Agenda Item Name:

Public Hearing-Emergency Management Director Amendment Ordinance

Presenter:

Bob Swain

Description:

This is a public hearing to consider an ordinance amending Section 27.10.01 of the County Code regarding the organizational structure of the Emergency Management Director.

Recommended Action:

Approve ordinance amending Section 27.10.01 of the County Code regarding the organizational structure of the Emergency Management Director and authorize Chair to sign.

Prior Board Motions:

8/9/2016 - Approval of Ordinance #2016-12 which amended Chapter 27 of the Alachua County Code entitled "Emergencies," which established the position of Emergency Management Director.

Fiscal Consideration:

None.

Background:

The position of Emergency Management Director was established in August 2016 by Ordinance #2016-12, adopted by the Board on 8/9/16. The existing code does not reflect the organizational placement of the Emergency Management Director, nor does it reflect the changes in organizational structure previously approved by the Board. The proposed ordinance makes the Code consistent with changes in organizational structure which have already been made.
