**Background:**  
The Recreation and Open Spaces Advisory Committee was established in 1999 through Resolution 99-49, by creating a single resolution from Resolutions 95-53, 89-16, 86-17, and 83-102. In March 2019, their Resolution was amended to reduce the committee size from nine (9) members plus one (1) alternate to five (5) members plus one (1) alternate and extending their sunset date until February 28, 2024.

The Board is being requested to approve Resolution 20-xx, attached, which updates the Membership section from "School Board Representative" to "Citizen at Large." This change will allow staff to more

easily recruit for future vacancies.
