Approve Budget Amendment for Purchase Order 2019-1842 Krimp's Ranch Fence

Prior Board Motions:

On May 10, 2016 Ordinance 16-06 was adopted, imposing an infrastructure surtax for a period of 8 years to acquire and improve conservation lands and create, improve and maintain parks. Resolution 17-26 established the Wild Spaces Public Places Fund.

Fiscal Consideration:

\$14,800 funded through WSPP 021.41.4160.537.63.98

Background:

On May 19, 2016 Alachua County Ordinance No. 16-06 was filed with the Florida Department of State. Section 4(b) authorizes the County to extend the Alachua County Forever program to acquire and improve environmentally sensitive lands. Section 5(b) allows for use of the surtax proceeds to acquire and improve environmentally sensitive lands.

On July 11, 2019, Alachua County purchased the Wolfsheimer addition to Barr Hammock preserve. For security and liability reasons, it is necessary to construct a fence along portions of the Wolfsheimer property boundary. This budget amendment will allow this work to proceed. POR 2019-

1842 is in process for this project.
