to the Premises, fixtures, and improvements resulting from acts, omissions, or negligence of the Licensee, or the Licensee's employees, agents, licensees, patrons, guests, or invitees. In addition, Licensee shall repair all damage caused by the installation or removal of furniture, fixtures, or property permitted under this License to be installed or removed from the Premises by Licensee. All such repairs shall be made in a good, workmanlike manner. Licensee shall maintain the Premises in a clean, sanitary, and safe condition by providing routine janitorial, pest prevention, and trash removal services. The Licensee shall at all times keep the Premises in a safe, clean, orderly, and presentable condition. Licensee agrees, if notified by the City that any part of the Premises has been altered or is being maintained in an unsatisfactory condition, to remedy the condition at once at the Licensee's expense. Licensee shall promptly report to the City any damage, necessary repairs, or maintenance that are the responsibility of the City as set forth below.
 - B. **City Responsibilities for Maintenance and Repair of the Premises.** City shall be responsible for the maintenance and repair of the roof, exterior surfaces of the Premises, structural portions of the Premises, and the replacement, should it become necessary, of the heating, ventilating, and air conditioning unit.

All repairs not addressed in this Agreement and not caused by the acts, omissions, or negligence of the Licensee or its employees, agents, licensees, patrons, guests, or invitees, shall be the responsibility of City.

4. **Common Areas.** All areas outside of the exterior of buildings on the Facility and all areas used by Licensee in common with other users of in the Facility (collectively the "Common Areas") shall be maintained by the City. So long as the on-site Campground is operational, the City will coordinate with ACCHH with regard to the timing and provision of maintenance of the areas encompassed by the on-site Campground.

Common Areas include, but are not limited to, all parking areas, walkways, surrounding undeveloped or landscaped land, storm water drainage systems, access ways, and any commonly used amenities. Licensee shall pay to City a common area maintenance charge (the "CAM Charge") for the maintenance performed by the City as follows:

- A. Within 30 calendar days after the Effective Date and thereafter prior to October 1 of each year during the term of this Agreement, City shall prepare a budget for CAM Charges for the Facility. CAM charges shall include all of City's costs and expenses of operating and maintaining the Common Areas which shall be deemed to include, without limitation, landscaping and grounds maintenance, fencing repair, backflow preventer maintenance, back-up generator maintenance, resurfacing, painting, repairs (excluding structural repairs to the Premises), outdoor lighting and City's costs for administering the same.
 - B. Each month the City shall invoice the Licensee for its proportional share of CAM Charges to City based upon the budget, which shall be due and payable by the Licensee within 30 calendar days of receipt of the invoice. Licensee's proportional share shall be determined by multiplying the total of such costs by a fraction, the numerator of which shall be the gross square footage of the Premises and the denominator of which shall be the gross square footage of the Facility, as more fully described in the attached **Attachment B**.
 - C. On or before December 31 of each year during the term of this Agreement, the City shall furnish to Licensee a statement showing in reasonable detail the total amount of actual CAM costs for the preceding year and reconciling such actual costs with the Licensee's monthly payments for the year. If the costs are higher than the monthly payments already made, Licensee shall reimburse City such additional costs in a lump sum with the next regular monthly CAM payment. If the costs are lower than the monthly payments already made, Licensee shall be entitled to a setoff of such costs against the next regular monthly CAM payment (or as many payments as are necessary to absorb the setoff to which Licensee is entitled).
 - D. In the event the Licensee does not pay the CAM Charge when due, the Licensee shall be in default under this Agreement.
5. **Improvements by Licensee.** Except as otherwise agreed in writing, Licensee shall install, at its sole expense, all improvements (that are authorized by the City) necessary and required to conduct the Uses on the Premises, including without limitation any Americans with Disabilities Act or state law accessibility requirements or other federal, state, or local requirements. The Licensee shall not make any improvements to the Premises that are not authorized in writing by the City, as the owner of the Premises. Regulatory approvals granted by the City shall not constitute approval by the City as owner of the Premises.

The Licensee shall, at its sole expense, obtain all permits and approvals required by the City, and any other applicable regulatory agency, to locate and operate the Uses on the Premises.

6. **Construction Liens Prohibited.** Licensee shall promptly pay for all labor and materials used in constructing any improvements, alterations, or fixtures on the Premises and shall do all things necessary to prevent the filing of any mechanics, materialman, or other type of lien or claim against the City or the Premises by, against, through, or under Licensee or its contractors or subcontractors. Licensee shall notify its contractors that the Licensee's and City's interest shall not be subject to any liens or claims for alterations, improvements or fixtures to the Premises by Licensee. The City's interest shall not be subject to any liens or claims for alterations, improvements or fixtures to the Premises by Licensee. If any such lien or claim is filed, Licensee shall cause the same to be released within 90 calendar days of the filing of the lien. Nothing in this Section is intended to preclude or prevent the Licensee from applying for and receiving funding for the Uses it is providing on the Premises; however, prior approval of the City (which may be granted or denied in the sole discretion of the City) is required for any funding that requires a restriction or lien on the Premises or Facility as a condition of application or acceptance of the funding.
7. **No Contractual Zoning; No Contracting of Police Powers.** The parties recognize that the City is entering this Agreement in its proprietary capacity, as owner of the Premises, and not in its regulatory capacity, as the governmental entity that is vested with the authority to grant or deny permits and development approvals. The parties agree that nothing contained in this Agreement shall be interpreted or construed as an approval, waiver, or contract to approve or waive any development plan, development permit, rezoning, comprehensive plan amendment, or any other governmental requirement that the City may have jurisdiction over in its regulatory capacity. Nothing contained in this Agreement shall be interpreted or construed as contracting away the exercise of the regulatory or police powers of the City.
8. **Utilities.** The parties acknowledge that sub-meters have been installed to measure electricity provided to individual buildings within the Facility. Licensee shall pay in addition to and together with its CAM charges: 1) 100% of the electric utilities paid by the City for the buildings that comprise the Premises; and 2) the proportion of the water, wastewater, and gas utilities paid by the City for the Facility as allocated in accordance with Section 4.B. of this Agreement. All other services to the Premises, such as cable or internet, shall be arranged for and paid by the Licensee.
9. **Rules and Regulations.** Any rules and regulations included within or appended to this Agreement at a later date by the City are hereby made a part of this Agreement, and Licensee agrees to comply with and observe the same. Licensee's failure to keep and observe said rules and regulations shall constitute a breach of the terms of this Agreement in the manner as if the same were contained herein as covenants.
10. **Vacating Premises.** Upon vacating the Premises, Licensee must remove its furniture, movable equipment, and other personal property not attached to the Premises. Anything not removed on or before the date the Licensee vacates the Premises will become the property of the City. Upon vacating the Premises, Licensee agrees to deliver to City all keys to the Premises and to surrender the Premises immediately and in good order and condition, excepting reasonable wear and tear.

11. **Compliance with Laws and Indemnity.** Licensee agrees to use the Premises and any portion thereof in compliance with all federal, state, and municipal laws, ordinances, rules or regulations, now in effect or hereafter enacted or adopted (the "Laws") and the Licensee agrees not to use, nor suffer or permit any person to use in any manner whatsoever, the Premises or any part thereof for any illegal purpose, or for any purpose in violation of any Laws. Licensee will protect, indemnify and forever save and keep harmless the City, its employees, officers, and agents, from and against any damage, penalty, fine, judgment, expense or charge suffered, imposed, assessed or incurred for any violation or breach of law, ordinance, rule or regulation occasioned by any act, neglect or omission of the Licensee, or any employee or agent of Licensee.

12. **Insurance.** Licensee shall, during the term of this License, maintain comprehensive public liability insurance, including personal injury and property damage, issued by a reputable insurance company licensed to do business in the State of Florida with limits of not less than \$1,000,000 combined single limit protecting City and Licensee against liability for any accident, injury, or damage on the Premises. Should City determine that Licensee's operations present a risk of loss greater or of a different type than anticipated, Licensee may be required to maintain greater insurance coverage different in scope of loss covered and/or amount of coverage. Prior to the Effective Date of this Agreement, Licensee shall furnish to City appropriate certificates of said insurance, and each insurance policy shall contain an agreement that the policy shall not be canceled or materially changed except after 60 calendar days prior written notice of such cancellation or material change to the City. All required insurance products will name the City as an additional insured. Notices of Accidents (occurrences) and Notices of Claims associated with this Agreement shall be provided to the City's Risk Manager as soon as practicable after notice to the insured.

All personal property of any kind or description whatsoever in or on the Premises, whether owned by Licensee or others, shall be at the Licensee's sole risk and City shall not be liable for any damage done to or loss of such personal property, unless said damage or loss is caused by the City's intentional acts or omissions. Licensee shall secure such insurance as it deems necessary or desirable to cover loss or damage to Licensee's property.

13. **Release of City.** City is hereby released from any damage or injury to person or property caused by or resulting from acts of god or force majeure, including but not limited to, steam, electricity, gas, water, rain, wind, ice, snow, or any leak or flow from or into any part of the Premises. In addition, City shall not be liable for any damage, compensation or claim by reason of inconvenience or annoyance arising from the necessity of repairing any portion of the Premises, the interruption of the use of the Premises, or the termination of this License by reason of any damage or destruction of the Premises.

14. **Right to Terminate.** In the event the Premises cannot be accessed or occupied due to destruction or damage caused by casualty and the destruction or damage cannot be remedied by the Licensee within a reasonable length of time, as City and Licensee shall mutually determine, either party shall have the right to terminate this License.

15. **Taxes.** The Licensee agrees to pay any and all taxes, including without limitation ad valorem property taxes and personal property taxes, assessed by virtue of the use and improvements on the Premises.

As to taxes that are assessed during the term of the License, but are due and payable after its expiration or termination, this provision shall survive such termination or expiration.

16. **Public Liability and Indemnification.** The Licensee assumes all risks in the uses and improvements on the Premises, pursuant to this Agreement, and shall be solely responsible and answerable in damages for all accidents or injuries to person or property occurring on the Premises and hereby covenants and agrees to indemnify and hold harmless the City and its officers and employees from any and all liability, claims, suits, losses, demands, fines, fees, penalties, proceedings, actions and causes of action, including reasonable attorney's fees for trial and on appeal, of any kind and nature arising out of or any way connected with damage or injury to person or property of whatsoever kind and nature, whether direct or indirect. This indemnification shall not be limited to the insurance coverage herein provided. This indemnification shall survive the expiration or termination of this Agreement.
17. **Assignment.** The Licensee is not permitted to assign, transfer, convey or otherwise dispose of this license to any other person, legal entity or corporation without the previous written consent of the City, which may be withheld in the sole discretion of the City. If the Licensee shall, without the previous written consent specified in this section, assign, transfer, convey or otherwise attempt to dispose of same, the City reserves the right to declare this Agreement terminated without previous notice to the Licensee or its attempted assignee.
18. **Hazardous Materials and Indemnification.** Without limiting Licensee's obligations under any other provision of this License, Licensee and its successors and assigns shall hereby indemnify, defend, protect, and hold City, its officers, employees, elected officials, agents, lenders, consultants, independent contractors, and any successors to City's interest ("Indemnified Parties") harmless from and against, and shall reimburse the Indemnified Parties for any and all losses, claims, liabilities, damages, costs, expenses, causes of action, judgments, damages, enforcement actions, taxes, remedial actions, the diminution in the value of the Premises, or any portion thereof, and injuries to persons, property or natural resources, arising out of Licensee's breach of any provision (or representation, warranty, or covenant) contained in this Section arising from, out of, in connection with, or as a consequence, directly or indirectly, of the Release or presence of any Hazardous Substances on, in, or beneath the Premises or that may have migrated from the Premises to any adjacent lands, air or water, which first occurs during the Term of this License, as the same may be extended by law or agreement of the parties, whether foreseeable or unforeseeable, and whether or not known to Licensee, it being understood and agreed that the foregoing indemnity includes, but is not limited to, all costs of removal, remediation of any kind, detoxification, clean up and disposal of such Hazardous Substances and the preparation of any closure or other required plans, all costs of determining whether the Premises is in compliance and causing the Premises to be in compliance with all applicable Environmental Laws, all costs and fees associated with claims for damages to persons, property, or natural resources, and City's reasonable attorney's fees and consultant's fees and court costs in respect thereto, whether or not litigation or administrative proceedings shall occur, including all costs and expenses incurred or suffered by City by reason of any violation of any applicable Environmental Law which first occurs, or has first occurred, upon the Premises during the Term of this License, as the same may be extended by law or agreement of the parties, or by reason of the imposition of fines or penalties, or any governmental lien for the recovery of environmental clean-up costs,

expended by reason of such violation, it being expressly understood and agreed that to the extent the Indemnified Parties or any of them are strictly liable under any Environmental Laws, this indemnity shall apply without regard to the strict liability with respect to the violation of law which results in such liability. Licensee shall comply with all Environmental Laws throughout the Term of this License, as the same may be extended by law or agreement of the parties. Licensee hereby covenants and agrees that all obligations of Licensee under this Section shall survive any termination of the License, it being further understood and agreed that the rights of City under this Section shall be in addition to any other rights and remedies under this License, or otherwise available to City at law or in equity.

FY 2020-2021. The parties agree to pay \$1,500,000 (\$1,250,000 from the City and \$250,000 from the County as appropriated by the Gainesville City Commission and Board of County Commissioners) to extend services for twelve months, from October 1, 2020, through September 30, 2021, to be disbursed by the City to the Provider in accordance with the Service Agreement between the City and the Provider.
