**Description:**

A request by JBrown Professional Group, Inc., agent, for West End Golf Club, Inc., owner, for an amendment to the Alachua County Comprehensive Plan: 2019-2040 Future Land Use Map from a Recreational land use designation to a Low-Density Residential (1 to 4 dwelling units per acre) designation on portions of approximately 75.18 acres located on tax parcels 04333-001-000 and 04314-000-000 as well as associated Comprehensive Plan text amendments. The West End PD has been amended several times by the BoCC including ZOM-03-04 in 2004, ZOM-12-99 in 1999 and ZOM-13-17 in 2017. A large-scale Comprehensive Plan land use change was approved in 2017 (CPA-01-17).

None

**Strategic Guide:**

None

**Background:**

The proposed application is for a large-scale Comprehensive Plan amendment from Recreation to Low-Density Residential (1-4 dwellings units per acre) on approximately 38 acres of the 75-acre West End Golf Course property. There are also associated text amendments to cover the entire golf course that would limit development to no more than 70 single-family residential units.
